FACT SHEET

What **The National Veterans Creative Arts Festival (NVCAF)** is the celebration and grand finale stage and art show, which are the culmination of talent competitions in art, creative writing, dance, drama and music for Veterans treated in the Department of Veterans Affairs (VA) national health care system.

Who Approximately 120 Veterans will exhibit their artwork, share their original written work, or perform musical, dance or dramatic selections in a gala variety show. A professional orchestra will accompany the performance. All Veterans invited to participate are selected gold medal winners of year-long, national fine arts talent competitions in which thousands of Veterans enter, from VA medical facilities across the nation.

When **Festival:** October 23 – 29, 2017

Why VA medical facilities incorporate creative arts into their recreation therapy programs to further the rehabilitation milieu for both inpatients and outpatients.
