

On behalf of Mr. Joe Paiva, Executive Director, VLER, the following information is provided as input to the weekly Cabinet Report:

20-24 August 2012

Virtual Lifetime Electronic Record

On August 22-23, 2012, Virtual Lifetime Electronic Record (VLER) will participate in the finalization of the Office of Information Technology's (OIT) budget for fiscal year 2013 (FY13). Mr. Joe Paiva, Executive Director VLER, will certify all VLER requirements for VLER Core, VLER Benefits and VLER Memorials for FY 13 and VLER's ability to execute on deliverables. These deliverables are part of VLER's multi-faceted portfolio of business and technology initiatives that include health, benefits, personnel, and administrative information sharing capabilities. VLER provides Veterans, Service members, their families, care-givers, and service providers with a single source of information for health and benefits needs in a way that is secure and authorized by the Veteran or Service member.
