

Proud to Serve the New Face of America

VA Travel Nurse Corps: Serving a new generation of veterans.

A new generation of service members is returning to American soil. As they arrive home, proud to have served our Nation, it is our duty to care for them as they have cared for us. VA travel nurses go the distance in providing each generation of veterans with the high quality health care they deserve.

VA travel nurses earn a competitive salary, plus many other benefits:

- Paid orientation
- Paid travel to, from, and during assignment
- Travel advances, as needed
- Government travel card
- Paid lodging at first-rate apartments and hotels
- Daily stipend for meals and incidentals
- Laundry and telephone support
- Online tools to track payroll and travel expenses
- Flexible assignment lengths
- Shift/weekend differentials and holiday pay
- One state license valid at every VA facility nationwide; no re-licensing required
- Unlimited opportunities across multiple practice settings

Become a VA travel nurse and give back to the men and women who have given so much of themselves.
