Q19: What is your community's definition of ending Veteran homelessness? Please tell us about the strategies included in your plan. Please provide a succinct response. For example, ZZ-400 CoC defined ending Veteran homelessness by 0 unsheltered Veterans on a given night, less than 50 in emergency shelters and transitional housing all with a housing plan within 5 business days, and to house Veterans within 60 days of entering the homeless system.

13-MT-113 and C2015-MT-500B is still in the process of how to define ending Veteran homelessness across Montana. Although we diligently continue to provide rapid re-housing to all eligible homeless veterans we encounter; we are still in the planning stages for developing a coordinated plan on both a state level and in individual communities. With some concerns about the fragmented nature of all local CoC's across the state, we are in communication with Rich Deblasio on how our SSVF programs can become more involved with all local CoC's to help with the continuity of the organization. At that point, we are certain we will be better prepared to define ending Veteran homelessness in the state of Montana.
