

On behalf of Mr. Joe Paiva, Executive Director, VLER EPMO, the following information is provided as input to the weekly Cabinet Report:

13-17 February 2012

Virtual Lifetime Electronic Record

In support of the Federal Recovery Coordinator Program for severely wounded, ill, and injured Service members and Veterans, the Executive Director (ED) Virtual Lifetime Electronic Record (VLER) will hold an Integrated Project Team (IPT) meeting at the San Francisco Veterans Administration Medical Center (VAMC) on 15 February 2012. The Federal Information Sharing Technology Program Management IPT will discuss existing clinical business processes and long-term goals for automation that will improve treatment for our Veterans and Service members. VLER ED will also conduct on-site visits with the VAMC's Chief of Staff, Assistant Chief of Staff and Nurse Practitioner for Ambulatory Care, and a Surgical Clinical Nurse Reviewer.
