1. About This Tab

This tab provides the initial site home page, introductory information about the VA Enterprise Architecture, and site navigation aids. The home tab provides the following menu items:

- **Welcome** - Information on this tab, an overall site description, and help on the generic mechanisms found throughout the site.
- **Executive Summary** - An overview if OEAM's EA program, a set of EA presentations, and tutorials on the site and some of its products.
- **Architecture Evolution** - A summary of how the VA EA has evolved.
- **Section 508** - A description of the EA mission to provide Section 508 compliance.
- **Role Based Navigation** - Easy role based navigation to relevant EA products throughout this site.
- **Glossary** - Definitions for acronyms and special terms found throughout the Enterprise Architecture.
