Includes all unsheltered Veterans,

Includes all Veterans in emergency shelter (regardless of shelter funding source)

,

Includes all Veterans in transitional housing (GPD, community TH, regardless of funding source)

,

List is one complete document not made of multiple or different parts

Q17: If your community has a by name list, could you please provide us with the following data involving totals of those currently on the list:

Number of unsheltered Veterans on the list	6
Number of Veterans currently in ES on the list	35
Number of Veterans currently in TH (including GPD)	51
Number of Veterans who have a housing plan	48

Q18: How often do you meet to review and update the by name list?

Bi-weekly

Q19: What is your community's definition of ending Veteran homelessness? Please tell us about the strategies included in your plan. Please provide a succinct response. For example, ZZ-400 CoC defined ending Veteran homelessness by 0 unsheltered Veterans on a given night, less than 50 in emergency shelters and transitional housing all with a housing plan within 5 business days, and to house Veterans within 60 days of entering the homeless system.

FL 506 CoC defines ending homelessness by;

- 0 unsheltered Veterans (excluding the unsheltered Veterans, refusing housing after being offered housing every 14 days)
- Less than 22 in emergency shelters and transitional housing that are not expected to complete their housing plan and be housed within the following 30 days. (Those veterans entering transitional housing must actively refuse permanent housing prior to entry or placement in transitional housing as part of the veterans housing plan)
- Every new veteran entering the homeless system is offered permanent housing prior to entering transitional housing.
- All veterans wishing to obtain permanent housing must have a housing plan identified within 5 days.
- The average length of time it takes to house a veteran from date of identification to move in date, must be less than 90 days, ideally less than 60 days.
- There are to be no chronically homeless veterans. (excluding those vets refusing housing services and chronically homeless veterans relocating to our area; new chronically homeless veterans in our area wanting housing should have a 60 day housing plan in place upon accepting offer of wanting permanent housing)
- These goals of ending veterans homelessness are being carried out by partnerships among SSVF, VA, COC programs in addition to other key community partners. Dedicated outreach, real-time HMIS data and a By-name list of all veterans experiencing homelessness are all reviewed at bi-weekly Team Vet Housing meetings.

Q19: What is your community’s definition of ending Veteran homelessness? Please tell us about the strategies included in your plan. Please provide a succinct response. For example, ZZ-400 CoC defined ending Veteran homelessness by 0 unsheltered Veterans on a given night, less than 50 in emergency shelters and transitional housing all with a housing plan within 5 business days, and to house Veterans within 60 days of entering the homeless system.

On December 4, 2015, following more than two years of unprecedented collaboration, and with the leadership of Miami-Dade County Mayor Carlos A. Gimenez, Miami Mayor Tomas Regalado, the Miami-Dade County Homeless Trust, the lead agency for Miami-Dade’s Continuum of Care, the Miami VA Healthcare System, US HUD’s Miami Field Office, two public housing agencies, and a network of non-profit partners and providers, Miami-Dade County has achieved a steady state in the goal of ending veteran homelessness. An analysis of data demonstrates that the number of Veterans experiencing street homelessness is substantially less than the number of veterans placed into permanent housing each month. With the understanding that homelessness is dynamic and characterized by constant change, our community has created a system to support a condition where veteran homelessness is rare, brief and non-recurring. A continuum-wide commitment to prioritize homeless veterans for housing and services is reflected in our data with nearly 500 homeless veterans housed in a 10-month period in 2015. Key strategies toward accomplishing our steady state have included the unwavering support of local leadership, two successful 100-day challenges, a three-day Homeless Stand Down, a multi-pronged marketing campaign, including a live, televised phone bank to solicit landlord leads, enhanced and strengthened coordinated outreach and engagement efforts which includes volunteer veteran participation, targeted deployment of HUD VASH and SSVF resources, utilization of CoC resources to fill system gaps, use of technical assistance to further expand permanent housing opportunities, and obtaining buy-in from the local PHA’s who reduced their eligibility requirements and increased the fair market rent allowing veterans to find safe housing. Key partners in this effort include the Miami-Dade County Homeless Trust, Miami VA Healthcare System, US HUD’s Miami Field Office, Advocate Program (SSVF), Carrfour’s Operation Sacred Trust (SSVF), Miami-Dade Public Housing and Community Development, Miami Beach Housing Authority, the Miami-Dade Military Affairs Board, the Florida Veterans Foundation and the network of emergency, transitional and permanent housing providers that make up Miami-Dade County Homeless Trust’s Continuum of Care. While homelessness in Miami is not static, with seasonal fluctuations in the winter months, and an increasingly competitive housing market, our coalition of federal, county, municipal and non-profit organizations have the resources and infrastructure to quickly address homeless Veterans’ immediate and future needs with well-established housing, medical and social service delivery systems.

Community Planning - January Submission

Q12: Are Veterans integrated into coordinated entry?

Note: Participation in coordinated entry is a requirement of the SSVF program. (Please select all that apply.)

Coordinated entry includes Veterans and allows for assessment, prioritization, and housing matching

,

Coordinated entry includes Veterans and the VA, but it is not the way to access VA resources like HUD-VASH

,

Other (please specify)

The coordinated entry in our CoC is a work in progress. While all CoC-funded and SSVF programs required to participate, as well as most other community programs, have been trained to utilize the process, it is known that the process is not being followed at 100% compliance. This includes the other VA funded programs that do not exclusively use the process and allow Veterans to access resources like HUD-VASH without using the coordinated entry process. Our CoC will be working to close these gaps and increase compliance in the next several months.

Q13: Who is lead point of contact for coordinated entry?

Name:

Lesa Weikel

Organization:

Tampa Hillsborough Homeless Initiative

Organization Type (VAMC, CoC, SSVF Grantee, etc.):

For example, ZZ-400 CoC defined ending Veteran homelessness by 0 unsheltered Veterans on a given night, less than 50 in emergency shelters and transitional housing all with a housing plan within 5 business days, and to house Veterans within 60 days of entering the homeless system.

12-FL-023 CoC has adopted the United States Interagency Council on Homelessness (USICH) vision of ending Veteran homelessness and is utilizing the criteria and benchmarks in the 1 October 2015 guidance. The CoC maintains a by name list of homeless veterans in the area which is generated by the outreach teams, 2-1-1 and/or walk-ins to local agencies.

The veteran is entered into HMIS and a VI-SPDAT is completed. The veteran is then placed on one of three list based upon their housing status: Chronic, Homeless or Prevention. They are further prioritized on the list by their VI-SPDAT score ranging from 0 - 20. During the surge, over 475 veterans were identified as chronically homeless within the CoC area of coverage. The CoC decided that the priority of effort would be the chronic homeless veterans followed by the homeless veterans. There are currently only 13 chronically homeless veterans remaining on the list. The CoC conducts twice weekly case conference meetings attended by VA and other local agency representatives. During the veteran case conference the client’s current status, barriers and recommendations for housing assets are reviewed. Extremely difficult clients are discussed and agency partners provide input and assistance in getting the client housed. The successful reduction of homeless veterans is due to the methodology followed by the CoC.

The goal is a systematic end to homelessness, which means there are no Veterans sleeping on our streets and every Veteran has access to permanent housing. The IVOW committee defines ending homelessness among Veterans by having the capacity to serve the inflow of Veterans in need of support to help them regain or maintain stable housing, immediately. When Veterans become or are at-risk of becoming homeless, a system of coordinated Federal, State, and community partners will quickly connect them to the help they need to achieve housing stability by utilizing the strategies outlined in the action plan.

As part of the SSVF Grantee's efforts to engage the community, the working definition presented was that homelessness among Veterans would be rare and brief and no Veteran would be homeless more than 35 days. A lack of shelter beds restricted the definition from including references to not having any Veterans who were unsheltered. Strategies include increased outreach efforts to locate and engage Veterans living in wooded areas and other places not meant for habitation and development of a providers group to develop plans for Veterans on the named list once protocols were finalized.

Q32: Are there any comments/notes that you would like to share (about the survey, your community, etc.)?

SSVF Grantee was pursuing the development of a community plan and worked with the CoC to pull a list of Veterans by name. With the CoC in transition as the former Executive Director left and the Board hired Raine Johns it was difficult to pull providers together. We anticipate with the support of the new leadership we will be able to successful move further with planned efforts for ending homelessness among Veterans.

Our community adheres to the benchmarks established by the USICH as the definition of ending Veteran homelessness. We will have successfully achieved functional zero when all benchmarks have been satisfied and when all subsequent episodes of Veteran homelessness are less than 30 days. Veteran Housing Placement subgroup/ Take-Down Committee) will review each name on the Master List and ensure each Veteran listed that can be located has a plan for movement to permanent housing. Public Housing Authority opened its waiting list for Section 8 for those target populations given a preference including Veterans to create affordable housing opportunities. Enhanced and expanded outreach. Use of data consultant to improve reporting capacity for maintaining and updating the Master List. Increase resources in Pinellas County and decreasing the resources in Pasco County using the renewal grant funding.

Q32: Are there any comments/notes that you would like to share (about the survey, your community, etc.)?

Case conferencing is starting within 2 weeks facilitated by the SSVF Grantee.

The Master List is not complete and more intensive support was obtained to develop the reports to ensure its accuracy and completeness. The number of Veterans on the street and in transitional housing is lower than what we believe to be the correct number.

Veterans are assessed for permanent housing upon entry to GPD but not every 2 weeks. Developing plans to use Outreach to increase the level of engagement.

CHI is reaching out to Jim Yates, per our Regional Coordinator, Jill, to assist with being trained as a CA center so that we can minimize veterans being properly assisted and housed.

Q13: Who is lead point of contact for coordinated entry?

Name: Laura Lee Gwinn
 Organization: Homeless Coalition of Polk County
 Organization Type (VAMC, CoC, SSVF Grantee, etc.): CoC
 Phone #: 863-687-8386 x 1002
 Email: lgwinn@polkhomeless.org

PAGE 4: Part 3: By Name List

Q14: Does the community have a by name list?

No

Q15: Who manages the by name list?

Name:

Cynthania Clark

Role:

Executive Director/Case Manager Coordinator

Organization:

Clark's House, Inc.

Organization Type (VAMC, CoC, SSVF Grantee, etc.):

SSVF Grantee

Q16: Does your list have the following elements? (Select all that apply.)

List is one complete document not made of multiple or different parts

Q17: If your community has a by name list, could you please provide us with the following data involving totals of those currently on the list:

Number of unsheltered Veterans on the list	73
Number of Veterans currently in ES on the list	0
Number of Veterans currently in TH (including GPD)	0
Number of Veterans who have a housing plan	54

Q18: How often do you meet to review and update the by name list?

Monthly

Q19: What is your community's definition of ending Veteran homelessness? Please tell us about the strategies included in your plan. Please provide a succinct response. For example, ZZ-400 CoC defined ending Veteran homelessness by 0 unsheltered Veterans on a given night, less than 50 in emergency shelters and transitional housing all with a housing plan within 5 business days, and to house Veterans within 60 days of entering the homeless system.

I reviewed all of the documents for the CoC and was unable to find anything referring to ending homelessness amongst veterans or ending homelessness period. The lead agency has stated numerous times (also in writing), that the "homeless veterans are a very small percentage of the CoC", although Clark's House, Inc. has located, identified and recruited 370 veterans in a 2 year period (25 being served in both grant terms) and when Clark's House, Inc. has requested this to be changed we were told "our agency did not make up the majority of the CoC".

Unsure

Q28: Has your community submitted a claim to the federal partners (USICH, VA, HUD)?

No

Q29: If the answer to Question 28 was "Yes", please provide the date the claim was submitted and its current status (pending, approved, denied).

Date: Unknown
 Status: Unknown

Q30: Is the community currently receiving technical assistance? Please check all that apply. If you select other, please indicate what other type of technical assistance you are receiving.

SSVF TA,
 Other (please specify)
 CHI and HCPC was approved for TA with Jim Yates for the GAP Analysis. Due to major concerns CHI had/have with the HCPC regarding unethical practices, lack of pursuing our veterans through the CA and getting the ViSPDAT documents complete in a timely manner, the HCPC has decided not to effectively communicate with CHI. CHI has done everything possible to get the Exe. Dir of the HCPC to comply however the level of ethics, honesty and behavior that has been displayed has made it impossible for CHI and we have to keep our focus on working towards ending homelessness with the resources we do have.

Q31: Would you like technical assistance (if available)? (Select all that apply.)

Assistance with by name list,
 Assistance with data sharing between VA and community
 ,
 Assistance with understanding the federal benchmarks
 ,
 Assistance with strategy development,
 Assistance with integration and coordination of GPD and/or other transitional housing
 ,
 Assistance with prioritization and housing match ,
 Assistance with developing permanent housing option
 ,
 Assistance with data and tracking ,
 Assistance with stakeholder coordination and communication
 ,
 Assistance with CoC engagement,
 Assistance with aligning current plan/process with federal benchmarks/criteria
 ,
 Assistance with developing additional permanent housing resources (including private landlords, etc.)

Q32: Are there any comments/notes that you would like to share (about the survey, your community, etc.)?

CHI is currently working with our Regional Coordinator, Jill, to reduce and minimize some of the concerns pertaining to the HCPC as well as ways in which we can enhance community commitment on ending homelessness.
