Diversion/Rapid Exit Action Plan

We realize that designing and implementing a Diversion or Rapid Exit Plan is a community-wide process. However, you play a role in your community and may be the person/team who starts this conversation locally. Please write three action steps you and your local team could take immediately to begin planning or thinking about a diversion strategy in your CoC.

Action Step	Timeline	Who Responsible
Example: We will convene a meeting with our Coordinated Entry Committee and 211 to explore diversion opportunities with the goal of piloting something in the next three months	Convene meeting in next two weeks (by November 10th)	John Smith, CoC RRH Coordinator
Action Step	**Timeline**	**Who Responsible**
