Instructions for completion of course work section of application:

1. List all course work completed under each category on the following pages. For each category identify those courses completed as part of Didactic Program in Dietetics (DPD) requirements followed by additional courses that may have been completed in that category.
2. List courses in chronological order (oldest to most recent).
3. Convert all grade point scales to A=4 points if your college or university utilizes a different point scale.
4. Convert all course units to the same system (quarter or semester) if you have completed courses in both systems.
5. For repeated courses, list both grades earned but use only higher grade to calculate overall GPA for that category.

For example:

Chemistry 000 Fall/96	4 credits	F	—
Chemistry 000 Spring/97	4 credits	B	12

6. Do not list additional course work completed to meet degree requirements or course work completed for previous majors/degrees that does not fit into one of the categories.
