This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

ANNUAL REPORT OF THE BOARD OF MANAGERS

OF

THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS.

FOR FISCAL YEAR ENDING JUNE 30, 1912.

DECEMBER 4, 1912.

To the honorable the Senate and House of Representatives of the Congress of the United States:

The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, presents the following report of the institution under its charge for the year ending June 30, 1912:

There has been no change in the membership of the board during the period covered by this report.

The affairs of the home have been administered in accordance with the law and the established regulations. The several branch homes, except the Pacific Branch, have been thoroughly inspected at various times during the year by the Board of Managers. At these inspections the members of the home are invited and encouraged to appear before the board and state any complaints that they may have to make, or any suggestions which they may desire to offer for the improvement of conditions. The complaints made, however trivial, are carefully inquired into and necessary action, in the interests of justice and the welfare of the members, taken. The Pacific Branch has been under the close supervision of the manager residing in California and, on account of its remote location, has received especial attention by frequent visits of the inspecting officers. The president of the board has also visited and inspected this branch during the year, as well as all other branches. All of the branches have been regularly inspected by the inspecting officers of the home, and all irregularities and faulty conditions discovered have been corrected as promptly as possible.

The inspection required by the act of August 18, 1894, was made by Maj. W. H. Gordon, United States Army, inspector general, beginning September 11 and terminating November 19, 1911. (H. Doc. No. 407.)

During the period covered by this report 32,800 disabled soldiers and sailors were cared for in the National Home, and 20,937 in 31 State homes, a total of 53,737, being a decrease in the whole number cared for during the preceding year of 876 (501 in the National Home and 375 in the State homes). The average present in both National and State Homes was 31,079, an increase of 25.

Digitized by Google

The following table shows the comparative statistics for the years ending, respectively, June 30, 1911, and June 30, 1912:

Comparative statistics for the years ending June 30, 1911, and June 30, 1912.

Subjects.	1911	Increase or decrease from 1910.	1912	Increase or decrease from 1911.
Amount expended for the maintenance of the home (general fund)	$3,716,585.32	[1] $56,197.67	$3,785,093.18	$68,507.86
Amount expended for the maintenance of the home (special funds)	$125,200.82	$28,669.07	$112,801.36	[1] $12,399.46

Annual cost of maintenance of each man (special funds)	$6.60	$1.69	$5.94	$1.66
Total cost of maintenance of each man (general and special funds)	$202.43	$5.47	$204.75	$2.32
Average number of members present, including men cared for temporarily	18,979	[1] 590	18,977	[1] 2
Average number of members present and absent	25,663	[1] 851	25,155	[1] 508
Whole number cared for	[2] 33,301	[1] 988	[2] 32,800	[1] 501
Number of members cared for whose service was other than in the Mexican or Civil Wars	[3] 3,284	286	[3] 3,618	334
Average age of members cared for who served in the Mexican or Civil Wars	70.40	0.22	71.08	0.68
Average age of members cared for whose service was other than in the Mexican or Civil Wars	42.98	1.48	44.31	1.33
Number of deaths	2,489	44	2,514	25
Average age of members deceased who served in the Mexican or Civil Wars	72.23	0.21	72.65	1.42
Average age of members deceased whose service was other than in the Mexican or Civil Wars	44.43	3.02	44.60	0.17
Pensioners (whole number cared for)	[2] 30,711	[1] 1,171	[2] 30,067	[1] 644
Pensions received	$4,046,237.77	[1] $25,391.27	$4,015,432.34	[1] $30,805.43
Average amount of pension (per year)	$177.83	$4.95	$181.75	$3.92
Amount sent to families through the home	$923,905.93	[1] $2,085.69	$884,165.26	[1] $39,740.67
Paid direct to pensioners	$3,049,423.97	[1] $19,716.89	$3,048,310.21	[1] $1,113.76
Aggregate number of colored members	1,268	86	1,276	8
Average present in 31 State homes, in 27 States	12,179	[1] 223	12,206	27
Average present and absent in State homes	15,337	[1] 70	15,195	[1] 142
Whole number cared for in State homes	21,312	[1] 206	20,937	[1] 375
Amount paid to State homes	$1,221,634.83	$34,194.42	$1,200,000.00	[1] $21,634.83
Average number present during the year in National and State Homes	31,054	[1] 917	31,079	25
Average number present and absent during the year in National and State Homes	41,000	[1] 921	40,350	[1] 650
Whole number cared for during the year in National and State Homes	54,613	[1] 1,194	53,737	[1] 876

[1] Decrease. [2] Less "Gain by transfers." [3] Transfers between branches included.

The increase in the cost of maintenance (excluding construction) per capita, $2.32, is due in part to the increase in cost of food supplies, and in part to the increased expense of caring for the members on account of increasing age and disabilities. The per capita cost, including construction, was $206.85, a decrease of $2.67.

The report of the secretary of the Board of Managers, with which he transmits the journal of the proceedings of the Board of Managers, the record of members, and the reports of the governors of the several branches; the report of the general treasurer, showing the financial transactions of the home, and the report of the inspector general and chief surgeon, giving in detail statistics relative to the membership and health; also his report of the inspections of the State homes, which have been made under the direction of the Board of Managers, as authorized by act of Congress approved August 27, 1888, all accompany this report.

J. W. WADSWORTH,
President Board of Managers,
National Home for Disabled Volunteer Soldiers.

REPORT OF THE SECRETARY.

NATIONAL HOME FOR
DISABLED VOLUNTEER SOLDIERS,
Secretary's Office, December 4, 1912.

SIR: I have the honor to transmit herewith certain documents to accompany the annual report of the board to Congress for the fiscal year ending June 30, 1912. They consist of—

(1) The proceedings of the Board of Managers during the year.
(2) The reports of the governors of the several branches.
(3) The record of members.

The proceedings of the Board of Managers at its various meetings is a record of what has been done by the board in the performance of its duties. The reports of the governors show in detail all that is important relative to the local administration of the branch homes.

The papers above referred to contain full information in regard to the management of the home.

Respectfully, yours, J. M. HOLLEY,
Secretary Board of Managers,
National Home for Disabled Volunteer Soldiers.

Maj. JAMES W. WADSWORTH,
President Board of Managers,
National Home for Disabled Volunteer Soldiers.

PROCEEDINGS OF THE BOARD OF MANAGERS.

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, SEPTEMBER 12, 1911.

CENTRAL BRANCH,
September 12, 1911.

The board met in regular quarterly session at 12 m.

Present: Maj. James W. Wadsworth, president of the board; Lieut. Franklin Murphy, first vice president; Col. Henry H. Markham, second vice president; John M. Holley, Esq., secretary; Maj. William Warner, Col. Edwin P. Hammond, Gen. Joseph S. Smith, Lieut. Oscar M. Gottschall, Dr. Z. D. Massey, Capt. Lucian S. Lambert, and Gen. P. H. Barry.

The minutes of the last meeting were submitted and approved.

The president of the board presented joint resolution of Congress appointing Gen. P. H. Barry a member of the board, also joint resolution of Congress correcting errors in sundry civil bill for fiscal year ending June 30, 1912, which resolutions were, upon motion, ordered upon the minutes:

[PUBLIC RESOLUTION, No. 5.]

[H. J. Res. 1.]

JOINT RESOLUTION To amend certain appropriation acts approved March fourth, nineteen hundred and eleven.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the sundry civil appropriation act approved March fourth, nineteen hundred and eleven, is amended as follows:

So much of said act as appropriates thirty thousand dollars for an electric lighting plant, including the enlargement of the power house and one new boiler at the Battle Mountain Sanitarium, Hot Springs, South Dakota, is repealed.

The appropriation made in said act for analyzing and testing of the coals, lignites, ores, and other mineral fuel substances belonging to or for the use of the United States is reduced from one hundred and thirty-five thousand dollars to one hundred thousand dollars.

The appropriation made in said act for protection and improvement of Mount Rainier National Park, Washington, is reduced from five thousand four hundred dollars to five thousand dollars.

So much of the general deficiency appropriation act approved March fourth, nineteen hundred and eleven, as appropriates the sum of five hundred dollars to reimburse the State board of regents of the University of Idaho for the premium paid on an indemnity bond is repealed.

The Post Office appropriation act approved March fourth, nineteen hundred and eleven, is amended as follows:

So much of said act as appropriates the sum of fifty thousand dollars for expenses of or authorizes the appointment of a commission to inquire and report touching the cost to the Government of the transportation of all classes of second-class mail matter is repealed.

Digitized by Google

The appropriation made in said act for travel allowance to railway postal clerks is reduced from one million seven hundred and fifty dollars to seven hundred and sixty-nine thousand dollars.

So much of said act as authorizes the Postmaster General to allow railway postal clerks and the employees of the mail-lock and mail-bag repair shops an annual vacation of thirty days with pay is repealed.

The naval appropriation act approved March fourth, nineteen hundred and eleven, is amended as follows:

So much of the paragraph appropriating for "Contingent, Navy," in said act as reads as follows:

"*And provided further*, That the Secretary of the Navy be, and he hereby is, authorized, in his discretion, to make partial payments from time to time during the progress of the work under existing contracts and all contracts hereafter made under the Navy Department for public purposes, but not in excess of ninety per centum of the value of work already done; and the contracts hereafter made shall provide for such insurance as the Secretary of the Navy may deem sufficient, and for a lien in favor of the Government, which lien is hereby made paramount to all other liens, upon the articles or thing contracted for on account of all payments so made, provided that partial payments shall not be made under such contracts except where stipulated for, and then only in accordance with contract provisions," is repealed.

Approved August 14, 1911.

[PUBLIC RESOLUTION, No. 6.]

[H. J. Res. 146.]

JOINT RESOLUTION For appointment of a member of the Board of Managers of the National Home for Disabled Volunteer Soldiers

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That General P. H. Barry, of Nebraska, be, and he is hereby, appointed as a member of the Board of Managers of the National Home for Disabled Volunteer Soldiers of the United States, to succeed Captain Henry E. Palmer, deceased, whose term of office would expire April twenty-first, nineteen hundred and sixtee.n

Approved, August 19, 1911.

The president of the board presented the estimates for the quarter ending December 31, 1911, which, after careful consideration, were agreed upon, as follows:

Central Branch, general	$158,500
Northwestern Branch, general	89,800
Eastern Branch, general	95,700
Southern Branch, general	103,675
Western Branch, general	113,700
Pacific Branch, general	94,030
Marion Branch, general	75,421
Danville Branch, general	97,600
Mountain Branch, general	75,700
Battle Mountain Sanitarium, general	41,910
Clothing for all the branches	75,000
Salaries of officers and employees of the Board of Managers, outside relief, and incidental expenses	15,625
Total	1,036,661
Aid to State or Territorial homes	300,000
Grand total	1,336,661

Whereupon the following was adopted:

Resolved, That the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the sum of $1,036,661 as necessary to meet the expenses of the branches and for clothing, salaries, outside relief, and incidental expenses of the National Home and $300,000 for aid to State or Territorial homes for the quarter ending December 31, 1911; and that the general treasurer be, and he is hereby, authorized and empowered to obtain the sum of $1,336,661 from the Treasury of the United States, to receipt therefor, and to transfer and disburse said sum as authorized by law.

Digitized by Google

Maj. Warner, the committee appointed at the last meeting of the board to prepare a memorial resolution relative to the death of Capt. Henry E. Palmer, presented the following, which, upon motion, was adopted:

In the three score and tenth year of his life, Capt. Henry E. Palmer, first vice president of the Board of Managers of the National Home for Disabled Volunteer Soldiers, in the full possession of his faculties, departed this life at his home in the city of Omaha, Nebr., on the 2d day of April, 1911.

The life of Capt. Palmer was one of activities. In his youth his love of adventure lured him to the Great West. In 1860, while yet in his teens, he left his home in Wisconsin and traveled on foot 1,250 miles to reach the gold fields of Colorado. When Fort Sumter was fired upon, he, with 23 companions, constituted a mining camp in Colorado. His 23 companions cast their lot with the Confederacy, while he hastened back to the State of Kansas, and on the 31st day of July, 1861, the twentieth anniversary of his birth, enlisted in the Union Army, and in November, 1865, after serving four years and three months, strenuous service in the border warfare and Indian fighting on the Plains, he was mustered out wtih the rank of captain, Eleventh Kansas.

From the time of his muster out of the service to the day of his death Capt. Palmer, in season and out of season, was an earnest worker for the welfare of his old comrades in arms. His zeal in their interest was manifested during his nine years of faithful service as a member of the Board of Managers of the National Home for Disabled Volunteer Soldiers, he being at the time of his death, by reason of length of service, the ranking member of the board. To Capt. Palmer is due much of the credit for the establishment of the Western Branch, and to his untiring efforts, more than to the efforts of any other man, is due the credit for securing the appropriation of Congress which insured the erection of the Battle Mountain Sanitarium. The completion of that great institution he justly regarded as the crowning act of his active life. The Battle Mountain Sanitarium is a fitting monument to his memory.

Physically and mentally strong, he was ever earnest in the support of the right as God gave him to see the right. When the summons came, calling him from time to eternity, he saw nothing here to regret or there to fear. Therefore, be it

Resolved, That in the death of Capt. Henry E. Palmer this board is deprived of one of its most efficient members, and his memory will ever be cherished by the members of the board as well as by those who knew him best.

As soldier, frontiersman, and citizen his life was without blame. Be it further

Resolved, That these resolutions be spread upon the minutes of the board and a copy, fittingly engrossed, be furnished to the family of the deceased.

The president of the board presented General Order No. 4, issued by him since the last meeting of the board, which, upon motion, was approved by the board.

The president of the board reported that he had made, since the statement submitted to the board at its last meeting, the following expenditures from the posthumous funds in his possession pertaining to the post fund:

Central Branch:		
Labor and material used in constructing a drain from ice plant to cascade in grotto	$130.75	
Bananas for 4th of July supper	81.00	
		$211.75
Northwestern Branch:		
Services of musicians	335.25	
Insurance on Memorial Hall and contents, three years	150.00	
		485.25
Eastern Branch, repairs to interior of theater		1,395.73
Southern Branch, constructing boat landing		1,135.00
Western Branch, 4th of July dinner		406.67
Pacific Branch:		
Fuel oil	$2,475.00	
Baseball games and moving-picture shows	112.90	
		2,587.90
Battle Mountain Sanitarium, services of musicians		306.50
Total		6,528.80

Digitized by Google

Upon motion, it was resolved that when the board adjourn it be to meet at the Ebbitt House, Washington, D. C., on December 7, 1911, and to proceed thence to the Southern and Mountain Branches.

The president of the board announced that he had received and accepted the resignation of Rev. Marcellus W. Darling, chaplain of the Northwestern Branch, to take effect on September 14, 1911, and that, under the authority heretofore conferred by the board, he had appointed Rev. Judson Titsworth chaplain of the Northwestern Branch, to date from September 15, 1911, and Dr. Reuben J. Elliott, assistant surgeon at the Central Branch, to date from August 1, 1911. Upon motion, the action of the president in each of the above cases was approved by the board.

The president of the board presented the following letter from Col. W. E. Elwell, which, upon motion, was ordered upon the minutes:

GREAT DIAMOND, ME., *August 6, 1911.*

MY DEAR MAJ. WADSWORTH:

As I feel especially grateful for the cordial recognition expressed in the resolution of the Board of Managers relative to my resignation, the beautifully engrossed copy of which I have recently received from you, I want you and the other members of the board to know that this generous action of the board has contributed very much to the happiness of my family as well as myself and that we look forward with greater courage and cheerfulness for the future because of it.

Sincerely, yours,

W. E. ELWELL.

The matter of the location of public roads through the grounds of the Pacific Branch was discussed by the board and, upon motion, was referred to the president of the board and the local manager, with power.

Upon motion, it was—

Resolved, That the sum of $2,700 is hereby appropriated from the posthumous funds in the hands of the president of the board for the erection of a suitable monument in the cemetery at the Pacific Branch.

Resolved, That it is the sense of the board that, when transportation is furnished to applicants for admission, it be to the branch nearest to their homes, unless special reasons exist which would warrant their admission to another branch.

Resolved, That admissions and readmissions to the home of applicants having tuberculosis be made only to the Central and Mountain Branches and the Battle Mountain Sanitarium, and to the Pacific Branch of those residing west of the Rocky Mountains. This rule, however, shall not apply to applicants whose condition renders them unfit to make the necessary journey. Such applicants may be received at the nearest branch until their condition warrants their removal to one of the branches named above.

Upon motion, authority was granted to forward to headquarters an estimate, not to exceed $600, for an entrance to the Mountain Branch, the cost to be paid from the posthumous funds in the hands of the president of the board.

The board gave a hearing to Mr. Burrage, representing the Johnson City Water Co., relative to the water supply at the Mountain Branch and to an increased rate for the same. His proposition of a rate of $7,500 per annum, also a proposition of a rate of 5 cents per 1,000 gallons, were, upon motion, rejected by the board.

Upon motion, it was—

Resolved, That hereafter at dinner in the mess halls the plates be changed for dessert. The commissary of subsistence, under the direction of the governor, is charged with carrying out this rule. In order to provide the best manner of procedure the

Digitized by Google

president of the board is requested to select some one branch for experimental trial before making the rule general.

Resolved, That the president of the board be directed to employ an expert to examine into the condition and operation of the heating, power, and electric-light plants at the Central Branch.

Resolved, That hereafter all vacancies that may occur in the hospital staff of the home shall be filled by promotion whenever possible.

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board, for the purpose of presenting complaints or requests. Five members appeared. No complaints were received and such requests as were made were acted upon.

The board then proceeded to the Marion Branch and reconvened on September 15.

MARION BRANCH, *September 15, 1911.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Seven members appeared. The complaints received were considered and acted upon. Such requests as were made were, in so far as was practicable, granted.

The board then proceeded to the Danville Branch and reconvened on September 17.

DANVILLE BRANCH, *September 17, 1911.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Three members appeared, and such complaints or requests as were received were considered and acted upon.

The board then proceeded to the Northwestern Branch and reconvened on September 20.

NORTHWESTERN BRANCH, *September 20, 1911.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Three members appeared and such complaints or requests as were received were acted upon.

The board then proceeded to the Battle Mountain Sanitarium and reconvened on September 23.

BATTLE MOUNTAIN SANITARIUM, *September 23, 1911.*

The board made the usual inspection of grounds, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor and surgeon for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Six members appeared and their complaints or requests were acted upon.

The board gave a hearing to Mr. J. F. Parks, representing Mr. G. W. Wattles, of the Water, Light & Power Co., of Hot Springs, S. Dak., relative to the water and electric-light supply of the Battle Mountain Sanitarium. After discussion it was decided that, if the Water, Light & Power Co. will give to the board assurance that it will, before January 1, 1912, make such improvements as will provide sufficient electric light and offer a rate of 4 cents per kilowatt-hour, the board will not recommend an appropriation by Congress for an electric-light plant.

Upon motion, it was—

Resolved, That the matter, as above stated, be referred to the president of the board and the local manager, with power.

The board then proceeded to the Western Branch and reconvened on September 26.

WESTERN BRANCH, *September 26, 1911.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Five members appeared, and such complaints or requests as were presented were acted upon.

There being no further business before the board, upon motion, the board adjourned, on September 27, to meet at the Ebbitt House, Washington, D. C., on December 7, 1911, at 10.30 a. m.

JOHN M. HOLLEY, *Secretary.*

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, DECEMBER 7, 1911.

WASHINGTON, D. C., *December 7, 1911.*

The board met in regular quarterly session at the Ebbitt House at 10.30 a. m.

Present: The President of the United States; Maj. James W. Wadsworth, president of the board; Lieut. Franklin Murphy, first vice president; John M. Holley, Esq., secretary; Maj. William Warner; Col. Edwin P. Hammond; Gen. Joseph S. Smith; Lieut. Oscar M. Gottschall (joined at Southern Branch); Dr. Z. D. Massey; Capt. Lucian S. Lambert; Gen. P. H. Barry.

There was presented a letter from Col. Henry H. Markham, explaining his absence.

The minutes of the last meeting were presented and approved.

The president of the board presented the following draft of the annual report of the board for the fiscal year ending June 30, 1911, which was read, discussed, and, upon motion, approved and ordered transmitted to Congress:

DECEMBER 7, 1911.

The honorable the Senate and House of Representatives of the Congress of the United States.

GENTLEMEN: The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, presents the following report of the institution under its charge for the year ending June 30, 1911.

During the year the board has lost by death four valuable and esteemed members, viz:

Melville Weston Fuller, Chief Justice of the United States, a member of the board, ex officio, died July 4, 1910.

Col. Walter Preston Brownlow, secretary of the board, died July 8, 1910.

Gen. Thomas J. Henderson, first vice president of the board, died February 6, 1911.

Capt. Henry E. Palmer, first vice president of the board, died April 2, 1911.

By a joint resolution of Congress, approved March 4, 1911, Hon. Z. D. Massey was appointed a member of the board to succeed Walter P. Brownlow, deceased, and, by the same resolution, Capt. Lucian S. Lambert was appointed a member of the board to succeed Thomas J. Henderson, deceased.

By a joint resolution of Congress, approved August 19, 1911, Gen. P. H. Barry was appointed a member of the board to succeed Capt. Henry E. Palmer, deceased.

There were no other changes in the membership of the board during the period covered by this report.

The affairs of the home have been administered in accordance with the law and the established regulations. The several branches of the home have been thoroughly inspected at various times during the year by the Board of Managers and the inspecting officers of the home. All irregularities and faulty conditions found have been corrected as promptly as possible. Notwithstanding the publication in one or more magazines of the muck-raking variety of untruthful and apparently malicious articles relating to the home and its management, which were designed to encourage unrest among the members of the home and to arouse feelings of apprehension and anxiety in the minds of their friends and relatives, there has been no time in the history of the home when a higher degree of general contentment among the members of the home has prevailed.

The inspection required by the act of August 18, 1894, was made by Maj. A. W. Brewster, United States Army, inspector general, beginning August 28 and terminating November 19, 1910. (H. Doc. No. 1218.)

During the period covered by this report 33,301 disabled soldiers and sailors were cared for in the National Home and 21,312 in 31 State homes, a total of 54,613, being a decrease in the number cared for during the preceding year of 1,194. The average present in both National and State Homes was 31,158, a decrease of 813.

The following tables show the comparative statistics for the years ending, respectively, June 30, 1910, and June 30, 1911:

Comparative statistics for the years ending June 30, 1910, and June 30, 1911.

Subjects.	1910	Increase or decrease from 1909.	1911	Increase or decrease from 1910.
Amount expended for the maintenance of the home, general fund	$3,772,782.99	$34,385.80	$3,716,585.32	[1] $56,197.67
Amount expended for the maintenance of the home, special funds	$96,531.75	.....	$125,200.82	$28,669.07
Annual cost of maintenance of each man, general fund	$192.05	$7.67	$195.83	$3.78
Annual cost of maintenance of each man, special funds	$4.91	.....	$6.60	$1.69
Total cost of maintenance of each man, general and special funds	$196.96	.....	$202.43	$5.47
Average number of members present, including men cared for temporarily	19,569	[1] 707	18,979	[1] 590
Average number of members present and absent	26,514	[1] 913	25,663	[1] 851
Whole number cared for	[2] 34,289	[1] 643	[2] 33,301	[1] 988
Number of members cared for whose service was other than in the Mexican or Civil Wars	[3] 2,998	535	[3] 3,284	286

[1] Decrease. [2] Less "gains by transfer." [3] Transfers between branches included.

Comparative statistics for the years ending June 30, 1910, and June 30, 1911—Contd.

Subjects.	1910	Increase or decrease from 1909.	1911	Increase or decrease from 1910.
Average age of members cared for who served in the Mexican and Civil Wars	70.18	1.08	70.40	0.22
Average age of members cared for whose service was other than in the Mexican or Civil Wars	41.50	0.95	42.98	1.48
Number of deaths	2,445	13	2,489	44
Average age of members deceased who served in the Mexican and Civil Wars	72.02	1.21	72.23	0.21
Average age of members deceased whose service was other than in the Mexican or Civil Wars	41.41	[1] 0.10	44.43	3.02
Pensioners (whole number cared for)	[2] 31,882	[1] 902	[2] 30,711	[1] 1,171
Pensions received	$4,071,629.04	[1] $131,933.42	$4,046,237.77	[1] $25,391.27
Average amount of pension (per year)	$172.88	$5.50	$177.83	$4.95
Amount sent to families through the home	$925,991.62	[1] $45,925.87	$923,905.93	[1] $2,085.69
Paid direct to pensioners	$3,069,140.86	[1] $95,280.35	$3,049,423.97	[1] $19,716.89
Aggregate number of colored members	1,182	[1] 99	1,268	86
Average present in 31 State homes in 27 States	12,402	276	12,179	[1] 223
Average present and absent in State homes	15,407	590	15,337	[1] 70
Whole number cared for in State homes	21,518	843	21,312	[1] 206
Amount paid to State homes	$1,187,440.41	[1] $9,523.96	$1,221,634.83	$34,194.42
Average number present for the year in National and State Homes	31,971	[1] 431	31,158	[1] 813
Average number present and absent for the year in National and State Homes	41,921	[1] 323	41,000	[1] 921
Whole number cared for during the year in National and State Homes	55,807	200	54,613	[1] 1,194

[1] Decrease [2] Transfers between branches included.

The increase in the cost of maintenance per capita, $5.47 (expenditures from special funds included) is due to the increasing age and disabilities of the members, which restricts their employment in useful work and necessitates the employment of civilians at higher rates of pay, with the added cost of furnishing for them quarters and subsistence; also to the increased cost of some of the important articles of supply required by the home.

The report of the secretary of the Board of Managers, with which he transmits the journal of the proceedings of the Board of Managers, the record of members and the reports of the governors of the several branch homes; the report of the general treasurer, showing the financial transactions of the home from its organization; and the report of the inspector general and chief surgeon, giving in detail statistics relative to the membership and health; also his report of the inspections of the State homes which have been made under the direction of the Board of Managers, as authorized by act of Congress, approved August 27, 1888, all accompany this report.

J. W. WADSWORTH,
President Board of Managers, National Home for Disabled Volunteer Soldiers.

The president of the board presented the estimates for the quarter ending March 31, 1912, which, after careful consideration, were agreed upon as follows:

Central Branch, general	$160,000
Northwestern Branch, general	83,100
Eastern Branch, general	82,400
Southern Branch, general	97,425
Western Branch, general	101,600
Pacific Branch, general	98,875
Marion Branch, general	71,050
Danville Branch, general	97,850
Mountain Branch, general	78,800
Battle Mountain Sanitarium, general	44,910
Clothing for all the branches	125,000
Salaries of officers and employees of the Board of Managers, outside relief, and incidental expenses	15,625
Total	1,056,635
Aid to State or Territorial Homes	300,000
Grand total	1,356,635

Digitized by Google

Whereupon the following was adopted:

Resolved, That the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the sum of $1,056,635 as necessary to meet the expenses of the branches and for clothing, salaries, outside relief, and incidental expenses of the National Home, and $300,000 for aid to State or Territorial Homes, for the quarter ending March 31, 1912; and that the general treasurer be, and he is hereby, authorized and empowered to obtain the sum of $1,356,635 from the Treasury of the United States, to receipt therefor and to transfer and disburse said sum as authorized by law.

Upon motion, it was resolved that when the board adjourn it be to meet at the Central Branch on April 2, 1912, and to proceed thence to the Marion and Danville Branches.

Upon motion, the following were adopted:

Resolved, That if appropriations be made by act of Congress during its present session for deficiencies in the appropriations for the fiscal year 1912 and for prior years, under the various heads of expenditure, for buildings and appurtenances and for aid to State or Territorial Homes, the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the total amount of such appropriations as necessary to meet the expenses of the National Home for the quarter ending March 31, 1912; and that the general treasurer be, and he is hereby, authorized and empowered to obtain such total amount, or so much thereof as may be necessary, from the Treasury of the United States, to receipt therefor, and to transfer and disburse said amount as authorized by law.

Resolved, That it being considered necessary and advisable that funds for the support of the National Home for Disabled Volunteer Soldiers for the quarter ending June 30, 1912, shall be available for expenditure prior to the date fixed for the next meeting of the Board of Managers, the president of the board is hereby authorized and directed to estimate, under the several heads of expenditure of each branch and for construction, clothing, salaries, out-side relief, and incidental expenses of the National Home and for aid to State or Territorial Homes, for the quarter ending June 30, 1912; and that the general treasurer be, and he is hereby, authorized and empowered to obtain from the Treasury of the United States the sum so estimated, to receipt therefor, and to transfer and disburse said sum as authorized by law; a detailed report of the same to be submitted by the president to the board at its next meeting.

The president of the board reported that he had forwarded to Congress the report relative to the post fund called for by resolution of Congress approved March 2, 1911. Upon motion, the action of the president was approved by the board.

The president of the board reported that, a public emergency existing, he had, under the provisions of section 3709, Revised Statutes of the United States, authorized the purchase at the Central Branch of a steam pump and a feed-water heater without advertising for proposals. Upon motion, the action of the president was approved by the board.

The president of the board presented General Orders, Nos. 5 and 6, issued by him, which, upon motion, were approved by the board.

The president of the board reported that he had made, since the statement submitted to the board at its last meeting, the following expenditures from the posthumous funds in his possession pertaining to the post fund:

Central Branch:		
For amusements	$510.44	
Reimbursement for amounts expended for moving-picture shows	600.00	
		$1,110.44

Digitized by Google

Northwestern Branch:		
Reimbursement for services of musicians, September quarter, 1911	$531.00	
Reimbursement for services of choir, newspapers, etc	466.36	
For stage carpet	41.69	
For repairs to billiard and pool tables	140.55	
For labor and materials for reroofing social hall	728.00	
Reimbursement for amounts expended for amusements, October, 1911	502.00	
Reimbursement for amounts expended for amusements, November, 1911	765.00	
For insurance on chapel	70.00	
For Thanksgiving dinner	910.05	
		$4,154.65
Southern Branch: Reimbursement for amounts expended for services of musicians, September quarter, 1911		377.00
Western Branch: Reimbursement of amounts expended for services under "amusements," September quarter, 1911		649.84
Pacific Branch: Reimbursement for amounts expended for base-ball games and moving-picture shows		674.00
Marion Branch: For redecorating organ, Protestant chapel		40.00
Battle Mountain Sanitarium: Reimbursement for amounts expended for services of musicians, September quarter, 1911		604.00
Total		7,609.93

The president of the board reported that he had received and accepted the resignation of Dr. O. C. McNary as surgeon of the Pacific Branch, to take effect on November 20, 1911, and the resignation of Dr. Thomas D. Cloyd as assistant surgeon of the Pacific Branch, to take effect November 17, 1911. Upon motion, the action of the president was confirmed by the board.

The president of the board reported that under the authority heretofore conferred by the board he had appointed Dr. Benjamin F. Hayden as surgeon of the Pacific Branch, to date from November 21, 1911. Upon motion, the action of the president was confirmed by the board.

The president of the board reported that he had received and accepted the resignation of Rev. Thomas H. Kinsella as chaplain of the Danville Branch, to take effect December 31, 1911. Upon motion, the action of the president was confirmed by the board.

The president of the board presented the following letter from Mr. G. W. Wattles, president of the Water, Light & Power Co. of Hot Springs, S. Dak., relative to contract for supplying water and light to the Battle Mountain Sanitarium:

OMAHA, NEBR., *October 23, 1911.*

Maj. JAMES W. WADSWORTH,
President Board of Managers,
National Home for Disabled Volunteer Soldiers.

DEAR SIR: In reply to yours of the 20th I beg to say that the Water, Light & Power Co., of Hot Springs, S. Dak., will renew its contract for water and electric-light supply with the Battle Mountain Sanitarium on or before expiration of same, July 1, 1912, at 10 cents per 1,000 gallons for water and 4 cents per kilowatt hour for electric current. This company will also commence the construction of a supplementary power plant sufficient to furnish the sanitarium at all times with current it may require for light and power in event of a breakdown of the water-power service and will complete the said supplementary plant at the earliest possible date.

We shall endeavor to have the supplementary plant entirely completed by January 1, 1912, and only in event of failure to receive the necessary machinery will the completion of this plant go beyond said date.

Hoping this may be entirely satisfactory to your board, I am

Yours, respectfully,

G. W. WATTLES,
President Water, Light & Power Co.

Digitized by Google

The president of the board presented the report of the expert employed to examine the heating, power, and electric-light plant at the Central Branch, which report was discussed and ordered accepted.

The president of the board reported that, under the authority heretofore conferred by the board, he had made the following appointments of assistant surgeons:

Central Branch: Dr. John E. Kelly, to date from December 2, 1911.
Eastern Branch: Dr. Chalmers G. Farrell, to date from October 7, 1911.
Danville Branch: Dr. D. Lloyd Williams, to date from October 20, 1911.
Mountain Branch: Dr. Reese W. Patterson, to date from October 2, 1911; Dr. Oscar S. Hawk, to date from November 1, 1911.
Battle Mountain Sanitarium: Dr. Walter W. Heald, to date from November 18, 1911.

Upon motion, the action of the president in each of the above cases was approved by the board.

Hon. D. R. Anthony, M. C., appeared before the board in reference to the purchase by the home of land at the Western Branch and to use of coal as fuel at that branch instead of oil. After discussion, the following was adopted:

Resolved, That the president of the board is authorized to release the Carr Coal Mining Co. from that part of its agreement with the National Home for Disabled Volunteer Soldiers, dated July 31, 1901, which requires it to furnish coal to the National Home at certain rates therein stated, with the distinct understanding that such release shall not abrogate or affect any other term or terms of the contract.

The board then proceeded to the Southern Branch and reconvened on December 9.

SOUTHERN BRANCH, *December 9, 1911.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given after due announcement to all members to appear before the board for the purpose of presenting complaints or requests. Seven members appeared and such complaints or requests as were presented were acted upon.

Upon motion, it was—

Resolved, That, whenever a vacancy occurs in the governorship of any branch, it shall be filled by the appointment of a veteran of the Civil War (Maj. Wadsworth, Lieut. Murphy, and Dr. Massey voting "no"; Mr. Holley not voting).

After inspection and survey by the board, building No. 1 was condemned and the governor was directed to make such disposition of the materials therein as, in his opinion, will be for the best interests of the home.

Upon motion, the salary of the chaplain at the Southern Branch was fixed at $100 per month, to date from December 15, 1911.

The board then proceeded to the Mountain Branch and reconvened on December 12.

MOUNTAIN BRANCH, *December 12, 1911.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given after due announcement to all members to appear before the board for the purpose of presenting complaints or requests. Seven members appeared, and such complaints or requests as were presented were acted upon.

Upon motion, the following was adopted:

Whereas there is a question of considerable doubt as to the right of the National Home for Disabled Volunteer Soldiers to deliver to S. E. N. Moore, administrator of the estate of Adam Clark, a former member of the Mountain Branch, the effects of said Clark, and its being suggested that the National Home will be made a party to an action now pending in the Chancery Court of Tennessee: Therefore, it is

Resolved, That, in the event that the National Home is made a party, the governor is empowered to direct the attorney for the home to remove the case to the Federal court, there being a Federal question involved.

The application for readmission to the Mountain Branch of John McElroy, late United States Navy, was approved, upon condition that he be discharged upon any infraction of the rules of the home.

There being no further business before the board, upon motion the board adjourned, on December 13, to meet at the Central Branch on April 2, 1912, at 12 m.

JOHN M. HOLLEY, *Secretary*.

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, APRIL 2, 1912.

CENTRAL BRANCH, *April 2, 1912*.

The board met in regular quarterly session at 12 m.

Present: Maj. James W. Wadsworth, president of the board; Lieut. Franklin Murphy, first vice president; Col. Henry H. Markham, second vice president; John M. Holley, Esq., secretary (joined Apr. 3); Maj. William Warner; Col. Edwin P. Hammond; Gen. Joseph S. Smith; Lieut. Oscar M. Gottschall; Dr. Z. D. Massey; Capt. Lucian S. Lambert; Gen. P. H. Barry.

There was presented a letter from the Secretary of War explaining his absence.

In the temporary absence of the secretary, Lieut. Gottschall was appointed secretary pro tempore.

The minutes of the last meeting were submitted. Upon motion they were ordered corrected to show that the members voting "aye" on the resolution making eligible for appointment to governorship of branches only veterans of the Civil War were Maj. Warner, Col. Hammond, Gen. Smith, Lieut. Gottschall, Capt. Lambert, and Gen. Barry; also to insert the name of Rev. Thomas J. Wilson in motion fixing the pay of the chaplain at the Southern Branch.

The corrections having been made, upon motion the minutes were approved.

The president of the board reported that under the authority conferred upon him by resolution of the board on December 7, 1911, he had made the following estimate of funds for the support of the National Home and for aid to State or Territorial Homes for the quarter ending June 30, 1912:

Central Branch, general	$135,500
Northwestern Branch, general	67,804
Eastern Branch, general	72,774
Southern Branch, general	82,963
Western Branch, general	89,352
Pacific Branch, general	87,875
Marion Branch, general	67,950
Danville Branch, general	85,745
Mountain Branch, general	55,040
Battle Mountain Sanitarium, general	33,270

Digitized by Google

Clothing for all the branches	$35,000
Salaries of officers and employees of the Board of Managers, outside relief, and incidental expenses	15,625
Total	828,898
Aid to State or Territorial Homes	300,000
Grand total	1,128,898

Upon motion it was resolved that when the board adjourn it be to meet at the Eastern Branch on June 25, 1912.

Upon motion it was—

Resolved, That, it being considered necessary and advisable that funds for the support of the National Home for Disabled Volunteer Soldiers for the quarter ending September 30, 1912, shall be available for expenditure prior to the date fixed for the next meeting of the Board of Managers, the president of the board is hereby authorized and directed to estimate, after Congress shall have made appropriations for the support of the home for the fiscal year 1913, under the several heads of expenditure and for clothing, salaries, outside relief, and incidental expenses of the National Home, and for aid to State or Territorial Homes, for the quarter ending September 30, 1912; and that the general treasurer be, and he is hereby, authorized and empowered to obtain from the Treasury of the United States the sum so estimated, to receipt therefor, and to transfer and disburse said sum as authorized by law, a detailed report of the same to be submitted by the president to the board at its next meeting; and also that, if appropriation be made by act of Congress during its present session for buildings and appurtenances, the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the total amount of such appropriations as necessary to meet the expenses of the National Home for the quarter ending September 30, 1912, and that the general treasurer be, and he is hereby, authorized and empowered to obtain such total amount, or so much thereof as may be necessary, from the Treasury of the United States, to receipt therefor, and to transfer and disburse said amount as authorized by law.

The president of the board reported that he had made, since the statement submitted to the board at its last meeting, the following expenditures from the posthumous funds in his possession pertaining to the post fund:

Central Branch:		
For amusements	$2,006.73	
For repairs to veterans' club house	87.00	
For books, music, orchestra, merchandise, and trap drummer's outfit	219.83	
For reimbursement for amount expended for repairs to billiard and pool tables, supplies, menu cards, and envelopes	180.00	
For library books	25.06	
For reimbursement of amounts expended for theatrical entertainments, February, 1912	75.00	
		$2,593.62
Northwestern Branch:		
For reimbursement of amounts expended for services of choir, newspapers, etc	466.36	
For washing and painting walls, etc., of Social Hall, etc	285.00	
For Christmas dinner	612.80	
For reimbursement of amounts expended for theatrical entertainments, December, 1911, and January and February, 1912	1,969.00	
		3,333.16
Eastern Branch:		
For plumbing in theater	375.00	
For repairs of cottages	1,639.47	
For reimbursement of amounts expended for theatrical entertainments, November and December, 1911, and January and part of February, 1912	705.00	
For binding library books	16.90	
		2,736.37

		906.67
Battle Mountain Sanitarium:		
For reimbursement of amounts expended for victrola and books	497.59	
For reimbursement of amounts expended for Christmas dinner	197.38	
		694.97
Total		21,117.46

The president of the board appointed Lieut. Murphy a committee to audit the special funds of the home in the hands of the president.

The president of the board presented General Order No. 1 issued by him, which upon motion was approved by the board.

The board then proceeded to the election of officers for the ensuing year. Upon motion the secretary pro tempore was directed to cast the vote of the board for Maj. James W. Wadsworth for president, Lieut. Franklin Murphy, for first vice president Col. Henry H. Markham for second vice president; and John M. Holley, Esq., for secretary.

The president of the board reported that under the authority heretofore conferred by the board he had made the following appointments at the Southern Branch:

Capt. Frank E. Skinner as treasurer, vice Maj. John T. Hume, deceased, to date from February 1, 1912.

Capt. David C. Spencer as quartermaster, vice Capt. Frank E. Skinner, promoted, to date from February 1, 1912.

Capt. Ivan H. Wise as commissary of subsistence, vice Capt. David C. Spencer, promoted, to date from February 2, 1912.

He also reported that he had received and accepted the resignation, as commissary of subsistence, of Capt. Ivan H. Wise, to take effect April 16, 1912, and that he had appointed Everett B. White as com-

Digitized by Google

missary of subsistence and had designated him as superintendent of the post fund, to date from April 17, 1912. Upon motion the action of the president in each of the above cases was confirmed by the board.

Upon motion the bill of Mr. J. S. Botsford, attorney for the home in the suit of the home against the Atchison, Topeka & Santa Fe Railroad Co. in the matter of trackage rights at the Western Branch, amounting to $200, was ordered referred to the United States Treasury Department, with recommendation that it be allowed.

The president of the board reported that he had received and accepted the resignation of Maj. O. L. Hicks as treasurer of the Mountain Branch, to take effect November 18, 1911, and that under the authority heretofore conferred by the board he had appointed Oliver K. Marshall treasurer of the Mountain Branch, to date from November 20, 1911. Upon motion the action of the president in each of the above cases was confirmed by the board.

The president of the board reported that under the authority heretofore conferred by the board he had appointed Rev. T. J. McCarthy chaplain at the Danville Branch, to date from January 10, 1912, and that he had made the following appointments of assistant surgeons:

Northwestern Branch: Dr. Alfred H. C. Carthaus, to date from January 1, 1912; Dr. Earle W. Gayer, to date from March 9, 1912.

Pacific Branch: Dr. Harold T. Bibber, to date from January 15, 1912.

Mountain Branch: Dr. Jacob R. Pierce, to date from January 17, 1912.

Upon motion the action of the president in each of the above cases was confirmed by the board.

The president of the board reported that he had received and accepted the resignation of Col. A. J. Clark as governor of the Central Branch, to take effect April 1, 1912. Upon motion the action of the president was confirmed by the board.

Upon motion Col. W. J. White was appointed governor of the Central Branch, to date from April 4, 1912.

The application for readmission to the Eastern Branch of Patrick Gilbride, late Fourth Wisconsin Artillery, was approved.

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Nineteen members appeared, and such complaints or requests as were received were acted upon.

The board thereupon proceeded to the Marion Branch and reconvened on April 4.

MARION BRANCH, *April 4, 1912.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting com-

plaints or requests. Six members appeared, and such complaints or requests as were received were acted upon.

Upon motion it was—

Resolved, That paragraph 102, Home Regulations, is hereby amended to read as follows, viz:

"No member will be dishonorably discharged except by order of the board of managers or the president of the board, and then only for an offense graded as a felony by the laws of the State wherein the branch to which the member belongs is located. Recommendations for the dishonorable discharge of members must in all cases be accompanied by the home history, age, and disabilities of the member, pension received, and his complete offense record."

Upon motion the action of the president of the board in authorizing the condemnation and sale of building No. 58 and cottages Nos. 1 and 2 at the Southern Branch was approved by the board.

Upon motion it was—

Resolved, That the following inscription be placed upon the general cemetery monuments hereafter erected in home cemeteries:

"In memory of the men who offered their lives in defense of their country."

The board thereupon proceeded to the Danville Branch and reconvened on April 6.

DANVILLE BRANCH, *April 6, 1912.*

The board made the usual inspection of grounds, hospital, barracks, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Eleven members appeared, and such complaints or requests as were received were acted upon.

There being no further business before the board, upon motion the board adjourned on April 6 to meet at the Eastern Branch on June 25, 1912, at 2 p. m.

JOHN M. HOLLEY, *Secretary.*

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, JUNE 25, 1912.

EASTERN BRANCH, *June 25, 1912.*

The board met in regular quarterly session at 2 p. m.

Present: Maj. James W. Wadsworth, president of the board; John M. Holley, Esq., secretary; Maj. William Warner; Col. Edwin P. Hammond; Gen. Joseph S. Smith; Lieut. Oscar M. Gottschall; Capt. Lucian S. Lambert; Gen. P. H. Barry.

Absent: Lieut. Franklin Murphy, first vice president; Col. Henry H. Markham, second vice president; Dr. Z. D. Massey.

The minutes of the last meeting were submitted and approved.

The president of the board presented the report of the committee appointed at the last meeting of the board to audit the accounts of the special funds of the home in the hands of the president of the board, which, upon motion, was ordered upon the minutes:

NEW YORK, *May 2, 1912.*

The undersigned has this day examined and audited the special fund accounts of Maj. James W. Wadsworth, president of the Board of Managers, National Home for Disabled Volunteer Soldiers, up to and including May 1, 1912, and finds the same correct and supported by proper vouchers.

Digitized by Google

The balance in his hands upon that date was $5,968.91 belonging to the Western Branch improvement fund; $28,916.99 belonging to the Ward memorial fund; $85,637.50 belonging to the post-fund bond account; and $66,475.93 belonging to the posthumous funds: total, $186,999.33, divided as follows: Ten Norfolk & Western Pocahontas joint $1,000 4 per cent bonds; 9 Missouri, Kansas & Texas, second-mortgage $1,000 4 per cent bonds, and 1 Southern Railway gold $1,000 5 per cent bond. belonging to the Ward memorial fund; 15 Union Pacific convertible 20-year gold $1,000 4 per cent bonds; 35 Chicago, Rock Island & Pacific first-mortgage gold $1,000 4 per cent bonds; 10 United States Steel Corporation sinking-fund gold $1,000 5 per cent bonds; 22 Norfolk & Western Pocahontas joint $1,000 4 per cent bonds; 8 Southern Pacific stock collateral gold $500 4 per cent bonds; and 11 Southern Pacific stock collateral gold $1,000 4 per cent bonds belonging to the post-fund bond account; cash on deposit with Colonial Branch, Equitable Trust Co., New York, $85,638.12, and cash in office safe $796.91.

And I further certify that I have personally seen and examined the bonds and cash shown in these accounts as on hand and have found the same correct.

FRANKLIN MURPHY, *Committee.*

The president of the board presented General Order No. 3, issued by him, which, upon motion, was approved by the board.

Upon motion, it was—

Resolved, That when the board adjourn it be to meet at the Central Branch on September 10, 1912, and to proceed thence to the Northwestern Branch, Battle Mountain Sanitarium, and the Western Branch.

Upon motion, the following was adopted:

Whereas it appears possible, from the present status of legislation on the appropriation bills, that the bill providing appropriations for the sundry civil expenses of the Government for the fiscal year ending June 30, 1913, will not be passed by both Houses of Congress and approved by the President of the United States prior to July 1, 1912; and

Whereas in such event, unless provision in some other form is made by Congress pending the enactment of such appropriation bill, there will be no public funds available for continuing the operations of the National Home for Disabled Volunteer Soldiers and caring for the disabled soldiers and sailors in the several branch homes after June 30, 1912; and

Whereas it is not deemed to be the intent of the Government to leave the beneficiaries of the National Home without the continued care and provision for their maintenance and comfort, such as was contemplated in the act of Congress establishing the National Home and vesting in the Board of Managers certain powers and duties and such as has been provided in the annual appropriation acts for so many years: Now, therefore, be it

Resolved by the Board of Managers of the National Home for Disabled Volunteer Soldiers, That, in case the said appropriation bill is not approved prior to the commencement of the next fiscal year, and no other or temporary provision is made by Congress for continuing the operation of the National Home, and without intending to violate in any manner the provisions of sections 3732 and 3679 of the Revised Statutes and without any intent to involve the Government of the United States in any obligation, the president of the Board of Managers is hereby authorized to direct the purchase of such supplies and to employ such services as may be absolutely necessary for the support and comfort of the members of the National Home during such period as there may be no adequate appropriation upon the credit of the National Home, with the understanding that payment will be made as soon as funds under the appropriation to be made by Congress may be available.

The president of the board reported that he had made, from Ward fund, a payment of $200 for legal serivices rendered by Botsford, Deatherage & Creason, of Kansas City, Mo., in suit against the Atchison, Topeka & Santa Fe Railroad Co. at the Western Branch. Upon motion, the action of the president was approved by the board.

The president of the board reported that he had received and accepted the resignation of Capt. D. H. Pierce, commissary of subsistence at the Northwestern Branch, to take effect June 30, 1912. Upon motion, the action of the president was approved by the board.

Digitized by Google

Upon motion, Albert Morrison was appointed commissary of subsistence at the Northwestern Branch, to date from July 1, 1912.

The president of the board reported that he had received and accepted the resignation of Rev. Henry S. Burrage, chaplain at the Eastern Branch, to take effect June 30, 1912, and that, under the authority heretofore conferred by the board, he had appointed Rev. James E. Cochrane chaplain at the Eastern Branch, to date from July 1, 1912. Upon motion, the action of the president in both of the above cases was approved by the board.

The president of the board reported that he had received the resignation of Capt. C. F. Startzmann as adjutant and inspector of the Pacific Branch and that, owing to the fact that Capt. Startzmann had abandoned his duties and left the branch without notice, he had not accepted the resignation but had ordered that Capt. Startzmann be dropped from the rolls of the home. He also reported that, under the authority heretofore conferred by the board, he had appointed Frederick T. Hague adjutant and inspector of the Pacific Branch, to date from July 10, 1912. Upon motion, the action of the president in both of the above cases was approved by the board.

The president of the board reported that he had made, since the statement submitted to the board at its last meeting, the following expenditures from the posthumous funds in his possession pertaining to the post fund:

Central Branch:		
For amusements	$1,817.64	
For theatrical entertainments	470.00	
For music	44.30	
For baseball games	165.00	
		$2,496.94
Northwestern Branch:		
For theatrical entertainments and moving-picture shows, March and April, 1912	1,060.00	
For painting exterior of Memorial Hall	458.00	
For services of choir, newspapers, etc., for quarter ending March 31, 1912	466.36	
For coats for band uniforms	220.50	
For covering roof of opera pavilion	250.00	
		2,474.86
Eastern Branch:		
For theatrical entertainments	708.32	
For services of choristers, musicians, etc., quarter ending March 31, 1912	442.87	
For binding library books, etc	27.00	
For library books	105.68	
For newspapers and magazines, quarter ending March 31, 1912	139.57	
For baseball games	150.00	
		1,573.44
Southern Branch:		
For services of musicians, quarter ending March 31, 1912	360.00	
For amusements, etc., quarter ending March 31, 1912	1,231.00	
For services of choristers, December, 1911, and January and February, 1912	150.00	
For stage furniture	37.50	
For repairs to billiard and pool tables	113.10	
		1,891.60
Western Branch:		
For theatrical entertainments, etc., March, 1912	120.00	
For painting interior of hotel building	375.00	
For baseball games, April and May, 1912	1,040.00	
For services of musicians, part of May, 1912	80.04	
		1,615.04

Digitized by Google

Pacific Branch, for baseball games, quarter ending March 31, 1912		$672.75
Battle Mountain Sanitarium:		
For construction of conservatory extension	$722.44	
For flue and tube cleaners	387.50	
For steam pump	663.99	
		1,773.93
Total		12,498.56

The president of the board reported that, under the authority heretofore conferred by the board, he had made the following appointments of assistant surgeons:

Central Branch, Dr. William A. Deerhake, to date from April 19, 1912.

Southern Branch, Dr. H. Shelton Smythe, to date from April 15, 1912.

Marion Branch, Dr. Walter A. Braunlin, to date from June 2, 1912.

Mountain Branch, Dr. Benjamin V. Howard, to date from May 25, 1912.

Upon motion, the action of the president in each of the above cases was confirmed by the board.

The president of the board presented the matter of a proposed increase of freight rates, from $1.50 to $1.65 per ton, on coal from Randolph to the home, by the Kennebec Central Railroad Co. Upon motion, the matter was referred to the president of the board, with power.

Mr. J. Williamson appeared before the board in the interest of certain creditors of J. B. Greer, defaulting contractor on certain work at the Eastern Branch. He requested that balance due Greer be turned over to him for the creditors. Upon motion, he was directed to submit the case in full to the president of the board.

The president of the board presented the request of the village of West Milwaukee, Wis., that it be given a lease of a certain small parcel of land (three-fourth acre) belonging to the Northwestern Branch, for the purpose of installing a sewage disposal plant, the lease to run for 20 years, or to terminate on six months' notice if the Board of Managers so wish. Upon motion, the matter was referred to the president of the board and Mr. Holley, with power.

Upon motion, it was—

Resolved, That the sum of $1,435 is hereby appropriated from the posthumous funds in the hands of the president of the board for the purchase of one motor grass mower and one road grader for the use of the Central Branch.

The president of the board presented the matter of the use of fuel oil or coal at the Western Branch. Upon motion, the following was adopted:

Whereas it appears from the reports of the governor and quartermaster of the Western Branch that the change from the use of fuel oil to bituminous coal in the heating and power plant of the Western Branch will involve a large expenditure for construction and alterations in equipment, for which no funds are available; and

Whereas the use of coal will require a large increase in the amount expended for services, and in view of the facility with which the use of oil can be regulated and controlled; therefore, be it

Resolved, That, in the opinion of this board, the use of fuel oil, at the cost of $0.0268 per gallon, is, all things considered, more economical than coal.

Digitized by Google

The president of the board presented a general revision of the Home Regulations, which was examined and discussed and, upon motion, was approved by the board.

The board made the usual inspection of grounds, barracks, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to all members to appear before the board for the purpose of presenting complaints or requests. Six members appeared, and such complaints or requests as were received were acted upon.

There being no further business before the board, upon motion, the board adjourned, on June 26, to meet at the Central Branch on September 10, 1912, at 12 m.

REPORT OF THE GENERAL TREASURER.

NATIONAL HOME FOR
DISABLED VOLUNTEER SOLDIERS,
New York, N. Y., December 4, 1912.

SIR: I have the honor to forward, herewith, certain papers to accompany the Annual Report of the Board of Managers to Congress for the fiscal year ending June 30, 1912. They consist of—

(1) Date of organization and law authorizing each branch of the National Home, acreage, cost of land, buildings, etc.

(2) The financial transactions of the home from organization to June 30, 1912.

(3) Statements showing average cost per capita per annum from organization to June 30, 1912.

(4) Financial transactions of the home for fiscal year ending June 30, 1912.

(5) Statement of depot manufactures and transfers for fiscal year ending June 30, 1912.

(6) Statement of expenditures for salaries of officers and employees of the Board of Managers, outside relief, and incidental expenses for fiscal year ending June 30, 1912.

(7) Statement of quarterly expenditures on account of State homes for fiscal year ending June 30, 1912.

(8) Estimates of National and State Homes for fiscal year ending June 30, 1914.

The papers above referred to contain full information as to the financial transactions of the home and are supported by the books and vouchers of this office.

Respectfully, yours, MOSES HARRIS,
General Treasurer,
National Home for Disabled Volunteer Soldiers.

Maj. JAMES W. WADSWORTH,
President Board of Managers,
National Home for Disabled Volunteer Soldiers.

TABLE A.—*Date of organization and law authorizing each branch of the National Home for Disabled Volunteer Soldiers, acreage, and cost of land, buildings, and permanent improvements, from organization to June 30, 1912.*

First. Date and reference to the law establishing each of the 10 branches of the home and date when each was ready for use.

(1) The Eastern, at Togus, Me., purchased and opened for use in 1866. Authority for the establishment, section 4, act approved March 21, 1866. (Rev. Stat., sec. 4830.)

(2) The Central, located at Columbus, Ohio. in 1867, when it was ready for use, and, in the same year, removed to the vicinity of Dayton, Ohio, where it now is. Authority, same as above given.

(3) The Northwestern, at Milwaukee, Wis., purchased in 1867 and ready for use during 1867. Authority, same as above given.

Digitized by Google

(4) The Southern, at Hampton, Va., purchased in 1867 and opened for use in the same year. Authority, same as above given.

(5) The Western, near Leavenworth, Kans. This branch was authorized by an act approved July 5, 1884, entitled "An act to authorize the location of a branch home for disabled volunteer soldiers and sailors in either of the States of Arkansas, Colorado, Kansas, Iowa, Minnesota, Missouri, or Nevada, and for other purposes." It was ready for use September 1, 1885.

(6) The Pacific, near Santa Monica, Cal. This branch was authorized by an act approved March 2, 1887, entitled "An act to provide for the location of a branch home for disabled volunteer soldiers west of the Rocky Mountains." It was ready for use January 1, 1888.

(7) The Marion, near Marion, Ind. This branch was authorized by an act approved July 23, 1888, entitled "An act to authorize the location of a branch home for disabled volunteer soldiers in Grant County, Ind., and for other purposes." It was ready for use March 18, 1890.

(8) The Danville, near Danville, Ill. This branch was authorized by an act approved June 4, 1897, entitled "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June 30, 1898, and for other purposes." It was ready for use July 1, 1898.

(9) The Mountain, near Johnson City, Tenn. This branch was authorized by an act approved January 28, 1901, entitled "An act to establish a branch soldiers' home at or near Johnson City, Washington County, Tenn." It was opened for use October 15, 1903.

(10) The Battle Mountain Sanitarium, at Hot Springs, S. Dak. This sanitarium was authorized by an act approved May 29, 1902, entitled "An act for the establishment, control, operation, and maintenance of a national sanitarium of the National Home for Disabled Volunteer Soldiers at Hot Springs, in the State of South Dakota." It was opened for use March 15, 1907.

Second. Acreage and cost of land, buildings, and permanent improvements at each branch of the home.

(1) Central, at Dayton, Ohio.

Citizens of Dayton, Ohio, contributed $20,000 as part payment for the land, which money was applied to general purposes:

(7) Marion, at Marion, Ind.:

The land upon which this branch is located was purchased upon the condition that there should be sunk upon it a gas well that would give a sufficient supply of gas for the heating, lighting, and cooking purposes of the branch, as required by the law establishing the branch. Owing to the failure of the natural-gas supply in that territory, this provision has become inoperative.

REPORT OF THE INSPECTOR GENERAL AND CHIEF SURGEON.

THE NATIONAL HOME FOR
DISABLED VOLUNTEER SOLDIERS,
December 4, 1912.

SIR: I have the honor to submit herewith my annual report for the year ending June 30, 1912, including the following statements and tables relative to the membership and health of the National Home for Disabled Volunteer Soldiers, viz:

(1) Average number present and absent, etc., and gain and loss, from date of organization to June 30, 1912:

(2) Average number present at branches since their establishment.

(3) Statement of deaths and number of deaths per 1,000 of average present and absent and whole number cared for.

(4) Statement of diseases and causes of death for year ending June 30, 1912.

(5) Return of the National Home for the year ending June 30, 1912.

There was a decrease in the whole number cared for of 1½ per cent, as compared with 1911, but in the average present there was no loss. The same result is shown by the returns of the State homes.

The plan of transferring members suffering from pulmonary tuberculosis to certain designated branches where special facilities for the care of such patients have been provided has not succeeded to the extent hoped for, a complete segregation and the relief of the other branches of their care. In many instances the members transferred became dissatisfied, went out, with and without leave, and made their way to other branches, reporting in such condition that, of necessity, they had to be taken up and cared for. A great many patients declined the offer of transfer and remained at the branch where they were being cared for. No arbitrary or enforced transfers have been made.

The regular inspections of the home during the year have been made and conditions reported. The officers of the branches have performed their duties well, and with due regard to the comfort of the members and the interests of the home.

Respectfully, yours,

JAMES E. MILLER,
Inspector General and Chief Surgeon,
National Home for Disabled Volunteer Soldiers.

Maj. JAMES W. WADSWORTH,
President Board of Managers,
National Home for Disabled Volunteer Soldiers.

SANITARY REGULATIONS.

The sanitary condition of the branch has received constant attention during the year and all things considered has been good. Special attention has been paid to the fly nuisance, and the result is very satisfactory. A weekly inspection of fly conditions is made by an assistant surgeon and a report made to the governor. The water supply during the year has been abundant for all purposes. Additions have been made to the number of bathtubs in barracks, and the regulations relating to bathing are strictly enforced. The general health of the members has been as good as could be expected where the membership is largely made up of old disabled men.

Digitized by Google

Daily inspections are made of camp latrines and outhouses, and of the parks and grounds generally, and lime has been freely used on the composts, dump, etc. Especial attention is given to daily policing of the grounds.

RELIGION AND SOCIETIES.

CENTRAL BRANCH, NATIONAL HOME
FOR DISABLED VOLUNTEER SOLDIERS,
July 3, 1912.

Col. W. J. WHITE,
Governor, Central Branch, National Home for Disabled Volunteer Soldiers.

SIR: I have the honor to submit the following report for the year ending June 30, 1912:

On every Sabbath of the year there have been services in the chapel. The attendance and the thoughtful and serious interest in every part of the service have been encouraging.

Also, the increasing number of those who are interested in spiritual things is indicated not only by the attendance upon public worship, but as well by the manner in which the personal ministrations of the chaplain are received in the hospital and in the barracks.

By the ready response to personal appeal, as well as by visible results, he is more and more convinced that this individual work among the members is a most important part of his work; and he is therefore giving a large portion of his time to this pastoral work.

I am constantly on the lookout to become acquainted with new members; and among the many admitted during the year I have also found a gratifying number who voluntarily sought the chapel and its service.

The service of praise is greatly enjoyed by the members; and the organist and choir have brought to these services a skill and a spirit which are a blessing to all.

During the year I have received notices of 246 deaths and have held services at the funerals of 220 members, the remains of 26 having been taken away.

Respectfully,

H. A. MCDONALD, *Chaplain.*

NATIONAL MILITARY HOME, OHIO, *July 5, 1912.*

SIR: The chaplain of the Chapel of the Good Shepherd has the honor to report as follows for the last fiscal year:

His daily visits to the hospital have been heartily seconded by the patients themselves, but also by the officers, physicians, and nurses who, with skill and sympathy, lighten the sufferings of the sick and dying. This he gladly bears witness to. Not all died to whom he administered the last rites of the church. He buried 86 in the home cemetery.

In the chapel, mass was said daily at 7.30 a. m. and included a reading from Holy Writ. High mass and vespers were celebrated every Sunday with the able assistance of our choir. The chaplain addressed the congregation at every one of the three services on Sundays. Administering holy Eucharist before breakfast time has increased frequent communions. The venerable years that mark most veterans have not resulted in reduced attendance at religious services. In fact, as regards last year, quite the contrary must be reported.

In conclusion, the chaplain can not refrain from giving expression to his parishioners' grateful appreciation of the facilities for worship, supplied so unhesitatingly by the Government.

Respectfully,

B. F. KUHLMAN, *Chaplain.*

Col. W. J. WHITE,
Governor, Central Branch,
National Home for Disabled Volunteer Soldiers.

The membership of the various home societies was on June 30, 1912, as follows:

Grand Army of the Republic	37
Union Veteran Legion	33
United Spanish War Veterans	38

ANNUAL REPORT OF NORTHWESTERN BRANCH NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING JUNE 30, 1912.

JOHN M. HOLLEY, Esq., Local Manager.

Col. CORNELIUS WHEELER, Governor.

Maj. R. W. CORBETT, Treasurer.
Maj. OSCAR CHRYSLER, Surgeon.
Capt. C. O. COLLINS, Quartermaster.
Capt. ALBERT R. MORRISON, Commissary of Subsistence.
Capt. H. A. VALENTIN, Adjutant and Inspector.
Rev. M. J. HUSTON, Chaplain.
Rev. JUDSON TITSWORTH, Chaplain.
Capt. A. IVINS COMFORT, Senior Assistant Surgeon.

JULY 17, 1912.

JOHN M. HOLLEY, Esq.,
Secretary Board of Managers, National Home for Disabled Volunteer Soldiers.

SIR: I have the honor to submit the following report of this branch for the year ending June 30, 1912.

Average present	1,721
Average present and absent	2,047
Whole number cared for	2,868
Whole number receiving medical treatment	2,128
Average age of members	68.80+
Average cost of daily ration	.1992
Cost per capita per year	$201.73

The health of the branch has been excellent, the death rate being less than last year, viz, 65.550 per 1,000 for 1912, as compared with 69.863 for 1911. Average age at death for 1912, 72.670 as compared with 71.877 for 1911.

The condition of the branch has been good and its discipline satisfactory, and the members are as comfortable as can be expected.

Respectfully submitted.

CORNELIUS WHEELER, *Governor.*

SANITARY REGULATIONS.

Sanitary inspections are made daily by the adjutant and inspector and the officer of the day. The surgeon makes sanitary inspections regularly every quarter, and at such other periods as directed by the governor.

All garbage is removed twice daily, and no insanitary accummulations are allowed.

Members are required to bathe at least once each week. New arrivals and applicants for admission or readmission are at once given a bath and a change of clothing, their own clothing being subjected to sterilization when deemed necessary, and all applicants for admission are required to be vaccinated. Members returning from furlough or absence of more than three days are required to bathe and have their clothing sterilized.

The clothing of all members discharged or going on furlough is turned in to the quartermaster and sterilized and renovated before reissue.

Every precaution against the spread of disease or vermin is used.

The hot-water tank system for the purification of the beds and the steaming of the wardrobes is continued with success, and the bedbug pest is kept at a minimum.

The intermittent filtration system for sewage is still in successful and satisfactory operation.

The sanitary condition of the branch is excellent.

RELIGION AND SOCIETIES.

REPORT OF REV. M. J. HUSTON, CATHOLIC CHAPLAIN.

Divine services were conducted in the home chapel as follows:

Sunday: Communion, mass, and instruction at 5.20 a. m.; high mass and sermon at 7.30 a. m.; rosary, litany, and night prayers at 5.45 p. m.; benediction of the blessed sacrament at 8.45 a. m.

Week day: Mass and morning prayer at 7.30 a. m.; rosary, litany, and night prayer at 5.45 p. m.

Average attendance at divine service, about 200.

Special services were held during Lent, May, October, church holy days and national holidays. On those occasions, as a rule, another clergyman addressed the congregation.

Confessions were heard every Saturday afternoon, on the eve of holy days, every morning before mass, and at any other time when called upon.

Social: The confraternity of the Holy Rosary, the League of the Sacred Heart, and the Sanctuary Society have a large enrollment at present and are in a very flourishing condition.

The hospital has been visited regularly. No special time is set for these visits. I go and come sometimes three or four times a day.

Frequent visits have been paid to the barracks.

Deaths: Forty-eight Catholic members passed away during the year. All except two were buried in the home cemetery.

It behooves me in concluding this report to state that if I have faithfully performed my duty I did it with pleasure, and for the reason that, at all times, I found encouragement and support in my administrations, through the kind cooperation and never-failing courtesy of the doctors and nurses. In fine, I have naught but words of praise for the gentlemanly behavior toward me of every officer of the home, but especially for Governor Wheeler, who has taken such pains to make things pleasant for everybody.

REPORT OF REV. JUDSON TITSWORTH, CHAPLAIN.

I resumed service as chaplain September 16, 1911, relieving Rev. M. W. Darling. Up to that time Chaplain Darling had attended 19 funerals; and since then I have attended 78, making the record of funerals for the year 97. Rev. Enno Duemling conducted a funeral service in the case of a Lutheran member who, before his death, expressed a wish to that effect.

Regular Sunday services with preaching have been maintained without interruption with a slight increase in attendance. A fairly well attended class for the study of the Bible holds regular sessions after the morning services. During the winter Evangelist H. H. Kernohan was permitted to hold meetings for ten days. The results were negligible; although it may probably be attributed to the religious interest stimulated by his work that a Christian Brotherhood has been organized which sustains a mid-week meeting for prayer and conference.

I have visited the hospital upon no systematic plan, but have endeavored to keep in touch with the patients who care to see me, always holding myself in readiness to go to any case needing me, at a moment's notice.

While response to the appeal of religion is pathetically slight, my personal relations to all, officers and members, and to my greatly respected "yoke-fellow" in the chaplaincy, Father M. J. Huston, have been all I could ask.

SANITARY REGULATIONS.

Regular inspections of the buildings and grounds are made by the surgeon, reports of which are submitted in writing to the governor. The surgeon also makes a quarterly sanitary report to the president of the Board of Managers. Members are required to bathe regularly once each week and new members immediately upon arrival at the home, at which time they are supplied with clean underclothes. All second-hand clothing is thoroughly renovated and cleaned in the dry-cleaning plant before reissue to members.

Daily examinations of milk are made in the laboratory as prescribed by home regulations.

All members entering the home who are unable to show a satisfactory scar from recent vaccination are vaccinated at the time of medical examination.

Weekly inspections are made by one of the medical staff of the home grounds, stables, places where refuse is kept, etc., with a view to preventing the breeding and propagating of flies.

Care is taken to prevent as far as possible the careless expectoration of tuberculous patients, each patient being provided with sputum cup and disinfectant.

RELIGION AND SOCIETIES.

REPORTS OF CHAPLAINS.

JUNE 30, 1912.

SIR: I have the honor to submit my annual report for the fiscal year ending June 30, 1912.

I have held religious services in the chapel on each Sunday during the year except two, when I was absent with leave. The prayer meetings at the hospital on Monday evenings and in the chapel on Wednesday evenings have been continued during the year, my place in my absence at any time being taken by some member of the branch. The service of song in the hospital has also been continued except in the months of July and August, 1911, when the choir had the usual vacation.

During the year I have officiated at 102 funerals, a larger number than in any other year during my connection with the branch.

The increasing infirmities of age on the part of the members of the branch have greatly added to my ministrations in the hospital. I have continued my custom of placing myself in communication with the friends of those patients whose names are on the danger list, and I have also written many letters for other patients, unable by reason of sickness or otherwise to write themselves. I have also availed myself of abundant opportunity for words of sympathy and encouragement and also for religious counsel and instruction.

During the year, as hitherto, I have given to the library of the branch, in its several departments, considerable attention. The card catalogue, both as to subjects and authors, has been kept up to date. There were added to the library during the year, either by purchase or gift, 361 volumes. The number of books in the library (including all post-fund books) is 13,029. The number of books taken from the library from July 1, 1911, to July 1, 1912, is 22,568. The large number of newspapers and magazines in the reading room, secured by subscription or gift, continue to attract readers in great numbers from 8 o'clock in the morning to 8 o'clock in the evening.

In closing my service in connection with the home, I wish to express my thanks to the surgeon in charge of the hospital, also to the assistant surgeons and nurses, for kindly helpfulness and cooperation; also to the officers of the branch from whom I have received aid in my endeavors for the improvement of the library and the reading room, and especially to the local manager.

Respectfully submitted.

HENRY S. BURRAGE, *Chaplain.*

Col. JOHN T. RICHARDS, *Governor.*

JUNE 30, 1912.

SIR: Although my appointment as resident chaplain at the home became effective only July 1, 1911, nevertheless I was accorded the happy privilege of having spiritual charge of the inmates for a period of 20 years.

It is a great pleasure and genuine satisfaction to feel that I can devote my whole time and give my undivided attention to the veterans in their declining years. They need now, more than ever, to fulfill the duties of religion, because death will soon claim the vast majority of them.

I attended 51 funerals, and the remains of 18 were forwarded to relatives.

The same services which were held in the past are continued, and in addition thereto mass is celebrated every morning at 7.30. I call at the barracks occasionally and visit the hospital on an average once a day.

Very respectfully, JOHN P. NELLIGAN, *Chaplain.*

Col. JOHN T. RICHARDS, *Governor.*

ANNUAL REPORT OF SOUTHERN BRANCH, NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING JUNE 30, 1912.

Hon. FRANKLIN MURPHY, Local Manager.
Col. T. T. KNOX, Governor.

Maj. F. E. SKINNER, Treasurer.
Maj. L. A. THOMPSON, Surgeon.
Capt. D. C. SPENCER, Quartermaster.
Capt. E. B. WHITE, Commissary of Subsistence and Superintendent Post Fund.
Capt. LUTHER M. PARKER, Adjutant and Inspector.
Rev. J. MARTYN NEIFERT, Chaplain.
Capt. A. W. BARTEL, Senior Assistant Surgeon.

JULY 20, 1912.

JOHN M. HOLLEY, Esq.,
Secretary Board of Managers,
National Home for Disabled Volunteer Soldiers.

SIR: I have the honor to submit the following report of this branch for the year ending June 30, 1912:

Average present	2,036
Average present and absent	2,711
Whole number cared for	3,569
Whole number receiving medical treatment	2,910
Average age of members	69.05
Average cost of daily ration	$0.2053
Cost per capita per year	$200.3279

Changes in the offices of the branch: Maj. F. E. Skinner, quartermaster, promoted to the position of treasurer, vice Maj. John T. Hume, deceased. Capt. D. C. Spencer, commissary of subsistence, promoted to the position of quartermaster, vice Maj. F. E. Skinner, promoted. Capt. I. H. Wise, appointed commissary of subsistence, vice Capt. D. C. Spencer, promoted. Capt. E. B. White, appointed commissary of subsistence, vice Capt. I. H. Wise, resigned. Lieut. Hugo O. Brown, assistant surgeon, transferred from Marion Branch, vice Lieut. S. A. Milligan, transferred to Pacific Branch. Lieut. H. S. Smythe, appointed assistant surgeon, vice Lieut. J. P. Jones, transferred to Central Branch.

The discipline of the branch has improved during the past year, but owing to the close proximity to Phoebus, much drunkenness occurs. There has been no epidemic during the fiscal year.

T. T. KNOX, *Governor.*

SANITARY REGULATIONS.

Regular weekly inspections of some portion of the buildings and grounds are made, a written report being made.

Members are required to bathe at least once a week.

All garbage is removed twice a day during the summer months and once a day during the winter, and no accumulation is permitted.

All second-hand and soiled clothing is sent to the dry-cleaning plant for treatment.

All infected bed and personal linen, utensils, etc., are subjected to steam sterilization.

All cuspidors are treated at least once a day with a disinfectant.

Manure is stored in a screened receptacle and removed weekly, each day's accumulation being treated with chloride of lime. All other refuse is removed daily.

A weekly sanitary inspection is made by an assistant surgeon and a written report submitted.

Fly paper and dishes containing a solution of formaldehyde have been liberally used. A few flytraps of home fabrication have been placed in use, with excellent results, considering the limited amount available.

RELIGION AND SOCIETIES.

FORT MONROE, VA., *July 2, 1912.*

Col. T. T. KNOX, *Governor.*

DEAR GOVERNOR: I hereby respectfully submit my report as Catholic chaplain of the Soldiers' Home at Hampton, Va., for the year ending June 30, 1912:

(1) There are about 600 Catholic men in the home, and I am pleased to say that the vast majority of them are edifyingly practical.

(2) During the year I attended 55 funerals in the home cemetery. I administered the last sacraments to many others, who were buried elsewhere.

(3) My sick calls to the home during the year exceeded an average of one per day. I devote much time to the hospital patients, but this very important part of my work is made agreeable and lightsome by the uniformly courteous and cordial cooperation of the doctors, nurses, and other kind attendants.

Digitized by Google

(4) I celebrate mass every Sunday and holy day, also every alternate week day during the whole year. The average attendance on Sundays and holy days was about 425 and on week days about 150. I preached a sermon every Sunday, excepting July and August.

(5) I heard, and gave holy communion to 2,425 persons during the year in the home.

(6) The League of the Sacred Heart, or Apostleship of Prayer, numbers about 125.

(7) Two hundred and twelve public religious services, exclusive of funerals, were held during the year.

(8) I am more than well pleased, delighted, to be able to say that the officers of the home, from the governor down, are invariably courteous, considerate, and kind.

(9) I am deeply grateful for the increase in my salary to $100. This just enables me to keep my horse and carriage in lieu of the one furnished by the home, but withdrawn three years ago. I find it yet a great hardship to board at my individual expense the man who takes care of my team. I therefore respectfully renew my request for an additional increase to $125. This will equalize the congregations and chaplains.

Respectfully,

THOMAS J. WILSON,
Chaplain to Soldiers' Home, Hampton, Va.

SOUTHERN BRANCH NATIONAL HOME
FOR DISABLED VOLUNTEER SOLDIERS,
July 13, 1912.

Col. T. T. KNOX, *Governor.*

SIR: I have the honor to submit the following report for the year ending June 30, 1912:

Have preached 55 sermons and given 32 illustrated lectures. Made 25 addresses and conducted 166 burials. Daily visits were made to the hospital, besides answering extra calls and administering private communion.

Have also written letters for sick and crippled members. Since the home membership embraces various denominations, I have invited different ministers to address the congregation. This meant return services on my part—not included in this report.

The Christian Endeavor Society's work during the year has been very successfully carried on, as shown by an increase in attendance and interest in their regular weekly meetings.

The Temperance Society has been unusually active and submits an excellent report. The society has also helped greatly in the hospital.

Respectfully, yours,

J. MARTYN NEIFERT, *Chaplain.*

Permanent improvements from special congressional appropriations, authorized by Board of Managers.

SANITARY REGULATIONS.

Sanitary inspection.—Regular inspection of buildings and grounds were made by the surgeon at least once each quarter, and report made. Surgeon inspects the prepared meal at the general mess.

Vaccination, tuberculosis.—All members entering the home are properly vaccinated. Tuberculosis patients receive special care as to disposition of their sputa, disinfection of their clothing, segregation, and diet.

Milk and food.—Milk supplied by contract is tested each day together with numerous tests for purity of food made by the hospital staff.

Garbage.—Is collected after each meal from the hospital, and all other messes, and is removed from the home in closed, water-tight tanks.

Bathing.—Members are required to bathe once every week, and a record is kept by the captain of each company to show that the rule is complied with. Men newly admitted to the home are required to take a bath, except when too infirm. In such instances they are bathed at the hospital.

Vermin and disease.—Constant care is exercised by the use of hot water and chemicals to exterminate vermin and to prevent the spread of disease.

Linen.—Linen is changed once every week throughout the home, and towels in wash rooms one or more times each day.

Soiled linen.—Soiled linen is sent to the laundry once each week, but may be sent more frequently if badly soiled. Special precautions are taken at the hospital.

Ventilation and heat.—The ventilation provided for throughout the home is direct or indirect, and is, as a rule, good. The heat furnished in the winter has been good.

RELIGION AND SOCIETIES.

The reports of the branch chaplains are herewith submitted.

JULY 10, 1912.

Col. S. G. COOKE, *Governor.*

SIR: I have the honor to submit the following report for the fiscal year ending June 30, 1912.

The usual chapel services have been held: A sermon each Sunday. There have been 103 social meetings and 51 temperance meetings. The membership of the Christian Endeavor Society is 76; that of the Temperance Society 129. The average attendance at regular service is about 200. I report members of the home only that attend. We have had better heat the past year, and all of our services have been better attended than they have been any year since I have been here. I have visited the hospital daily. During the year I have attended 224 funerals, rendering services at the grave.

Respectfully, JAMES H. PAYNE, *Chaplain.*

JULY 10, 1912.

Col. SIDNEY G. COOKE, *Governor.*

SIR: I respectfully submit the following annual report, beginning with July 1, 1911, and ending June 30, 1912.

Services held regularly as follows:

Sunday services: Communion at 6.15 a. m.; low mass at 7.30 a. m.; high mass, sermon, 10 a. m.; rosary and benediction, 6 p. m.

Week-day services: Mass, communion, 7.30 a. m.; rosary, 6 p. m.; confessions, Saturday, 3 and 6 p. m.

The attendance at these services average on Sundays about 200 and week days about 60.

Chapel societies: Confraternity of the Living Rosary, with a membership of 60, meets daily at 6 p. m. League of the Sacred Heart meets on the first Friday of the month and has 100 members.

Hospital attendance and visitation daily. Funerals attended, 36, and funeral service performed in each case at the grave.

Respectfully, FRANCIS POTTGEISSOR, *Chaplain.*

SANITARY REGULATIONS.

The sanitary condition of the branch during the year has been good. Regular inspection of the buildings and grounds are made each quarter by the surgeon. Members are required to bathe regularly once each week and new members, immediately upon arrival at the home. The surgeon inspects the prepared ration at the general mess several times every month, also at the convalescent barrack. An assistant surgeon is assigned every day to inspect the hospital meals, both on the wards and in the dining room, and make written report of same to surgeon.

All garbage is removed daily and no accumulation is permitted. The tubercular patients are now segregated and every care taken to prevent the spread of this disease.

Weekly inspections are made by one of the assistant surgeons, with a view of preventing the breeding of flies.

All members are vaccinated upon admission to the home as are all civilians, who have not been recently vaccinated. The general health of the members has been as good as could be expected considering their age.

B. F. HAYDEN, *Surgeon.*

RELIGION AND SOCIETIES.

Sermons preached	62
Prayer meetings held	52
Visits to hospital	237
Lectures delivered	43
Funeral services conducted	207
Average attendance at chapel	225

Each year the members are becoming more helpless and, were it not that those coming in were decidedly more moral than formerly, we would have a decrease in congregation as so many are hospital patients. The morals of the branch are commendable.

G. W. WILSON,
Protestant Chaplain.

Average attendance in chapel	175
Funerals attended	63
Number of services	102
Visits to hospital	180
Sermons preached	75
Lectures delivered	15

I feel happy to state that the men in the home who are under my spiritual direction have been greatly benefited by the instructions given them during the year. The governor and officials of the home deserve my highest esteem and most heartfelt gratitude for their many acts of kindness toward me and those under my charge.

PATRICK HAWE,
Catholic Chaplain.

SANITARY REGULATIONS.

Each member of the medical staff is detailed weekly by the governor to make an inspection and report upon some part of the home. Regardless of other details, the governor accompanied by the surgeon makes a weekly inspection of the hospital, a report of which is supplementary to that of the medical officer especially detailed to make the inspection for that particular date.

There are three medical officers on the board for the inspection of commissary supplies.

The sanitary regulations with reference to the care of tuberculosis patients and the protection of their comrades and attendants are those approved by the president of the Board of Managers, January 15, 1909.

We have had no epidemics during the past year, although at this writing there are several cases of smallpox under quarantine just outside the home. The regulations pertaining to vaccination have been observed, and the local authorities aided in maintaining the quarantine.

The percentage of members requiring hospital care is rapidly increasing, and at the same time there is a correspondingly fewer number of Civil War veterans who are able to accept employment. Among the few remaining who are able to perform these duties there is less incentive and less disposition to accept such employment since the recent pension legislation. It therefore happens that it will be necessary to rely almost exclusively upon civilian help. It is our experience that reliable help is difficult to obtain, and it is believed that better quarters should be provided with a view to rendering service in the home more attractive. It has occurred quite frequently that a man and his wife might have been employed with advantage to the home had the home been able to have offered the husband and wife quarters.

Not only is it believed that the home might secure more efficient help by offering quarters to married employees, but the presence on the grounds of such employees would be a fire protection, the need of which is more pronounced every year.

The matter of securing a larger appropriation for the maintenance of the medical department, of increasing the facilities for the care of convalescents, and the erection of a small detention hospital is respectfully submitted for consideration.

RELIGION AND SOCIETIES.

Col. George W. Steele, *Governor.*

Dear Sir: I have the honor to make to you the following report for the year ending June 30, 1912:

I feel encouraged over the results of the year's work. There are so many ways to be helpful and do good that one finds it difficult to classify what has been done.

The Sabbath services have been held regularly. I have made daily visits to the hospital, and have held myself in readiness to meet all calls for special services both at the hospital and barracks.

Number of sermons preached	48
Number of services held	55

Societies:	Members.
Christian Union	185
Grand Army of the Republic	67
Union Veteran Legion	36
United Spanish War Veterans	58

Respectfully submitted.

D. E. Myers, *Chaplain.*

Col. GEORGE W. STEELE, *Governor.*

DEAR SIR: It is a real pleasure to submit the following report for the fiscal year ending June 30, 1912. As in past years, services were held regularly on Sundays and Fridays, and were very well attended. The splendid efforts of the quartet choir greatly assisted in the solemnity of the divine services. The decoration of the interior of the chapel, together with the painting of the altars, gives us a beautiful house of divine worship. Regular visits were made to the hospital and barrack 14 to convey to the sick and enfeebled members the consolations of religion.

The Men's League of the Sacred Heart has a membership of 146.

Respectfully submitted.

CHARLES E. MCCABE, *Chaplain.*

SANITARY REGULATIONS.

The grounds are well policed and very much improved during the past year, so that at the present time they are in excellent sanitary condition. The buildings have been carefully looked after; they are in good condition. The mess hall and all of its surroundings are in sanitary condition. They are kept clean and neat. The water supply is ample and of good quality. The drainage and sewerage is all that could be expected. All buildings are well heated and lighted. The food supply is sufficient, both in hospital and general mess hall. The drug and medicine supply has been ample and of good quality. The members seem to be well clothed and clean. Tuberculosis cases are isolated and carefully cared for.

W. A. COCHRAN, *Surgeon.*

RELIGION AND SOCIETIES.

SIR: I have the honor to submit my report for the year ending June 30, 1912. It is the custom, long established, to hold preaching services in the Protestant chapel every Sabbath at 2 o'clock in the afternoon. Previous to this service I teach a Bible class composed of veterans of the home. At the close of the afternoon meeting I go to the hospital and with the aid of singers hold a brief service in some of the wards. Saturday evening is devoted to song, prayer, and testimony services. The Christian League increases in number and beneficial influence. Affixing their names to a card, the writers promise to live a Christian life; to abstain from all practices not comporting with that life, and strive to attain the New Testament standard of character. Frequently I visit the invalids in the hospital, holding prayer and encouraging conversation with those in special need. As time passes the infirm soldiers pass away more rapidly, and during certain seasons I officiate almost daily at their funerals. These services are held in the chapel, and thence, with the escort, we proceed to the cemetery to complete the burial.

Sermons preached	44
Saturday meetings	52
Lectures	8
Visits to hospital, including Company G	150
Funerals attended	140
In Home Temperance League	500

THOMAS A. PARKER, *Chaplain.*

Col. M. J. BARGER, *Governor.*

JULY 10, 1912.

Col. M. J. BARGER, *Governor.*

SIR: I have the honor to report that the duties intrusted to me at this branch have been fulfilled to the best of my ability.

The Rev. T. H. Kinsella resigned January 1, 1912. The undersigned succeeded him January 10, 1912. I have found many reasons to confirm the general opinion that my predecessor, who had spent many years in this service, was esteemed and respected by all at this home, and his resignation was very much regretted.

Services are regularly held in the Catholic chapel as follows:

Sundays: Communion, 5.45 a. m.; high mass and sermon at 9 a. m.; vespers and benediction, 6 p. m.

Week days: Daily mass, 7.30 a. m.; rosary, 6 p. m.

Chapel societies: Confraternity of Rosary and League of the Sacred Heart.

The attendance on Sundays averages about 150 and on week days about 50. Hospital visitations are made daily. During the year 40 funerals were attended.

Digitized by Google

It affords me great pleasure to avail myself of this opportunity to thank you personally and the officers of the home for your many courtesies to me and to thank the doctors and nurses at the hospital for their promptness in calling me when my services were needed.

Respectfully, T. J. McCarthy, *Chaplain.*

SANITARY REGULATIONS.

The sanitary condition of the branch has been good during the year. Regular inspections of the grounds and all buildings have been made and written reports submitted to the governor. Rules relative to airing baggage are observed. All members are required to bathe at least once each week and new members on arrival. All members arriving at the branch are required to report to the hospital for examination and vaccination. All tubercular patients are segregated, the sputum properly taken care of, and great care exercised to prevent the careless expectoration of this class of patients.

J. C. BUTLER, *Surgeon.*

RELIGION AND SOCIETIES.

Col. JOHN P. SMITH, *Governor.*

SIR: For the fiscal year ending June 30, 1912, I have the honor to report as follows:

One preaching service each Sabbath, at which, except during the heated term, there is a congregation fairly filling the chapel. Midweek prayer meeting held regularly, attendance moderately good, while the interest is invariably well sustained. Also Sabbath morning Bible class. This class, while limited in attendance, manifests most encouraging interest in the study of the Bible. We feel that all these services are decidedly helpful and greatly encouraging to the members, most of whom are nearing life's sunset.

Special services held Thanksgiving, Christmas, Easter, and Mothers' Day, each having the helpful inspiration of audiences filling the chapel.

By request of the Union Veteran Legion, Appomattox Day was observed, with an audience present taxing the capacity of Memorial Hall. Also, by request of the Grand Army of the Republic, Memorial Sunday was observed in Memorial Hall, when again the audience filled the house to its utmost capacity.

Triweekly visits are made to the hospital, and all calls are promptly answered.

The work of the chaplain's department goes fairly well, and it is only just and due to state that the administration in the home is so just in spirit and morally elevating in tone, always promotive of good discipline, as to be greatly helpful in the work of the church.

Respectfully,

J. A. RUBLE, *Chaplain.*

Col. JOHN P. SMITH, *Governor.*

SIR: I have the honor to submit the following report for the fiscal year ending June 30, 1912:

The order of services held in the chapel was as follows:

On Sundays and holy days, mass and sermon at 9.15 a. m., benediction at 5.30 p. m. On week days, mass at 7.30 a. m.; rosary and evening prayers at 5.30 p. m.; confessions on Tuesdays, Thursdays, Saturdays, and the vigils of Holy Days at 3 and 5.30 p. m.

Special services during Lent, Advent, and the months of October, May, and June. All services well attended.

The hospital was visited daily, and, in the case of serious illness, several times a day.

There were 38 deaths during the fiscal year.

Respectfully submitted.

JOHN M. HARDEMAN, *Chaplain.*

SANITARY REGULATIONS.

Sanitary conditions have been good during the past year.

Regular inspections of the buildings and grounds is made each week, and every quarter a thorough sanitary inspection is made, and written report of conditions submitted.

All garbage is removed promptly. Manure from the stable is removed each morning from the stable to a screened receptacle, from which it is hauled daily and deposited in a trench 4 feet deep, 20 feet wide, and 30 feet long and covered with earth.

We have no breeding places for flies in the sanitarium, or on the reservation, but have some trouble with them from near-by insanitary places.

All patients are required to bathe on admission to the sanitarium, and at once least each week thereafter.

All patients are thoroughly examined at the time of admission, and those that require it are vaccinated.

The sputum of tubercular patients is properly cared for, and all flasks and cups are disinfected daily with steam, in addition to antiseptic solutions used in these receptacles.

Soiled and infected clothing is sterilized with steam under high pressure.

RELIGION AND SOCIETIES.

HOT SPRINGS, S. DAK., *June 30, 1912.*

SIR: As chaplain of Battle Mountain Sanitarium I have the honor to submit the following report for the year ending June 30, 1912:

An unusual interest has been manifested in the chapel services during the year. The membership has been largely increased, giving to all public services increased attendance and spirit.

The chaplain has been able to attend all funeral services, has preached regularly on Sunday and has maintained a regular system of visitation in the hospital at the bedside of the sick and infirm, cheering the discouraged, comforting the dying, and doing all in his power to relieve the distress attendant upon disease and threatened death.

In addition to the Sunday services the chaplain has maintained, during most of the year, a prayer and Bible study service on Monday evening which has been largely attended, adding much to the promotion of the moral and religious life of the membership.

During the year the management has provided the chapel with neat and commodious pews, which have done much both for the appearance of the room and for the comfort of those attending service.

Taken altogether, the year in my department has been probably the most successful in the history of the institution.

Respectfully submitted.

C. B. CLARK, *Chaplain.*

Col. JAMES A. MATTISON,
Governor and Surgeon.

HOT SPRINGS, S. DAK., *June 30, 1912.*

SIR: As Catholic chaplain of the Battle Mountain Sanitarium, Hot Springs, S. Dak., I have the honor to submit the following report:

The 12 months just passed have seen a great swelling of the Catholic ranks during the winter, and a proportionate thinning out in spring. Seeking shelter and relief, the veteran soldier enters this grand institution, often finding the cure sought for his bodily ailments as well as the best provisions possible for his spiritual welfare.

Mass was said in the chapel every Sunday and holy day of obligation. Five hundred and forty-three confessions were heard, as many communions distributed, 19 deathbeds or possible deathbeds were attended and the sick and bedridden were regularly provided with the consolations of our creed.

A sermon was preached at every public service. Anyone could attend our services and sermons. All of good will could receive private instruction. Five pledges were taken. Funeral services were conducted over the remains of our departed brethren according to the ritual of the church. For the library Catholic literature was provided; the subscription to the Catholic Encyclopedia has been continued and we have 10 volumes now, costing $60. We hope to finish this work this year.

The authorities of this institution deserve special appreciation for their noble efforts to support the cause of God everywhere. "Noblesse oblige."

Respectfully submitted.

F. X. HAEUSLER, *Chaplain.*

Col. JAMES A. MATTISON,
Governor and Surgeon.

REPORT OF INSPECTION OF STATE SOLDIERS AND SAILORS' HOMES FOR THE YEAR ENDING JUNE 30, 1912.

HEADQUARTERS, NATIONAL HOME FOR
DISABLED VOLUNTEER SOLDIERS,
December 4, 1912.

SIR: I have the honor to submit herewith summaries of the reports of inspections of the 31 State Homes for Disabled Volunteer Soldiers and Sailors, which have received the Government aid as provided by law.

All of the State homes have been inspected during the year, their returns verified, and the eligibility of members ascertained by the inspector general of the home and branch officers detailed for this duty as authorized by the act of Congress.

The State homes are generally well managed and have comfortable buildings adequately lighted and heated. Hospital facilities are provided, and the general comfort and welfare of members carefully looked after.

The population of the homes during the period covered by this report is shown in the following table, viz:

Comparative statement of average present, average present and absent, whole number cared, for, and average cost per capita of the State soldiers' homes, years 1911 and 1912.

Average present during the year ending June 30:	
1912	12,206
1911	12,179
Increase	27
Average present and absent:	
1912	15,195
1911	15,337
Decrease	142
Whole number cared for:	
1912	20,937
1911	21,312
Decrease	375
Average cost per capita:	
1912	$239.43
1911	245.76
Decrease	6.33

Digitized by Google

In the above comparative statement women are not included. Seventeen of the homes maintain women, and on June 30 there were on the rolls 3,004, of whom 2,064 were present, this being an increase of about 6 per cent over 1911.

Respectfully, yours,

JAMES E. MILLER,
Inspector General and Chief Surgeon,
National Home for Disabled Volunteer Soldiers.

Maj. JAMES W. WADSWORTH,
President Board of Managers,
National Home for Disabled Volunteer Soldiers.

CALIFORNIA.

VETERANS' HOME IN NAPA COUNTY.

ORGANIZATION.

BOARD OF DIRECTORS.

Gen. S. W. BACKUS, President.
HUGH M. BURKE, Vice President.

OFFICERS.

Col. H. G. BURTON, Commandant.
Col. D. M. McRAE, Surgeon.
Capt. J. F. SHEEHAN, Quartermaster.
Col. C. DE COLMESNIL, Secretary and Treasurer.
B. J. SCOVILLE, Assistant Secretary.
Capt. J. J. LYON, Commissary.

Average present during year ending June 30:	
1912	973
1911	925
Increase	48
Average present and absent:	
1912	1,164
1911	1,169
Decrease	5

Average cost per capita, $235.84.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, May 7, 1912, and the muster on that date showed:

Total number present	997
Absent	171
Aggregate present and absent	1,168

Eligibility of members.—All members found on the rolls appeared to be eligible.

Women.—Women are not maintained.

Collections.—No collections are made from members for the support of the home.

Buildings and grounds.—Buildings are suitable, well arranged, and in good repair. Grounds are nicely laid out and beautified by extensive cultivation of shrubs and flowers. A large orchard, a hennery, and a dairy are features that materially contribute to the diet supplied.

Digitized by Google

Care of members (quarters, clothing, and bedding).—Quarters good, well furnished. Food ample, varied, well cooked and served. Clothing good and uniform.

Medical care.—The capacity of the hospital has been extended so as to provide a ward for the treatment of tuberculous patients, of which there are a large number present. The hospital is well equipped and managed. A surgeon, an assistant surgeon, steward, and trained female nurses care for the wants of the sick.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

COLORADO.

Average present during year ending June 30:

1912	194
1911	199
Decrease	5

Average present and absent:

1912	239
1911	248
Decrease	9

Average cost per capita, $304.89.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, April 30, 1912, and the muster on that date showed:

Total number members present	192
Absent	34
Aggregate present and absent	226

Eligibility of members.—No members found on the rolls not eligible.

Women.—Up to the present time no women have been admitted or cared for, but under a recent act of the legislature provision was made for the admission of Confederate soldiers and wives, and extending the same right to the wives of Union soldiers. No Confederates had been admitted up to the date of inspection.

Collections.—No collections or assessments are made against the members for the support of the home.

Digitized by Google

Buildings and grounds.—Buildings are suitable, substantial, conveniently arranged, and in good repair. Grounds are neat and attractive.

Care of members (quarters, clothing, and bedding).—Quarters are comfortably furnished. Clothing good and uniform. Food appears ample, properly cooked, and served.

Medical care.—A hospital, 72 beds capacity, is kept in good condition, and the sick properly attended. A surgeon from the village near by makes daily visits and comes on call.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

J. W. RINEAR, Treasurer.

OFFICERS.

Col. D. B. KEHLER, Commandant.
Maj. A. E. MORGAN, Surgeon.
Capt. D. H. MCABEE, Adjutant.

Average present during year ending June 30:	
1912	352
1911	382
Decrease	30
Average present and absent:	
1912	532
1911	564
Decrease	32

Average cost per capita, $312.88.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, March 31, 1912, and the muster on that date showed:

Total number of members present	356
Absent	170
Aggregate present and absent	526

Eligibility of members.—All members found on the rolls appeared to be eligible.

Women.—Women are admitted and cared for. At date of muster there were 536 present and 314 absent; total, 850.

Collections.—Member pensioners are required to pay excess of pension drawn, for the support of the home, as follows: Members not married, all over $12; members married, all over $15; widows, all over $10.

Buildings and grounds.—Buildings are suitable, consisting of cottages and dormitories comfortably furnished and well heated. Grounds are well kept.

Care of members (quarters, clothing, and bedding).—Quarters are comfortable and generally clean and in good condition. Clothing

Digitized by Google

good and uniform. Food appears to be sufficient and of good quality; service satisfactory.

Medical care.—The hospital is of sufficient capacity, kept in good condition, well equipped, and apparently well managed. A surgeon, two assistants, and female nurses care for the sick.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

1912	577
1911	605
Decrease	28
Average present and absent:	
1912	809
1911	828
Decrease	19

Average cost per capita, $180.

The home was last inspected by Lieut. Col. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, March 23, 1912, and the muster on that date showed:

Total number members present	638
Absent	172
Aggregate present and absent	810

Eligibility of members.—No members found on the rolls not eligible.

Women.—Wives and widows of soldiers and sailors are admitted and cared for. At date of inspection there were 209 present and 77 absent; total, 286.

Collections.—Pensioners drawing more than $20 per month are required to pay the excess for the support of the home. A recent act of the legislature authorized the home to admit veterans upon payment for their maintenance. This was done to extend the privileges of the home to veterans whose financial condition barred them from regular admission. There were 17 so cared for at date of inspection, but not carried on the rolls on which Federal aid is paid.

Buildings and grounds.—Buildings are suitable, conveniently arranged, and in good repair.

Digitized by Google

Care of members (quarters, clothing, and bedding).—Quarters are comfortably furnished, well heated and lighted. Clothing good and uniform. Food ample, varied, properly cooked and served.

Medical care.—A well-planned hospital, conveniently arranged and ably managed, is maintained. One surgeon, an assistant surgeon, hospital steward, matron, and female nurses give attention to the sick.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied witn.

KANSAS.

SOLDIERS' HOME AT FORT DODGE.

ORGANIZATION.

BOARD OF MANAGERS.

ANSEL R. CLARK, President.
D. M. BENDER, Treasurer.
FRANK STRAIN, Secretary.

OFFICERS.

Col. A. M. BREESE, Commandant.
Dr. JOHN B. DRAPER, Surgeon.

PHILANDER EVANS, Adjutant.
J. W. SIDLOW, Quartermaster.

Average present during year ending June 30:	
1912	254
1911	252
Increase	2
Average present and absent:	
1912	277
1911	280
Decrease	3

Average cost per capita, $183.34.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, April 29, 1912, and the muster on that date showed:

Total number members present	257
Absent	19
Aggregate present and absent	276

Eligibility of members.—No members found on the rolls not eligible.

Women.—Wives and widows of soldiers and sailors are admitted. At date of inspection there were 253 present and 1 absent; total, 254.

This State home is unique, in that it cares for the children of soldiers or sailors under 14 years of age. At date of muster there were 76 present.

Collections.—No collections or assessments are made against the members.

Buildings and grounds.—The buildings are suitable, consisting of cottages and dormitories, with proper provision for heating. Grounds

Digitized by Google

generally in good order. Improvements have been made in the extension of cement walks and repairing hospital building.

Care of members (quarters, clothing, and bedding).—Quarters seem to be ample and comfortably furnished. Clothing good and of uniform character. Food supplied is sufficient, varied, and of good quality; and for the members who eat at the general messes it is well cooked and served. To the members who reside in the cottages it is issued in kind, and prepared by them.

Medical care.—Hospital facilities are limited. Many of the members who reside in cottages refuse to be transferred to the hospital when sick. This results in having to care for the sick under very trying conditions. A surgeon, an assistant, and three female nurses are employed.

General management.—The mixed population, scattered in so many cottages, renders administration of this home very difficult. Considering the circumstances, the management is excellent. The laws governing the disbursement of Federal aid are complied with.

1911	473
Decrease	7

Average present and absent:

1912	521
1911	528
Decrease	7

Average cost per capita, $330.03.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, June 8, 1912, and the muster on that date showed:

Total number members present	421
Absent	118
Aggregate present and absent	539

Eligibility of members.—All members found on the rolls were eligible.

Women.—Women are not admitted and cared for.

Collections.—No collections are made from members for the support of the home.

Digitized by Google

Buildings and grounds.—Buildings are suitable, conveniently arranged, and in good repair. Grounds neat and well policed.

Care of members (quarters, clothing, and bedding).—Quarters comfortably furnished, heated, and lighted. Clothing ample and uniform. Food appeared to be sufficient, varied, well prepared and served.

Medical care.—The hospital is of sufficient capacity, well equipped and managed. This is one of the best hospitals to be found in any of the State institutions. It seems to be happily planned and constructed to secure large, airy, and light wards, with a number of smaller wards that facilitate the classification of patients. A surgeon, assistant surgeon, hospital steward, and trained female and male civilian nurses care for the sick. Forty per cent of the membership was being cared for in the hospital.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

Average cost per capita, $231.13.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, May 19, 1912, and the muster on that date showed:

Total number members present	100
Absent	18
Aggregate present and absent	118

Eligibility of members.—No members found on the rolls not eligible.

Women.—Wives and widows of soldiers are cared for. There were 6 present and 4 absent at date of inspection; total 10.

Collections.—No collections from members are made for the support of the home.

Buildings and grounds.—Buildings are suitable, well arranged, but in need of renovation and repairing. An addition providing a new mess hall has been completed.

Care of members (quarters, clothing, and bedding).—Quarters are comfortably furnished. Clothing ample and uniform. Food ample, properly cooked, and served.

Medical care.—The hospital is of sufficient capacity, fairly well furnished and managed. Medical attention is given by a physician who resides in the village, makes regular visits, and comes on call.

General management.—This home has been unfortunate in having frequent changes in the office of commandant. There have been three changes within the past year. The present commandant had just taken charge at the time of inspection. He seemed to be alert to the need of a general cleaning up of the buildings. The laws governing the disbursement of Federal aid are complied with.

Average present during year ending June 30:	
1912	1,337
1911	1,348
Decrease	11
Average present and absent:	
1912	1,633
1911	1,698
Decrease	65

Average cost per capita, $190.91.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, March 13, 1912, and the muster on that date showed:

Total number members present	1,405
Absent	210
Aggregate present and absent	1,615

Eligibility of members.—No members found on the rolls not eligible.

Women.—Women are not admitted and maintained.

Collections.—No collections are made from the members for the support of the home.

Buildings and grounds.—Buildings are suitable, well arranged, and generally in good repair.

Care of members (quarters, clothing, and bedding).—Quarters are comfortable, well furnished, heated, and lighted, but during the winter have been overcrowded, the membership at present exceeding that of any previous year.

Medical care.—The medical staff consists of 1 surgeon, 3 assistant surgeons, a hospital steward, and 10 trained female nurses. The sick are well cared for.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

Increase	10
Average present and absent:	
1912	177
1911	162
Increase	15

Average cost per capita, $191.82.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, May 9, 1912, and the muster on that date showed:

Total number of members present	142
Absent	40
Aggregate present and absent	182

Eligibility of members.—No members found on the rolls not eligible.

Women.—Women are not admitted and cared for, but there are cottages on the grounds which, by courtesy, are occupied by six members with their families, the families not being maintained by the home.

Collections.—No collections or assessments are made against the members for the support of the Home.

Buildings and grounds.—Buildings are suitable, conveniently arranged, in good repair. Grounds neat and orderly.

Care of members (quarters, clothing, and bedding).—Quarters comfortably furnished, well heated and lighted. Clothing ample and of uniform character. Food sufficient, varied, and of good quality, well cooked and served.

Medical care.—The hospital is of sufficient capacity, well furnished and managed. The physician resides in the village, makes regular visits, and comes on call.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

Average cost per capita, $303.73.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, June 8, 1912, and the muster on that date showed:

Total number members present	122
Absent	27
Aggregate present and absent	149

Eligibility of members.—No members found on the rolls not eligible.

Women.—Women are not admitted or maintained.

Collections.—No collections from members for the support of the home are made.

Buildings and grounds.—The domestic building, which was burned a year since, has been rebuilt and is well equipped. Buildings for housing and caring for members are suitable and kept in good repair.

Care of members (quarters, clothing, and bedding).—Quarters are suitable, comfortably furnished, well arranged, lighted, and heated. Clothing good and of uniform character. Food seems ample, varied, and well prepared.

Medical care.—The hospital is of sufficient capacity, under charge of a male civilian nurse with one civilian and four member nurses to assist. The physician resides in the village, makes daily visits and comes on call. The general condition of the hospital is good.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

SOLDIERS' HOME AT ORTING.

ORGANIZATION.

BOARD OF AUDIT AND CONTROL.

E. D. COWEN, Chairman.
H. T. JONES.
A. E. CAGWIN.

OFFICERS.

Gen. GEORGE W. TIBBETTS, Commandant.
Dr. H. R. CORSON, Surgeon.
A. J. EMERY, Adjutant.
ALLEN GERRISH, Quartermaster.

Average present during year ending June 30:	
1912	365
1911	341
Increase	24
Average present and absent:	
1912	742
1911	684
Increase	58

Average cost per capita, $195.30.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, May 12, 1912, and the muster on that date showed:

Total number members present	374
Absent	354
Aggregate present and absent	728

Eligibility of members.—One member found on rolls not eligible. Deduction will be made from Federal aid paid to the State.

Women.—Wives and widows of soldiers are not admitted.

Collections.—No collections or assessments are made against the members for the support of the home.

Buildings and grounds.—Buildings are suitable, and have been repaired to some extent during the past year. It is understood that extensive repairs are not contemplated, it being the purpose eventually to transfer this home and merge with the home at Port Orchard.

Care of members (quarters, clothing, and bedding).—Quarters are comfortably furnished, well arranged, heated and lighted. Clothing ample and of uniform character. Food is ample, well cooked and prepared.

Medical care.—The hospital seems of sufficient capacity and comfortably furnished. It is well managed. A surgeon and assistant surgeon, with nurses, care for the sick.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

WASHINGTON.

VETERANS' HOME AT PORT ORCHARD.

ORGANIZATION.

BOARD OF AUDIT AND CONTROL.

Hon. E. D. COWEN, Chairman.
Col. A. E. CAGWIN.
Hon. H. G. BALLOU, Secretary.
Hon. H. T. JONES.

OFFICERS.

W. H. WISCOMBE, Superintendent.
Capt. JAMES G. MILLIGAN, Adjutant.

Average present during year ending June 30:	
1912	118
1911	117
Increase	1
Average present and absent:	
1912	151
1911	144
Increase	7

Average cost per capita, $187.97.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, May 13, 1912, and the muster on that date showed:

Total number members present	131
Absent	27
Aggregate present and absent	158

Eligibility of members.—No members found on the rolls not eligible.

Women.—Wives and widows of soldiers and sailors are admitted. At date of inspection there were 42 present and 11 absent; total, 53.

Collections.—No collections or assessments are made against members for the support of the home.

Buildings and grounds.—Buildings are suitable, conveniently arranged, in good repair. Grounds neat and orderly.

Care of members (quarters, clothing, and bedding).—Quarters are comfortably furnished, well heated and lighted. Clothing ample and of uniform character. Food sufficient, properly cooked and served.

Medical care.—A splendid new hospital with modern equipment was ready for occupancy. This hospital has a capacity of 135 beds and could be extended 25 per cent more without crowding. The facilities for caring for the sick at this home are excellent, and quite in contrast with the hospital facilities at Orting. The transfer of sick from Orting to this hospital, so as to utilize it to its capacity, would promote the welfare of the members.

General management.—Excellent, and the laws governing the disbursement of Federal aid are complied with.

1912	341
1911	325
Increase	16
Average present and absent:	
1912	375
1911	355
Increase	20

Average cost per capita, $194.54.

The home was last inspected by Lieut. Col. C. W. Wadsworth, assistant inspector general, National Home for Disabled Volunteer Soldiers, March 19, 1912, and the muster on that date showed:

Total number members present	365
Absent	18
Aggregate present and absent	383

Eligibility of members.—One member found on the rolls not eligible, for which deduction from payment of Federal aid will be made.

Women.—Wives and widows of soldiers and sailors are admitted. At date of inspection there were 317 present and 29 absent; total 346.

Collections.—All single men, or men whose wives are not at the home, and who receive $12 a month, must pay over to the Home $3 per month. All single men who receive $15 per month must pay over to the home all in excess of $11 per month. All single men who receive $20 or more per month must pay to the home all in excess of $14 per month. Married men with wives at the home, who receive $15 per month, must pay over to the home all in excess of $14 per month; those receiving $20 or more per month, all in excess of $15 per month. Widows pay all in excess of $10 per month.

Buildings and grounds.—The buildings are suitable, well arranged, and in good repair. Grounds neat and orderly.

Care of members (quarters, clothing, and bedding).—Quarters comfortably furnished, heated, and lighted. Clothing good and uniform. Food is ample, well prepared and served.

Medical care.—The hospital seems of sufficient capacity. A surgeon, an assistant surgeon, with female nurses, care for the sick. Patients generally, seem to be well cared for.

General management.—The general management of the home is excellent, and the laws governing the disbursement of Federal aid are complied with.

LETTER OF TRANSMITTAL.

WAR DEPARTMENT,
Washington, January 10, 1913.

SIR: In accordance with the provisions of the act of Congress approved August 18, 1894, I have the honor to transmit herewith a report of the annual inspection of the several branches of the National Home for Disabled Volunteer Soldiers, made by Maj. W. H. Gordon, Inspector General.

Very respectfully,

H. L. STIMSON,
Secretary of War.

The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

REPORT OF AN INSPECTION OF THE SEVERAL BRANCHES OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS.

WAR DEPARTMENT,
OFFICE OF THE INSPECTOR GENERAL,
Washington, January 7, 1913.

From: Maj. W. H. Gordon, Inspector General.
To: The Inspector General, United States Army.
Subject: Annual Report National Home for Disabled Volunteer Soldiers.

I submit the following report of the annual inspection of the National Home for Disabled Volunteer Soldiers for the fiscal year ending June 30, 1912, made pursuant to instructions contained in letters from The Adjutant General's Office, dated September 5 and November 26, 1912.

The inspection was made under the provisions of the act of Congress approved August 18, 1894, which requires the Secretary of War to cause to be made once in each fiscal year, by an officer of the Inspector General's Department, a thorough inspection of the National Home for Disabled Volunteer Soldiers, its records, disbursements, management, discipline, and condition.

I began the inspection on September 18, 1912, and finished it on December 5, 1912. I was accompanied upon this tour of inspection by Mr. Lewis S. Friedman, expert accountant, Inspector General's Department, who inspected the accounts of the disbursing officers and rendered valuable assistance in other particulars.

The inspection of the 10 branches composing the home, the depot, and the general offices was made in the following order, viz:

Eastern Branch, Togus, Me.
Northwestern Branch, Milwaukee, Wis.
Battle Mountain Sanitarium, Hot Springs, S. Dak.
Pacific Branch, Santa Monica, Cal.
Western Branch, Leavenworth, Kans.
Danville Branch, Danville, Ill.
Marion Branch, Marion, Ind.
Central Branch, Dayton, Ohio.
The General Depot, Dayton, Ohio.
Mountain Branch, Johnson City, Tenn.
Offices of the president and general treasurer, New York City, N. Y.
Southern Branch, Hampton, Va.

Under the law the government of the home is vested in a board of managers composed of the President of the United States, the Secretary of War, the Chief Justice of the Supreme Court (all ex officio), and 11 managers who are elected by joint resolution of Congress.

Digitized by Google

By provision of law the board of managers elects, from its own membership, a president, who is the chief executive officer of the board, a first and a second vice president, and a secretary.

There has been no change in the personnel of the board of managers since the last inspection, which during my inspection was constituted as follows: Maj. James W. Wadsworth, president; Lieut. Franklin Murphy, first vice president; Col. Henry H. Markham, second vice president; John M. Holley, Esq., secretary; Maj. William Warner; Col. Edwin P. Hammond; Gen. Joseph S. Smith; Lieut. Oscar M. Gottschall; Dr. Z. D. Massey; Capt. Lucian S. Lambert; Gen. P. H. Barry.

As there are 10 branches and 11 members, after filling the office of president there remains just one member of the board for each branch. These 10 members are designated each as the local manager of a branch. In addition to his functions as member of the governing body each member has certain administrative authority in connection with the branch for which he is local manager. This last power is believed to be a mistake, for it places between a governor and the board of managers a third party with no direct responsibility, and its tendency is to localize the interest of a local manager in his own particular branch. It is thought that more uniformity in discipline and administration, and higher efficiency would result from entirely eliminating local interest by a smaller board, whose members should have no special jurisdiction over any particular branch. It is believed also that a smaller board would be in the interest of economy.

The officers of the board of managers, who are appointed by the board, were, at the time of my inspection: Maj. Moses Harris, general treasurer; Col. James E. Miller, inspector general and chief surgeon; Mr. George B. Patrick, assistant general treasurer and assistant inspector general; Lieut. Col. Charles W. Wadsworth, assistant inspector general.

GENERAL CONDITIONS.

Except as otherwise noted in this report, the general condition and management of the home were very satisfactory, and it was found that its affairs were conducted with economy and efficiency.

Opportunity was given the members of the home to privately meet the inspector and to bring to his attention anything they desired. The grievances and complaints were comparatively few in number. One of the most frequent was by patients in regard to their being limited to a small amount of pension money each month while in the hospital. This limitation is authorized by home regulations and is an important measure of protection to the patients themselves. Careful inquiry was made in each instance, and in cases where complaint seemed based upon just cause steps were taken with a view to remedy. It is believed that the members of the several branches are, as a rule, comfortable and contented.

OFFICERS OF THE BRANCHES.

Each branch of the home has certain officers, appointed by the board of managers, for purpose of local administration.

The name, rank, and position held by each of these officers are given in the accompanying reports of each of the branches.

Digitized by Google

With the exception of the Marion Branch and the Battle Mountain Sanitarium, all the branches have an office of commissary, who is really a mess officer with rank of captain. This is a very important office for the proper supervision and management of the messes, and it is recommended that such an officer be appointed for the Marion Branch.

The officers of the branches for the most part are discharging their duties efficiently, and they appear kind and considerate in their relations to the members. The exceptions have been reported to the proper authority.

At this inspection the clothing, beds, cuspidors, etc., of the members were not always found in a satisfactory condition. Owing to the great age of many of the members, and the infirmities incident thereto, much detailed supervision is necessary on the part of the company commander and sergeant to insure the correction of these defects. The difficulty is all the greater in that the company officers themselves are also very old. Close inspection on the part of the officers of the home is the remedy, and especially should the branch inspector give much of his time to this work. The office of adjutant and inspector is usually held by one individual, and it frequently happens that his duty as adjutant absorbs the greater part of his time to the disadvantage of his duty as inspector, the reason given being the lack of efficient clerical aid in the adjutant's office. As a corrective measure, it is recommended that the governor's clerk, in addition to his present duties, be assigned to assist in the clerical work of the adjutant's office, thereby relieving the adjutant of much of his routine office duties.

It was reported that there was difficulty in securing at short notice competent assistant surgeons to fill vacancies. The many annual changes, due to the resignation of medical officers, indicate the necessity for offering inducements for them to remain in the service. The senior assistant surgeons should be furnished quarters. No one should become surgeon except by promotion in the service. The two higher places in the medical staff of a branch should be filled by doctors who have acquired experience in the service of the home. I renew the recommendation that the salary of the senior assistant surgeons be increased to $1,800 and that of assistant surgeons of the second grade to $1,600, with a view to making the service more attractive.

Due to the great age of the bulk of the members the time has now arrived when the offices of treasurer, quartermaster, and commissary and the chief clerical positions in the different branches are being filled in part by young men. This is no injustice to the membership, as the proper filling of the positions is most important to the service of the members themselves, and men with mental and bodily vigor are required. With a view to securing the best grade of service vacancies in these position should be filled from the home at large on the merit principle of promoting the tried and fit, and not from the vicinity outside the service nor locally in a branch.

The filling of the office of governor, the most important in a branch, presents more difficulty. By resolution of the board of managers the selection is limited to Civil War veterans, who are now very old and will not be available much longer for this duty. In fact

Digitized by Google

some of the governors have not now the necessary bodily vigor for the arduous duties of their positions.

RECORDS.

The records as a whole are well kept.

The provisions of paragraph 639, home regulations, relating to shop records are not generally complied with, an accurate record of all materials received and quantities expended on different jobs not always being noted.

An improvement in keeping record of the expenditures on account of lawns, flower gardens, stables, roads, walks, and dairies, which come under farm appropriation, was observed. It is believed that the quartermaster should keep these records so as to show under separate heads all items of debits and credits relating to the separate features of the farm appropriation. The cost of operating each could then readily be determined and the production cost of milk and farm products compared with the cost in local markets. These things are an aid to economical administration. It is specially important to keep separate records of forage issues to dairies and stables. This is not generally done.

Check books of good quality are furnished by the depositaries having funds on deposit to some of the branches without cost. It is reported that the same safeguards on the checks and plates are observed as when they were obtained by purchase.

It is recommended that the matter be brought to the attention of the depositaries handling the funds of the remainder of the branches with a view to securing check books without cost to the home.

During the inspection it was noted that check books for the pension fund are now obtained in three ways—by purchase out of general fund, by purchase out of post fund, and free of charge from depositary.

Frequent defects were found in the bath records of the companies at a number of the branches. From investigation it appears that the bath record is usually made up weekly by the company commander and shows the baths that are required to be taken, rather than the baths that have actually been taken.

SUBSISTENCE DEPARTMENT.

As a general rule the mess halls and kitchens were clean and in good condition, and the food was of good quality and sufficient in quantity, but the variety should be enlarged.

It was noted that eggs are seldom served in the general dining room, and milk not oftener than twice a week. It is recommended that the funds for subsistence be so increased as to permit the frequent service of both these articles of diet and of more fresh fruit and vegetables. Milk is believed to be specially important for supper.

There has been some trouble in a few of the branches during the past year in keeping contractors up to the specifications for milk. It is required to have at least 3 per cent fat, but it did not always come up to this standard.

At some branches no provision is made for serving coffee without sugar and milk to members desiring it. Oleomargarine is not

Digitized by Google

always divided individually in table service. Butter is recommended for hospital service.

The supplies delivered to the general mess and other messes are weighed at the commissary, but not upon receipt at destination. It is believed that they should be checked by weight upon receipt and a record kept of the same.

Each general mess should be provided with one first-class civilian cook and one civilian assistant. The messes at the branches should be much improved by such a provision, as the chief cook would then have more time to study the needs of the mess and plan best use of his supplies.

The supplies are of the best quality, and the skill in handling them should be the same in order that the table be also the best. Where many thousands of dollars' worth of provisions are concerned it is thought not inconsistent with economy to pay liberal wages for cooking.

The average costs of the raw materials of the ration, general mess, per man per day, and the hospital mess, with and without special diet, are as follows:

Branch.	General mess.	Hospital mess.	
		Ordinary ration.	With special diet.
	Cents.	*Cents.*	*Cents.*
Eastern	18.66	21.13	22.21
Northwestern	15.98	20.86	21.58
Pacific	17.01	21.67	23.40
Western	17.03	20.52	21.31
Danville	16.78	24.23	25.44
Marion	16.70	18.79	19.65
Central	17.34	21.73	22.00
Mountain	18.06	24.02	24.80
Southern	16.46	22.07	22.48
Average	17.11	21.67	22.54

Last year these rations cost, on the average, 15.70 cents, 20.74 cents, and 21.75 cents, the increase being due chiefly to rise in prices of provisions.

In connection with the cost of ration, a large difference is noted between that of the hospital and the general mess and a very small increase in the hospital cost due to special diet. It is also noted that the list of special-diet articles is very limited. The present system results in a heavy drain upon the subsistence funds for the hospital mess. It is believed that the hospital needs for better diet should be provided out of hospital funds appropriated for special diet, and not at the expense of the general ration of the home. It would appear just that the cost of the ration at all the different messes of the branch should be practically the same so far as subsistence funds are concerned, the betterments to the hospital mess being drawn from hospital funds. These remarks are not intended as a recommendation to reduce the quality of the hospital mess for patients, but to cause the hospital funds to bear the increased cost and better the general mess of the branches by relieving the subsistence funds of these extra charges.

Digitized by Google

In some cases the difference between the cost of the general mess and the smaller messes—noncommissioned officers, nurses, etc.—was as much as 5 cents per ration. The cost should be about the same.

It is observed that at the Northwestern Branch, where there was complaint as to lack of fresh fruit and fresh vegetables, the cost of the general-mess ration is less than at any other branch.

The amount appropriated for subsistence at all the branches for the fiscal year ending June 30, 1912, aggregated $1,546,252, of which the following amounts were appropriated in the general deficiency act approved August 26, 1912:

Western Branch	$6,000
Mountain Branch	6,500
Battle Mountain Sanitarium	7,300
Total	19,800

Each branch is appropriated for separately.

Unexpended balances of the appropriations for subsistence for the several branches for the fiscal year ending June 30, 1912, were deposited to the credit of the Treasurer of the United States, as follows:

Central Branch	$28,642.79
Northwestern Branch	849.55
Eastern Branch	11,911.28
Southern Branch	11,746.27
Western Branch	254.63
Pacific Branch	928.43
Marion Branch	2,509.40
Danville Branch	6,504.18
Mountain Branch	1,026.19
Battle Mountain Sanitarium	2,760.41
Total	67,133.13

There is no fixed ration. It is, however, understood that certain quantities of the component articles that can be used must not be exceeded. It is believed there should be a definite ration, and the determination of its components is considered one of the most important problems connected with the home. With the fixing of the ration the food allowances would be uniform in the branches, regardless of differences in local prices of food and of changes in membership between branches. The appropriations for subsistence could then best be made as one lump sum, based upon the number of members in the entire home, to be apportioned by the board of managers, instead of the present system of a fixed appropriation for each branch, which is not flexible enough to meet the requirements of varying strength of membership in the branches during the fiscal year. Last year, it is reported, two branches had difficulty in carrying out their bills of fare without asking for a deficiency appropriation. Also, it is shown above that three branches secured a deficiency appropriation, aggregating $19,800, yet one of the other branches turned in a balance of over $28,000.

There are some dining rooms, kitchens, and bakeshops not fully screened. All should be throughout.

The recommendation of last year that the use of porcelain agate ware be discontinued is renewed. This material chips badly, becomes unsightly and difficult to clean thoroughly, and is especially unfit for hospital food service.

Digitized by Google

QUARTERMASTER'S DEPARTMENT.

The recommendation is renewed that warm capes of the same material and length as the present overcoat be manufactured and issued to the more infirm men who have difficulty in slipping on the overcoat. Many of the members now wear their overcoats as capes, throwing them across their shoulders and buttoning the top button, doing this because of the difficulty of getting into the overcoats. This trouble is being lessened in the overcoats now being manufactured by the use of a sleeve lining that slips easier than cotton drill. Some of the men, even in cold weather, go without any overcoats at all.

It is recommended that the use of cotton drill as sleeve lining for the dress coats of members be discontinued and that the easily slipping material recently adopted for the overcoat be used instead.

It was noted in the branches that when garments of special size are required there is much delay in securing them from the depot.

The inspection showed a difference in the branches in the interpretation of the regulations governing the issue of secondhand clothing, resulting in some of the branches having a large excess of second hand in stock in comparison with new garments.

Complaints were made to the inspector on two occasions as to the improper use of condemned underclothing by quartermaster employees. Investigation failed to substantiate the charges, but showed that under the present system it is possible to abstract new clothing by placing the old condemned clothing again in stock. To prevent this it is recommended that all condemned property be destroyed, broken up, or properly marked in the presence of the inspector or of a disinterested officer. I am informed that undershirts and drawers are usually turned over to the quartermaster to be torn up and used as rags, but are stored in a condemnation room for some time. They should be so treated as to destroy their identity before being turned back to the quartermaster.

A number of men were found in the companies of the branches with underclothing and socks which they did not use at all, and which they had not turned in to the quartermaster, the reason given in most cases being that the quartermaster would not receive from members present, living in the branches, such clothing unless it was entirely new or completely worn out. Where members provide their own underclothing and socks and do not use the Government articles at all, they should not be burdened with the additional care, but should be permitted to turn them in.

The present system of marking underclothing in the home is unsatisfactory. After a few washings the marks become very dim, and the result is trouble in the laundry and also in the companies, as the men object to losing their own clothing and to wearing that of others. The marking is done on the lining of the shirt by a machine, and the letters are small. Under the old system the marking was done by numbers on a tag made of better material than the shirt lining. The numbers were larger than the letters are now, and much easier to read. When the clothing was turned in by a man leaving the branch, the old number was removed.

There are many thin mattresses still in use in the home; and, although the orders authorize the issue of two thin mattresses to men desiring them, very few beds were found with more than one

Digitized by Google

mattress, indicating that this permission is not generally taken advantage of. It was noted also that, as the ticking on the old thin mattresses wears out, advantage is not always taken of the opportunity to double the thickness of the filling so as to make new thick mattresses by using the contents of two old mattresses for one new one.

Each member of the home is provided in barracks with an iron bunk, mattress, bedding, locker, and chair. When a bed is not occupied the mattress is rolled, placed upon the woven-wire springs, and the chair upon the top of the roll. This is injurious both to the mattress and the wire springs.

From the fact that most of the beds that were found dirty were those of men absent without leave, it is recommended that the beds of such men be promptly examined and the linen changed without delay when found soiled.

During this inspection many of the new bunks were found with loose springs, the inspector being informed that for the new wide type of bed with springs having iron ends the sagging can not be remedied, as the iron ends do not admit of the stretching of the springs, but when the springs become too loose for further service they have to be replaced by new ones. This is expensive and wasteful, as the old spring would serve a much longer time if it could be tightened. It was found that this tightening was being successfully accomplished at the Mountain Branch.

The condition of the clothing, of the beds, of the lockers, and of the floors near by, as developed at inspection, shows that many men in the home need more personal supervision than they generally receive. More inspection on the part of the branch inspectors, closely scrutinizing beds, clothing, etc., would correct this evil to a large extent.

In place of the old socks of all-wool material, new socks are being secured by the depot with about 30 per cent cotton, with a view to eliminating excessive shrinkage.

Also, a chambray shirt is now being provided, which will prove a comfort, especially in warm weather.

Many beds were found without spreads, due, it is reported, to the inability of the depot to supply them.

Many chairs were found in barracks with old, worn-out cushions, old paper, rags, etc. This condition is insanitary, and should be corrected by company commanders. The general depot now supplies cushions, but the inspector was informed that the branch quartermasters had failed to furnish any for some months past.

Ice water is furnished in the dormitories and other places for the benefit of members at the Southern Branch. It is recommended that it be provided at all branches.

The quartermasters of all branches that are not already provided with adding machines should be supplied with them. These machines greatly facilitate work in the offices using them.

POPULATION.

The total number present and absent on June 30, 1912, was: Officers, 112; members, 23,853; total, 23,965; a gain of 3 officers and a

Digitized by Google

net loss of 927 members since June 30, 1911. The losses and gains in members, by branches, were as follows:

Losses:		
Eastern Branch	295	
Northwestern Branch	80	
Western Branch	194	
Danville Branch	34	
Marion Branch	86	
Central Branch	48	
Mountain Branch	126	
Southern Branch	88	
		951
Gains:		
Battle Mountain Sanitarium	2	
Pacific Branch	22	
		24
Net loss		927

Daily average present and absent, 25,151, as against 25,659 for the preceding year. The daily average number present was 18,867 as against 18,871 for the preceding year.

Average daily number temporarily cared for, 219; total number temporarily cared for, 6,838. Total number cared for altogether, 34,049, as against 34,347 for the preceding year.

Total number who served in the Spanish War, or who were admitted on account of foreign service, 3,321; last year, 2,929; an increase of 392.

Average age of all members to June 30, 1912, 67.77 years; of those who served in the Civil and prior wars, 71.30 years; of all others, 44.31 years. Last year these averages were, respectively, 67.38, 70.40, and 43.20 years.

Total number of civilian employees at all the branches: 900 men, 802 women.

A comparison of the first admissions and deaths of members for the past 10 years is given in the following table:

Year.	First admissions.	Deaths.	Deaths, per cent of first admission.
1903	3,582	1,863	52.01
1904	3,740	1,931	51.63
1905	4,262	2,163	50.75
1906	3,974	2,149	54.07
1907	3,550	2,333	65.72
1908	3,946	2,377	60.21
1909	4,312	2,431	56.38
1910	3,785	2,442	64.51
1911	3,587	2,488	69.36
1912	3,686	2,511	68.12
Total numbers and average per cent	38,424	22,688	59.04

QUALIFICATIONS FOR MEMBERSHIP.

It is again recommended that eligibility in the home be extended to include men now unable to earn their living who served less than 20 years in the Regular Army or Navy and were discharged in good physical condition, but later, after leaving the service, became disabled. The decreasing membership leaves ample room for

Digitized by Google

men of this class and their presence in the home should prove advantageous in that, though not fully able to earn their living under the stress of competition in civil life, they would nevertheless furnish additional valuable material in the branches from which to select noncommissioned officers. Men who served 20 years or more in the Regular Army are cared for by the Soldiers' Home, District of Columbia.

DISCIPLINE.

Good discipline was maintained at all the branches, as a rule. The principal breaches reported are drunkenness, bringing in liquor, and absence without leave. Total number of arrests, 9,092. Trials for drunkenness, 4,106; trials for absence without leave, 3,202. Total number of members offending, 4,216, or about 23.48 per cent of the average number of members present. Last year this percentage was 21.9.

There were 142 dishonorable discharges from the home during the year, as against 181 for the preceding year. The number of dishonorable discharges at the branches ranged from 2, at the Marion Branch, to 45 at the Eastern Branch.

Under new regulations dishonorable discharge is imposed only for offenses graded as felonies by State laws. This regulation has almost eliminated this class of punishment.

In connection with this question there arises the necessity of more discipline in those branches where tubercular patients are treated. Quite frequently amongst tuberculars are found young men who, through self-indulgence, are chronic disturbers and seriously annoy the many other patients with whom they come in contact, especially the very ill in their wards. While their unfortunate condition arouses sympathy, they should not be permitted through dissipation to become a nuisance to every other patient near them.

The recommendations made in preceding reports that habitual drunkards be segregated is renewed. This would add to the comfort and welfare of the well-behaved members and promote the well-being of the offenders themselves. In the branches where drunkards are segregated the plan has proven a success.

LIBRARIES.

At the close of the fiscal year the libraries of all the branches contained an aggregate of 101,605 volumes, of which 3,168 volumes were added during the year, while 1,104 volumes were condemned or otherwise disposed of during the same period. The number of books read or circulated during the year was 244,097. Subscribed for: Newspapers, 344; periodicals, 237. Furnished free: Newspapers, 316; periodicals, 40. Total, newspapers, 660; periodicals, 277.

In those branches where the libraries are upstairs, it is recommended that they be moved to some suitable room on the first floor, as many of the men are too old and feeble to climb the stairs.

At all branches much-used books should be sterilized as a sanitary precaution.

BANDS.

Each of the branches has a good band; and, altogether, they comprise 173 musicians, 7 of them being members of the home and 166

Digitized by Google

are civilians. Total cost of maintenance of all the bands, including subsistence and other allowances of the civilian musicians, $83,776.61, paid from the general and post funds. Average monthly pay of the leaders, $100; of members, $16.33; of other musicians, $30.69.

AMUSEMENTS.

It was noted that in some of the theater buildings of the home red lights are not shown to indicate exits during entertainments.

Cost of theatrical entertainments, moving-picture shows, baseball, and other amusements, $65,889.87, paid from post fund. At all the branches members are admitted free to all performances, except when they reserve seats, when a fee of 5 or 10 cents is charged. Others pay admission fees ranging from 5 cents to $1, and from these sources there was received during the year the sum of $18,171.63.

All branches are provided with theaters except the Battle Mountain Sanitarium, which needs one badly, as set forth in the accompanying report on that branch.

Amusements within the branches are believed to be very important to the contentment of all, especially the older members, who, through failing strength, are unable to seek such outside. The expenditures for these purposes vary greatly. Liberal appropriations from the post funds for theatrical entertainments and baseball are recommended at all branches.

Some of the hospitals are equipped with graphophones for the amusement of the patients. This is believed to be an excellent plan, and the hospitals of all the branches should be provided with at least one of these instruments.

RELIGIOUS SERVICES.

Each of the branches has both a Protestant and Catholic chaplain, and in most cases two chapels. Nearly all the chaplains are officers of the home. The usual religious services are conducted and have a reported average attendance of 3,935, or about 20.97 per cent of the average number of members present at all the branches. The chaplains also officiate at funerals, visit the sick, and look after the spiritual and moral well-being of the members. In some instances they act as librarians and as members of the council of administration, post fund. The duties of the chaplains are now very important in the hospitals and barracks, visiting the sick and infirm; they also render valuable aid to many members with their correspondence.

FARMS.

About 1,470 acres were cultivated during the year, about 1,254 for general farming purposes and about 216 acres as gardens for vegetables.

The following is a statement of the disposition, etc., of the products of the farms, including milk, viz:

Value of articles:	
Turned into commissary	$55,389.49
Fed to stock	16,457.39
Sold	9,338.83
Total	81,185.71

Digitized by Google

Expenditures under farm appropriation:

Farms	$18,610.23
Vegetable gardens	3,559.92
Dairies	34,574.07
Lawns and flower gardens	55,778.24
Transportation and teams	37,641.71
Total	150,164.17

The amount appropriated for farm purposes was $141,500.

The leather harness, though clean, was frequently found in need of oil.

Five of the branches maintained dairies, and they had, in the aggregate, 306 cows, which yielded during the fiscal year 259,065¾ gallons of milk, at an average cost of 13.97 cents per gallon, farm products being considered at market prices, but considering the cost of production of farm products by the home, the average cost of the milk was 13.55 cents per gallon. The market price of milk near the several branches ranged from 14.25 cents to 25 cents, and averaged 18.9 cents per gallon.

PER CAPITA COST.

The average per capita cost of maintenance (exclusive of the cost of construction) for all the branches, except the Battle Mountain Sanitarium, was $196.82, as compared with $183.95 for the preceding year. The increase in cost was due mainly to a smaller membership and to the increase in cost of provisions. At the Battle Mountain Sanitarium this cost was $467.04, as against $477.69 for the previous year.

The per capita cost, including the Battle Mountain Sanitarium, was $201.83.

In connection with the increased cost of subsistence, a rise of as much as 33 per cent in price of dressed beef was noted at one of the branches.

POST FUND.

The stores and hotels, taken together, were operated at a profit at all the branches, the aggregate profit being $34,501.71, as against an aggregate profit of $28,827.79 for the preceding year.

It is recommended that the post-fund voucher for articles or services be amended so that the certificate that the payee is required to sign will be the same as that on the general-fund voucher. At present the certificate on the post-fund voucher is in such form that the payee is required to sign a receipt in advance of payment, and it is reported that objection is made to this practice.

PENSION FUND.

On June 30, 1912, there was an aggregate of 21,547 pensioners on the rolls, as against 22,477 for the previous year. These pensioners were paid the aggregate sum of $4,006,990.31.

Five hundred and sixty-eight pensioners were on the rolls June 30, 1912, who received a monthly pension of $30 or more. Thirteen pensioners had balances of more than $1,000 each to their credit; 80 had each between $500 and $1,000; 501 had each between $100 and $500; and 1,419 had each less than $100.

Digitized by Google

At some of the branches the names of the pensioners having balances to their credit are not entered on the trial balance of the pension fund, thus making it impracticable to check any but the current trial balance, as the accounts are kept in loose-leaf ledgers. When individual accounts are closed they are removed from the ledger and filed. It is thought that the names should be noted on the trial balances, so that any of them could readily be checked should any question concerning them arise.

Fourteen clerks, whose salaries aggregated $9,280 (paid from the general fund), handled the pension business of the various branches.

LAUNDRIES.

An aggregate of 97 men and 54 women were employed in the laundries of the various branches. During the year $29,076.30 was expended for labor, and $10,350.84 for material, a total of $39,427.14—an average cost of $2.40 per member. These averages ranged from $1.46 at the Southern Branch to $5.61 at the Battle Mountain Sanitarium.

In the different branches a room is usually assigned, in addition to the laundry, for the use of members desiring to wash their own clothes. These rooms are equipped with tubs; ordinarily they are not in as good condition as the laundry proper, and at two of the branches their condition was bad at time of inspection, and showed neglect.

ENGINEER DEPARTMENT.

Total cost of maintenance of the steam plants of all the branches for the year, $360,685.26; of the lighting plants, $110,865.54.

The branches that have ice machines manufactured ice during the year at an average cost of $1.29 per ton. At the Eastern and Northwestern Branches ice is harvested from lakes on the reservation, at a nominal cost. The Danville Branch buys ice under contract at $3.75 per ton, which is an excessive price in comparison with the cost of home-manufactured ice. In the interest of economy it is recommended that an ice machine be installed.

FIRE DEPARTMENT.

Examination of members of fire details in companies and hospitals at inspections showed that the men were usually not sufficiently instructed to make efficient use of the barrack apparatus, consisting of hand fire extinguishers and bracket hose. Additional fire escapes are needed in most of the hospitals and in some of the barracks, as noted in the accompanying reports of the branches.

Some night practice should be had of the rules for the removal of patients from the hospitals in case of fire, as the patients are numerous and largely helpless and the hospital civilian employees are not all available, as in some of the branches they are not all provided quarters at or near the hospitals.

Also with a view to correcting the lack of knowledge of members of the use of hand fire extinguishers in barracks, all members should be present and witness the discharging of the extinguishers in a com-

Digitized by Google

pany on the occasions when the extinguishers are to be recharged. This is the practice at the Southern Branch.

During the year three small fires occurred in the branches. In one case there was no loss and in the others the loss was small and covered by insurance.

MEDICAL DEPARTMENT.

The matter of larger appropriations for the maintenance of the medical department of the home, including special diet, and for increasing the facilities for the care of the very aged and convalescents, is recommended for consideration, in view of the fact that the time is now at hand when for the majority of its membership the home must be regarded as a hospital rather than a barrack, and a rapid increase in the number of members requiring medical care and assistance must be expected.

It is recommended that passenger elevators in the hospitals and combination barracks of the branch homes be inspected at frequent intervals by the chief engineers of the various branches in order to determine their safety.

It is also recommended that the insane, feeble, and crippled patients in the hospitals of the branch homes be quartered as far as practicable on the first floors; and that where these quarters are not sufficient spiral chutes be added to the fire-escape equipment.

It is also recommended that pajamas be provided for convalescent patients and those who, though not bedridden, are confirmed invalids. Some of these patients object to the hospital gowns.

Beds in some of the tubercular wards of hospitals are too low and the bedding drags on the floor. The high beds would be more sanitary.

The hospitals of all the branches have a total capacity for 3,574 patients, and the combination barracks and the quarters for convalescents have a total capacity for 2,366 patients. Four of the branches have tuberculosis cottages, with a total capacity for 173 tubercular patients.

Average daily number sick in hospital during the year, 3,074; in quarters, 1,842; at sick call, 568.

Total number admitted to the hospital during the year, 9,682.

Total number of deaths during the year, 2,511; last year, 2,488.

Average age at death, 70.99 years; last year, 70.25 years.

Average death rate per 1,000 of the average number of members present and absent, 100.40; last year, 97.39.

Number of members buried in the home cemeteries during the year, 1,508. The Southern Branch does not bury in a cemetery of its own, but its deceased members are interred in an adjacent national cemetery. The total number buried in the home cemeteries is 29,543.

Daily average number of hospital employees, 678 members, 462 civilians, 115 women nurses, whose pay for the year aggregated $315,919.48.

Amount expended for drugs and medicines during the year, $21,550.23; for wines and liquors, $13,832.70; for all other hospital supplies and appliances, $75,677.73.

Digitized by Google

Frequent inspections of the barracks and other buildings are made by the surgeons, and the milk used at the several branches is tested daily.

Recapitulation of receipts and expenditures of branches.

Total		8,960,826.04

DISBURSEMENTS.

The accounts and disbursements of the home, including the general, pension, post, and special funds, and transfers between different officers, were examined. They involved in the aggregate $14,902,313.65 as against $14,212,822.91 for the preceding year. The balances were all accounted for.

At date of inspection the president of the board of managers had a balance of $178,185.14, pertaining to the post and other special funds of the home, which was all accounted for. There appears to be no provision of law, nor regulations by the board of managers, requiring him to be bonded and such has not been the practice in the past. In view of the fact that the treasurer is required to give a bond for his accountability of the public funds and of the large amount involved, the advisability of making the president a bonded disbursing officer is recommended for consideration.

REDUCTION IN NUMBER OF BRANCHES.

The membership of the home, which gradually increased annually up to 1906, now shows a progressive decrease, having dropped from an average present of 21,105 in 1906 to about 18,867 in 1912. It is thought that the result of the recent legislation increasing pensions will have the effect of still further reducing the membership. It would appear, therefore, that the home has attained its maximum membership and is now on the decrease, and that the time is at hand when the question of reducing the number of branches in operation should be taken up. This would result in a large saving in operating expenses.

1. EASTERN BRANCH, AT TOGUS, ME.

[Local manager, Gen. Joseph S. Smith, Bangor, Me.]

OFFICERS.

At the time of inspection, September 18 to 22, 1912, the officers of this branch were: Col. John T. Richards, governor; Maj. Augustus L. Smith, treasurer; Maj. Bertrand D. Ridlon, surgeon; Capt. George A. Mitchell, quartermaster; Capt. William J. Gillespie, commissary of subsistence; Capt. Edwin L. Clark, adjutant and inspector; Rev. James E. Cochrane, and Rev. John P. Nelligan, chaplains; Capt. Harry W. Sampson, Lieuts. Henry K. Stinson, Chalmers G. Farrell, and Sam. Hardeman, assistant surgeons.

Changes in officers since June 30, 1911, to date of inspection: Gain by appointment—Rev. James E. Cochrane and Rev. John P. Nelligan, chaplains; Lieuts. Chalmers G. Farrell and Sam. Hardeman, assistant surgeons. Loss—By resignation, Rev. Henry S. Burrage, chaplain; Capt. Walter S. A. Kimball, assistant surgeon; by transfer, Lieut. Courtney P. Grover, assistant surgeon.

POPULATION.

On the day of the inspection, September 19, 1912, there were present: Officers and members, 1,178; absent, 686; total present and absent, 1,864.

Officers and members present and absent on June 30, 1912, 1,870, a net gain of 1 officer and a net loss of 295 members during the year.

Average present, 1,479; average absent, 554. Total average present and absent during the year, 2,033.

Total number temporarily cared for during year, 502. Total number cared for altogether during the year, 2,683.

Total number who served in the Spanish and subsequent wars only, 147; last year, 298; a decrease of 151.

Average age of members who served in the Spanish and subsequent wars only, 44.68 years; of those who served in the Civil and prior wars, 70.97 years; of all members (to June 30, 1912), 67.79 years.

Members admitted between June 30, 1912, and date of inspection, 125; discharged, 131; net loss, 6.

Reported capacity for members in addition to those present at date of inspection: Barracks, 332; hospital, 108.

Civilians living at this branch in quarters owned by the home: 124 men, 90 women, 8 children.

Civilian employees: 138 men, 73 women.

Casualties in membership.

Loss:		
By transfer to other branches	61	
By honorable discharge	325	
By dishonorable discharge	45

By readmission	263	
By transfer from other branches	24	
		517
Net loss		295

Digitized by Google

DISCIPLINE.

A considerable increase in breaches of discipline over last year was reported. The governor stated that this was due chiefly to increased drunkenness ensuing from the fact that the liquor traffic adjacent to the home reservation has been less restricted than heretofore.

Drunkenness, absence without leave, and bringing liquor within the limits of the home were the principal offenses. Total number of arrests, 1,158. Trials for drunkenness, 517; for absence without leave, 365. Total number of members offending, 522, or 35.5 per cent of the average number of members present. Last year this percentage was 29.

LIBRARY.

Number of volumes in the library at the close of the fiscal year, 13,090, of which 318 were added during the year, none having been disposed of. Subscribed for: 181 newspapers, 17 periodicals. Furnished free: 18 newspapers, 5 periodicals. Number of books read or circulated during the year, 22,560.

BAND.

Average number of men in band, 23—3 members and 20 civilians. Total cost of band for the year, including the subsistence and other allowances of civilian musicians, $10,236.85, paid from the general and post funds. Average monthly compensation of leader, $100; of members, $11.67; of other musicians, $29.29.

AMUSEMENTS.

The amusements provided for the members consist of theatrical entertainments, moving pictures, and band concerts. Dramatic and musical entertainments have been given on an average once a month, moving pictures two or three times a week, and vaudeville about three times a month. Admission is free to all members; reserved seats 5 and 10 cents for members and 10 and 20 cents for civilians. In addition to the above there are baseball and football games, a clubhouse equipped with pool and billiard tables and with rooms for playing checkers, chess, and cards. Receipts from amusements during the year, $945.90; expenses, $8,407.49, paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic, both officers of the home. There is only one chapel, and it has a seating capacity of 400. The regular services are: Daily mass, sermon at 10.30 a. m. on Sundays; prayer meeting at 6 p. m. on Wednesdays. In the hospital there is a song service on Sunday evenings and prayer meeting on Monday evenings. Reported average attendance at regular services is 400; that is, Catholic 325, Protestant 75, or altogether about 27 per cent of the average number of members present. Both the chaplains are members of the council of administration, post fund, and the Protestant chaplain has charge of the library.

Digitized by Google

GENERAL FUND.

The receipts of the general fund were: From general treasurer, $351,750; from sales and other sources, $13,779.92; total, $365,529.92. The expenditures were $370,212.42.

Received on posthumous account, $4,130.49; disbursed, $2,272.97.

There were no improvements made during the year from special appropriations, and there were no changes in the number or design of buildings. General repairs to the amount of $21,616.77 were made.

Three hundred and fifty-one open-market purchases were made, amounting to $8,354.03.

There were employed during the year under the general fund a daily average of 12 officers, 255 members, and 166 civilians; a total of 433. The total amount paid them during the year was $124,837.04.

The average cost of maintenance per capita was $246.95, as against $215.53 for the previous year, an increase of $31.42.

POST FUND.

A net profit of $8,337.09 was reported as the result of the operations of the post-fund store and hotel during the year.

Employees paid from the post fund: Members, 23; civilians, 24. Their pay for the year amounted to $6,864.70.

PENSION FUND.

On July 1, 1911, there were 1,921 pensioners on the rolls; on June 30, 1912, there were 1,654. The pensions ranged from $6 to $55.

Forty-three pensioners each had balances of less than $100 to their credit; 32 had each between $100 and $500; 2 had each between $500 and $1,000. None had more than $1,000.

One clerk is employed on pension business, at a salary of $720, paid from the general fund.

Recapitulation of receipts and expenditures.

Total balance, July 1, 1911		$69,384.38
Received from general treasurer	$351,750.00	
Received from other sources	13,779.92	
		365,529.92
Received from post fund		56,470.23

Total		806,957.31
Disbursed, general fund	$370,212.42	
Transferred, general fund	5,526.46	
		375,738.88
Disbursed, post fund		59,569.00
Disbursed, pension fund		314,777.74
Balance, June 30, 1912		56,871.69
Total		806,957.31

CLOTHING.

The recommendation made in last year's report is renewed; that is, that warm capes should be provided instead of overcoats for such

Digitized by Google

of the old men of this branch as are too stiff and feeble to put on the overcoat with facility, and who, in consequence, are prone to go without a proper wrap in cold weather.

LAUNDRY.

Six men and eight women are employed in the laundry. During the year $2,670 was expended for labor and $439.25 for material, an average cost per member of $2.12. No restriction is placed upon the number or kind of articles that members may have laundered, except that no starch work is done.

RESERVATION, BARRACKS, ETC.

The area of the reservation is 1,735 acres, and to date it has cost the United States $69,600.

There are 6 brick and 4 frame barracks, originally intended to accommodate 1,660 men, but occupied by 944. The average dormitory air space per man was reported as 871 cubic feet. In the downstairs part of the main barrack building, where the very old men's companies are located, the air space was found to be less, and it is believed to be insufficient, too many men being crowded into these wards. This matter may be readily corrected at small cost by converting one of the outlying barracks (preferably that of Company B) into a combination barrack by adding a kitchen and dining room. This would relieve the congestion on the ground floor of the main barrack building and would add to the comfort of the oldest and most infirm men. This barrack is near the hospital, and is therefore conveniently placed for medical supervision.

The need of screens in some of the toilet rooms of the barracks was evidenced by the presence of large quantities of flies. This was notably the case in Company B barracks.

An inventory taken by the inspector showed that in one organization particularly, and to some extent in two others, the system of checking up and keeping track of the towels was not effective. This was called to the attention of the governor for correction.

Some of the old narrow bunks are still in use by members of this branch.

The condition of some of the squad rooms and of some of the members' clothing and beds, and one of the toilets, showed lack of supervision by company officers and the inspecting officers.

There are 7 officers' quarters (3 brick and 4 frame) and 42 other buildings, exclusive of the barracks. The cost of all the buildings on the reservation paid from Government appropriations is $812,453.84.

Number of bathtubs in barracks, 44; or one tub to every 21 men. Number of men to each urinal, 8.

Additional fire escapes on the third floor of the main building are needed if any old or infirm members are to be quartered there.

FARM.

Five hundred acres are under cultivation—440 acres as hay land and 60 acres for the production of silage, etc.

Digitized by Google

Value of farm stock on hand June 30, 1912, $14,765, consisting of 16 horses and a dairy herd of 85.

Forty-six farm hands were employed, 29 members and 17 civilians.

Value of farm and dairy products:	
Turned into commissary	$8,632.98
Fed to stock	6,110.00
Sold	2,440.88
Total	17,183.86
Expenditures under farm appropriation:	
Farm	6,884.90
Dairy	6,148.15
Lawn and flower garden	4,991.06
Transportation and teams	2,233.32
Total	20,257.43

The amount appropriated for the farm was $17,500.

During the year the herd of 47 cows yielded 48,566 gallons of milk, at a cost of 17.75 cents per gallon, considering farm products at market prices, or 16.84 cents per gallon, farm products being considered at the cost of their production by the home. The market price of milk was 20 cents per gallon.

SUBSISTENCE DEPARTMENT.

The chief baker and chief cook are both civilians and receive $50 and $75 per month, respectively.

Average number of persons employed in the kitchen, 3 civilians (1 a woman) and 13 members; in dining hall, 10 members and 24 civilians (1 man and 23 women).

Average cost of ordinary ration per day: General mess, 18.66 cents; noncommissioned officers' and clerks' mess, 24.08 cents; nurses' mess, 18.62 cents; druggists' mess, 14.23 cents.

Average cost of hospital ration, including special diet purchased from appropriation for hospital, per man per day, 22.21 cents; without special diet, 21.13 cents.

It is noted that the cost of the ration in the noncommissioned officers' and clerks' mess is more than 5 cents in excess of the cost in the general mess. In the opinion of the inspector this is improper. It is believed that a ration should be a ration throughout the branch and the charge to the subsistence appropriation about the same for all the messes.

Milk is not served to drink in the general mess hall, there not being a sufficient quantity left for that purpose after supplying the hospital and meeting the demands for cooking and food service. On the night of September 18, the supper in the general mess hall and for convalescent patients on regular diet in the hospital consisted of prune sauce, tea, bread, and oleomargarine. The sauce seemed thin and the supper poor in consequence.

An inspection of the garbage cans on two separate occasions showed a waste of bread.

About 30,000 pounds of garbage per month is produced, which is sold under contract. The year's product sold for $1,815.89.

It appears, by comparison with other branches, that the bakery at this branch has consumed too much coal, about twice the amount of

Digitized by Google

the Southern Branch, and about four times the quantity used by the old oven.

Capacity of dining hall, 788.

ENGINEER DEPARTMENT.

Water is supplied from Augusta, Me., by pipe line, and is satisfactory, except that at times the pressure is very low.

There is a septic system of sewerage, operated by two pumps, by which the sewage is pumped into a septic tank and automatically distributed to filtering beds. One new pump has been installed; the other pump is reported as old, and will soon have to be replaced.

Cost of maintenance of steam plant for year, $39,988.32; of lighting, furnished by contract, $13.208.

The home has no ice plant, but cuts natural ice in the reservation. For the year it cut 1,205 tons at a cost of 14 cents per ton; issued 966½ tons, and sold 146 tons at 14 cents per ton.

FIRE DEPARTMENT.

At a fire drill held on September 21, one of the large chemical extinguishers failed to function promptly, and required considerable jolting and handling before it operated effectively. Otherwise, the fire-protection apparatus seemed in good condition and sufficient. During the year a small blaze occurred in the coal shed, but it resulted in no loss.

MEDICAL DEPARTMENT.

On June 30, 1912, there were 282 patients in the hospital, 52 sick in quarters, and 21 attending sick call. The daily average during the year was 321 in hospital, 122 sick in quarters, and 59 attending sick call.

The capacity of the hospital for patients is 375. There are no special quarters for convalescents.

Since last inspection an inclosed porch has been arranged for the use of the mentally deficient patients at this branch. In addition, an inclosed yard should be provided to afford these incompetent patients a place for air and sunshine on the grounds.

The service of one of the suppers in the insane ward was observed by the inspector to be poor, some patients needing more assistance, and the food of others cold before reaching them. More supervision by the surgeons and trained nurses, it is thought, will prevent a recurrence of this. These patients are quartered on the second floor. It is believed that on account of the difficulty of handling them in case of fire, they should be provided quarters downstairs.

There is no tubercular cottage at this branch, but a makeshift tent sanitarium is used in summer for the care of tubercular patients. It has a capacity for 20 patients. These patients should be removed to the Mountain Branch, where there are special facilities for their care.

Total number of patients admitted to hospital during year, 946. Total deaths of members during year 272—209 in hospital and 63 elsewhere.

Average age at death, 71.45 years; last year, 72.2 years.

Death rate per 1,000 of average present and absent, 134.09; last year, 109.14.

Digitized by Google

Number of members buried in home cemetery during year, 163; total number buried there, 3,041. The total capacity of the cemetery as now laid out is 3,071 graves; but it is really unlimited, as adjacent lots belonging to the reservation can be added as needed.

Average number of hospital employees—66 members, 41 civilians, 8 female nurses. Their pay for the year amounted to $27,995.79.

Amount expended for drugs and medicines during fiscal year, $2,174.45; for wines and liquors, $1,861.79; for all other hospital supplies and appliances, $6,668.17.

Some parts of the barracks are inspected weekly; the other buildings, including the stables and cow barns, are inspected monthly.

The milk used is tested daily, but it does not always come up to the requirement—3 per cent fat.

Due to the infirm character of the patients in the hospital, additional fire escapes are believed necessary. For this purpose two stairways should be added at the rear of the wings.

The home was found to be in a satisfactory condition.

At the time of the inspector's visit the coal supply was short and there was difficulty in securing deliveries from the contractor.

2. NORTHWESTERN BRANCH, AT MILWAUKEE, WIS.

[Local manager, Col. John M. Holley, La Crosse, Wis.]

OFFICERS.

At time of inspection, September 28 to October 1, 1912, inclusive, the officers of this branch were: Col. Cornelius Wheeler, governor; Maj. R. W. Corbett, treasurer and superintendent of the post fund; Maj. Oscar Chrysler, surgeon; Capt. C. O. Collins, quartermaster; Capt. Albert Morrison, commissary of subsistence; Capt. H. A. Valentin, adjutant and inspector; Rev. M. J. Huston and Rev. Judson Titsworth, chaplains; Capt. A. I. Comfort and Lieuts. A. W. Akerley, A. H. C. Carthaus, and E. W. Gayer, assistant surgeons.

Changes in officers from July 1, 1911, to date of inspection:

Resigned: Rev. M. W. Darling, chaplain, September 15, 1911; Lieut. F. A. Fadeley, assistant surgeon, March 8, 1912; Capt. D. H. Pierce, commissary of subsistence, June 30, 1912.

Appointed: Rev. Judson Titsworth, chaplain, September 16, 1911; Lieut. A. H. C. Carthaus, assistant surgeon, January 1, 1912; Lieut. E. W. Gayer, assistant surgeon, March 12, 1912.

Transferred: Lieut. R. A. Reedy, assistant surgeon, to Pacific branch, December 2, 1911.

POPULATION.

On the day of inspection, September 29, 1912, there were present at the branch: Officers and members, 1,612; absent from the branch, 329; total present and absent, 1,941.

Officers and members present and absent, June 30, 1912, 1,937, a loss of 80 during the fiscal year.

Digitized by Google

Average present, 1,721; average absent, 326; total average present and absent during the year, 2,047.

Total number temporarily cared for during the year, 161; total number cared for altogether during the year, 2,868.

Total number who served in the Spanish and subsequent wars only, 334; last year, 261; an increase of 73.

Average age of members to June 30, 1912, 68.80 years; of those who served in the Civil and prior wars, 72.25 years; of those who served in the Spanish and subsequent wars only, 42.64 years.

Members admitted between June 30, 1912, and date of inspection, 218; discharged within same period, 214; a net gain of 4.

Civilians living at this branch in quarters owned by the home, 56 men, 109 women, 35 children.

Total number of civilian employees, 62 males, 80 females.

Casualties in membership.

Loss:		
By transfer to other branches	78	
By honorable discharge	562	
By dishonorable discharge	13	
By dropped from rolls	87	
By death	188	
		928
Gain:		
By first admission	291	
By readmission	489	
By transfer from other branches	68	
		848
Net loss		80

DISCIPLINE.

The principal breaches of discipline consisted of drunkenness, bringing liquor within the limits of the branch, and absence without leave. Total number of arrests, 928; trials for drunkenness, 429; for absence without leave, 280. Total number of members offending, 461. Per cent of members offending to average number present, 26.97. Last year this percentage was 24.49.

LIBRARY.

Number of volumes in library at close of year, 11,178, of which 444 were added during the year. 50 volumes having been condemned and destroyed. Subscribed for, 18 newspapers, 33 periodicals. Furnished free, 18 newspapers, 14 periodicals. Number of books read or circulated during the year, 42,106.

Much used and soiled books should be fumigated as a sanitary precaution.

BAND.

Average number of men in band during year, 16, all civilians, at a total cost of $7,759.51 (including subsistence and all other allowances), paid from the general and post funds. Average monthly compensation of the leader, $100; of the other musicians, $33.49.

Digitized by Google

AMUSEMENTS.

Varied amusements are provided for the members, consisting of theatrical entertainments, moving pictures, band concerts, baseball, bagatelle, billiards, pool, boating, phonographs, cards, chess, and checkers. Theatrical performances are given about twice a month from October to May; moving pictures, weekly, October to May; band concerts, daily (except Monday), May to October. Admission is free to members, who, however, pay 5 cents for reserved seats. Others pay from 10 cents to 50 cents. Receipts from this source during the year, $446.61. Expenses for amusements, $7,617.29, paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic, both officers of the home. The chapel has a seating capacity of 400. The regular services are preaching, Sunday school, and prayer meeting by the Protestants; mass, preaching, and prayer services by the Catholics. Reported average attendance at regular services: Protestants, 60: Catholics, 200; or altogether about 15 per cent of the average number of members present. The chaplains also serve as members of the post fund council of administration.

GENERAL FUND.

Receipts of the general fund were: From general treasurer, $336,-752.48; from sales and other sources, $7,051.36; total, $343,803.84. The expenditures were $333,465.39.

Received on posthumous account, $2,049.49; disbursed, $857.51.

No improvements were made during the year from special appropriations. Such general repairs as steel ceilings, metal and tin roofing, and painting the interior and exterior of buildings were made at a cost of $6,312.

Two hundred and fifty-seven open-market purchases were made, at a cost of $10,439.55.

Under the general fund there were employed a daily average of 12 officers, 318 members, 145 civilians; total, 475; who were paid $122,753.17.

The average per capita cost of maintenance was $201.72, as against $194.95 for the previous year, an increase of $6.77.

POST FUND.

The net gain from the operation of the store under post fund was reported as $2,804.37.

Fifteen members and 13 civilians were paid $4,538.05 from the post fund during the year.

PENSION FUND.

On July 1, 1911, there were 1,839 pensioners on the rolls; on June 30, 1912, there were 1,732. The pensions ranged from $6 to $55 per month.

Pensioners had balances (each) to their credit as follows: Less than $100, 163; between $100 and $500, 72; between $500 and $1,000. 14.

Digitized by Google

One clerk is employed on pension business at an annual salary of $1,000, paid from the general fund.

QUARTERMASTER'S DEPARTMENT.

By measurement, a shortage of nearly a gallon and a half of whisky less than the accountability was noted in the dispensary of the hospital. Similarly, a shortage of nearly 3 gallons was found in the quartermaster storehouse. The matter was investigated, and it was found that no actual inventory had been taken for an indefinite period of time. Also, the system of handling the whisky is faulty, in that the quartermaster does not furnish the original sealed packages to the dispensary. Due to the irregular and faulty methods followed, it was not possible to determine when or how the losses occurred.

At inspection many of the men were found using the old narrow bunks and thin mattresses. The use of these should be discontinued, the wider bunks and thick mattresses being substituted therefor. Also, many beds were found with worn-out spreads on them. Worn-out and insanitary chair cushions should be replaced by serviceable cushions from the quartermaster's department. Many unserviceable ones were found in use in barracks.

CLOTHING.

In some of the companies clothing was not found to be in an entirely satisfactory condition. The chief defects found were in the condition of woolen socks. Some were too much shrunken for service; others were entirely worn out. Some drawers and undershirts were worn and unfit for service, and should have been exchanged.

Of blue clothing, some trousers in the possession of the men were worn out. While in some of the companies the clothing and the blue uniform were in good condition, in others many suits were found that needed cleaning and some suits that needed repairs. More attention should be given to keeping buttons on the underclothing of the older men. It is believed that the responsibility for the deficiencies found in these companies rests with the company commanders concerned in that in other companies conditions were better, and the Governor was so advised.

Digitized by Google

LAUNDRY.

Four men and nine women are employed in the laundry. Expended for labor, during the year, $2,797.75; for material, $1,012.47; average cost per member, $2.23.

No limit is placed upon the number of articles each member may have laundered; but only articles belonging to the home are laundered, except in the case of members who do not wear home shirts, drawers, or stockings, when corresponding articles of private clothing are laundered in their stead.

RESERVATION, BARRACKS, ETC.

The reservation, which has cost the United States $79,445.25, contains 382¼ acres. Except the main lake, the old reservoirs and ponds on this reservation should be filled. They no longer serve any useful purpose, are near the barracks, and are mosquito-breeding places.

There are 12 barracks—6 brick and 6 veneered brick; 7 officers' quarters—1 brick and 6 frame; and 46 other buildings; all the buildings having cost the Government $673,383.22 to date.

The barracks were originally intended to accommodate 1,911 men, and 1,341 were occupying them. Average dormitory air space per man is reported to be 706 cubic feet. It is too small in some of the wards when all beds are occupied. Number of bathtubs in barracks, 37, or 1 to every 35 men; and there is 1 urinal to every 32 men.

It was noted that some of the basements of barracks, as well as the basement of the library, are still being used for company quarters. It is believed that basements should not be used permanently for dormitory purposes, and membership should be allowed to run down sufficiently to remove this condition.

In the basement of the main barrack building many flies were seen in one of the lavatories and in the squad room adjoining, due to a small unscreened opening and to the unclean condition of the lavatory and the proximity of the main kitchen. A prevalence of flies was also noted in some other companies where the screening was incomplete and where the lavatories were not in a satisfactory condition of police. It is most important that the lavatories be kept in a clean condition and all the barracks and buildings used as such be screened throughout.

The iron ladder on the north side of the main barrack building is of no value as a fire escape, as the members have not the strength to make use of it. This should be replaced by an iron stairway. Iron stairway fire escapes should also be provided on the south side of this building. In those outlying barracks where the stairways are at or near the center it is recommended that suitable provision for escaping from fire be provided at the ends of the buildings.

The old plumbing still remaining in the barracks should be replaced by modern plumbing as soon as practicable.

The hours of duty for the guard at this branch are excessive for men of their age. There are but two reliefs for 24 hours. It is believed that three reliefs can be arranged without increasing the number of men.

In the verification of property in companies a few articles were found in the hands of men not charged with them.

Digitized by Google

FARM.

Twenty-five acres rented on shares are under cultivation for forage. There is no garden for vegetables.

Value of farm stock on hand June 30, 1912 (19 horses, at $200 each), $3,800. It is believed that the number of horses at this branch is excessive for the work to be done. It is noted that these horses were too fat. At another branch, where they have but 16 horses, a farm and dairy are also conducted, but neither of these is operated at this branch. The surplus horses should be disposed of.

Fifty-four farm hands were employed—53 members and 1 civilian.

Value of farm products, $931.60, all fed to stock.

Expenditures under farm appropriation:

Farm	$382.77
Lawn, flower garden, and park	3,938.08
Transportation and teams	4,651.21
Total net expenditures	8,972.06

The amount appropriated for farm was $9,000.

No cows are kept. Milk was bought by contract during last fiscal year at 14.25 cents per gallon. The contract for the current fiscal year is 14.875 cents per gallon.

SUBSISTENCE DEPARTMENT.

It is recommended that the bakery at this branch be modernized. Both the oven and building need improvement. It requires more inspection and supervision by the commissary officer.

The commissary of subsistence at this branch has no regular boarding place, but states that he takes his meals chiefly at the general mess without reimbursing same, as his duties require that he test the food. He should pay for his meals.

The chief baker is a civilian, at $50 per month. The chief cook is also a civilian, at $40 per month. I again recommend a high-grade civilian cook for the main kitchen of this branch.

Average number employed in kitchen during year, 23—18 members, 5 civilians, 4 of them women. Average number employed in dining hall, 55—13 members and 42 women. The superior results given by the service of women in the dining room and kitchen of Company M barracks leads me to recommend the same service for Company L at this branch.

Average cost of ration per day: General mess, 15.98 cents; Company L (old men's mess), 16.72 cents; Company M (old men's mess), 16.94 cents; noncommissioned staff mess, 17.83 cents; nurses' mess, 17.91 cents; post fund mess, 19.02 cents.

Average cost of hospital ration, including special diet purchased from appropriation for hospital, per man per day, 21.58 cents; without special diet, 20.86 cents.

There was some complaint at this branch on account of the food, chiefly because of the lack of fresh fruit and vegetables.

An examination of the bill of fare records of the general mess discloses the absence of fresh fruit and eggs from the table during the past summer, except on two occasions. The limit on the appropriation for subsistence was given to the inspector as the cause of this, the large and unexpected increase in the cost of fresh beef

Digitized by Google

having necessitated great economy in the purchase of articles of diet. There being no garden and no orchard at this branch, fresh fruit and vegetables have to be purchased from the funds allotted for subsistence.

Flour barrels at this branch are not sold. They should be and the proceeds made available for the purchase of subsistence.

Capacity of the dining hall, 970.

It is estimated that about 36,000 pounds of garbage per month is produced. The year's product sold for $582.

There is no commissary sergeant at this branch. It is recommended that one be appointed, as there is ample opportunity to make use of one.

ENGINEER DEPARTMENT.

Water is supplied by the Milwaukee city waterworks and is satisfactory. It is supplied at 8 cents per 1,000 gallons, and the year's supply cost $7,326.60.

The sewerage system consists of merely earth filter beds, which should be replaced by a modern system like that at the Eastern Branch. The sewerage plant was not in operation when inspected, the inspector being informed that the sewage of the branch had been turned into the river without filtration.

In the inspection of the power plant it was learned that during the warm season, about seven months in the year, the exhaust steam is wasted, which, the engineer stated, might, if necessary apparatus were provided, be used economically for heating water.

It was noted that the storage for coal is very small and does not admit of taking care of any reserve. This could be remedied by lengthening the present coal house. The chief trouble, however, is the method of receiving and handling the coal. It is hauled by wagon by contract from the city, about 5 miles, although a railroad passes through the branch grounds alongside the power plant. At the power plant there are no facilities. The coal is served from the shed to the boilers by wheelbarrows and by hand. A railway spur, with modern elevated track and bins, is necessary to economical operation of the power plant.

The machine shop and pipe-cutting shop are connected with the same engine, necessitating the running of both at the same time. Separate motors would be a more economical arrangement.

The cost of maintaining the steam plant for the year was $36,658.32; of the lighting plant, $8,930.90.

Ice is harvested from the home lakes by contract at a cost of 25.55 cents per ton; 1,800 tons were harvested, of which 161½ tons were sold at cost.

FIRE DEPARTMENT.

A fire drill held at this branch, October 1, 1912, showed the apparatus to be in efficient condition, and the water pressure good, but it is believed that this branch is insufficiently provided with fire escapes, as has been more particularly mentioned under the heading "Reservation Barracks, etc." in this report.

Company fire details are not instructed in the use of hand apparatus in the barracks, Tags on chemical extinguishers did not show that they had been charged within the last 12 months.

No fires occurred at this branch during the year.

Digitized by Google

MEDICAL DEPARTMENT.

At inspection the hospital was found to be very clean and efficiently managed. It is an old building, and needs some painting in some of the wards. The replacing of old plaster ceilings by steel should also be completed. The toilets of some of the wards are of old type and should be replaced.

Much badly chipped enamel ware was found in use in the hospital.

Number of patients in hospital, June 30, 1912, 277; sick in quarters, 141; at sick call, 42. Daily average sick during year: In hospital, 281; sick in quarters, 169; at sick call, 39.

Capacity of hospital for patients, 325; of combination barracks, 236.

Total number of patients admitted to hospital during year, 1,046. Total deaths of members during year, 188—160 in hospital and 28 elsewhere.

Average age at death, 72.67 years; last year, 71.87 years.

Death rate per 1,000 of average present and absent, 92.38; last year, 98.9.

Number of members buried in home cemetery during year, 125; total number buried there, 4,148. The total capacity of the cemetery is reported as "unlimited."

Average number of hospital employees: 49 members, 34 civilians, 13 female nurses. Their pay for the year amounted to $31,046.06.

Amount expended for drugs and medicines during fiscal year, $1,520.27; for wines and liquors, $1,572.73; for all other hospital supplies and appliances, $6,312.58.

There is no inclosure at this branch provided for the recreation of mentally incompetent members. These patients occupy a ward on the second floor. On account of danger in case of fire, it is believed that they should be downstairs.

The barracks and all other buildings are inspected weekly by the surgeon.

The milk used is tested daily. On a number of occasions the deliveries have fallen below the required 3 per cent fat.

Except as noted, the general condition of this branch was found to be good.

---

3. THE BATTLE MOUNTAIN SANITARIUM, AT HOT SPRINGS, S. DAK.

[Local manager, Gen. P. H. Barry, Greeley, Nebr.]

OFFICERS.

The officers of the branch at the time of the inspection, October 3 and 4, 1912, were: Col. James A. Mattison, governor and surgeon; Maj. William H. Stanley, treasurer; Capt. Samuel B. Jones, quartermaster; Rev. Charles B. Clark, chaplain; Lieuts. Edward J. Wheatley, Frank A. Edwards, and Benjamin F. Frayser, assistant surgeons.

Digitized by Google

Changes in officers since last inspection: Lieut. Walter W. Heald appointed assistant surgeon November 20, 1911, and transferred to Western Branch September 30, 1912. Lieut. Vernon Roberts, assistant surgeon, transferred to Central Branch November 22, 1911. Lieut. Frank A. Edwards, assistant surgeon, transferred from Central Branch December 1, 1911. Lieut. Benjamin F. Frayser appointed assistant surgeon October 1, 1912.

POPULATION.

On the day of the inspection, October 3, 1912, there were present at the branch: Officers and members, 293; absent from branch, 122; total, 415.

Officers and members present and absent June 30, 1912, 382, a gain of 1 officer and 2 members during the year.

Average present, 352; average absent, 106; total average present and absent during the year, 458.

Total number temporarily cared for during year, 258; total number cared for altogether during the year, 974.

Total number who served in the Spanish and subsequent wars only, 257; last year, 254; an increase of 3.

Average age of members to June 30, 1912, 62.14 years; of those who served in the Civil and prior wars, 69.62 years; of those who served in the Spanish and subsequent wars only, 41.53 years.

Members admitted between June 30, 1912, and date of inspection, 165; discharged during same period, 132; net gain, 33.

Capacity for members in addition to those present at date of inspection, 97.

Civilians living at the branch in quarters owned by the home, 48 men, 33 women.

Civilian employees, 50 men, 28 women.

Casualties in membership.

Gain:		
By first admission	323	
By readmission	159	
By transfer from other branches	109	
		591
Loss:		
By transfer to other branches	95	
By honorable discharge	415	
By dishonorable discharge	3	
By dropped from rolls	34	
By death	42	
		589
Net gain		2

DISCIPLINE.

The principal offenses consisted of drunkenness, bringing in liquor, and absence without leave. Total number of arrests, 221; trials for drunkenness, 186; for absence without leave, 31. Total number of members offending, 114, or 33.04 per cent of the average number present. Last year this percentage was 20.

Digitized by Google

LIBRARY.

Number of volumes in library at close of year, 1,298, of which 348 were added during the year, none having been condemned or otherwise disposed of. Subscribed for, 4 newspapers and 5 periodicals; furnished free, 11 newspapers, no periodicals. Number of books read or circulated during the year, 7,300.

BAND.

Average number of men in band during year, 9—all civilians. Total cost of band, including subsistence and other allowances of the musicians, $5,129.11, paid from the general and post funds. Average monthly compensation of leader, $100; of other musicians, $36.12.

AMUSEMENTS.

The amusements provided for the members consist of band concerts, moving pictures, billiards, pool, and box ball. There are band concerts six days in the week; moving pictures twice a week. Admission is free to members at the moving pictures, but visitors pay 5 cents, and the receipts from this source during the year amounted to $154.05. The expenses for amusements amounted to $1,820.07, paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic. The latter is not an officer of the home, and receives a salary of $50 per month. There is a room used as a chapel, with a seating capacity of about 100. The regular services conducted are: Mass at 8 a. m. on Sundays; Protestant preaching at 10.30 a. m. on Sundays, and prayer meeting at 3 p. m. on Wednesdays. The average attendance at the regular services is about 50, or about 14.5 per cent of the average number of members present at the home.

GENERAL FUND.

Receipts of the general fund were: From general treasurer, $172,775; from sales and other sources, $1,690.65; total, $174,465.65. Expenditures were $167,421.07.

Received on posthumous account, $277.28; disbursed, $308.57.

Employees under the general fund during the year (average): 7 officers, 44 members, 85 civilians; total, 136. Amount paid them during the year, $64,011.18.

The improvements made during the year from special appropriations were a shop building, with sleeping rooms, cost $8,149.79; and an addition to the tuberculosis ward, cost $5,986.78. An extension to the conservatory was also constructed at a cost of $740.44, paid from the post fund. General repairs to the amount of $493.70 were made.

Two hundred and three open-market purchases were made, amounting to $3,991.51.

Digitized by Google

The average cost of maintenance per capita was $467.04, against $477.69 for the previous year, a decrease of $10.65.

POST FUND.

The net gain for the year from the post-fund store was reported as $1,175.58.

Two members and six civilians were employed under the post fund at a cost of $1,003 for the year.

PENSION FUND.

On July 1, 1911, there were 293 pensioners on the rolls. On June 30, 1912, there were 313. The pensions ranged from $6 to $36 per month.

Nineteen pensioners each had balances of less than $100 to their credit. None had balances of more than $100.

There are no clerks employed exclusively on pension business.

Recapitulation of receipts and expenditures.

Total balance, July 1, 1911		$33,606.61
Received from general treasurer	$172,775.00	
Received from other sources	1,690.65	
		174,465.65
Received from post fund		10,283.84
Received from pension fund		71,509.42
Total		289,865.52
Disbursed, general fund	$167,421.07	
Transferred, general fund	21,553.03	
		188,974.10
Disbursed, post fund		9,639.60
Disbursed, pension fund		71,747.62
Balance, June 30, 1912		19,504.20
Total		289,865.52

CLOTHING.

Some poor clothing, especially shrunken and torn socks, worn-out drawers, and a few undershirts and trousers, was found in the hands of patients, which should have been exchanged for serviceable articles.

There is no dry-cleaning plant at this branch, clothing to be cleaned being shipped, in part, to the Western Branch, the remainder being cleaned by hand at the sanitarium. At inspection the local work was found to be very poor.

LAUNDRY.

Two men and two women are employed in the laundry. Expenditures for labor during the year, $1,560; for material, $374.18; total, $1,934.18; an average cost of $5.61 per member.

Digitized by Google

RESERVATION, BARRACKS, ETC.

The area of the reservation is 101.36 acres. To date the reservation has cost the United States $35,700.

There are no barracks, but the sanitarium consists of a stone building of six wards, originally intended to accommodate 336 men, and occupied (June 30, 1912) by 259 men. There is also a tuberculosis cottage with accommodations for 60 patients. There are 5 officers' quarters (frame, with stone foundations) and three other buildings, frame. All the buildings have cost the Government $625,229.57 to date.

At time of inspection it was noted that three wards of the hospital and one at the tuberculosis cottage were empty. In view of the superior class of accommodations here, and the special facilities for treatment of tuberculosis and rheumatism, it is recommended that this sanitarium be filled to its capacity.

The basement of one of the wards of the main building was used for the storage of paint, gasoline, and inflammable oils. An isolated fireproof storage should be provided for these. The cost need not be large.

Average dormitory air space per man, 1,293 cubic feet. Number of bathtubs in barracks, 17, or 1 tub to every 20 men. There is 1 urinal to every 24 men.

The larger one of the two plunge pools at this sanitarium was again found to be unserviceable on account of leaks.

FARM, ETC.

No farm proper is maintained, but 5 acres are under cultivation as a vegetable garden and orchard.

Value of farm stock on hand June 30, 1912, $810, consisting of 7 horses.

Average number of farm hands employed, 9—2 members and 7 civilians.

Value, at market prices, of farm and garden products produced during the year: Hay, $15.90; vegetables, $433; total, $448.90.

Expenditures under farm appropriation:

Vegetable garden	$470.36
Lawn, flower garden, and park	4,708.08
Transportation and teams	1,288.96
Total	6,467.40

The amount appropriated for farm was $7,000.

No cows are kept. Milk was bought for the fiscal year 1912 at 25 cents per gallon; for the fiscal year 1913 the cost is 22 cents per gallon.

SUBSISTENCE DEPARTMENT.

The chief baker and chief cook are civilians, at $60 per month each.

Average number of persons employed in kitchen, 8—2 members and 6 civilians (4 men and 2 women); in dining hall, 9 women. Capacity of dining hall, 260.

Average cost of ration per day (raw material): General mess, 20.63 cents; tuberculosis mess, 42 cents; nurses' mess, 21.29 cents; assistant

Digitized by Google

surgeons' mess, 22.78. Average cost of raw material of branch ration, all messes, including special diet purchased from appropriation for hospital, per man per day, 22.75 cents.

There were no complaints with respect to food, which appears to be good. The preparation of the food is inspected daily by the dietitian.

About 10,000 pounds of garbage per month is produced, and the year's product was sold for $25.

ENGINEER DEPARTMENT.

The question of water supply for this branch is not yet permanently nor satisfactorily solved. The main supply comes from a privately owned spring, the water from which is drawn on by the owner as well as by the sanitarium. During the summer, when water is most needed by both parties, the supply is insufficient. To meet this shortage a pump has been placed in the creek passing by the sanitarium powerhouse, and additional piping provided, furnishing water for the lawns, boilers, and the small lake on the grounds, thus relieving the spring of these demands. This arrangement supplied sufficient water during the past season and is capable of further development. The irrigation system is independent of the spring water supply for the buildings, and is not connected with it. The intake in the creek bed not being on the home grounds, it is recommended that steps be taken to secure a permanent easement.

The water is very hard.

The drainage and sewerage system was in good condition.

Cost of maintenance of the steam plant for the year, $28,614.37. Electricity for light and power is purchased on yearly contract, and the rate per kilowatt for the current fiscal year is a 20 per cent reduction from last year's contract. Cost during last fiscal year for electric current purchased, $9,054.85; labor, $900; total, $9,954.85.

Tons of ice produced, 180, at a cost of about $2 per ton. Eighteen tons of this were sold at $2.50 per ton.

FIRE DEPARTMENT.

The fire extinguishers were not tagged to show filling during the last 12 months. The fire ladders at the outer ends of the sick wards are not adapted to the use of patients, and should be replaced by stairways. Otherwise the organization and equipment for protection against fire appeared to be adequate. No fires occurred during the year.

MEDICAL DEPARTMENT.

At inspection the hospital wards, toilets, and baths were found in excellent condition, and patients' beds and clothing well cared for.

Number of patients in hospital June 30, 1912, 209. The daily average during the year was 292. Capacity of the hospital, 336.

Total number of patients admitted to hospital during year, 591.

Total number of deaths during year, 42—39 in hospital and 3 elsewhere.

Average age at death, 61.45 years; last year, 62.24 years.

Death rate per 1,000 of average present and absent, 93.13; last year, 121.4.

Digitized by Google

Number of members buried in home cemetery during the year, 22; total number buried there, 120. Total capacity of cemetery, about 4,000.

Average number of hospital employees, 19 members, 47 civilians, 6 women nurses. Their pay for the year aggregated $25,991.64.

Amount expended for drugs and medicines during the fiscal year, $1,542.84; for wines and liquors, $247.39; for all other hospital supplies and appliances, $5,865.77.

The wards are inspected by the surgeon every day, and there is also a general weekly inspection. The other buildings are inspected weekly.

The milk used is tested daily.

This branch is new, but it is being developed, and its grounds are being beautified as rapidly as conditions and the water supply will admit. In view of its isolated situation, its patients are almost entirely dependent upon it for recreation and amusement. It has no amusement hall, library, or chapel. One of the basements is equipped with pews, a few book shelves, a moving-picture apparatus, and a graphophone—serving as library, chapel, and amusement hall. Another basement serves as a store. It is recommended that a suitable building be provided for the above purposes and that these basements be equipped as dormitories for employees, making the wards all available for patients.

General conditions at this sanitarium were found very good, except as noted.

---

4. PACIFIC BRANCH, SANTA MONICA, CAL.

[Local manager, Col. H. H. Markham, Pasadena, Cal.]

OFFICERS.

The officers of the branch at the time of the inspection, October 18 to 26, 1912, were: Col. James E. Miller, inspector general and chief surgeon, National Home for Disabled Volunteer Soldiers, acting governor to October 22, on account of illness of the regular incumbent; Col. T. J. Cochrane, governor; Maj. E. W. Moore, treasurer; Maj. B. F. Hayden, surgeon; Capt. J. W. Barr, quartermaster; Capt. E. C. Harvey, commissary of subsistence and superintendent of post fund; Capt. F. T. Hague, adjutant and inspector; Rev. G. W. Wilson, chaplain; Lieuts. Stanley A. Milligan, William A. Deerhake, John J. Moore, F. A. Edwards, assistant surgeons.

The changes in officers of the branch since last inspection were:

Loss: By resignation, Maj. O. C. McNary, surgeon, November 15, 1911; Capt. Thomas A. McLaughlin, commissary of subsistence and superintendent of post fund, October 16, 1912; Lieuts. Roderick H. Shippey, Thomas D. Cloyd, E. M. Clinton, H. T. Bibber, assistant surgeons. By death, Capt. C. C. Elliott, assistant surgeon, May 7, 1912. Dropped, Capt. Charles F. Startzman, adjutant and inspector, June 12, 1912; Lieut. R. A. Reedy, assistant surgeon, October 1, 1912.

Digitized by Google

Gain: By appointment, Maj. B. F. Hayden, surgeon, November 21, 1911; Capt. E. C. Harvey, commissary of subsistence and superintendent of post fund, October 17, 1912; Capt. F. T. Hague, adjutant and inspector, July 9, 1912; Lieut. H. T. Bibber, assistant surgeon, January 18, 1912; Lieut. John J. Moore, assistant surgeon, September 14, 1912. By transfer, Lieuts. and Asst. Surgeons William A. Deerhake, July 1, 1912; F. A. Edwards, October 9, 1912; R. A. Reedy, December 2, 1911; Stanley A. Milligan, May 20, 1912.

POPULATION.

On the day of inspection, October 19, 1912, there were present: Officers and members, 2,251; absent, 1,157; total present and absent, 3,408.

Officers and members present and absent on June 30, 1912, 3,413—a loss of 1 officer and a gain of 22 members during the year.

Average present, 2,262; average absent, 1,197; total average present and absent, 3,459.

Total number temporarily cared for during the year, 917. Total number cared for altogether during the year, 4,308.

Total number who served in Spanish and subsequent wars only, 265; last year, 311—a decrease of 46.

Average age of members who served in Spanish and subsequent wars only, 46.07 years; of those who served in the Civil and prior wars, 71.47 years; of all members (to June 30, 1912), 69.69 years.

Members admitted between June 30, 1912, and date of inspection, 246; discharged during same period, 251; a net loss of 5.

Capacity for members, in addition to those present at date of inspection: Barracks, 125; hospital, 88.

Civilians living at this branch in quarters owned by the home, 97 males, 89 females, 6 children.

Total number of civilian employees, 110 males, 73 females.

Casualties in membership.

Gain:		
By first admission	545	
By readmission	354	
By transfer from other branches	13	
		912
Loss:		
By transfer to other branches	24	
By honorable discharge	467	
By dishonorable discharge	9	
By dropped from rolls	100	
By death	290	
		890
Net gain		22

DISCIPLINE.

The principal offenses against discipline were: Bringing intoxicants within the limits of the branch, drunkenness, and absence without leave. Total number of arrests, 258; trials for drunkenness, 107; for absence without leave, 60. Total number of members offending, 204, or 9.05 per cent of the average present. Last year this percentage was 9.21.

Digitized by Google

Members of some of the companies made complaints to the inspector that the men sleeping on the first floors of barracks were annoyed by drunken men coming in at night, and request was made that men of that kind be segregated in a barrack to themselves so as not to annoy other members of the home. This complaint is believed to be well founded. These bad characters should be segregated and placed under stricter discipline to prevent their spoiling the home for other members.

LIBRARY.

Number of volumes in library at close of year, 8,263, of which 528 were added during the year, while 371 had been disposed of. Subscribed for, 22 newspapers, 33 periodicals; furnished free, 46 newspapers, 13 periodicals. Magazines are purchased at regular prices, less 10 per cent discount. An effort should be made to secure lower rates. Number of books read or circulated during the year, 27,803.

BAND.

The band is composed of 17 men—1 member and 16 civilians. Total cost, including subsistence and other allowances of civilians, $9,633.49, paid from the general fund. Average monthly compensation of leader, $100; of member, $22.50; of other musicians, $27.94.

AMUSEMENTS.

The amusements provided for members consist of weekly baseball games; moving pictures every other week, with occasional extra shows, concerts, lectures, billiards, pool, cards, chess, and checkers. There is no charge except for reserved seats at theater (5 cents) and at the ball games (10 cents). The receipts from these sources amounted to $732.55. The expenses for amusements during the year amounted to $5,976.51, paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic, the latter (not being an officer of the home) receiving an annual salary of $720. The two chapels (separate wings in one building) have an aggregate seating capacity of 700. The regular services conducted are: Protestant—Sunday morning service and Sunday school, Wednesday prayer meetings. Catholic—Sunday services, and other services about once a week. Reported average attendance at regular services: Protestant, 225; Catholic, 175; total, 400, or about 17.76 per cent of the average number of members present. The Protestant chaplain is also librarian and recorder of the council of administration, post fund.

GENERAL FUND.

The receipts of the general fund were: From general treasurer, $404,793.86; from sales and other sources, $12,508.12; total, $417,301.98. The expenditures amounted to $419,211.47.

Received on posthumous account, $2,677.01; disbursed, $906.14.

During the year the improvements made from special appropriations consisted of a new boiler, $4,969; a water softening plant,

Digitized by Google

$5,999.70; two cottages for officers' quarters, $5,694.07; a tuberculosis ward, $7,717.96; total, $24,380.73. General repairs amounting to $13,626.04 were made.

Two hundred and ninety-six open-market purchases were made amounting to $9,298.78.

There were employed during the year, under general fund, a daily average of 10 officers, 226 members, and 183 civilians, a total of 419; and the total amount paid them was $135,041.26.

The average cost of maintenance per capita was $182.27, as against $179.40 for the preceding year, an increase of $2.87.

POST FUND.

It was reported that a net gain of $2,582.82 resulted from the operation of the post-fund hotel and store for the year.

Employees paid from the post fund, 10 members and 12 civilians. Their pay for the year amounted to $4,532.67. Six persons are employed in the post-fund store. It is thought that this number is excessive.

In the examination of accounts it was noted that express charges have been paid on pension vouchers. It is believed that these vouchers could be mailed with equal security and at less expense.

PENSION FUND.

On July 1, 1911, there were 3,205 pensioners on the rolls; on June 30, 1912, there were 3,234. Pensions ranged from $6 to $50 per month.

Seventy-one pensioners each had balances of less than $100 to their credit; 34 had, each, between $100 and $500; 6 had, each, between $500 and $1,000. None had more than $1,000.

Two clerks are employed on pension business at salaries of $1,200 and $300, respectively, paid from the general fund.

Recapitulation of receipts and expenditures.

Total balance July 1, 1911		$40,634.50

PROPERTY, ETC.

Many articles of property in quartermaster storehouses and shops, on the farm, in companies, and in public buildings were carefully

Digitized by Google

verified by the inspector, and most of the articles checked out correctly. In others there were only such differences as might be expected in view of the checking up being unannounced and no previous preparation for it being possible.

In the several shops paragraph 639 of the home regulations in regard to keeping a record of material received and expended does not appear to be generally complied with.

At this branch it has not been the practice in the past to sell old coffee sacks, sugar barrels, and like articles.

Paints and oils are stored in the main storehouse, a practice which is believed to be dangerous.

Chair cushions are made in the quartermaster storehouse at this branch from serviceable parts of old mattresses and issued to members to replace like articles in worn-out condition.

CLOTHING.

Some men in several of the companies had in their possession articles of uniform which were worn out—socks torn or too much shrunken for use, and which should have been exchanged. Also, many of the blouses and dress coats of the members in a number of the companies needed cleaning. These things show insufficient supervision by the company officers concerned and the need of more frequent and thorough inspection by the officers of the branch.

LAUNDRY.

Twelve men and two women are employed in the laundry. During the year $2,941.66 was expended for labor and $1,479.15 for material; total, $4,420.81, or an average cost of $1.97 per member. There is no limit on the number and kind of articles of home clothing that members may have laundered nor on personal underwear used by members in lieu of home clothing.

The dry-cleaning plant at this branch is badly in need of an underground gasoline tank of sufficient capacity. At present a large part of the gasoline supply remains in the drums on ground adjoining the cleaning plant.

RESERVATION, BARRACKS, ETC.

The area of the reservation is 722.748 acres. It cost the Government nothing, as it was partly donated and partly acquired by exchange. The change in area since last report is due to deeding a roadway through the reservation to Los Angeles County.

There are 11 frame barracks, 7 frame officers' quarters, and 31 other buildings, all of which cost the Government in the aggregate $698,804.55.

The barracks were originally intended to accommodate 1,200 men, and 1,812 were occupying them. The average dormitory air space is reported to be 809 cubic feet; in the attics of the dormitories it is less and insufficient for the number of beds.

There was complaint as to the need of regulating the ventilation in some of the barracks. This seemed well founded and was brought to the attention of the local authorities for correction.

Digitized by Google

The barracks are not sufficiently large for the number of beds placed in them. Not only are the attics and some front porches on the second floors of the barracks occupied by beds, but also the space in the center of the barrack buildings adjoining the entrance and stairs, which ordinarily is reserved for smoking and sitting room purposes, is filled.

To correct this overcrowding, the membership of this branch should be run down or additional barrack facilities should be provided. The latter is believed to be the most practicable method, and it is thought that an additional barrack of the bungalow type might be built of wood at no great cost. Such a building would be well adapted for the older and more infirm men.

The old narrow beds are being replaced by the new wide ones with thick mattresses. This replacement was going on at the preceding annual inspection, and it is reported that there now remain but 143 of the old beds to be replaced and that wide beds to replace them have been ordered. Mattresses are being made over, two thin mattresses into one thick one. All the men can have a thick mattress or two thin ones, and all company commanders have been so informed. But few beds were found by the inspector with more than one thin mattress, showing that men do not like the care of two mattresses.

In the inspection of barracks a number of beds in some of the companies were found improperly made and in a condition that showed that they had not been brushed out before making. Some of the company barracks also had dirt and trash swept up in dark corners and behind beds and wardrobes. These defects are correctible by more careful supervision and inspection.

The method of keeping record of the personal baggage of members is incomplete. Some of the companies make use of small dark rooms in the attics for storing this baggage, which is a poor arrangement, as these rooms are both too small and too dark. Better places could be provided in the basements at very small cost.

Number of bathtubs in barracks, 40, making an average of 1 tub for every 45 men. The average number of men to each urinal is about 23. In some of the companies no record of the baths taken by members is kept, but they are required to bathe at least once each week. Company commanders are charged with enforcing this regulation. Some of the company barracks had urinals in small, dark, unventilated closets for the dormitories on the third floors, an insanitary arrangement. The old plumbing, stools, urinals, and slop hoppers in a number of the barracks should be replaced, as they are hard to keep clean and it is difficult to know when they are clean.

Companies G and L have adjoining barracks and are old men's companies. Their members take their meals in Company L barrack, which is provided with a dining room and kitchen. This barrack (L) is occupied by very old and feeble men, and should be provided with additional fire escapes—iron stairways on the outside—at opposite ends of the barrack. In the barrack of Company G the alcove partitions in the third story should be removed, as the alcoves, being without windows, are too dark, not well ventilated, and harder to keep clean.

The floors in some of the barracks are showing signs of long use and will have to be replaced within the next year or two. It is recommended that this be done gradually, beginning with the poorest.

Digitized by Google

In one of the companies a man was found sick in bed, at inspection, who had not been seen by a medical officer of the branch. Such cases should be promptly reported by the company commander, in order to protect the health of all concerned.

FARM.

About 374 acres are under cultivation—312 as a farm, 29 as a garden for vegetables, and 33 in fruit. Value of farm stock on hand June 30, 1912, $3,700. This farm stock consists of 16 horses and 4 mules, which is thought an excessive number, as there is no dairy, the farm, except orchards and gardens, being rented, and freight deliveries made on the grounds.

An average of 36 farm hands were employed, 23 members and 13 civilians.

Value of farm and garden products:	
Turned into commissary	$3,923.96
Used for bedding	10.88
Fed to stock	662.47
Sold	4,087.92
Total	8,685.23
Expenditures under farm appropriation:	
Farm and vegetable garden	2,228.83
Lawn and flower garden	11,928.31
Transportation and teams	1,764.55
Total	15,921.69

The amount appropriated for farm was $12,000.

This branch keeps no cows. The price of milk per gallon, by contract, was 18 cents for the fiscal year 1912, and is 20 cents for the fiscal year 1913.

SUBSISTENCE DEPARTMENT.

The chief baker, at $50 per month, and the chief cook, at $75 per month, are both civilians.

The schedule and specifications for information of bidders for furnishing pickles, chowchow, mention a particular brand without words "or equal," thus limiting competition.

The price paid for baking powder at this branch was noted as 34.5 cents per pound. A good baking powder can be secured at a much lower price.

Average number of persons employed in kitchen, 24—17 members and 7 civilians—all men.

Average number of persons employed in the dining hall, 29—3 members and 26 women. Capacity of dining hall, 699.

Average cost of ordinary ration per day, general mess, 17.01 cents; barrack L mess, 16.98 cents; noncommissioned officers and clerks' mess, 17.71 cents; nurses' mess, 21.06 cents.

Average cost of hospital ration, including special diet purchased from appropriation for hospital, per man, per day, 23.40 cents; without special diet, 21.67 cents.

An estimated weight of about 60,000 ponds of garbage per month is produced, and the year's product was sold for $756.

Digitized by Google

ENGINEER DEPARTMENT.

The water is supplied from the Mandeville Canyon and by air-lift wells on the home grounds. A water softener has been installed. The system is quite extensive, due to necessity of conserving available sources and the need of storing to tide over the dry season. It appears to be efficiently and economically managed.

The sewerage system is incomplete, there being a septic tank but no filtration beds, resulting in a bad odor from the discharge. This defect is being corrected, an appropriation having been made to complete the system and permit the use of the discharged water for irrigation purposes.

The cost of maintenance of the steam plant for the year was $36,-347.79. The home does not own a lighting plant. Lighting service is secured by contract and cost $7,891.66 for the year.

During the year about 266 tons of ice were produced, at a cost of 63.35 cents per ton; of which about 208 tons were issued; and about 58 tons were sold at the cost of production.

FIRE DEPARTMENT.

The organization and equipment for fire protection seemed adequate, except that the fire ladders are too heavy. They should be made lighter in the branch carpenter shop. On December 27, 1911, a fire occurred in the library building (Markham Hall), which caused a loss of $272, which was fully covered by insurance. It is a post-fund building.

MEDICAL DEPARTMENT.

The hospital, though still in need of a number of repairs and betterments, was greatly improved over its condition at the last annual inspection, and especially in the cancer, tuberculosis, and insane wards; nor was any fault found with the care extended to patients. In the tuberculosis pavilion, which is detached from the main hospital building and occupied chiefly by younger men, more supervision is necessary to prevent individuals from disturbing and annoying other patients.

At the inspection the hospital showed every evidence of cleanliness and careful work. Some old woodwork was noticed which needs painting. Only one porch is screened. The remaining old lavatories in the hospital should be modernized and equipped with new plumbing.

The floors in the hospital kitchen, dining room, and hall are badly worn in places. Some of the ceilings and walls need replastering and painting.

A new freight elevator is needed in the hospital kitchen.

At inspection water was running through the kitchen floor, and down on the porch and into the elevator well, back of the hospital dining room.

Some of the old type of beds are still in use in the hospital for patients. They should be replaced by the new type—a wider and more sanitary bed.

Owing to the increasing age and infirmities of the hospital patients it is believed that more means of escape from fire are necessary at this

Digitized by Google

hospital, and should be provided. It is recommended that iron stairways be added on the outside of all the wings of the building and also from the third story attics where the extra-duty men and civilian employees have quarters.

On June 30, 1912, there were 276 patients in hospital, 198 sick in quarters, and 35 attending sick call. The daily average during the year was 338 in hospital, 198 sick in quarters, and 33 attending sick call.

Capacity of hospital for patients, 364; of combination barracks, 172. The capacity of the new tuberculosis pavilion, with detached rooms, is 48 patients; and 26 patients were occupying it at the time of the inspection.

Total number of patients admitted to hospital during year, 787. Total deaths of members during year, 290—231 in hospital and 59 elsewhere.

Average age of members at death, 71.17 years; last year, 71.33.

Death rate per 1,000 of average number present and absent, 84.08; last year, 86.77.

Number of members buried in home cemetery during the year, 249. Total number of members buried there, 3,112. Total capacity of the cemetery, 5,500.

Average number of hospital employees, 71 members, 51 civilians, 15 female nurses. Their pay for the year amounted to $34,639.08.

Amount expended for drugs and medicines during the fiscal year, $2,697.74; for wines and liquors, $1,742.55; for all other hospital supplies and appliances, $15,934.48.

The barracks and other buildings, including the stables, are inspected quarterly.

The milk used is tested daily.

Since last inspection there have been extensive changes in the personnel of the staff of this branch. All of the medical officers, the commissary, the adjutant, also many hospital employees, including the trained nurses, have been replaced.

At the time of inspection the governor of this branch was recovering from a recent illness. He is an old man, and it is doubtful if he has the bodily vigor necessary to fully discharge the onerous duties of the government of this large branch of the home.

The condition of this branch was found improved over last year, and is satisfactory except as noted.

---

5. WESTERN BRANCH, AT LEAVENWORTH, KANS.

[Local manager, Maj. William Warner, Kansas City, Mo.]

OFFICERS.

At the time of inspection, November 1 to 5, 1912, the officers of the branch were: Col. Sidney G. Cooke, governor; Maj. W. W. Martin, treasurer; Maj. John L. Fryer, surgeon; Capt. C. M. Pearsall, quartermaster; Capt. Hiram Crampton, commissary of subsistence; Capt. E. A. Waterhouse, adjutant and inspector; Rev. James

Digitized by Google

W. Payne and Rev. Francis Pottgeisser, chaplains; Capt. John A. Barker, Lieuts. Philip B. Matz, T. H. Lautenschlager, Walter W. Heald, and Courtney P. Grover, assistant surgeons.

Changes in officers to date of inspection:

Losses: By resignation, Capt. D. C. Goodrich, commissary of subsistence, October 1, 1912; Lieut. William J. Murphy, assistant surgeon; by transfer, H. M. Beardall, assistant surgeon, July 6, 1912.

Gains: By appointment, Capt. Hiram Crampton, commissary of subsistence, October 1, 1912; lieutenants and assistant surgeons, T. H. Lautenschlager, July 6, 1912; Walter W. Heald, October 1, 1912; Courtney P. Grover, August 25, 1912.

POPULATION.

On the day of inspection (Nov. 2, 1912) there were present: Officers and members, 2,230; absent, 730; total present and absent, 2,960.

Officers and members present and absent June 30, 1912, 3,017; a net loss of 194 during the year.

Average present, 2,402; average absent, 824; total average present and absent during the year, 3,226.

Total temporarily cared for during the year, 1,249. Total number cared for altogether during the year, 4,498.

Total number who served in the Spanish and subsequent wars only, 478; last year, 366; an increase of 112.

Average age of all members to June 30, 1912, 68.45 years; of those who served in the civil and prior wars, 71.06 years; of those who served in the Spanish and subsequent wars only, 44.44 years.

Members admitted between June 30, 1912, and date of inspection, 358; discharged in the same period, 415; a net loss of 57.

Reported capacity for members in addition to those present at date of inspection: Barracks (exclusive of beds in the basements), 49; in hospital, 48.

Civilians living at the branch in quarters owned by the home, 104 men, 115 women, 20 children.

Civilian employees, 91 men and 100 women.

Casualties in membership.

Loss:		
By transfer to other branches	188	
By honorable discharge	851	
By dishonorable discharge	13	
By dropped from rolls	93	
By death	348	
		1,493
Gain:		
By first admission	573	
By readmission	676	
By transfer from other branches	50	
		1,299
Net loss		194

DISCIPLINE.

The principal offenses against discipline consisted of bringing liquor into the home, absence without leave, and drunkenness. Total number of arrests, 462; of trials for absence without leave, 64; of

Digitized by Google

trials for drunkenness, 212; total number of members offending, 386, or 16.15 per cent of the average number present. Last year this percentage was 17.8.

The hours of the guard on duty are very long; but two shifts were being worked at the time of the inspection. It is believed that the same number of men divided into three shifts would ordinarily give sufficient protection.

LIBRARY.

Number of volumes in library at close of year, 9,885; of which 347 were added during the year, none having been disposed of by condemnation or otherwise. Subscribed for: 7 newspapers and 23 periodicals; furnished free: 30 newspapers; no periodicals. Number of books read or circulated during the year, 18,700.

BAND.

The band consists of an average of about 16 men, all civilians, and its total cost for the year, including subsistence and other allowances, was $8,150.07. Average monthly compensation of the leader, $100; of the other musicians, $31.08.

AMUSEMENTS.

The amusements provided for members consist of theatrical entertainments, concerts, moving-picture shows, baseball games, pool, billiards, cards, checkers, shuffleboard, quoits, boating, etc. Theatrical entertainments or moving-picture shows are given, on an average, twice a week. Officers and civilians pay admission, but there is no charge to members except 5 cents for reserved seats. The receipts from amusements for the year amounted to $2,517.40. The cost of the amusements provided was $9,138.31, paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic, both officers of the home. There are two chapels in one building, with a total seating capacity of 475. The regular services are: Protestant, two services on Sunday, Christian Endeavor on Tuesday, temperance meeting on Wednesday; Catholic, regular Sunday services, rosary meetings, and Sacred Heart meetings. Average attendance at regular services: Protestant, 200; Catholic, 200; total, 400; or about 16.7 per cent of the average number of members present.

GENERAL FUND.

Receipts of the general fund were: From general treasurer, $433,230.77; from sales and other sources, $12,230.96; total, $445,461.73. The expenditures were $447,493.39.

Received on posthumous account, $3,451.96; disbursed, $2,576.49.

During the year the only improvement made from special appropriations was changing the heating system in the chapel and renewing the steam supply to the Catholic chaplain's quarters, at a cost of

Digitized by Google

$589.25. Some additional land adjoining the home reservation was also bought, at a cost of $5,000. There were no changes in the number or design of buildings. Repairs were made during the year to the amount of $14,673.10.

Three hundred and ninety open-market purchases were made. amounting to $13,857.59.

There were employed during the year under the general fund a daily average of 12 officers, 279 members, and 204 civilians, a total of 495. The total amount paid them during the year was $145,541.32.

The average cost of maintenance per capita was $189.45, as against $186.08 for the preceding year, an increase of $3.37.

POST FUND.

A net gain of $5,983.83 for the year from the post-fund store and hotel was reported. Employees paid from the post fund, 15 members and 12 civilians, their pay for the year aggregating $5,877.09.

PENSION FUND.

Pensioners on the rolls July 1, 1911, 2,839; on June 30, 1912, 2,625: the pensions ranging from $6 to $55 per month.

Pensioners had balances to their credit on June 30, 1912, as follows: Less than $100 each, 190; between $100 and $500 each, 47; between $500 and $1,000 each, 8; more than $1,000 each, 3.

One clerk is employed on pension business, at an annual salary of $900, paid from the general fund.

Recapitulation of receipts and expenditures.

Total balance July 1, 1911		$67,491.56
Received from general treasurer	$433,230.77	
Received from other sources	12,230.96	
		445,461.73

		455,420.30
Disbursed, post fund		61,788.28
Disbursed, pension fund		509,927.38
Balance June 30, 1912		56,619.60
Total		1,083,755.56

CLOTHING.

At inspection some men were found without the full equipment of clothing, and some with unserviceable clothing, owing to the inability of the quartermaster to provide certain sizes. The quartermaster informed the inspector that a supply of clothing was expected from the depot.

Some complaint was made by members of clothing becoming mixed in the laundry, due to the name, stamped on the garment itself, becoming dim after a few washings. This complaint was also made at other branches.

Digitized by Google

LAUNDRY.

Six men and seven women are employed in the laundry. During the year $2,932.67 was expended for labor and $1,506.57 for materials: total, $4,439.24, an average cost of $1.86 per member. No limit is placed on the number and kind of articles of uniform clothing that members may have laundered. Members who do not use home underwear are permitted to have private underwear laundered.

RESERVATION, BARRACKS, ETC.

The area of the reservation consists of 643⅝ acres. On May 7, 1912, 1⅓ acres adjoining the reservation were purchased, at a cost of $5,000; 2½ acres previously purchased cost $650, making the cost of the reservation to the United States to date $5,650, the remaining 640 acres having been donated.

There are 15 brick barracks with tin roofs, 7 officers' quarters (3 brick, 1 stone and frame, 2 brick and frame, 1 frame), and 45 other buildings. Total cost of all the buildings to the Government to date, $904,165.06.

The barracks were originally intended to accommodate 1,750 men, and 1,603 were occupying them. The average dormitory air space per bed in the regular wards is 739 cubic feet; in the third stories, 504 cubic feet per bed. This is too small. It is believed that 750 cubic feet per bed should be the minimum.

The basements of most of the barracks at this branch are equipped as dormitories and are used as such in the winter, when the membership is large. Owing to the low ceilings the air space is not great enough to accommodate the same number of beds as the upstairs wards with higher ceilings.

There is still a large percentage of the old narrow bunks and thin mattresses at this branch. The members are allowed two of the thin mattresses when desired, and it appears that they have been so informed by their company commanders, but, judging from the number of single mattresses still in use, it appears that they fail to take advantage of the permission. It is recommended that all beds not provided with thick mattresses be equipped with two thin ones. In one or two of the companies at inspection some beds were found which had not been occupied for some time—in some cases for several months—with soiled sheets and pillowcases still on the beds.

Since last inspection some new floors have been laid in the barracks of this branch and some new wide beds secured sufficient to replace 200 of the old narrow bunks.

The method of caring for the personal baggage of the members of the branch is not good. Responsibility is divided in the companies between the captain, sergeant, and janitors of dormitories. One person should be in charge, required to keep proper records, and held responsible for this baggage.

In some of the barracks the fire-escape stairways were found at inspection with articles of various kinds deposited upon them, which would have been dangerous to men attempting to escape from fire, especially at night. Fire escapes should be free at all times from all incumbrances.

Digitized by Google

There are 52 bathtubs in the barracks, or 1 tub to every 31 men, and there were about 27 men to each urinal. Company commanders are charged with the duty of seeing that the men bathe at least once each week, and each company commander keeps a bath record. Frequent defects were found in the bath records of companies. The record is made up weekly, and shows the baths that are required rather than the baths that have been taken.

Most of the barracks and dormitories of this branch are equipped with steel ceilings and excellent bathtubs in the center of the rooms. Some of the lavatories and the water-closet and urinal arrangements are old and in dark parts of the barracks. These should be changed as rapidly as funds become available.

While a number of the barracks were found in excellent condition, in others, where the company commanders evidently did not give sufficient attention to the matter, bathrooms, lavatories, and the bedding and clothing of some of the members, chiefly the feeble ones, were not in satisfactory condition. More frequent inspection of dormitories, bath and toilet rooms, bedding and clothing by officers of the branch is recommended.

The lavatories at the guardhouse and the paint shop were not clean at inspection. A toilet is needed at the guardhouse at the main gate for the use of the guard.

FARM.

One hundred and twenty acres are under cultivation, embracing farm, orchard, vineyard, and vegetable garden.

Value of farm stock on hand June 30, 1912, $5,035. Among this stock are 10 horses and 12 mules, some of which are quite old. The number of these animals could be reduced by replacing the older ones with younger and better animals.

An average of 67 farm hands were employed—50 members and 17 civilians.

Value of farm, dairy, and garden products:	
Turned into commissary	$8,266.01
Fed to stock	1,368.08
Sold	350.75
Total	9,984.84
Expenditures under farm appropriation:	
Farm	572.68
Dairy	5,912.72
Vegetable garden	1,352.12
Lawn and flower garden	6,183.90
Transportation and teams	4,427.13
Total	18,448.55

The amount appropriated for farm was $17,000.

During the year the herd of cows averaged 47.5 head and yielded 36,520 gallons of milk, at a cost of 11.92 cents per gallon, considering the farm products at market prices, or 9.74 cents per gallon, farm products being considered at the cost of their production by the home. The market price of milk for the fiscal year 1912 was 14.75 cents per gallon, and for the present fiscal year it is 15 cents

Digitized by Google

per gallon. The dairy at this branch is not filled to its capacity by about half. In view of the low production cost of milk the number of cows should be increased.

SUBSISTENCE DEPARTMENT.

It was noted that for the December quarter, fiscal year 1912, the price paid for "A" sugar was slightly greater than that for granulated sugar. Prices ordinarily are the other way, the granulated sugar being the more expensive.

The schedule for the information of bidders names a particular brand of yeast wanted without mentioning words, "or of equal quality." The specifications should be changed to admit of competition.

The chief baker, at $50 a month, and the chief cook, at $75 a month, are civilians.

Average number of persons employed in kitchen, 1 civilian and 16 members; in dining hall, 10 members and 35 women. The dining hall has facilities for seating 936 persons. The main dining room and the kitchen are unscreened.

Average cost of the ordinary ration per day, general mess, 17.03 cents; noncommissioned officers' mess, 21.79 cents; auxiliary mess, 16.78 cents; nurses' mess, 15.25 cents. Average cost of hospital ration per day, including special diet purchased from the appropriation for the hospital, 21.31 cents; without special diet, 20.52 cents.

It is noted that the cost of a ration in the noncommissioned officers' and clerks' mess is nearly 5 cents in excess of the cost of a general mess ration. They should be about the same.

About 66,000 pounds of garbage per month is produced and the year's product was sold for $504.

ENGINEER DEPARTMENT.

The water supply is received by contract from the Leavenworth City & Fort Leavenworth Water Co., and is satisfactory. The gravity sewerage system is also satisfactory and in good condition.

Cost of maintenance of steam plant for the fiscal year, $33,735.07; of the lighting plant, $20,177.36.

Tons of ice manufactured during the year, about 726, at a cost of 90 cents per ton; tons issued, 573; tons sold, 153, at $1.05 per ton.

FIRE DEPARTMENT.

The organization and equipment for protection against fire seem ample. There was a small fire in the hotel, a post-fund building, during the past fiscal year.

MEDICAL DEPARTMENT.

The hospital was found very clean at time of inspection. It needs some plastering and painting. A number of the bathrooms and lavatories are equipped with old plumbing, which is difficult to keep in sanitary condition and should be replaced. At inspection one urinal in the insane ward was found not clean. This ward also needs considerable repairs to plastering and some painting.

Digitized by Google

The fire escapes leading from wards in the annex of the hospital are long, straight flights, without break, which many patients certainly could not use successfully. From these wards spiral chutes similar to those at the Central Branch should be provided, in addition to the present facilities. Two of the doors leading to the fire escapes were locked at the time of the inspection—a dangerous practice.

On June 30, 1912, there were 332 patients in hospital, 208 sick in quarters, and 31 attending sick call. The daily average during the year was 350 in hospital, 242 sick in quarters, and 36 attending sick call. The hospital has a capacity for 397 patients and the combination barracks for 250. There are no tuberculosis cottages, tubercular patients being cared for in a hospital ward. This class of patients should be sent to one of the branches specially equipped for the treatment of this disease.

Total number of patients admitted to hospital during the year, 1,016. Total number of deaths during year, 348—267 in hospital and 81 elsewhere.

Average age at death, 72.82 years; last year, 71.88 years.

Death rate per 1,000 of average present and absent, 107.87; last year, 104.06.

Number of members buried in home cemetery during year, 250; total number buried there, 4,431. The capacity of the cemetery is unlimited.

Average number of hospital employees, 118 members, 57 civilians, 13 female nurses. Their pay for the year amounted to $37,404.99.

Expended during fiscal year: For drugs and medicines, $1,397.45; for wines and liquors, $792.53; for all other hospital supplies and appliances, $8,036.11.

The barracks are inspected by the surgeon once each quarter. The other buildings, including the stables, are also inspected quarterly, and the cow barns monthly.

The milk used is tested daily.

Except as noted, the general conditions at this branch are very good.

---

6. DANVILLE BRANCH, AT DANVILLE, ILL.

[Local manager, Capt. Lucian S. Lambert, Galesburg, Ill.]

OFFICERS.

At the time of inspection, November 6–10, 1912, the officers of this branch were: Col. Martin J. Barger, governor; Maj. W. L. Kelley, treasurer; Maj. W. A. Cochran, surgeon; Capt. E. W. Eldridge, quartermaster; Capt. J. W. Newlon, commissary of subsistence; Capt. William H. Platt, adjutant and inspector; Rev. Thomas A. Parker and Rev. T. J. McCarthy, chaplains; Capt. J. C. Bird, Lieuts. Edward B. Frisbie, E. H. Deaton, and H. P. Dulaney, assistant surgeons.

Digitized by Google

Changes in officers of branch from July 1, 1911, to date of inspection:

Losses: By resignation, Dr. Frank E. Reeder, assistant surgeon; Rev. Thomas H. Kinsella, chaplain, December 31, 1911. By death, Lieut. James W. Scott, assistant surgeon, October 3, 1911. By transfer, Lieut. David L. Williams, assistant surgeon, to Battle Mountain Sanitarium, October 24, 1912.

Gains: By appointment, Maj. William A. Cochran, surgeon, July 1, 1911; Capt. William H. Platt, adjutant and inspector, July 1, 1911; Lieut. David L. Williams, assistant surgeon, October 24, 1911; Rev. T. J. McCarthy, chaplain, January 10, 1912. By transfer, Lieut. Henry P. Dulaney, assistant surgeon, from Mountain Branch, January 1, 1912; Lieut. E. H. Deaton, assistant surgeon, from Central Branch, October 24, 1912.

POPULATION.

On the day of the inspection, November 7, 1912, there were present: Officers and members, 2,003; absent, 639; total, present and absent, 2,642.

Officers and members present and absent on June 30, 1912, 2,660, a gain of 1 officer and a loss of 34 members during the year.

Average present, 2,152; absent, 641; total average, present and absent, during the year, 2,793.

Total number temporarily cared for during the year, 785. Total number cared for altogether during the year, 3,891.

Total number who served in the Spanish and subsequent wars only, 221; last year, 225; a decrease of 4.

Average age of members who served in the Spanish and subsequent wars only, 44.96 years; of those who served in the Civil or prior wars, 72.10 years; of all the members (to June 30, 1912), 69.77 years.

Members admitted between June 30, 1912, and date of inspection, 327; discharged, 345; net loss, 18.

Capacity for members in addition to those present at date of inspection: Barracks, 481; hospital, 143. The capacity of this home is considerably in excess of its membership. The barracks are not filled to capacity; furthermore, one whole barrack is set aside for band quarters, civilian employees, Grand Army of the Republic hall, and noncommissioned officers' mess.

Civilians living at this branch in quarters owned by the home: 74 men, 113 women, 7 children.

Total number of civilian employees: 58 men, 94 women.

Casualties in membership.

Loss:		
By transfer to other branches	134	
By honorable discharge	654	
By dishonorable discharge	12	
By dropped from rolls	170	
By death	257	
		1,227
Gain:		
By first admission	361	
By readmission	647	
By transfer from other branches	185	
		1,193
Net loss		34

Digitized by Google

DISCIPLINE.

The principal breaches of discipline consisted of bringing intoxicating liquors into barracks, drunkenness, absence without leave, and insubordination. Total number of arrests, 1,443; trials for drunkenness, 713; for absence without leave, 414. Total number of members offending, 387, or 18.01 per cent of the average number of members present. Last year this percentage was 24.36.

LIBRARY.

Number of volumes in library at close of year, 4,933, of which 335 were added during the year, none having been disposed of by condemnation or otherwise. Subscribed for: 29 newspapers, 57 periodicals; none of either is furnished free. Reported number of books read or circulated during the year, 37,082.

BAND.

Average number of men in band, 17; all civilians. Total cost of band for year, including subsistence and other allowances, $8,246.82, paid from the general and post funds. Average monthly compensation of leader, $100; of other musicians, $28.09.

AMUSEMENTS.

Moving pictures, dramatic entertainments, pool, billiards, and boating are provided for the amusement of members. Three dramatic entertainments are given during the season, and moving-picture shows weekly from October to May. Members are admitted free to all entertainments, there being no reserved seats. The charges for admission to persons other than members are from 5 to 50 cents, according to the class of entertainment; and the receipts from this source for the year amounted to $474.35. Expenses for amusements, $3,705.01, paid from the post fund. Baseball should be added to the amusements for summer.

RELIGIOUS SERVICES.

There are two chaplains, Catholic and Protestant, both officers of the home; and there are two chapels, each with a seating capacity of 350. Regular services are held on Sunday mornings and evenings, weekly prayer meetings, and public study. Average attendance at services, Catholics, 150; Protestants, 200; total, 350; or, altogether, about 16.35 per cent of the average number of members present.

GENERAL FUND.

The receipts of the general fund were: From general treasurer, $372,802.14; from sales and other sources, $6,670.07; total, $379,472.21. The expenditures were $362,717.98.

Received on posthumous account, $2,316.21; disbursed, $1,264.92.

No improvements were made during the year from special appropriations, and there were no changes in the number or design of buildings. Repairs to the amount of $4,266.20 were made.

Digitized by Google

Two hundred and fifteen open-market purchases were made, amounting to $5,765.65.

There were employed during the year, under the general fund, a daily average of 11 officers, 339 members, and 144 civilians, a total of 494. The total amount paid them during the year was $125,063.07.

The average cost of maintenance per capita was $179.99, as against $163.71 for the preceding year, an increase of $16.28.

POST FUND.

It was reported that a net gain of $1,722.44 resulted from the operations of the store and restaurant under the post fund during the year.

Employees under the post fund, 13 members and 10 civilians; pay for the year, $4.169.17.

PENSION FUND.

On July 1, 1911, there were 2,384 pensioners on the rolls; on June 30, 1912, there were 2,412, the pensions ranging from $6 to $50 per month.

Ninety-two pensioners each had less than $100 to their credit; 26 had each between $100 and $500; one had more than $500; none had more than $1,000.

Two clerks are employed on pension business, each at a yearly salary of $300, paid from the general fund.

Recapitulation of receipts and expenditures.

Total balance July 1, 1911		$48,654.39
Received from general treasurer	$372,802.14	
Received from other sources	6,670.07	
		379,472.21
Received from post fund		24,567.52
Received from pension fund		453,265.81
Total		905,959.93
Disbursed, general fund	$362,717.98	
Transferred, general fund	13,616.22	
		376,334.20
Disbursed, post fund		25,359.69
Disbursed, pension fund		451,197.49
Balance June 30, 1912		53,068.55
Total		905,959.93

PROPERTY, ETC.

The schedule of specifications for bidders, in the case of office supplies, names a certain standard kind of article wanted, but does not specify "or of equal quality," thus limiting competition.

CLOTHING.

There was a shortage of clothing in the quartermaster department: in consequence in some of the companies some men were not fully equipped, and some had unserviceable clothing which could not be replaced.

Digitized by Google

There was also complaint in the companies concerning the insufficiency of the present system of marking clothes. After laundering the ink becomes dim, making it difficult to identify the articles, with result of occasionally delivering to wrong person.

A complaint was made at this branch by a member that about a year preceding he had shipped his uniform clothing from Hillsdale, Ind., where he then was, to this branch, express prepaid; that the package was receipted for by Capt. Newlon, the commissary, who failed to take the package out of the express office; that the clothing has been lost in consequence; and that he has been charged with it. It appears that the responsibility for the loss of the clothing does not rest with the member, but with the commissary, and the governor was so informed.

LAUNDRY.

Nine men and four women are employed in the laundry. During the year $2,824.83 was expended for labor and $1,799.12 for materials; total, $4,623.95, an average cost per member of $2.16. There is no limit to the number and kind of articles each member may have laundered.

RESERVATION, BARRACKS, ETC.

The reservation contains 324.56 acres, the actual cost of which to the Government to date has been $45,961.25.

The leaves on the ground, near buildings, were not removed at this branch, and as a result are blown by the wind into the basements, and lodge on the stairways while they decompose.

There are 15 brick barracks, 7 officers' quarters (4 frame, 3 brick and frame), and 31 other buildings (18 brick, 12 frame, 1 stone and frame), all of which have cost the Government an aggregate of $1,053,493.79.

The barracks were originally intended to accommodate 2,600 men, and 1,922 were occupying them, which leaves lots of spare room. The barracks not required, due to reduced membership, should be closed to save expense. Some of the barracks need repainting. Water was found leaking in some of the basements.

The average dormitory air space per man is 1,424 cubic feet. There are 93 bathtubs in the barracks; average number of men to each tub, 20; to each urinal, 16. The company commanders are required to see that the men bathe at least once each week, but generally keep no record of baths actually taken.

A number of beds at this branch were found with springs badly sagging; they should be tightened. Also a number of beds were dirty at inspection, mostly in two companies, a report of which was made to the governor for corrective action. Many thin mattresses are in use. It is recommended that the work of doubling the thickness of mattresses be expedited, as it appeared to the inspector that but little progress had been made since last year.

The barracks of this branch are not provided with mop and broom racks, but the mops, brooms, and other cleaning appliances are kept in dark, unventilated rooms in the attic. It is recommended that the regular type of mop and broom racks be put in use at this branch.

More detailed care by company commanders and closer supervision

Digitized by Google

by the commissioned officers are necessary in some of the companies of the branch. The governor was informed by the inspector as to the companies concerned. A practice in some of these companies, which should be corrected, was that of leaving soiled sheets and pillowcases on vacant beds. Some beds which had been vacated for several months were found in this condition.

A few men were noted in the companies who, due to loss of control and other infirmities, properly belong in the hospital. They were pointed out to the governor for the necessary action.

At this branch drunkards are segregated in one barrack, also there is a combination barrack for the feeble and crippled.

FARM.

Eighty acres are under cultivation, 50 acres for the production of hay and 30 acres as a garden for vegetables.

Value of farm stock on hand June 30, 1912, $2,400, consisting of 12 horses and 2 mules.

An average of 53 farm hands were employed—51 members and 2 civilians.

Value of farm and vegetable products:	
Turned in to commissary	$1,153.01
Fed to stock	580.00
Total	1,733.01
Expenditures under farm appropriation:	
Farm	$2,362.15
Lawn and flower garden	4,690.29
Stables	2,514.45
Transportation and teams	1,148.99
Total	10,715.88

The amount appropriated for farm was $12,000.

No cows are kept. Milk is purchased by contract at 16 cents per gallon.

SUBSISTENCE DEPARTMENT.

The chief baker and chief cook, each at $50 per month, are civilians. There are 7 bakers and assistants (a civilian chief baker and 6 members) in the bakery.

The kitchen and bakery at this branch are still in need of improvement. There are many men too old for efficient service in both. In justice to all the highest grade of service should be secured.

The bakery is not equipped with racks.

In verifying subsistence stores at inspection, 255 pounds of roasted coffee and 62 pounds of sugar "A" were found on hand in excess of accountability. The inspector was informed that excess in supplies found at this branch are, by custom, given to the general mess and the hospital mess. The excess stores should be taken up and accounted for in the regular manner.

Sugar "A" is used at the general mess in this branch. In some of the other branches granulated sugar is used and is believed to be better and quite as economical.

Digitized by Google

Average number of persons employed in the kitchen during the year, 35—32 members and 3 civilians; in the dining hall, 30, all women. Capacity of dining hall, 1,008.

Average cost of the ordinary ration, general mess, 16.78 cents; barrack "G" mess, 17.69 cents; noncommissioned staff mess, 20.83 cents; nurses' mess, 24.40 cents. Average cost of the hospital ration, including special diet purchased from appropriation for hospital, per man per day, 25.44 cents; without special diet, 24.23 cents. As compared with the general mess and barrack "G" mess, the ration cost of the noncommissioned officers' and nurses' messes is excessive.

An estimated weight of 60,000 pounds of garbage is produced each month, and the year's product was sold for $761.62. Slops are sold under contract for $480 per year.

ENGINEER DEPARTMENT.

The water supply is obtained from the Danville city waterworks, which gets its water from a running stream. The water is passed through a filtering plant before delivery to the home and is satisfactory in quantity and quality. The year's supply cost $5,655.29.

The gravity system of drainage and sewerage was in good condition.

Cost of maintenance of the steam plant for the year, $33,870.81. The branch has no lighting plant, electric current being purchased for lighting purposes at a cost of $11,169.45. Reported cost of gas purchased for fuel, $2,592.90.

There is no ice plant at this branch, ice being purchased under contract at $3.75 per ton. This cost, while a little less than last year ($4), is still excessively high. About 1,114 tons were purchased for the year's service, at a total cost of $4,180.03. Of this a little more than 1,102 tons were issued, and nearly 12 tons were sold, at $3.94 per ton. In the interest of economy, an ice machine should be installed as soon as practicable.

FIRE DEPARTMENT.

The equipment for fire protection is good, but at inspection the barrack fire details were found insufficiently instructed. The chemical hand fire extinguisher in the guardhouse was not tagged to show filling during the last year. No fires occurred at this branch during the year.

MEDICAL DEPARTMENT.

The equipment of the operating room in this hospital has been much improved since last year.

On the second floor of some of the wards there was no door leading direct to the fire escape. The need of such doors is considered urgent.

Some of the hand fire extinguishers on the third floor were tagged to show that they were last filled in 1910.

The beds in some cases were not well made, and some had soiled linen. A few bed sores were found on patients who had been long confined to bed.

In some of the lavatories there was quite a wastage of water, owing to defective plumbing. The plumbing in this hospital appears to be

Digitized by Google

old, especially the faucets, and extensive repairs or replacement is needed to prevent further waste of water.

In one of the wards, not in use at the time of inspection, but being repaired, the toilet stools were found not properly cared for. The cancer and tuberculosis wards need replastering and repairing in bathroom and one of the urinals needed cleaning at inspection. In the ward for the insane and incompetents the lavatories and toilets showed lack of proper care. There is no inclosed porch for these men, nor inclosed yard, the result being that they must be kept in the ward at all times unless accompanied by a nurse or caretaker. An inclosure is necessary for their comfort and health, and should be provided with the least delay.

The slop tubs, bedpans, urinals, and stools in some of the wards of this hospital need more care. Also, some of the slop tubs are in dark places, which should be changed. Some of the walls need painting.

A number of empty whisky bottles were found in the closet of a member employee of this hospital.

More thorough inspection of this hospital by the surgeon would remedy most of the defects noted.

On June 30, 1912, there were 158 patients in hospital, 145 sick in quarters and 68 attending sick call. The daily average during the year was 224 in hospital, 154 sick in quarters, and 61 at sick call. The capacity of the hospital for patients and convalescents is 335; of combination barracks for convalescents, 171. The hospital was far from being occupied to capacity, though a number of men were observed in barracks who appeared to require hospital care.

Total number of patients admitted to hospital during year, 1,040. Total deaths of members during year, 258—207 in hospital and 51 elsewhere.

Average age at death, 71.9 years; last year, 72.02 years.

Death rate per 1,000 of average present and absent, 92.4; last year, 92.4.

Number of members buried in home cemetery during the year, 167; total number buried there, 1,649. Total capacity of cemetery as laid out, 2,112. Additional lots can be added as needed.

Average number of hospital employees, 85 members, 25 civilians, 11 women nurses. Their pay for the year was $29,795.48.

Amount expended for drugs and medicines during the fiscal year, $3,052.12; for wines and liquors, $1,914.02; for all other hospital supplies and appliances, $7,618.61.

The barracks and other buildings (including stables and barns) are inspected weekly.

The milk used is tested daily.

In the inspection of the money of the patients, kept by the surgeon of this branch, it was noted that in one case reported as incompetent, the surgeon receipted to the treasurer for $10 to be expended for the patient, which had not been taken up and accounted for on the surgeon's cash book. The surgeon stated that after looking more fully into the case he decided that the member was responsible, and turned the money over to him directly instead of making an entry of the transaction on the books. For the protection of all concerned, surgeons should make a permanent record of all moneys receipted for or turned over to them.

Digitized by Google

There are no special accommodations provided for tubercular patients. They should be transferred to one of the branches where such facilities are provided.

POST OFFICE.

There is no post office at this branch. Collection and delivery of mail are made by a carrier. The establishment of a branch post office would be a convenience to the members, and should be taken up with the proper authorities.

Except as noted herein, the general conditions at this branch are good.

---

7. MARION BRANCH, AT MARION, IND.

[Local manager, Col. Edwin P. Hammond, La Fayette, Ind.]

OFFICERS.

At the time of inspection, November 11 to 15, 1912, the officers of the branch were: Col. George W. Steele, governor; Maj. J. W. Sanderson, treasurer; Maj. Harry Miller, surgeon; Capt. John W. Miles, quatermaster and commissary of subsistence; Capt. Stuart McGowan, adjutant and inspector; Rev. D. E. Myers and Rev. Charles E. McCabe, chaplains; Capt. William H. Braunlin and Lieuts. Lloyd G. Campbell, Walter A. Braunlin, and Charles E. Peters, assistant surgeons.

Changes in officers of the branch during the past fiscal year and to date of inspection:

Losses: By transfer, assistant surgeons, Capt. James A. Mattison, to Battle Mountain Sanitarium, July 1, 1911; Lieut. Hugo O. Brown, to Southern Branch, May 21, 1912; Lieut. George C. Beach, to Southern Branch, Sept. 16, 1912.

Gains: By appointment, assistant surgeons, Lieut. George C. Beach, July 1, 1911; Lieut. Walter A. Braunlin, June 2, 1912; Lieut. Charles E. Peters, September 17, 1912.

POPULATION.

On the day of the inspection, November 11, 1912, there were present. officers and members, 1,483; absent, 404; total present and absent, 1,887.

Officers and members present and absent on June 30, 1912, 1,996, a net loss of 86 during the year.

Average present, 1,623; absent, 473; total average present and absent during the year, 2,096.

Total number temporarily cared for during year, 478. Total number cared for altogether during the year, 2,775.

Total number who served in the Spanish and subsequent wars only, 240; last year, 155; an increase of 85.

Digitized by Google

Average age of members who served in the Spanish and subsequent wars only, 45.21 years; of those who served in the Civil and prior wars, 71.47 years; of all the members (to June 30, 1912), 69.24 years.

Members admitted between June 30, 1912, and date of inspection, 217; discharged within the same period, 326; a net loss of 109.

Civilians living at this branch in quarters owned by the home, 44 men, 63 women, 4 children.

Total number of civilian employees, 73 men, 70 women.

Casualties in membership.

Loss:		
By transfer to other branches	130	
By honorable discharge	356	
By dishonorable discharge	2	
By dropped from rolls	56	
By death	233	
		777
Gain:		
By first admission	263	
By readmission	289	
By transfer from other branches	139	
		691
Net loss		86

DISCIPLINE.

The principal breaches of discipline consisted of drunkenness, bringing intoxicating liquors within the limits of the branch, and absence without leave. Total number of arrests, 556; trials for drunkenness, 361; for absence without leave, 78. Total number of members offending, 322, or 19.97 per cent of the average number of members present. Last year this percentage was 12.5.

The guards at this branch have but two reliefs for the 24 hours. These hours are long and a division into three reliefs is recommended.

LIBRARY.

Number of volumes in library at close of year, 6,194, of which 225 volumes were added during the year, none having been disposed of. Subscribed for 12 newspapers, 17 periodicals; none of either is furnished free. Number of books read or circulated during the year, 29,605.

The library at this branch is upstairs over the main dining room. This makes it very difficult if not impracticable of access to the greater part of the branch membership on account of infirmities due to old age. The beer hall, now vacant, can be easily transformed into a good reading room at small expense, and the library if moved there would be on the ground floor.

It was noted that there are but few magazines subscribed for out of the post fund at this branch.

BAND.

Average number of men in band, 17—1 member and 16 civilians. Total cost of band for the year, including subsistence and other

Digitized by Google

allowances of the civilians, $6,927.92, paid from the general and post funds. Average monthly compensation of the leader, $100; of member, $15; of other musicians, $28.87.

AMUSEMENTS.

The amusements provided for the members consist of lectures, band and auxetophone concerts, and moving-picture shows, the last named twice a week during the season. But it was noted that there had been no moving-picture shows since June, a period of about five months, and that no baseball is provided at this branch during summer, as is customary at most of the branches. It is recommended that some dramatic and vaudeville entertainments and baseball be added to the amusements at this branch, as the post fund is large. Members are admitted free to all entertainments, but officers and civilian employees pay 10 cents, and $147.35 was received from this source during the year. Expenses for amusements furnished during the year, $2,705.90, paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic, both officers of the home, and there is a double chapel (two in one building), with a seating capacity of 300 on each side. The regular services conducted are a Sunday morning service with sermon, a midweek Bible reading, and mass. Average attendance at regular services, 175 on each side of the chapel; total, 350, or about 21.71 per cent of the average number of members present. Both chaplains are members of the council of administration of the post fund.

GENERAL FUND.

Receipts of the general fund: From general treasurer, $289,225; from sales and other sources, $6,645.94; total, $295,870.94. The expenditures were $282,516.31.

The certificate on depositary statements, Form No. 66, had not been signed by the treasurer, as required, since April, 1912.

Received on posthumous accounts, $1,546.87; disbursed, $830.72.

No improvements were made during the year from special appropriations, nor were there any changes in the number and design of the buildings. Repairs to the amount of $2,730.39 were made, including the painting of barracks and quartermaster's and bandmaster's quarters and repairing the hospital and the dairy barn.

Four hundred and twenty open-market purchases were made, amounting to $12,763.03.

Daily average number of employees under the general fund, 11 officers, 228 members, 144 civilians; total, 383, whose pay for the year aggregated $111,265.51.

The average cost of maintenance per capita was $182.89, as against $173.11 for the preceding year, an increase of $9.78.

At time of inspection an examination of the treasurer's safe showed that it contained numerous papers of no apparent value—old expired insurance policies, very old vouchers, etc. The safe also

Digitized by Google

contained money in individual marked envelopes (which was not taken up on any of the cash books) as follows:

W. J. Burns, died Jan. 22, 1908		$1.75
Clothing, Kappham		.75
Charles Treux, cows		2.50
Clothing, Anderson Underwood, readmission		.75
Pension over		1.65
Slush		2.90
Transportation account rebate, John G. Krattie, B Company, Twelfth Indiana, Jan. 23, 1907		.10
Rebates, assistant surgeons' mess, June, 1912		1.54
Gillespie, clothing		1.25
Transportation rebate, David Campbell, Jan. 3, 1906		.10
Rebate, Maurice Finnesey, A, Eighteenth Pennsylvania Reserves, transportation		.05
Asa Brown, I Company, First Regiment Michigan Engineers, Dec. 20, 1902		.25
Park account:		
1911.		
Apr. 6. Sale of eggs	$1.00	
Apr. 14. Sale of eggs	1.00

		10.03
Barrack 2, Jno. R. Campbell		1.66
		25.28

The schedule and specifications for information of bidders on office supplies mentions some standard article without the words "or of equal quality," thus limiting competition.

The memorandum copy of the pay roll November 1, 1912, subsistence, was not complete, the amount paid to several persons not being filled in on the last page.

POST FUND.

Net gain for the year from the operation of the store under the post fund, $4,007.92.

The balance at date of inspection was $18,470.62, and $4,067 was due from bills receivable on account of credit extended to members. It is believed that such a large working balance is unnecessary. No other branch has nearly so much. It is recommended that the greater part of this balance be transferred to the president of the board of managers for investment and the interest received be used for providing the members of this branch with more amusements.

The storekeeper has a key to the cash register at the post-fund store and takes receipts to the treasurer's office each morning. It is believed that the treasurer or post-fund clerk should carry keys, open the cash register, and balance with the storekeeper each day as at the other branches.

Employees paid from the post fund, 11 members and 10 civilians. Their pay for the year amounted to $3,868.67. Six of these are employed in the post-fund store, which appeared an excessive number.

Digitized by Google

PENSION FUND.

On July 1, 1911, there were 1,887 pensioners on the rolls; on June 30, 1912, there were 1,821. The pensions ranged from $6 to $40 per month.

Pensioners had balances to their credit as follows: Less than $100 each, 194; between $100 and $500 each, 56; between $500 and $1,000 each, 6; more than $1,000 each, 2.

Two clerks are employed on pension business, at salaries of $360 and $300, respectively, paid from the post fund.

There was complaint at this branch of unnecessary delay in pension payments, due to slow work in the treasurer's office.

Recapitulation of receipts and expenditures.

Total balance, July 1, 1911		$84,352.81
Received from general treasurer	$289,225.00	
Received from other sources	6,645.94	
		295,870.94

Transferred, general fund	16,813.05	
		299,329.36
Disbursed, post fund		36,059.49
Disbursed, pension fund		333,712.03
Balance, June 30, 1912		83,561.53
Total		752,662.41

COAL SUPPLY.

During the inspection of this branch it developed that the coal supply was dangerously short, there being only about eight days' supply on hand and the winter very near. It appears that the contractor has had trouble on account of the coal strikes in West Virginia, where he gets his coal.

CLOTHING.

The quartermaster was unable to complete the outfit of some of the men who had recently arrived. He stated that this was due to the fact that his quarterly requisition had not yet been filled.

Some unserviceable underclothing, worn-out socks, and a number of socks too much shrunken for wear were found in the possession of a number of men in some of the companies.

LAUNDRY.

Nine men and five women are employed in the laundry. During the year $2,880 was expended for labor and $869.10 for material, total, $3,749.10, an average cost of $2.33 per member. No limit is placed upon the number of articles that members may have laundered, and members not wearing home underwear may have similar articles of underclothing laundered.

Digitized by Google

RESERVATION, BARRACKS, ETC.

The area of the reservation is 298.83 acres, and to date it has cost the United States $52,297.

There are 14 brick barracks (including a combination barrack), 6 officers' quarters (5 frame and 1 brick and frame), and 27 other buildings, all of which to date have cost the Government $794,306.89.

The barracks were originally intended to accommodate 1,460 men, and 1,429 were occupying them June 30, 1912. The average dormitory air space per man is 860 cubic feet.

The barracks at this home are generally in good condition, but there are still some poor lavatories, especially old slop sinks, some of which were in poor shape at inspection. A number of leaky spigots were found, and leaks were also discovered in the basements of two of the barracks.

At inspection a few dirty beds were found in some of the companies, and the police under and about some of the beds was poor, showing the need of more personal supervision and inspection. There were a number of vacant beds in this branch, and some of them were found with soiled linen which, in some instances, had been on the beds for a long time. One bed in each of two companies was found with bugs, and in another company there was a bed infested with roaches. A number of beds had weak springs.

The fire escapes in the barracks at this branch are iron stairways outside of the walls, one at each end, leading to the second story; and there is an iron ladder to the third story, at the back, in the center of each building, but no members are now allowed to sleep in the third stories.

In some of the companies the system of keeping record of the personal baggage and civilian clothing of the members is not good, as the responsibility does not rest upon any one individual.

There are 54 bathtubs in the barrack, or 1 to every 27 men, and 1 urinal to every 14 men. Company commanders are required to see that members bathe at least once a week. Many of the company urinals are of the trough type, in which water is running all the time. It is recommended that they be gradually replaced by the flushometer type, which are more economical in the use of water. In one of the lavatories a toilet stool was found which, it was stated, had been broken for three months.

It is recommended that the mess hall and second story of the barrack building nearest be connected by a covered way, and that this barrack be also used for old men. If insufficient, the two barracks adjoining it could be readily connected with it, thus giving three barracks connected with the mess hall. These barracks are so placed that the expense of connecting them would be small, and thus facilities would be afforded for members to go to the mess hall without going out of doors in inclement weather. Some step of this kind is necessary on account of the advancing age of members and the necessity of protecting more of the old men from exposure in bad weather during winter.

FARM.

Seventy-seven acres are under cultivation, 73 as a farm and 4 as a garden for vegetables.

Digitized by Google

Value of farm stock on hand June 30, 1912, $7,125. It consists of 5 horses, 11 mules, and a dairy herd of 64.

An average of 34 farm hands were employed—23 members and 11 civilians.

Value of farm, dairy, and garden products:	
Turned into commissary	$9,869.39
Fed to stock	3,311.33
Sold	674.27
Total	13,854.99
Expenditures under farm appropriation:	
Farm	2,547.62
Dairy	4,619.54
Vegetable garden	83.16
Lawn and flower garden	2,208.08
Transportation and teams	3,469.94
Total	12,928.34

Amount appropriated for farm, $12,500.

It was reported that the florist delivers flowers to different persons during the month, collects from them at the end of the month, and then turns the money over to the treasurer. Paragraph 379, Home Regulations, requires a list of vouchers for articles sold and it is believed that no exception should be made in case of flowers.

The herd of cows averaged 64 head during the year, and yielded 50,998⅜ gallons of milk, at a cost of 13.21 cents per gallon, considering farm products at market prices; or 12.88 cents per gallon, farm products being considered at the cost of their production by the home. Milk can be purchased by contract in the vicinity at an average price of about 18 cents per gallon. The upstairs of the barn was not found in a neat condition at this inspection.

SUBSISTENCE DEPARTMENT.

It was noted that the cost of fresh beef at this branch was appreciably in excess of its cost at any of the other branches inspected.

The chief baker and the chief cook are civilians—the former at $50 and the latter at $60 per month.

Average number of persons employed in the kitchen, 18—16 members and 2 civilians; in the dining hall, 20—2 members and 18 civilians.

Average cost of ordinary ration per day, general mess, 16.70 cents; barracks No. 14 mess, 17.89 cents; noncommissioned officers and clerks' mess, 18.35 cents; nurses' mess, 19.72 cents; commuters' mess, 18.28 cents; matron's mess, 18.39 cents. Average cost of hospital ration, including special diet purchased from the appropriation for hospital, per man per day, 19.65 cents; without special diet, 18.79 cents.

Capacity of dining hall, 1,097.

About 58,000 pounds of garbage per month is produced, and the product for the year was sold for $224.

There is no commissary officer at this branch.

ENGINEER DEPARTMENT.

Water is obtained from driven wells, and is pumped by an air-lift system into the reservoir and standpipe and distributed through the

Digitized by Google

system of iron pipes to the various buildings. The water is of good quality, but requires to be softened. The supply is sufficient in quantity. The drainage and sewerage system is in good condition. The sewage without change empties into river.

Cost of maintenance of the steam plant for the year, $16,145.77; of the lighting plant, $11,192.56.

The ice plant produced during the year 161.762 tons of ice, at a reported cost of $3.06 per ton. Of this, 112.815 tons were issued and 48.997 tons were sold at $2 per ton; that is, $1.06 per ton less than reported cost.

FIRE DEPARTMENT.

The equipment for protection against fire was found in good condition. The fire extinguishers in the barn and dairy were found without tags to indicate date of recharging, and those in the hospital were not tagged to show refilling within the last 12 months. No fire occurred at this branch during the year.

MEDICAL DEPARTMENT.

The inspector was impressed with the general cleanliness of this hospital and care given patients.

The hospital needs exterior painting. Some of the screens are worn out, and the fastenings to screens in the detention ward are not sufficient. Two of the stairways and the rubber matting on the floor of one of the wards were found not clean at inspection. Water pipes were found leaking in the hospital dark room and in one of the basements.

There are some tuberculosis patients in the hospital at this branch. It is believed that they should be transferred to the Mountain Branch or to the Battle Mountain Sanitarium, where special equipment has been provided for the treatment of such patients.

The senile and mentally deficient patients are quartered on the second floor of the upper annex. In the opinion of the inspector, it is problematical whether they all could be gotten out in case of fire. It is recommended that they be placed on the first floor. There is no inclosure where these incompetent patients can be out of doors and get the benefit of the air and sun in favorable weather, as well as outdoor exercise and recreation. Such an inclosure is badly needed and should be provided for use next summer.

The convalescent patients on the first floor of the annex have no bathtubs in their wards, as is the case in other parts of the hospital, but these patients have to go to the basement when they want to take a bath. This is considered dangerous in cold weather. The recommendation made in the last annual report of inspection of this branch is renewed; that is, that the eight bathtubs in the basement of the hospital annex be distributed among the wards on the first floor of the annex and in other places in the hospital and annex as needed.

At inspection some of the old thin mattresses were found on some of the beds in the hospital. It is recommended that all beds of hospital patients be equipped with thick mattresses.

The morgue at this branch needs a new refrigerator. The old one, lined with wood, is unsatisfactory.

On June 30, 1912, there were 236 patients in hospital, 125 sick in quarters, and 47 attending sick call. The daily average during the

Digitized by Google

year was 256 in hospital, 135 sick in quarters, and 66 attending sick call. The capacity of the hospital for patients is 271; of quarters for convalescents, 126; of combination barracks, about 180.

Total number of patients admitted to hospital during the year, 810.

Total number of deaths during the year, 233—188 in hospital and 45 elsewhere.

Average age at death, 72.51 years; last year, 72.15 years.

Death rate per 1,000 of average present and absent, 111.27; last year, 85.55.

Number of members buried in the home cemetery during the year, 143; total number buried there, 1,907. Total capacity of the cemetery, 3,000.

Average number of hospital employees, 45 members, 45 civilians, 9 women nurses; their pay for the year, $26,797.62.

Amount expended for drugs and medicines during the fiscal year, $3,191.51; for wines and liquors, $1,515.51; for all other hospital supplies and appliances, $3,883.09.

The barracks are inspected by the surgeon quarterly; the other buildings, including the stables and cow barn, are inspected monthly.

The milk used is tested daily.

Except as noted, the general conditions at this branch were found to be very good.

---

8. CENTRAL BRANCH, AT DAYTON, OHIO.

[Local manager, Lieut. Oscar M. Gottschall, Dayton, Ohio.]

OFFICERS.

The officers of the branch at the time of inspection, November 15 to 20, 1912, were: Col. W. J. White, governor; Maj. W. H. Ortt, treasurer; Maj. F. W. Roush, surgeon; Capt. E. P. Hooven, quartermaster; Capt. John Cissna, commissary of subsistence and superintendent of the post fund; Maj. A. S. Galbraith, adjutant; Capt. George T. Baggott, inspector; Rev. H. A. McDonald and Rev. B. F. Kuhlman, chaplains; Capt. Vernon Roberts, Lieuts. John P. Jones, John E. Kelly, and H. H. Ervin, assistant surgeons.

The following were the changes in the officers of the branch during the fiscal year, and to date of inspection:

Losses: By resignation, Col. A. J. Clark, governor; Lieuts. Charles F. Morris, R. J. Elliott, E. M. Clark, H. Beardall, assistant surgeons. By transfer, Capt. Benjamin F. Hayden, Lieuts. Frank A. Edwards, B. H. Frayser, E. H. Deaton, W. A. Deerhake, assistant surgeons.

Gains: By appointment, Col. W. J. White, governor; Lieuts. R. J. Elliott, John E. Kelly, W. A. Deerhake, H. H. Ervin, B. H. Frayser, E. H. Deaton, assistant surgeons. By transfer, Capt. Vernon Roberts, Lieuts. John P. Jones, H. Beardall, assistant surgeons.

POPULATION.

At date of inspection, November 16, 1912, there were present: Officers and members, 3,362; absent, 962; total present and absent, 4,324.

Digitized by Google

Officers and members present and absent on June 30, 1912, 4,336, a gain of 1 officer and loss of 48 members.

Average present, 3,358; average absent, 1,044; total average present and absent during the year, 4,402.

Total number temporarily cared for during the year, 1,202. Total number cared for altogether during the year, 5,726.

Total number who served in the Spanish and subsequent wars only, 601; last year, 458; an increase of 143.

Average age of members who served in the Spanish and subsequent wars only, 43.64 years; of those who served in the Civil and prior wars, 73 years; of all the members (to June 30, 1912), 67.92 years.

Members admitted between June 30, 1912, and date of inspection, 527; discharged in the same period, 539; a net loss of 12.

Capacity for members in addition to those present at date of inspection: Barracks, 135 vacant beds; hospital, 45 vacant beds.

Civilians living at the branch in quarters owned by the home, 76 men, 120 women, 24 children.

Total number of civilian employees, 115 men, 127 women.

Casualties in membership.

Loss:		
By transfer to other branches	195	
By honorable discharge	532	
By dishonorable discharge	21	
By dropped from rolls	199	
By death	438	
		1,385
Gain:		
By first admission	472	
By readmission	620	
By transfer to other branches	245	
		1,337
Net loss		48

DISCIPLINE.

The principal offenses were drunkenness and absence without leave. Total number of arrests, 2,632; trials for drunkenness, 866; for absence without leave, 1,520. Total number of members offending, 1,066, or 31.87 per cent of the average number present. Last year this percentage was 30.85.

LIBRARY.

Total number of volumes in the library at the close of the year, 25,852, of which 192 were added during the year. One book was lost, and was accounted for by a board of survey. Subscribed for: Newspapers, 41; periodicals, 11. Furnished free: Newspapers, 93; periodicals, 5. Reported number of books read or circulated during the year, 18,619.

BAND.

Average number of men in band, about 22, all civilians. Total cost of band for the year, including subsistence and other allowances, $11,032.02, paid from the general and post funds. Average monthly compensation of the leader, $100; of the other musicians, $32.36.

Digitized by Google

AMUSEMENTS.

The amusements provided for the members consist of plays by professional theatrical companies, moving-picture entertainments, and baseball. Four motion-picture shows are given each week from October to April, inclusive, and two each week from May to September, inclusive, on the campus. No admission fees are charged members unless they wish reserved seats, for which they are charged from 5 to 10 cents. Residents of the home (officers, members of their families, and civilian employees) are charged from 10 to 50 cents. Baseball games are played once a week from May to August, inclusive. For these games there is no charge. Receipts from amusements during the year, $374.25; expenses, $8,193.34, paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic, both officers of the home, and two chapels. Capacity of Protestant chapel, 450; of Catholic chapel, 550. The regular services conducted are: Protestant, two regular Sunday services and one midweek service; Catholic, three regular Sunday services, two daily morning services, and one midweek evening service. Total average attendance at regular services, 925, or about 27.65 per cent of the average number of members present.

GENERAL FUND.

The receipts of the general fund were: From general treasurer, $582,825; from sales and other sources, $17,952.12; total, $600,777.12. The expenditures were $589,178.29.

Received on posthumous account, $4,814.35; disbursed, $2,787.14.

No improvements were made during the year from special appropriations, and there were no changes in the number or design of buildings. Repairs to the amount of $13,004.88 were made during the year, including steel ceilings in hospital wards and mess hall, painting barracks and quarters, sanitary floors in hospital and mess-hall kitchens.

Four hundred and eighty open-market purchases were made during the year, aggregating $17,327.92.

Average daily number of employees under the general fund during the year, 14 officers, 526 members, 224 civilians; total, 764. Their pay for the year aggregated $196,431.78.

The average cost of maintenance for the year, per capita, was $185.96, as against $173.56 for the preceding year, an increase of $12.40.

POST FUND.

The operations of the store and hotel under the post fund for the year resulted in a net gain of $4,109.06.

Employees paid from the post fund, 45—26 members and 19 civilians. Their pay for the year amounted to $8,766.55.

At the time of inspection the receipts from sales at restaurant were not always rung up in the cash register when the sales were made, thus defeating the check involved in the use of the machine.

Digitized by Google

PENSION FUND.

On July 1, 1911, there were 3,856 pensioners on the rolls; on June 30, 1912, there were 3,894. The pensions ranged from $6 to $55 per month.

Pensioners had balances to their credit as follows: 314 each had less than $100; 118 each had between $100 and $500; 35 each had between $500 and $1,000; 6 had each more than $1,000.

Two clerks are employed on pension business. Their salaries aggregate $1,800 a year and are paid from the general fund.

Recapitulation of receipts and expenditures.

Total		1,515,430.29

PROPERTY, ETC.

There is no timekeeper at this branch to check the presence of employees against the reports made by foremen.

The schedule for the information of bidders for office supplies mentions the particular make wanted, but does not contain the words "or equal," thus limiting competition.

CLOTHING.

Some clothing, chiefly underwear and especially socks, was found in the possession of men in a number of companies, which should have been exchanged for more serviceable articles.

LAUNDRY.

Thirty-one men and eight women are employed. During the year $5,670.63 was expended for labor and $1,586.32 for material; total $7,256.95, an average cost of $2.17 per member. No limit is placed upon the number and kind of articles that members may have laundered.

RESERVATION, BARRACKS, ETC.

The area of the reservation is 578.28 acres. It has cost the United States to date $88,445.30.

There are 24 barracks (17 brick, 7 frame), 9 officers' quarters (8 frame, 1 brick), and 43 other buildings (20 frame and 23 brick), the

Digitized by Google

total cost of which to the United States to date was reported as "not known."

The barracks were originally intended to accommodate about 3,400 men, and 2,517 were occupying them. The average dormitory air space per man is about 900 cubic feet. The air space per bed is too small on the upper floor of Barrack No. 9. An actual measurement showed the air space per bed to be 688 cubic feet. This is due to the low ceiling, which is but 7 feet over part of the upper floor and 8 feet over the remainder. The number of beds should be reduced on this floor.

There are 57 bathtubs in the barracks, 22 in the central bathhouse, 1 in guard headquarters, and 2 in the power house, a total of 82. Average number of men to each bathtub, about 46; to each urinal, about 19. The central bathhouse should be abolished and its bathtubs utilized in barracks now without tubs. Company commanders are required to see that members bathe at least once each week, but as a rule no actual check is kept.

Companies Nos. 5, 11, 12, and 17 are all in old wooden frame buildings without bathtubs. These barracks are in serviceable condition, but are not so comfortable as the newer type. They are not worth what it would cost to modernize them, but they could be equipped with baths at very small expense by taking the tubs necessary for the purpose from the central bathhouse, where the men of these companies and those of No. 9 have now to go for their baths.

This should be done or these barracks vacated and closed, as to go from one building to another for a bath in winter is considered a hazardous proceeding. As the membership of this branch decreases these barracks should be closed and taken down.

Company No. 9 is housed in a very large brick barrack, and, in addition to being short of air space, it is insufficiently equipped with fire escapes from the top floor. It has one, but on account of the great size of the barrack, another is recommended. There are no bathtubs in this barrack, but as the building is brick it should be made modern and comfortable and retained as one of the permanent barracks.

There are two combination barracks at this branch, Nos. 7 and 8, used for the accommodation of very old members. These are both equipped with kitchens and dining rooms and are very comfortable. About half the mattresses in each of these barracks are thin ones, which should be exchanged for thick ones. The dining rooms, kitchens, and basements of these two buildings need to be screened.

It is recommended that additional combination barracks be provided at this branch by adding a kitchen between two of the old barracks and connecting them. Barracks No. 23 and No. 25 lend themselves readily to this plan and would not involve any large cost.

For the better segregation and control of men with the drink habit, it is recommended that a kitchen and dining room be added to Barrack No. 13. In Barrack No. 22 the walls are cracking considerably. They should be examined and braced if necessary. A leak was found in the cellar of Barrack No. 17.

There was a leaking faucet in one of the lavatories of the quarters occupied by Company No. 1. Kalsomining is needed in this building, especially in the top story. Some of the plumbing in this barrack is old and should be replaced.

Digitized by Google

The fire escape from the third floor of Company No. 4 quarters is a ladder. This should be replaced at once by a stairway, or else members should not be permitted to sleep on that story.

In one of the barracks the door leading to the fire escape on the top floor was found locked at inspection. This is a dangerous practice.

Company No. 2 has a bad fire escape, there being no landing at the top of the stairway on the second story, but one steps from the room directly down to the steps. The fire escape from the third story is a ladder, as in the case of Company No. 4, and should be replaced without delay by a stairway or members be prohibited from sleeping on that floor. The fire escapes in Company No. 21 are poorly placed. They should be at the ends of the wings farthest from the main stairway.

There are still in use at this home a large number of old narrow bedsteads and thin mattresses; also, a number of bedsteads, both old and new, were found with weak springs.

A number of vacant beds were found in the barracks of the branch with mattresses folded up and chairs placed on the mattresses or on the springs. This method of caring for vacant beds is believed to be bad, liable to injure mattresses and springs.

A number of beds at this home were found without spreads. Investigation of the matter showed that the quartermaster was unable to furnish them.

In a few of the barracks an occasional dirty bed was found, and some of the lavatories were not as clean as they should be, especially under the wooden gratings beneath the urinals, indicating insufficient supervision on the part of company commanders.

At the inspection of the old beer hall building roaches were found in the walls of the barber shop in the south end. The center of the building is used as a general trunk storage. A member has charge of it, but does not keep a sufficient record, in that he takes no receipt when trunks are removed. The floor of this building has holes in it and is badly in need of repairs. A very foul stool (toilet) was found in the north end of the building. A number of the new type of woven-wire springs were found in storage near the trunks; also a number of good tables and counters. All of these articles should be made use of, especially the bed springs, as they are fitted with a device for tightening them and should take the place of loose springs on beds.

FARM.

Fifty acres are plowed, 120 acres in meadow, and 100 in pasture. There is no vegetable garden.

Seventy-eight farm hands, on an average, were employed—67 members and 11 civilians.

Value of farm stock on hand June 30, 1912, $6,160, consisting of 25 horses and 61 cows.

Value of farm, dairy, and garden products:

Turned into commissary	$11,682.81
Fed to stock	300.23
Sold	232.00
Total	12,215.04

Digitized by Google

Expenditures under farm appropriation:

Farm	$1,202.94
Dairy	9,938.32
Lawn and flower garden	8,509.04
Transportation and teams	7,090.79
Total	26,741.09

The amount appropriated for farm was $24,500.

During the year the herd of cows averaged 78 head and yielded 64,904½ gallons of milk, at a cost of 12.88 cents per gallon, considering farm products at market prices, or 13.62 cents per gallon, farm products being considered at the cost of their production by the home. The market price of milk by contract is 18 cents per gallon.

SUBSISTENCE DEPARTMENT.

The chief baker, at $50 per month, and the chief cook, at $75 per month, are civilians.

Average number of persons employed in the kitchen, 37—6 civilians and 31 members; in the dining hall, 96—41 men and 55 women. The main dining room of this branch is not screened. The capacity of the dining hall is 2,064.

Average cost of ordinary ration per day, general mess, 17.34 cents; Franklin mess, 16.57 cents; Harris mess, 16.31 cents; noncommissioned staff mess, 18.35 cents; nurses' mess, 16.71 cents; Mrs. Miller's and druggists' mess, 23.58 cents; hotel employees' mess, 15.73 cents. Average cost of hospital ration, including special diet purchased from appropriation for hospital, per man per day, 22.8 cents; without special diet, 21.73 cents.

The excessive cost of the druggists' mess in comparison with the general-mess cost is noted.

Estimated weight of garbage produced each month, 118,000 pounds. The year's product was sold for $365. There was some complaint of waste of swill at this branch, but frequent examinations by the inspector failed to develop evidence to sustain this charge.

ENGINEER DEPARTMENT.

There is a pumping and stand-pipe system for the supply of water, which is chiefly obtained from eight wells situated 1⅓ miles from the home. This water is of good quality, but requires softening. At the time of inspection these wells were operated by suction, and not by means of the air-lift system which had recently been installed. The water supply at present is not satisfactory. The wells do not always furnish sufficient water for all purposes, but have to be helped out at times by pumping from the lake. The lake water, being partly surface drainage, can not be relied on as fit for domestic consumption. The problem is being solved by putting in extra piping so as to keep the two kinds of water separate, the lake supply to be restricted to irrigation, laundry, and other nondomestic purposes. The inspector was informed that the air-lift system had worked badly, and is more expensive than the suction method. One of the two boilers at the wells was in operation and gave evidence of needing repairs. At the dairy water runs at all times in the troughs in the yard. It also runs without ceasing in the fountain near the boiler

Digitized by Google

house. At the greenhouse water was leaking in the cellar, and it was also leaking in the cellar of the laundry and in the stables. It is believed that there is an unnecessary waste of water going on at this branch.

The gravity system of drainage and sewerage was in good condition.

The cost of maintenance of the steam plant for the year was $72,173.70; of the lighting plant, $13,324.19.

During the year 674 tons of ice were manufactured, at a cost of about 90 cents per ton. Of this 470 tons were issued, and 204 tons were sold at cost.

FIRE DEPARTMENT.

At fire drill too much time was consumed in getting streams of water from hydrants upon designated buildings. Some of the chemical hand fire extinguishers were found without tags to indicate the date of charging. A fire hose was found in the basement of the hospital marked in July, 1912, by the examining engineer as unserviceable, but not removed nor replaced at date of inspection, November 16, 1912. Otherwise the equipment as well as the organization for fire protection seemed ample. No fires are reported as having occurred at this branch during the fiscal year.

MEDICAL DEPARTMENT.

The hospital was short in its authorized medical staff at the time of the inspection, owing, it is said, to a number of transfers and resignations, and also to the difficulty of securing at short notice competent assistant surgeons to fill vacancies.

The chief needs of this hospital are better floors in the lavatories between wards 16 and 18 and 17 and 19. The present floors consist of old large tiles, and are uneven and insanitary.

At the time of inspection extensive repairs were being made in the main building, but some of the outside wooden buildings used as wards and quarters are also in need of paint and repairs, chiefly in the lavatories.

The quarters of the women employees in the main hospital building were not in good repair. They need painting and calcimining. There was a leak in one of the slop tubs in one of the toilet rooms, also in the cellar of the nurses' quarters.

The walls of the mortuary chapel are scaling and pitting and in need of repairs. Ward No. 6 needs painting and calcimining. The woodwork of the hospital kitchen needs painting. At the time of inspection one of the elevators in the hospital was out of condition. It is recommended that all elevators be made the subject of frequent and regular examination by the chief engineer.

Some of the beds in this hospital were found with very loose springs.

On June 30, 1912, there were 469 patients in hospital, 397 sick in quarters, and 164 attending sick call. The daily average during the year was 469 in hospital, 439 sick in quarters, and 173 attending sick call.

The capacity of hospital for patients is 600; of quarters for convalescents, 151; of combination barracks, 362. The tubercular cot-

Digitized by Google

tage has a capacity for 28 patients, and at the time of inspection it was occupied by 21. It is in good condition, but should have the porches in front of the sleeping quarters of the patients screened in summer.

Total number of patients admitted to the hospital during the year, 2,079. Total number of deaths during the year 438—314 in hospital and 124 elsewhere.

Average age at death, 73 years; last year, 72+ years.

Death rate per 1,000 of average present and absent, 99.50; last year, 107.59.

Number of members buried in the home cemetery during the year, 273; total number buried there, 10,481. The cemetery can be enlarged to any desired extent.

Average number of hospital employees, 115 members, 78 civilians, 19 women nurses. Their pay for the year aggregated $49,205.11.

Amount expended for drugs and medicines during the fiscal year, $2,563.18; for wines and liquors, $2,197.60; for all other hospital supplies and appliances, $10,683.39. In the verification of whisky the amount on hand was about 4 gallons short of the accountability.

One or more of the barracks are inspected weekly by the surgeon. All the buildings, including the stables, are inspected at least once each quarter. The cow barn is inspected monthly.

The milk used is tested daily.

The general conditions at this branch were satisfactory, except as noted.

---

9. MOUNTAIN BRANCH, AT JOHNSON CITY, TENN.

[Local manager, Dr. Z. D. Massey, Sevierville, Tenn.]

OFFICERS.

At time of inspection, November 21 to 25, 1912, the officers of the branch were: Col. John P. Smith, governor; Maj. Oliver K. Marshall, treasurer; Maj. J. C. Butler, surgeon; Capt. W. E. F. Milburn, quartermaster; Capt. Kyle M. King, commissary of subsistence and superintendent of post fund; Capt. Charles Y. Deaderick, adjutant and inspector; Rev. James A. Ruble, Rev. John F. Hardeman, chaplains; Capt. W. T. Erwin, Lieuts. J. R. Pierce and Emmett E. Byrd, assistant surgeons.

The changes in officers during the fiscal year and to date of inspection were: October 3, 1911, Lieut. Reese W. Patterson appointed assistant surgeon, vice Lieut. W. H. Delap, resigned; November 11, 1911, Lieut. Oscar S. Hawk appointed assistant surgeon, vice Lieut. Reese W. Patterson, resigned; November 20, 1911, Maj. Oliver K. Marshall appointed treasurer, vice Maj. Oscar L. Hicks, resigned; January 1, 1912, Lieut. Jacob R. Pierce appointed assistant surgeon, vice Lieut. Henry P. Dulaney, transferred to Danville Branch; May 25, 1912, Lieut. Ben V. Howard appointed assistant surgeon, vice Lieut. Oscar S. Hawk, resigned; August 16, 1912, Lieut. Rupert H. Fike appointed assistant surgeon, vice Lieut. Ben V. Howard, resigned; October 1, 1912, Lieut. Emmett E. Byrd appointed assistant surgeon, vice Lieut. Rupert H. Fike, resigned.

Digitized by Google

POPULATION.

On the day of the inspection, November 22, 1912, there were: Present, officers and members, 1,200; absent, 463; total present and absent, 1,663.

Officers and members present and absent on June 30, 1912, 1,724, a net loss of 126 during the year.

Average present, 1,482; average absent, 444; total average present and absent, 1,926.

Total number temporarily cared for during the year, 867. Total number cared for altogether during the year, 2,757.

Total number who served in the Spanish and subsequent wars only, 572; last year, 505; an increase of 67.

Average age of members who served in the Spanish and subsequent wars only, 43.6 years; of those who served in the civil and prior wars, 70.5 years; of all members (to June 30, 1912), 64.8 years.

Members admitted between June 30, 1912, and date of inspection, 297; discharged during the same period, 358; a net loss of 61.

Capacity for members, in addition to those present at date of inspection: Barracks, 858; hospital, 76.

Civilians living at this branch in quarters owned by the home, 71 men, 81 women, 20 children.

Total number of civilian employees, 105 men, 65 women.

Casualties in membership.

Loss:		
By transfer to other branches	261	
By honorable discharge	485	
By dishonorable discharge	19	
By dropped from rolls	107	
By death	156	
		1,028
Gain:		
By first admission	232	
By readmission	363	
By transfer from other branches	307	
		902
Net loss		126

DISCIPLINE.

The principal offenses against discipline were drunkenness, bringing intoxicating liquors within the limits of the branch, and absence without leave. Total number of arrests, 582. Trials for drunkenness, 253; for absence without leave, 197. Total number of members offending, 375, or 25.5 per cent of the average present. Last year this percentage was 16.96.

LIBRARY.

Number of volumes in the library at the close of the year, 11,998, of which 18 were added during the year and 250 volumes condemned during the same period. Subscribed for, 9 newspapers and 20 periodicals; furnished free, 5 newspapers and 3 periodicals. Number of books read or circulated during the year, 23,891.

BAND.

Average number of men in band, 14—1 member and 13 civilians. Total cost of the band for the year, including the subsistence and

Digitized by Google

other allowances of the civilian musicians, $6,891.42, paid from the general fund. Average monthly compensation of leader, $100; of member, $17.50; of other musicians, $29.89.

AMUSEMENTS.

The amusements provided for the members consist of theatrical entertainments, moving-picture shows, baseball games, and band concerts. Including the band concerts, it was reported that there is an average of 11 entertainments per week. There is no charge for admission to members, except 10 cents for reserved seats at theatrical entertainments. All others pay admission. Receipts from this source for the year, $11,038.72. Expenses for amusements during the year, $12,468.50, paid from the post fund. The large receipts at this branch are due to the fact that the people of Johnson City liberally patronize the theater in Memorial Hall.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic, both officers of the home. The two chapels have a seating capacity of 300 each. The Protestants have regular Sunday and midweek services; the Catholics have daily masses and other services of their church. Reported average attendance at regular services: Protestant, 200; Catholic, 200; total, 400, or, altogether, above 27.17 per cent of the average number of members present. The duties other than religious of the chaplains consist of service as members of the council of administration of the post fund.

GENERAL FUND.

The receipts of the general fund were: From general treasurer, $284,666.89; from sales and other sources, $7,688.25; total, $292,-355.14. The expenditures were $283,929.24.

Received on posthumous account, $1,657.04; disbursed, $856.23.

No improvements were made during the year from special appropriations, and there were no changes in the number or design of buildings. Repairs to the amount of $10,966.14 were made, and included sheet copper flooring of the upper deck, hospital corridor, $1,550; replastering, $2,060.07; repainting, $6,881.07; repairs to quarters of civilian employees, $475.

Two hundred and sixty-three open-market purchases were made during the year, which cost in the aggregate $10,837.96.

There were employed during the year under the general fund a daily average of about 11 officers, 200 members, and 165 civilians, a total of 376. Their pay aggregated $112,782.31.

The average cost of maintenance per capita was $205.08, as against $191.11 for the previous year, an increase of $13.97.

POST FUND.

A net gain of $1,213.08 was reported as resulting from the operations of the store and hotel under the post fund.

Employees paid from the post fund, 14 (4 members and 10 civilians), whose pay for the year amounted to $3,000.65.

Digitized by Google

It was noted that the storekeeper at the post-fund store receives a compensation in excess of that paid for similar services at other branches where the business is larger.

PENSION FUND.

On July 1, 1911, there were 1,626 pensioners on the rolls; on June 30, 1912, there were 1,475; the pensions ranging in amount from $3 to $72 per month.

Fifty-five pensioners each had balances of less than $100 to their credit; 17 each had between $100 and $500; one had more than $1,000.

One clerk is employed on pension business at a yearly salary of $900, paid from the general fund.

Recapitulation of receipts and expenditures.

Total balance July 1, 1911		$30,760.40
Received from general treasurer	$284,666.89	
Received from other sources	7,688.25	
		292,355.14
Received from post fund		34,281.69
Received from pension fund		284,189.56
Total		641,586.79
Disbursed, general fund	$283,929.24	
Transferred, general fund	11,602.33	
		295,531.57
Disbursed, post fund		34,373.26
Disbursed, pension fund		284,938.71
Balance June 30, 1912		26,743.25
Total		641,586.79

CLOTHING.

A number of uniforms badly in need of cleaning and repairs were observed at inspection. Also, some worn-out underclothing and a few blouses and trousers, and some socks too much shrunken for service were noted in the possession of members. The inspector was informed that the quartermaster had been unable to exchange this clothing, as the quarterly supply had not arrived in time.

LAUNDRY.

Eleven men and four women are employed in the laundry. During the year $2,506.26 was expended for labor and $600.36 for material; total, $3,106.62, an average cost per member of $2.11. There is no limit on the number and kind of articles of home clothing that members may have laundered.

RESERVATION, BARRACKS, ETC.

The area of the reservation is 447.48 acres. It has cost the United States $29,356.50 to date.

Digitized by Google

There are 7 brick barracks, 1 brick guard barrack, 9 frame officers' quarters, and 39 other buildings—24 brick and cement and 15 frame—the total cost of which from Government appropriations is $1,877,271.90 to date.

The barracks were originally intended to accommodate 1,816 men, and were occupied by 971 on June 30, 1912. The average dormitory air space per bed is 900 cubic feet.

There are 36 bathtubs in the barracks, which allows 1 tub for every 30 men of the present membership, or 1 tub to every 60 men when the barracks are filled to capacity. Each ward is equipped with a shower in addition to a tub. The shower baths are not used by the old men, and should therefore be replaced by tubs, as the present number of tubs is hardly sufficient to afford bathing facilities for all, should there be a full membership. All members are required to bathe at least once a week, but no record of the baths taken are kept in the companies. There are 8 men to each urinal.

There are 2 empty barracks at this branch, both excellent modern buildings. One is a combination barrack; the other a 1-company barrack, without kitchen and dining room. In addition to the vacant barracks, several wards and a number of beds are vacant in the other barracks.

In the 1-company barracks there are no fire escapes. The buildings are only 2 stories high; but, in view of the age and infirmities of some of the members, some means of escape in addition to the central stairway is believed necessary.

With few exceptions the mattresses in the barracks are all thin, though the bedsteads are of the new wide model. In some of the companies a few beds in bad condition were noted, showing the need of more supervision and assistance, especially in the case of a bed occupied by a blind member. A few beds were also found with indications of bugs.

Many chairs were found in the barracks with old, worn-out cushions, or padded with old papers, rags, etc. This condition is insanitary and should be corrected by company commanders. The general depot now supplies cushions, but the inspector was informed that the quartermaster had failed to furnish any for some months past.

In one of the companies there were many dirty spittoons.

FARM.

One hundred and nineteen acres are under cultivation—40 in grain, 64 in grass, and 15 as a garden for vegetables and vineyard. There are also 92 acres in pasture.

Value of farm stock on hand June 30, 1912, $7,701.50, consisting of 7 horses, 6 mules, and a dairy herd of 90.

Forty-two farm hands were employed during the year—25 members and 17 civilians.

Value of farm, dairy, and garden products:

Turned into commissary	$11,430.00
Fed to stock or on hand	3,166.90
Seven cows put in use	420.00
Sold	1,551.34
Total	16,568.24

Digitized by Google

Expenditures under farm appropriation:

Dairy	7,955.34
Vegetable garden	468.42
Lawn and flower garden	3,349.93
Transportation and teams	4,730.11
Total	20,118.00
Farm	$3,614.20

The amount appropriated for farm was $20,000.

The average number of cows in the herd was 70, and during the year they yielded 58,076½ gallons of milk, at a cost of 14.08 cents per gallon, considering farm products at market prices, or 14.65 cents per gallon, farm products being considered at the cost of their production. Milk can be purchased by contract at 20 cents per gallon.

SUBSISTENCE DEPARTMENT.

The chief baker is a civilian, at $50 per month, and the chief cook is a member of the home, at $40 per month. It is again recommended that a first-class civilian cook be provided at this branch.

Average number of persons employed in kitchen, 23—22 men (16 members and 6 civilians) and 1 woman; in dining hall, 27—7 men (3 members and 4 civilians) and 20 women. The dining hall can seat 880 persons. Average cost of ration per day: General mess, 18.06 cents; noncommissioned officers' mess, 19.43 cents; tuberculosis ward mess, 30.43 cents; nurses' mess, 17.49 cents. Average cost of hospital ration per man per day, including special diet purchased from the appropriation for hospital, 24.8 cents per day; without special diet, 24.02 cents per day.

An estimated weight of 50,000 to 60,000 pounds of garbage is produced each month, and is sold on annual contract. The year's product brought $201.48.

At time of inspection there was an excessive amount of provisions on hand.

ENGINEER DEPARTMENT.

Water is supplied by a gravity system, and is purchased at a cost of $6,000 a year. The supply is not satisfactory, as it runs short in dry seasons. The inspector was informed that at time of inspection the supply was so short that it would be insufficient in the event of a serious fire. In spite of the fact that the contract calls for delivery in such quantities as may be required for all purposes, there is the present shortage, and a similar one existed at last year's inspection. The water in the public lavatory for women, near the greenhouse, runs constantly to prevent freezing. In winter these lavatories might be closed and the water cut off, as is done at other branches. The flushometer type of stool should be installed, as otherwise too much water is wasted. Two spigots out of order and with running water were found in the tubercular cottage, and one spigot with hot water running in the headquarters building.

The system of drainage consists of rain-water drains for surface water, and a septic tank with contact beds and sand filter for sewage. The septic tank at the filtration plant needed cleaning and the contact beds were not in full operation at time of inspection.

Digitized by Google

Cost of maintenance of the steam plant for the year, $29,728.30; of the lighting plant, $7,225.03. One boiler at the power house was undergoing repairs due to a recent blow-out.

During the year 490 tons of ice were manufactured at a cost of 72.41 cents per ton. Of this about 397 tons were issued and about 93 tons were sold at the cost of production.

FIRE DEPARTMENT.

The company fire details are not sufficiently instructed in the use of the hand fire apparatus in the company barracks. The water valves of the bracket hose in barracks are too high to be reached from the floor. The hand fire extinguishers in one of the companies were not tagged to show the date of last recharging. The organization and equipment for general protection against fire was tested by the inspector by a drill and appeared efficient.

No fires occurred at this branch during the year.

MEDICAL DEPARTMENT.

The condition of this hospital at inspection attests a highly efficient management.

The porch surrounding one of the wards is being inclosed so as to give incompetent patients an opportunity to be out of doors, and an exit is being made from the inclosed porch to the interior courtyard of the hospital, where this class of patients may walk about and recreate themselves.

On June 30, 1912, there were 171 patients in the hospital, 34 sick in quarters, and 19 attending sick call. The daily average during the year was 217 in hospital, 39 sick in quarters, and 43 attending sick call.

The capacity of the hospital for patients is 250; of combination barracks, 200. Convalescents find quarters in the hospital.

There is a tubercular cottage with a normal capacity for 57 patients, which was occupied by 44 patients at the time of the inspection. Men from the tubercular cottage who require disciplining are sentenced to ward No. 1 of the hospital, where the very ill tubercular patients are cared for. This is believed to be a bad practice, as the bed patients are disturbed thereby. Some place ought to be provided for patients requiring discipline other than in a hospital ward with other sick people.

Total number of patients admitted to the hospital during the year, 689. Total deaths of members during the year 156—126 in hospital and 30 elsewhere.

Average age at death: Soldiers of the Civil War, 71 years; of other wars, 39.3 years. Last year the average age of all members at death was reported as 65.33 years.

Death rate per 1,000 of average number present and absent, 81.46; last year, 73.04.

Number of members buried in the home cemetery during the year, 116; total number buried there, 654. Total capacity of the cemetery, 8,167 graves. At the time of inspection a lot of surplus earth left over from filling graves had not been removed from the cemetery.

Digitized by Google

Average number of hospital employees, 39 members, 35 civilians, 10 women nurses. Their pay for the year was $22,657.31.

Amount expended for drugs and medicines during the fiscal year, $1,833.10; for wines and liquors, $675.02; for all other hospital supplies and appliances, $3,692.82.

The barracks and other buildings, including the cow barns and the stables, are inspected quarterly by the surgeon.

The milk used is tested daily.

This branch of the home is far from being filled to its capacity. The barracks are modern and most comfortable, especially the vacant combination barrack, and should be made use of, if practicable. It is recommended that the membership of this branch be increased.

Except as noted, the general conditions at this branch were very good.

---

10. SOUTHERN BRANCH, NEAR HAMPTON, VA.

[Local manager, Hon. Franklin Murphy, Newark, N. J.]

OFFICERS.

The officers of the branch at the time of inspection, December 2 to 5, 1912, were: Col. Thomas T. Knox, governor; Maj. F. E. Skinner, treasurer; Maj. L. A. Thompson, surgeon; Capt. David C. Spencer, quartermaster; Capt. E. B. White, commissary of subsistence; Capt. L. M. Parker, adjutant and inspector; Rev. J. Martyn Neifert, chaplain; Capt. A. W. Bartel, Lieuts. H. O. Brown, George C. Beach, and H. S. Smythe, assistant surgeons.

Changes in officers since July 1, 1911, to date of inspection: Maj. F. E. Skinner, quartermaster, promoted to treasurer, vice Maj. John T. Hume, deceased; Capt. David C. Spencer, commissary of subsistence, promoted to quartermaster, vice Maj. Skinner, promoted; Capt. I. H. Wise, appointed commissary of subsistence, vice Capt. Spencer, promoted; Capt. E. B. White appointed commissary of subsistence, vice Capt. Wise, resigned; Lieut. Hugo O. Brown, assistant surgeon, transferred from Marion Branch, vice Lieut. S. A. Milligan, assistant surgeon, transferred to Pacific Branch; Lieut. H. S. Smythe, appointed assistant surgeon, vice Lieut. J. P. Jones, assistant surgeon, transferred to Central Branch; Lieut. George C. Beach, assistant surgeon, transferred from Marion Branch, vice Lieut. J. R. Frow, assistant surgeon, resigned.

POPULATION.

On the day of inspection, December 2, 1912, there were present: Officers and members, 2,033; absent, 586; total present and absent, 2,619.

Officers and members present and absent on June 30, 1912, 2,630, a net loss of 88 during the year.

Average present, 2,036; average absent, 675; total average present and absent during the year, 2,711.

Digitized by Google

Total number temporarily cared for during the year, 419; total number cared for altogether during the year, 3,569.

Total number who served in the Spanish and subsequent wars only, 206; last year, 96; an increase of 110.

Average age of members who served in the Spanish and subsequent wars only, 46.34 years; of those who served in the civil and prior wars, 70.57 years; of all the members (to June 30, 1912), 69.05 years.

Members admitted between June 30, 1912, and the date of inspection, 324; discharged during the same period, 335—a net loss of 11.

Capacity for members in addition to those present at date of inspection: Barracks, 475; hospital, 15 patients, 33 employees.

Civilians living at this branch in quarters owned by the home, 34 men, 71 women, and 11 children.

Civilian employees, 98 men, 92 women.

Casualties in membership.

By transfers to other branches	92	
By honorable discharge	385	
By dishonorable discharge	5	
By dropped from rolls	164	
By death	287	
		933
Gain:		
By first admission	396	
By readmission	331	
By transfer from other branches	118	
		845
Net loss		88

DISCIPLINE.

The principal offenses against discipline at this branch consisted of drunkenness, absence without leave, and bringing whisky into the home grounds. Total number of arrests, 852. Trials for drunkenness, 462; trials for absence without leave, 193. Total number of members offending, 379, or 18.71 per cent of the average number of members present. Last year this percentage was 26.59.

LIBRARY.

Number of volumes in the library at the close of the year, 8,914, of which 413 were added during the year, while 430 volumes were condemned and 2 volumes were lost and paid for. Subscribed for, 21 newspapers and 21 periodicals. Furnished free, 95 newspapers, no periodicals. Number of books read or circulated during the year, 16,431.

The library is upstairs. It should be on the first floor, and it is recommended that it be removed there as soon as practicable, as many of the old men are unable to take advantage of it on account of the necessity of having to climb the stairs.

BAND.

Average number of men during the year, 21—1 member and 20 civilians. Total cost of the band for the year, including the sub-

Digitized by Google

sistence and other allowances of civilian musicians, $9,769.40, paid from the general fund and the post fund. Average monthly compensation of leader, $100; of member, $15; of other musicians, $29.78.

AMUSEMENTS.

The amusements provided for the members consist of theatrical entertainments, moving pictures, lectures, band concerts, fireworks on July 4, ball games, billiards, pool, cards, checkers, and chess. Members in uniform are admitted free to all entertainments, but are charged 10 cents when they wish reserved seats; others pay from 20 cents to $1 for admission and reserved seats, and the receipts from this source amounted to $1,340.45 for the year. There are 8 theatrical entertainments and 2 lectures from September to June, and moving pictures weekly from October 1 to May 31. The cost of amusements for the year was $5,857.45 and was paid from the post fund.

RELIGIOUS SERVICES.

There are two chaplains, Protestant and Catholic. The Catholic chaplain, who is not an officer of the home, receives an annual compensation of $1,200. The two chapels each have a seating capacity of 400. The Protestants have services on Sunday morning and evening and Wednesday prayer meetings; the Catholics have four services weekly. The average attendance at regular services is about 400, or 19.75 per cent of the average number of members present at the home. The Protestant chaplain is the recorder of the council of administration, post fund.

GENERAL FUND.

The receipts of the general fund were: From general treasurer, $528,400.37; from sales and other sources, $11,376.95; total, $539,777.32. The expenditures were $489,442.14.

Received on posthumous account, $2,506.31; disbursed, $1,069.79.

The improvements made during the year from special appropriations were: Addition to and renewal of nurses' cottage, $511; three barracks, $88,218.54; a bridge across Johns Creek, $15,899.64; total, $104,629.18.

During the year the following changes in the number or design of buildings were made: Sold and removed, one brick barrack (old main building) and one frame building (quarantine cottage); torn down, one small frame building (old guard box at Phoebus Gate); constructed, three brick barracks and one reenforced concrete guard box at Phoebus Gate. These changes have greatly improved the branch. The new barracks are considered models in arrangement and comfort.

The repairs made during the year aggregated $13,268, and included the painting of 34 buildings, $4,200; remodeling the steam heating system in the general mess hall and Barrack L, $5,240; repairs to hospital, $1,594, and to ice plant in hospital, $1,770.

Two hundred and three open-market purchases, amounting to $4,415.08, were made during the year.

Digitized by Google

There were employed during the year under the general fund a daily average of 11 officers, 327 members, and 174 civilians; total, 512. Their pay for the year amounted to $131,896.94.

The average cost of maintenance per capita was $195.12, as against $178.10 for the preceding year, an increase of $17.02.

POST FUND.

It was reported that a net gain of $2,565.52 resulted from the operations of the store and hotel under the post fund during the year.

Employees paid from the post fund, 15 members and 12 civilians. Their pay for the year amounted to $5,765.26.

PENSION FUND.

On July 1, 1911, there were 2,493 pensioners on the rolls; on June 30, 1912, there were 2,387. The pensions ranged in amount from $6 to $50.

Pensioners had balances to their credit as follows: 278 had each less than $100; 99 had each between $100 and $500; 8 had each between $500 and $1,000; 2 had each $1,000 or more, and 1 of these had $3,150.

There are two clerks employed on pension business, one at $900 and the other at $300. They are paid from the general fund.

Ink eradicator or eraser is used on pension pay rolls in changing amounts in the column "Allowed by governor." It is believed that any alterations in the amounts originally entered as allowed should be made by running a line through them and interlining and initialing the correct amounts.

When a pensioner for whom money is drawn is not paid on the roll a red-ink notation "redeposit" is made, but the signature is not ruled out. The money, however, is not in all cases redeposited, but is sometimes used to pay other pensioners who are entered on the rolls after a check for cash for payment of pensions has been drawn. If a pensioner is not paid after he has signed the roll his name should be ruled out, and the notation "redeposited" should be made only in case of actual redeposit of the money.

Recapitulation of receipts and expenditures.

CLOTHING.

Several members were found without uniforms, as they required special sizes. These had been requisitioned for, but it appears that there is much delay in getting this class of clothing from the depot.

In several of the companies the clothing of some of the older men showed the necessity of more careful inspection and supervision on the part of the company officers, much of it being in an unserviceable condition, especially the underclothes and socks.

LAUNDRY.

Seven men and five women are employed in the laundry. During the year $2,292.50 was expended for labor and $684.32 for material; total, $2,976.82, an average cost per member of $1.46. No limit is placed upon the number and kind of articles that each member may have laundered, but the usual amount is one suit of underwear.

RESERVATION, BARRACKS, ETC.

The reservation consists of 85.36 acres. To date it has cost the United States $176,700.

There are 16 barracks—11 brick and 5 frame; 6 officers' quarters—5 frame, 1 brick and frame; and 47 other buildings—27 brick, 17 frame, 1 brick, frame, and glass, 1 concrete, metal, and glass, and 1 reenforced concrete. The cost of all the buildings paid from Government appropriations to date is $1,276,711.16.

The barracks were originally intended to accommodate 2,081 men, and on June 30, 1912, they were occupied by 1,440 men. One of the old wooden barracks is now vacant, and there are sufficient vacant beds to close another of the wooden barracks, which should be done to save expense. This is due to the completion of 3 new barracks since the last inspection.

The dormitory air space per bed in barracks is, in cubic feet: Minimum, 724; maximum, 991.

Number of bathtubs in barracks, 111, giving an average of 19 men to each tub. Average number of men to each urinal, 10. Each member is required to bathe at least once a week, being provided with a ticket for that purpose by his company commander. If a member is known to be uncleanly in his habits, the janitor must satisfy himself that that member has actually bathed. No sufficient record is kept in the companies of the baths taken by members.

Among the older barracks some of the floors and treads of the stairways show considerable wear. Gradual replacement is recommended.

In one of the companies the insanitary condition of urinals and the dirt on the floors behind some of the beds and under the members' lockers showed neglect on the part of the company commander. One of the fire escapes from the third story of this barrack was found locked.

Many thin mattresses were found in use, and a number of the old, narrow iron bunks having springs with wooden ends. This branch is very short on bedspreads, none having been received for more

Digitized by Google

than a year. Some of the bed springs were very loose, and should be tightened or replaced.

In a number of the companies the regulations in regard to the withdrawal of the personal baggage of the members are not complied with.

The cuspidors in some of the barracks were not clean at inspection.

FARM.

This branch has no land under cultivation, either as a farm or vegetable garden, and has no herd of cows. Milk is bought by contract at 25 cents per gallon. Draft animals to the value of $1,700 were on hand on June 30, 1912, and consisted of 7 horses and 5 mules.

Thirty-three members and one civilian were employed in the flower garden and lawn and in teaming.

Expenditures under farm appropriation:

Lawn and flower garden	$5,271.47
Transportation and teams	4,322.26
Total	9,593.73

Amount appropriated for farm for the fiscal year, $10,000.

There are no receipt vouchers for flowers sold. Amounts received are noted in a memorandum book by gardener, who turns money over to the treasurer at the end of the month.

SUBSISTENCE DEPARTMENT.

The chief cook, at $75 per month, and the chief baker, at $60 per month, are civilians.

Average number of persons employed in the kitchen, 32—19 men (16 members and 3 civilians) and 13 women. Average number employed in the dining hall, 44—9 men (members) and 35 women.

Capacity of the dining hall: General mess, 828; combination mess, 548; total, 1,376.

Average cost of ordinary ration per day, general mess, 16.46 cents; nurses' and druggists' mess, 16.50 cents; combination mess, 17.83 cents; noncommissioned staff and clerks' mess, 16.67 cents; hotel employees' mess, 15.95 cents.

Average cost of hospital ration, including special diet purchased from appropriation for hospital, per day, 22.48 cents; without special diet, 22.07 cents.

An actual average weight of 81,520 pounds of garbage is produced each month. It is sold to the highest bidder under yearly contract, and the year's product brought $1,670.59.

ENGINEER DEPARTMENT.

The water supply consists of fresh water from wells on the home grounds, supplemented by an additional supply purchased from the Newport News Water Co. During the year 56,926,496 gallons were purchased from that company at a cost of $5,977.28. The water supply is satisfactory. The branch also has a salt-water system for flushing outside water-closets.

Digitized by Google

There is an open reservoir in the grounds, near the old power plant, the water of which is used for reserve purposes. This form of tank is not sanitary, and if a tank be necessary should be replaced by an elevated one.

The old salt-water tank trestle, being no longer required, should be sold. The material, especially the wooden timbers, is subject to deterioration.

The lavatory in the old abandoned power house was found by the inspector to be in a very insanitary condition.

The gravity and pumping system of drainage and sewerage was in good condition.

Cost of maintenance of the steam plant for the fiscal year, $33,-422.81; of the lighting plant, $7,791.54.

Ice manufactured in the refrigerating plant during the year, 984.1 tons, at a cost of 85 cents per ton. Of this, 746 tons were issued and about 238 tons were sold at the cost of production.

FIRE DEPARTMENT.

The means for protection against fire seem to be ample, and were found to be in efficient condition. No fires occurred at this branch during the fiscal year.

MEDICAL DEPARTMENT.

The hospital annex, consisting of two old connected wooden buildings, both in poor repair and difficult to keep in sanitary condition, should be replaced by a modern wing, similar to the one already added on the other side of the main hospital building. The toilet and the bath rooms of the annex, though in better condition than last year, are still unsanitary, especially the urinals, which are of a very ancient type. The floors are old, and not easily kept clean. The inspector was informed that the toilet rooms themselves are very cold and drafty in winter, and such is their appearance.

In the opinion of the inspector the most serious defect in the hospital is in connection with the incompetent patients. They are quite numerous and are cared for in an upstairs ward. These people are mostly feeble with age and in case of fire it is believed they could not all make use of the stairs, and for this reason should be on the ground floor. Furthermore, there is no opportunity for these patients to get out in the air, as there is no inclosed porch nor yard. This matter is believed to be important and is recommended for early consideration.

The condition of the beds and floors in one of the extra-duty wards in the hospital was not satisfactory at inspection. Some of the small rooms connected with the wards are in need of kalsomining, and also some of the halls.

Some of the bracket hose connected with the standpipe in the hospital were not tagged to show the date of last inspection.

The flooring in the dining room of the hospital is in need of repairs. The hospital is not fully screened. It is believed that at least the first floor should be entirely protected against flies and mosquitoes.

Digitized by Google

In three of the wards some of the bed vessels were not in perfect condition, the urinals and bedpans being stained and having a strong smell. Also, some of the spittoons on the porches were not clean. In a number of the wards the toilet fixtures were not clean on the outside, the wall urinals being especially noticeable in this respect, as they were stained by salts which had collected under their bottoms.

On June 30, 1912, there were 290 patients in the hospital, 309 sick in quarters, and 34 attending sick call. The daily average of patients during the fiscal year was 326 in hospital, 344 sick in quarters, and 59 at sick call.

The capacity of the hospital for patients is 365; of combination barracks, 347.

At the time of inspection there were no tuberculosis patients at this hospital, they having been removed to the Mountain Branch.

Total number of members admitted to the hospital during the year, 678. Total number of deaths during the year, 288—213 in hospital and 75 elsewhere.

Average age of members at death, 71.91 years; last year, 71.43 years.

Death rate per 1,000 of members present and absent, 106.66; last year, 102.08.

There is no cemetery in use pertaining to this branch. Deceased members are buried in the national cemetery at Hampton, Va., near by.

Average number of hospital employees, 71 members, 49 civilians, 11 women nurses. Their pay for the fiscal year aggregated $30,386.40.

Amount expended for drugs and medicines during the fiscal year, $1,577.57; for wines and liquors, $1,313.56; for all other hospital supplies and appliances, $6,982.71.

The surgeon makes a weekly inspection of the barracks. Other buildings are inspected quarterly.

The milk used is tested daily.

Except as noted, the general conditions at this branch are very good.

---

11. THE GENERAL DEPOT AT DAYTON, OHIO.

The general depot of the National Home for Disabled Volunteer Soldiers is located on the reservation of the Central Branch, at Dayton, Ohio, and is in charge of Mrs. E. L. Miller, who has an assistant.

The general nature of the work done at the depot, and at the shops pertaining thereto, is the manufacture of blank forms, bedding, uniform clothing, and underwear, for distribution to the various branches of the home.

The basement, second floor, and attic of the depot building are used for storing and manufacturing. An outside storehouse is used for the manufacture of mattresses, and for storing crockery, bedsteads, etc. These places are kept in repair by the Central Branch.

The average number of salaried employees during the year was 46 (38 members and 8 civilians), as follows: One superintendent, 1 as-

Digitized by Google

sistant superintendent, 7 clerks, 1 orderly, 1 foreman, 1 assistant foreman, 1 watchman, 1 engineer, 15 tailors, 13 porters, 1 suspender maker, 3 printers. The total amount paid them during the year for their services was $16,424.18, from the following appropriations: Current expenses, $1,689.96; subsistence, $329.17; household, $300; clothing, $14,105.05.

The average number of persons employed upon piecework was 132 (17 members and 115 civilians), as follows: Five seamstresses, 110 tailoresses, 16 tailors, 1 upholsterer. The total amount paid them for their services during the year was $29,297.46, from the following appropriations: Subsistence, $239.70; household, $869.79; hospital, $1,217.63; clothing, $26,970.34.

The entire cost of maintaining the depot during the fiscal year 1912, including salaries, pay for services, fuel, light, repairs, machines, tools, and supplies, except for fabrication was $17,320.08. Last year, $16,833.85.

The pay rolls are made up by a clerk at the general depot; the vouchers are made up by clerks in the treasurer's office, Central Branch. Both the pay rolls and the vouchers are paid by the general treasurer through the treasurer of Central Branch.

Open-market purchases were made during the year to the amount of $1,393.76. These purchases consisted of office supplies, repairs, oil, hoop iron, nails, etc., and were made by the superintendent of the general depot upon authority granted in each case by the president of the board of managers.

The purchases made by contract amounted to $193,747.39, and consisted of all materials used in fabrication and articles bought for transfer to the several branches. The contracts are awarded by the general treasurer of the National Home for Disabled Volunteer Soldiers. The goods purchased are inspected by the superintendent and assistant superintendent upon the arrival of each consignment at the depot. The articles fabricated are inspected by the foreman and assistant foreman of the tailoring department at the depot. All purchases are compared with the standards upon which the contracts were awarded.

Ten persons are employed in handling manufactured articles received for distribution and sent to the branch homes. The total cost, during the year, of such distribution, exclusive of freight charges, was $1,600.83. The freight on articles received at the general depot is paid by the contractors; the freight on articles sent to the branch homes is paid by the branches. The amount of freight paid by the branches was $1,981.92; settled by Auditor for the War Department, $1,013.50; total, $2,995.42.

The total amount received during the year from the sale of clippings was $2,096.72.

No clothing or other articles were sold to State homes during the year.

Heat, light, water, power, and transportation for the depot are furnished by the Central Branch.

In the inspection of the depot and Central Branch records, it was found that 40 jackets, white, value $32.15, were recorded on the depot books as sent to the Marion Branch, which were invoiced and transferred to the Central.

Digitized by Google

In verifying the methods of bookkeeping in depot, under the item "Kentucky jeans," 1,500 yards were found on hand by actual measurement instead of 900 yards called for by the records. This error was due to not taking actual inventory, but figuring balances by subtracting amounts estimated as consumed from last amount on hand as shown by the books.

Cost of barrack mattress, similar to Army pattern, under present contract is $2.50, a very favorable figure in comparison with last year's price, $3.495.

The Army price list for this mattress is $2.48, about the same as is now paid by the home.

The hospital mattress manufactured by the general depot, and until two years ago used for the barracks also, costs according to latest depot figures $7.37, or nearly three times the present cost of the barrack mattress. Both of these mattresses are well made, comfortable, and sufficiently thick. The high price of the hospital type is due to the filling, which consists of lightly felted strands of cotton about 1 inch square, held together by a network of strings. It appears to be no more comfortable than the barrack mattress, but has the advantage that a soiled section may be cut out and replaced. However, in view of its great cost it is recommended that its manufacture be discontinued.

At inspection the depot was found to be in good condition, rooms clean, and the articles in storage were conveniently arranged.

W. H. GORDON.

[First indorsement.]

WAR DEPARTMENT,
OFFICE OF THE INSPECTOR GENERAL,
January 7, 1913.

To the Secretary of War.

E. A. GARLINGTON,
Inspector General.
