

ASHP RESIDENCY APPLICANT FOR PRIMARY CARE: ENTERING RESIDENT INTEREST AND PREFERENCE INFORMATION

Assessment Activity: The applicant will complete this form and return to residency director. The applicant may refer to the ASHP Supplemental Standard and Learning Objectives for Residency Training in Primary Care Pharmacy Practice for further residency requirements (found at www.ashp.org)

Residency Applicant: _____

Residency Director: Julian Bourne, Pharm.D.
WJBD Veteran's Medical Center
Department of Pharmacy (119)
6439 Garner's Ferry Road
Columbia, SC. 29209

The following questions are intended for the incoming resident to conduct a self-assessment prior to beginning the residency year. The responses assist in planning experiences for the resident in the upcoming year. Please answer the questions in a narrative form and return it to Julian Bourne, Pharm.D. by _____.
Initial Completion Date: _____

1. State your career goals, both short term (5 years) and long term (10-15 years)

2. Describe your current practice interests.

3. What are your strengths? This should include direct patient care skills as well as personal strengths.

4. List areas of weakness that you would like to improve on during the residency.

5. Given your listed career goals, interests, strengths, and weaknesses, list at least three (3) goals that you wish to accomplish during your residency.

6. Describe activities/experiences that have contributed to your skills in the following areas: Written communication, verbal communication, public speaking, time management, and supervisory skills.

7. What areas of residency training (read and refer to the ASHP standard found in the ASHP Residency Directory or on the ASHP web-site at www.ashp.org) would you like to concentrate on during the residency program? (List in order of importance)

8. Describe the frequency and type of preceptor interaction you feel to be ideal. Where do you see the preceptor fitting into your professional development and maturity?

9. What is your personal strategy for life-long continuing education?

10. What role will professional organizations have in your career?
