

## Exterior Sign Type Designations

- E** Designates an exterior sign.
- I** Identifies that the sign is internally illuminated.
- N** Identifies that the sign is non-illuminated and has reflective graphics.
- 01** Two digit numbers identifies a particular sign type family
- .1** The number following the period identifies a specific sign within the family
- A** The letter designates a specific sign configuration and/or layout for graphics.

### Example: EN04.2C

- E - Exterior sign
- N - Non- illuminated
- 04 - Stacking bar directional sign
- .2 - Sign size
- C - Version and text layout

## Exterior Sign Type Families

- \*\* Sign type available only as an internally illuminated sign
- \* Sign type available as both a non-illuminated or illuminated sign
- No indication denotes a non-illuminated sign

### Sign Type 01

#### Monument Sign for Medical Center Identification

- \*\* .1 Large horizontal monument sign
- \*\* .2 Standard horizontal monument sign
- \*\* .3 Small horizontal monument sign
- \*\* .4 Standard vertical monument sign
- \*\* .5 Small vertical monument sign

### Sign Type 02

#### Directional Monument Sign with Stacking Text Modules

- \* .1 Large directional monument sign with stacking strips - 10 strips
- \* .2 Small directional monument sign with stacking strips - 10 strips

### Sign Type 03

#### Post and Panel Sign for Identification and Information

- \*\* .1 Post and panel sign for medical center identification
- \* .2 Standard auto oriented post and panel sign
- .3 Small auto oriented post and panel sign
- .4 Pedestrian oriented post and panel sign
- .5 Large auto oriented building number / identification post and panel sign
- .6 Pedestrian oriented building number / identification post and panel sign

### Sign Type 04

#### Post and Stacking Bar Sign for Directional Information

- \* .1 Large/long auto oriented stacking bar directional sign - 6 to 8 bars
- \* .2 Standard auto oriented stacking bar directional sign - 5 to 8 bars
- .3 Small auto oriented stacking bar directional sign - 4 to 6 bars
- .4 Pedestrian oriented stacking directional bar sign - 2 to 4 bars

### **Sign Type 05**

#### **Single Post Identification, Informational and Directional Sign**

- .1 Large single post identification, informational and directional sign
- .2 Standard single post identification, informational and directional sign
- .3 Small single post identification, informational and directional sign

### **Sign Type 06**

#### **Wall Mounted Signs**

- \* .1 Overhead wall mounted sign
- \* .2 Large size wall mounted sign
- .3 Large size wall mounted sign with stacking strips
- .4 Medium size wall mounted sign
- .5 Medium size wall mounted sign with stacking strips
- .6 Regular size wall mounted sign
- .7 Small size wall mounted sign
- .8 Minor informational wall mounted sign

### **Sign Type 07**

#### **Medical Center Campus Map Sign**

- .1 Large campus orientation map
- .2 Small campus orientation map

### **Sign Type 08**

#### **Ambulance Entrance Signs**

- \* .1 Overhead wall mounted sign
- \* .2 Wall mounted sign
- \* .3 Post and panel sign

### **Sign Type 09**

#### **Dimensional Letters and Logo**

- .1 Dimensional letter
- .2 Dimensional letter
- .3 Dimensional letter
- .4 Logo and dimensional letter
- .5 Logo and dimensional letter
- \* .6 Logo and dimensional letter
- \* .7 Logo and dimensional letter
- \* .8 Logo and dimensional letter
- \* .9 Logo and dimensional letter

### **Sign Type 10**

#### **Traffic Regulatory Signs**

- .1 Stop (R1-1)
- .2 Do Not Enter (R5-1)
- .3 Yield (R1-2)
- .4 Speed Limit (R2-8)
- .5 Keep Right (R4-7A)
- .6 One Way (R6-2L, R6-2R)
- .7 No Right/Left Turn (R3-1R, R3-2L)
- .8 No U Turn (R3-4)
- .9 Pedestrian Crossing (W11-2A)

**Sign Type 11****Street Signs**

- .1 Tall double blade
- .2 Tall single blade
- .3 Pylon

**Sign Type 12****Parking Lot, Parking Stall, and Handicapped Parking Signs**

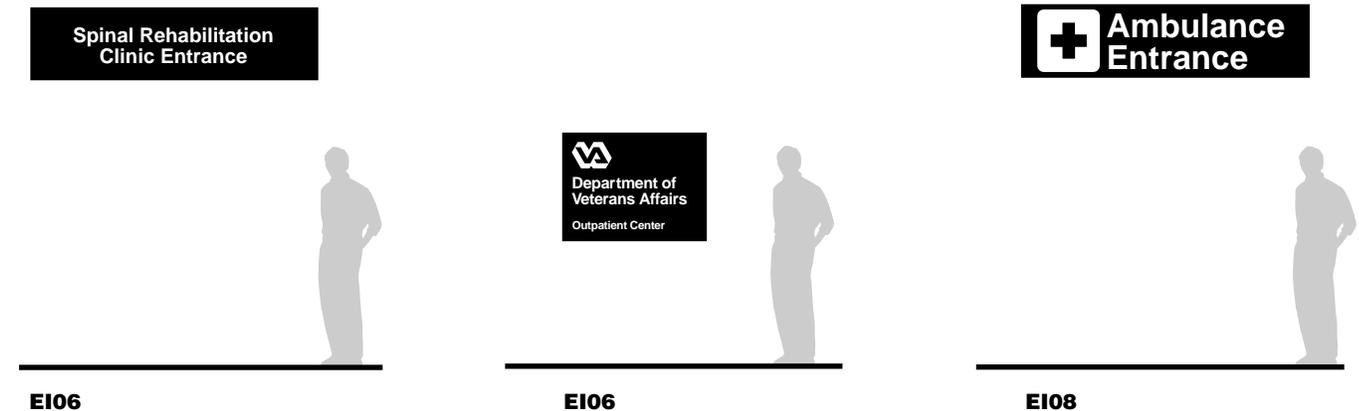

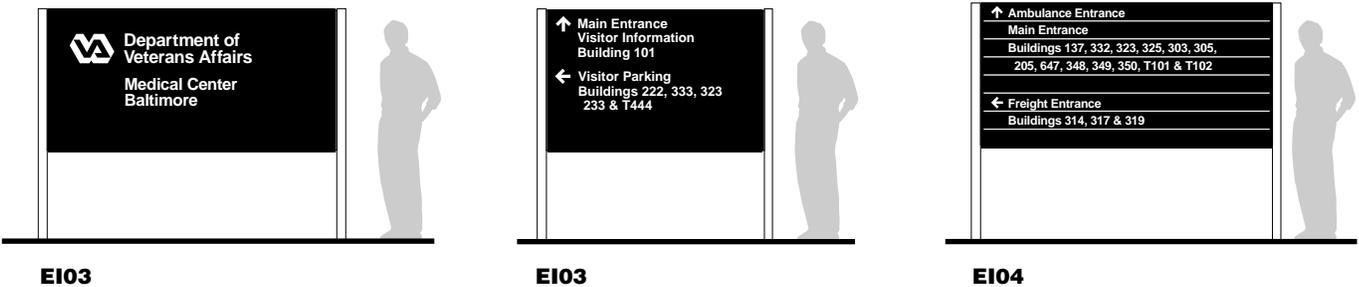

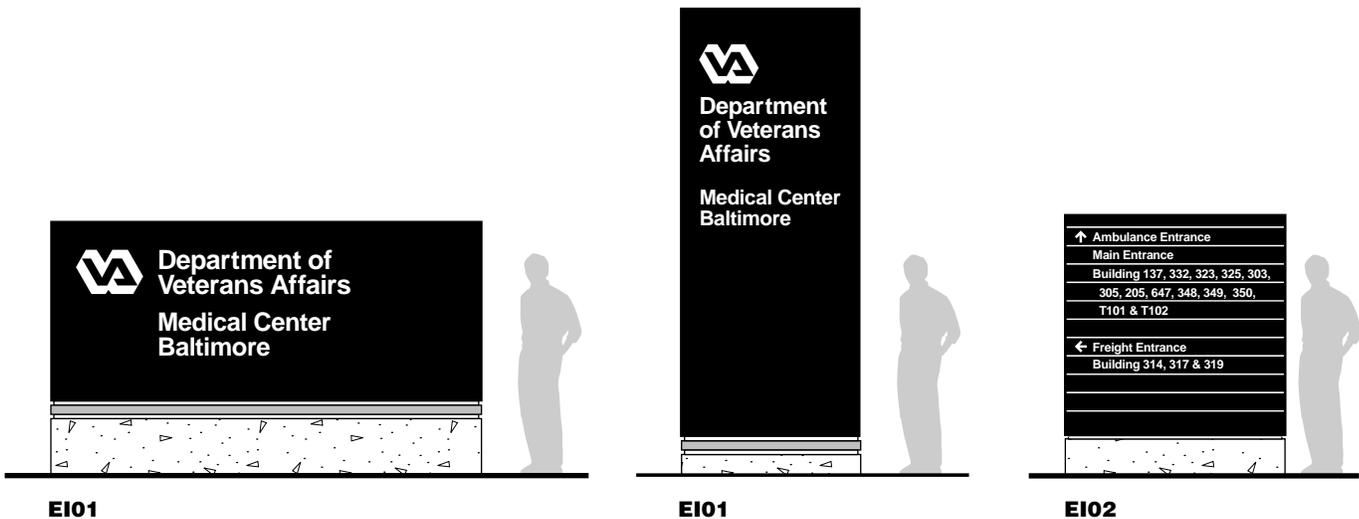

- .1 Large post and panel parking lot identification sign
- .2 Large single post parking tow a way information sign
- .3 Standard single post parking identification and informational sign
- .4 Single post handicapped parking stall sign
- .5 Single post handicapped parking area sign
- .6 Parking lot identification sign for mounting on light pole

**Sign Type 13****Department of Veterans Affairs Seals**

- .1 Large size cast bronze seal
- .2 Medium size cast bronze seal
- .3 Large size cast bronze seal

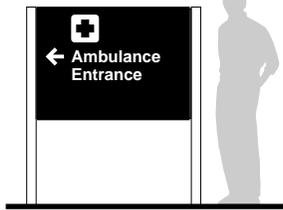

**Exterior Sign Type  
Old vs. New Conversion Chart**

Description of the Sign	Old Sign Type Designation	New Sign Type Designation

## Interior Sign Type Designations

- I** Designates an interior sign.
- N** Identifies that the sign is based on a component system and is non-illuminated.
- A** Identifies that the sign is based on acrylic system and is non-illuminated.
- I** Identifies that the sign is internally illuminated or requires electricity
- 01** Two digit numbers identifies a particular sign type family
- .1** The number following the period identifies a specific sign within the family
- A** The letter designates a specific sign configuration and/or layout for graphics.

**Example: IN04.2C**

- I - Interior sign
- N - Based on component system and is non- illuminated
- 04 - Room identification sign
- .2 - Sign Size
- C - Specific type size layout

**Example: IA06.2**

- I - Interior sign;
- A - Based on acrylic system and is non- illuminated
- 04 - Exam and treatment room identification sign
- .2 - Sign Size

### Sign Type 01

**Life safety and code required signs**

- 1 Evacuation Map/Fire Exit Plan
- 2 Fire Equipment
- 3 Fire Procedure
- 4 Elevator Call Button
- 5 Fire Door
- 6 No Exit
- 7.1 Exit
- 7.2 Exit
- 7.3 Exit
- 7.4 Exit
- 8 Automatic Fire Door - Hinged
- 9 Automatic Fire Door - Roll Up
- 10 Stairwell Door
- 11 Stairwell/Floor Level/Landing
- 12 Area of refuge (evacuation assistance)
- 13 Push till alarm sounds...
- 14 Door to remain open...
- 15 Laboratory Door
- 16 Caution - Oxygen In Use
- 17 Warning - The following gases in compressed....
- 18 Nonflammable Anesthesia
- 19 Caution - Radioactive Material
- 20 Caution - Radioactive Area
- 21 Caution - High Voltage
- 22 Caution - Biohazard
- 23 Caution - Laser
- 24 Caution - Occupational Exposure Area

### **Sign Type 02**

#### **VA policy required signs**

- 1 Consent to inspection
- 2 No smoking
- 3 Possession of firearms.....
- 4 Hours

### **Sign Type 03**

#### **Room number sign**

- 1 VA standard room and corridor number sign.

### **Sign Type 04**

#### **Room identification sign**

- 1 1 large pocket or module
- 2 1 small pocket or module

### **Sign Type 05**

#### **Patient room signs**

- 1 Corridor, 4 paper name insert slot or holder
- 2 Corridor, 2 paper name insert slot or holder
- 3 Corridor, 2 paper name insert slot or holder, 2 photo holders
- 4 Corridor, 4 paper name insert slot or holder, 2 photo holders

### **Sign Type 06**

#### **Exam and treatment room sign**

- 1 Bedside, 2 paper name insert slot or holder
- 2 Bedside, 2 paper name insert slot or holder, 4 sliders
- 3 Bedside, 2 paper name insert slot or holder, 6 sliders

### **Sign Type 07**

#### **Conference and meeting room sign**

- 1 Large pocket or module with large slider
- 2 Small pocket or module with small slider
- 3 Large with large slider and 2 pockets or module and paper insert holder

### **Sign Type 08**

#### **Prohibit, instructional and control signs.**

- 1 No Smoking
- 2 Authorized Personnel Only
- 3 No Admittance
- 4 Staff Only

### **Sign Type 09**

#### **Pictogram and symbol signs.**

- 1 Handicapped accessible men's restroom
- 2 Handicapped accessible women's restroom
- 3 Handicapped accessible restroom
- 4 Men's restroom
- 5 Women's restroom
- 6 Unisex restroom
- 7 Stairs
- 8 Handicapped Accessible
- 9 Telephone
- 10 Elevator
- 11 Information
- 12 Canteen
- 13 Vending machines

### **Sign Type 10**

#### **Miscellaneous interior pocket type signs.**

- 1 Patients Rights / Patients Responsibilities poster holder
- 2 Rules & regulation governing security.... poster holder
- 3 11" x 17" paper holder, vertical
- 4 11" x 17" paper holder, horizontal
- 5 8 1/2" x 11" paper holder, vertical
- 6 8 1/2" x 11" paper holder, horizontal

### **Sign Type 11**

#### **Informational / instructional sign**

- 1 General information sign, small
- 2 General information sign, medium
- 3 General information sign, large

### **Sign Type 12**

#### **Desk, partition and counter signs.**

- 1 Desk/counter informational sign, small
- 2 Desk/counter informational sign, large
- 3 Desk name plaque

### **Sign Type 13**

#### **Perpendicular (flag) mount signs**

- 1 Perpendicular, wall mounted sign

### **Sign Type 14**

#### **Wall mounted directional sign**

- 1 8 strip module
- 2 10 strip module
- 3 12 strip module
- 4 6 strip module
- 5 4 strip module
- 6 Floor level designation

### **Sign Type 15**

#### **Ceiling mounted directional sign**

- 1 1 strip module, short
- 2 2 strip module, short
- 3 3 strip module, short
- 4 1 large strip module, short
- 5 2 strip module, long
- 6 4 strip module, long
- 7 6 strip module, long
- 8 2 large strip module, long

### **Sign Type 16**

#### **Ceiling mounted identification and informational signs**

- 1 1 strip module, short
- 2 2 strip module, short
- 3 3 strip module, short
- 4 1 large strip module, short
- 5 2 strip module, long
- 6 4 strip module, long
- 7 6 strip module, long
- 8 2 large strip module, long

### **Sign Type 17**

#### **Directory**

- 1 Main lobby directory, small
- 2 Main lobby directory, large
- 3 Main lobby directory, small with map
- 4 Main lobby directory, large with map
- 5 Floor directory, small
- 6 Floor directory, large

### **Sign Type 18**

#### **Building entrance**

- 1 Building entry door graphics

### **Sign Type 19**

#### **Dimensional letters**

- 1 Small
- 2 Medium
- 3 Large

### **Sign Type 20**

#### **VA seal**

- 1 Interior reception lobby or office seal
- 2 Dedication plaque

### **Sign Type 21**

#### **Free standing identification, information and directional signs**

- 1 Small free standing stanchion informational or directional sign
- 2 Medium free standing stanchion information or directional sign
- 3 Medium free standing stanchion with tack surface or changeable letter board
- 4 Large free standing stanchion with tack surface or changeable letter board

### **Sign Type 22**

#### **Specialty signs and directories**

- 1 Paper Holder
- 2 Chart Holder
- 3 File Holder
