

# VA Travel Nurse Corps Destination: Everywhere

Become a VA travel nurse and work with one license from coast to coast.

VA travel nurses are free to move from state to state without needing to be re-licensed everywhere they go. VA requires only one unrestricted state license to practice at any of its more than 150 medical centers nationwide. That means you'll have unlimited nursing opportunities to explore. Plus, if you find a beach or a city you love, you can apply for a permanent position with VA.

VA travel nurses earn a competitive salary, plus many other benefits:

- Paid orientation
- Paid travel to, from, and during assignment
- Travel advances, as needed
- Government travel card
- Paid lodging at first-rate apartments and hotels
- Daily stipend for meals and incidentals
- Laundry and telephone support
- Online tools to track payroll and travel expenses
- Flexible assignment lengths
- Shift/weekend differentials and holiday pay
- One state license valid at every VA facility nationwide; no re-licensing required
- Unlimited opportunities across multiple practice settings
