DESIGNATED AGENCY SAFETY AND HEALTH OFFICIAL LETTER 00S-92-3

Director, Office of Occupational Safety and Health

1. I am pleased to announce the selection of Gary R. Mills as Director of the Office of Occupational Safety and Health (00S1). Mr. Mills is responsible for the overall management of VA's Occupational Safety and Health Program. His appointment was effective on July 12, 1992.

2. Mr. Mills has a B.S. degree in Electrical Engineering from the University of Pittsburgh and extensive training in the fields of safety, health, and fire protection. He has worked for the Federal Government in the field of safety and health for 20 years, including experience with the Department of the Army, the National Institute for Occupational Safety and Health (NIOSH), and the General Accounting Office (GAO). Mr. Mills previously worked for VA in both Central Office and as a Regional Safety and Fire Protection Engineer. He returns to VA from GAO, where he served as Manager of that Office's Safety and Health Program.

3. Mr. Mills may be contacted at FTS 8-202-535-8683/8684.
