

**PRIVACY ACT STATEMENT** - Section 643 of Public Law 106-58 and its implementing regulations at 5 C.F.R. Part 792 authorize the Department of Veterans Affairs to establish a child care tuition assistance program for lower income employees. Section 6051(a)(9) of title 26, United States Code requires that on or before January 31 of each year an employer lists on an employee's W-2, Wage and Tax Statement, form the total amount incurred for dependent care assistance. The total amount of payments made under the Department's child care tuition assistance must thus be listed on an employee's W-2 form. It is for the purposes of showing the amount of dependant care assistance on your W-2 Form, and for determining eligibility for tuition assistance, that we are requesting your social security number. Information regarding family income (copies of pay slips and tax returns), name of current child care provider(s), copies of the provider's license, statement of compliance, and information about other child care subsidies will also be used to determine eligibility for child care tuition assistance. Disclosure of the above information is voluntary, but failure to provide all of the requested information may result in denial of your application.
