Q41: Does your community regularly follow-up with rapid re-housing clients to ensure housing stabilization?

Yes

Q42: Do you have a system in place to ensure rapid re-housing clients experiencing new housing crises are routed to prevention/other stabilization services?

Yes,

If yes, please describe this process.
In the event that a rapid re-housing client begins to experience a new housing crisis, they are referred to Coordinated Intake and Assessment. At this time, the client is assessed to determine if additional SSVF services will be provided by one of the three funded SSVF grantees in the region, or if the client is in need of being connected to other homeless assistance programs or resources in the community.
