Attachment 1: Grantee Quarterly Financial Report (Microsoft Excel File)

Grantees are required to complete quarterly financial reports in the Microsoft Excel template provided. Instructions on the use of this template are provided below. Should you experience any problems with the Microsoft Excel template, please e-mail a copy of your form and a specific explanation of the problem you are experiencing to SSVF@va.gov.

Overview

The Microsoft Excel Grantee Quarterly Financial Report contains seven separate “worksheets” or “tabs:”

Tab 1 (Application Exhibit IX) – Monthly SSVF Grant Funds Budget

Tab 2 – Quarterly Variance Report

Tab 3 – Quarterly Spending by Subcontractor

Tab 4 – Quarterly Draw Downs

Tab 5 – Number of Participants Served by Quarter

Tab 6 – Temporary Financial Assistance

Tab 7 – Non-VA Funding Sources

Tab 1 was already completed as part of the application process and does not need to be completed again (Note: VA will import each grantee’s approved budget into the workbook and provide a customized template for each grantee at the beginning of the grant award period). Tabs 2 through 7 will need to be completed on a quarterly basis. Tab 2 consists of a quarterly breakdown of actual spending versus budgeted spending and calculates the associated variance. Tab 3 consists of total quarterly spending by the grantee and each subcontractor. Tab 4 compares quarterly spending to draw downs. Tab 5 tracks the number of participants served by the grantee each quarter. Tab 6 tracks the amount of temporary financial assistance spent by participants’ category of occupying permanent housing. Tab 7 identifies non-VA funding sources used to serve participants.
