Welcome
to the VA

eKidney Clinic

Our Mission

Our Servicemembers and Veterans have sacrificed to keep our country—and everything it represents—safe.

We honor and serve those men and women by fulfilling President Lincoln's promise **"to care for him who shall have borne the battle, and for his widow, and his orphan."**

We strive to provide Service members and Veterans with the world-class benefits and services they have earned, and will adhere to the highest standards of compassion, commitment, excellence, professionalism, integrity, accountability, and stewardship.

**Thank you for your service.
Now let us serve you.**

What is the eKidney Clinic?

The **eKidney Clinic** is an online education tool where you can watch videos and view animated illustrations to help you learn about kidneys and kidney disease.

You will learn about...

- The pros and cons of treatment options - to help you make a choice that is a good fit for the way you want to live.
- Medicines your doctor may prescribe.

- Key nutrients and how to use them to improve your health.
- Blood and urine tests that check kidney health and how to use them to track your progress.
- Managing related conditions.
- How your VA social worker can help you learn to cope with kidney disease and how it affects your life. He/she will help you get the VA and other care you are entitled to.
