**RESCISSION OF VHA DIRECTIVE 2006-048,
VERIFICATION OF IONIZING RADIATION (IR) EXPOSURE**

1. By direction of the Under Secretary for Health, Veterans Health Administration (VHA), Directive 2006-048, Verification of Ionizing Radiation (IR) Exposure, dated September 5, 2006, is rescinded. The contents of this Directive have been incorporated into several other current VHA handbooks, including VHA Handbook 1601A.02, Eligibility Determination, presently under revision.
2. All inquiries concerning this action are to be directed to the VHA Chief Business Office (10NB6). Questions may be addressed to 202-461-1589.
3. **RESCISSION:** This VHA Notice will be archived February 28, 2013; however, the information remains in effect.

Robert A. Petzel, M.D.
Under Secretary for Health
