Draft solicitation Notice, Site Tour, and Industry Forum Construction and Operation Mixed use Development

Notice:

The U.S. Department of Veterans Affairs (VA) is hosting an Industry Forum to familiarize the private development sector with an Enhanced-Use Lease opportunity on the VA Medical Center, Knoxville, Iowa Campus. The VA plans to publish a Request for Proposals to lease and develop approximately a 163 acre tract of land. For description purposes see the Draft RFP. Development of the real estate will be completed under VA's enhanced use lease authority, granted under 38 USC §§ 8161-8169.

Before releasing the final RFP, VA plans to request comments and address questions and concerns from interested parties and the community. For this purpose a draft of the solicitation under development is posted in the project's Website:
