

TRC Tutorial: How to take LIVE CE courses

Our Live continuing education (CE) sessions provide online, engaging pharmacy training and meet state requirements for Live CE. This guide will teach you how to register for an upcoming session and attend to earn Live CE credit.

To get started, for Pharmacists go to <https://pharmacist.therapeuticresearch.com/Home/PL> or for Pharmacy Technicians go to <https://pharmacytech.therapeuticresearch.com/Home/PTL> and log into your TRC account with your username and password. If you do not yet have an account, you can sign up for one in the top-right corner with this button.

[Log in](#) [Subscribe](#)

Once you are logged in, click on the "Go to CE & Training" menu link.

On the resulting page, click the "Live Webinars" link to reach the Live CE Calendar.

From here you can browse the calendar to see which sessions are available and at what times. Days with sessions scheduled are highlighted, and your cursor will preview the topics being presented. Click on a day to view session details, and the Register button will open the course contents page.

August 17, [redacted], 5:00 PM - 6:00 PM Timezone: America/Los_Angeles	Register
August 17, [redacted], 6:00 PM - 7:00 PM Timezone: America/Los_Angeles	Register
August 19, [redacted], 7:00 AM - 8:00 AM Timezone: America/Los_Angeles	Register
August 29, [redacted], 9:00 AM - 10:00 AM Timezone: America/Los_Angeles	Register

Now that you are setup to attend the live session you can preview the presentation slides and course goals and objectives if desired. Keep in mind that these may not be available immediately, as they are posted when the sessions are approaching.

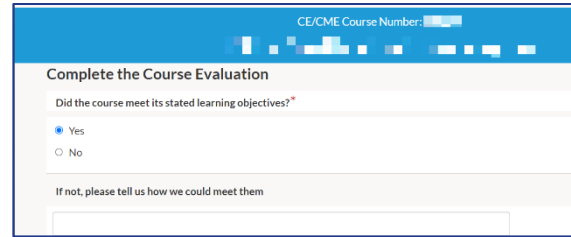

Once it is time to attend the live session, you should click the “Join Webinar” link in your registration confirmation email or on the course page. This will launch the webcast page, and you will be prompted to enter your email address and Login. The live course will provide valuable information and recommendations which you will need to pass the associated quiz. In addition, there will be a quiz password provided which you must have to earn credit.

Once the session is over, you can go back to the course page to take the quiz. This quiz must be completed within 30 days of attendance to earn credit. Click the “Take Quiz” button which now appears next to the live session you attended and continue to the quiz page. The quiz password that was shared during the live session is now required. Next, you simply answer all of the questions and click the “Review Answers” button to confirm your answers are entered. When you are ready, click the “Submit Answers” button to complete your attempt and receive your grade.

If you answered too many questions incorrectly, retake the quiz to earn credit. Once you pass the exam, you must complete the course evaluation. Your evaluation feedback is very helpful to us, and our editors use it for product improvements, such as determining future CE topics and more.

A screenshot of a web form titled "Complete the Course Evaluation". At the top, there is a blue header bar with the text "CE/CME Course Number:" followed by a small input field. Below the header, the form has a light beige background. The first section is titled "Did the course meet its stated learning objectives?" with a red asterisk. It contains two radio button options: "Yes" (which is selected with a blue dot) and "No". Below this, there is a section titled "If not, please tell us how we could meet them" with a corresponding text input field.

Once you complete your evaluation, you may choose to review the quiz answers, which include editor explanations. If you need to view or print your statement of participation, a link is provided to do so. CE course completions are automatically reported digitally to CPE Monitor and/or CE Broker as appropriate – so your CE records are kept up to date for your renewal requirements.

We hope you have found this guide helpful; for more information, please contact us using the links on our website. Thank you!
