### **A. VA Prosthetic and Sensory Aids Services VA Audiology and Speech Pathology Services**

Orders should be placed through ROES. Please refer to the “ROES Training Manual and Reference Guide” for specific instructions on placing an order. Items can be shipped to the requesting service or specific veteran.

Individual veteran records should be established through ROES by the appropriate VA service. Once established in DALC records as having continuing eligibility status, veterans then may order the following items directly from the DALC:
