## **No Veteran should ever be homeless.**

VA has made an unprecedented commitment to ending Veteran homelessness. While the number of Veterans who are homeless has been declining, even one Veteran without a home is too many. VA has a variety of targeted programs to help Veterans secure safe, stable housing and maintain healthy lives.

## **VA has the services to help our Veterans.**

- If you or a Veteran you know is homeless or at imminent risk of becoming homeless, or in crisis, Make the Call to 877-4AID-VET (877-424-3838) or chat online at [va.gov/homeless](https://va.gov/homeless).
- When you encounter people who may be homeless, ask the question “Have you served in the U.S. military?” and spread the word that VA has the resources to help Veterans get back on their feet.

Trained, supportive professionals, many of them Veterans themselves, are available 24 hours a day, seven days a week, through the hotline and online chat.

## **VA cannot end Veteran homelessness alone. Become our partner.**

People and groups in communities across the country are working to help end Veteran homelessness. You can, too. Spread the word about VA’s services. Connect Veterans in crisis with the support they’ve earned.
