

What is CHAMPVA?

CHAMPVA is a health benefits program in which the Department of Veterans Affairs (VA) shares the cost of certain health care services and supplies with eligible beneficiaries. CHAMPVA is managed by the VA's Health Administration Center (HAC) in Denver, Colorado. We process CHAMPVA applications, determine eligibility, authorize benefits, and process medical claims.

Who is eligible for CHAMPVA?

To be eligible for CHAMPVA, you cannot be eligible for TRICARE.

CHAMPVA provides coverage to the spouse or widow(er) and to the children of a veteran who:

- is rated permanently and totally disabled due to a service-connected disability, or
- was rated permanently and totally disabled due to a service-connected condition at the time of death, or
- died of a service-connected disability, or
- died on active duty and the dependents are not eligible for DoD TRICARE benefits.

Effective October 1, 2001, CHAMPVA benefits were extended to age 65 and older (see CHAMPVA Fact Sheet 01-29). To be eligible, you must also meet the following conditions:

- if you turned 65 before June 5, 2001, and only have Medicare Part A, you will be eligible for CHAMPVA without having to have Medicare Part B coverage.
- if you turned 65 before June 5, 2001, and had Medicare Parts A and B on June 5, 2001, you must keep both Parts to be eligible.
- if you turn age 65 on or after June 5, 2001, you must be enrolled in Medicare Parts A and B to be eligible.

What are some common terms used for CHAMPVA eligibility?

- Beneficiary: a CHAMPVA-eligible spouse, widow(er), or child.
- Child: includes birth, adopted, stepchild, or helpless.
- Dependents: a child, spouse, or widow(er) of a qualifying sponsor.
- Sponsor: a veteran who is permanently and totally disabled from a service-connected condition, died as a result of a service-connected conditions, was rated permanently and totally disabled from a service-connected condition at the time of death, or died on active duty and whose dependents are not otherwise entitled to DoD TRICARE benefits.
- Service-connected: a VA Regional Office determination that a veteran's illness or injury is related to military service.
- Spouse: the wife or husband of a qualifying sponsor.
- Widow(er): the surviving spouse of a qualifying sponsor.

What are some of the rules that impact CHAMPVA eligibility?

Ending Date for a Child's Eligibility: Eligibility for CHAMPVA ends when:

- a child turns 18 unless enrolled in an accredited school as a full-time student,
- a child, who has been a full-time student, turns 23,
- a child marries (as of midnight on the date of marriage), or
- a stepchild no longer lives in household of the sponsor.

Impact of Divorce or Remarriage of Spouse on Child's Eligibility: The eligibility of a child is not affected by the divorce or remarriage of the spouse except in the case of a stepchild. When a stepchild leaves the sponsor's household, the child is no longer eligible for CHAMPVA.

Helpless Child: A child who, before the age of 18, became permanently incapable of self-support and was rated as a helpless child by a VA Regional Office, is eligible for CHAMPVA with no age limitation.

Spouse: Eligibility for CHAMPVA ends with termination of the marriage to the qualifying sponsor by annulment or divorce. CHAMPVA eligibility terminates as of midnight on the effective date of the dissolution of the marriage, as stated in the annulment or divorce decree.

Widow(er) Remarriage: Eligibility for CHAMPVA ends if the widow(er) remarries prior to age 55. CHAMPVA eligibility terminates at midnight on the date of the remarriage. Please refer to Fact Sheet 03-1, Remarriage After Age 55, for additional information regarding eligibility after remarriage.

Termination of Remarriage: A widow(er) of a qualifying sponsor who remarries and the remarriage is later terminated by death, divorce, or annulment may establish CHAMPVA eligibility. The beginning date of eligibility is the first day of the month after termination of the remarriage or December 1, 1999, **whichever date is later**. To establish CHAMPVA eligibility, copies of the marriage certificate and death, divorce, or annulment documents (as appropriate) must be provided.

What kind of certification is required for individuals between age 18 and 23 who are in school?

Student status may be established for up to a full year with a letter from the school certifying the beginning and ending dates of the school terms for which the student has pre-enrolled as a full-time student.

What if I am under the age of 65 and entitled to Medicare?

If you have both Medicare Parts A and B, CHAMPVA will pay after Medicare and any other insurance, such as Medicare HMOs and Medicare supplemental plans, for health care services and supplies.

If you are entitled to premium-free Medicare Part A and are not enrolled in Medicare Part B, you are not eligible for CHAMPVA. If you later enroll in Medicare Part B, you may apply for CHAMPVA at that time. In that case, CHAMPVA eligibility will begin on the effective date of your Medicare Part B coverage.
