PART 6:
VISIT SUMMARY

We've covered a great deal of information today. Changing your behavior to live a healthier life can be a difficult challenge. Therefore, utilizing more support and assistance from a health professional will help you live a more healthy and satisfying life. The following pointers may help you stick with your agreement, especially during the first few weeks when it is most difficult. Remember that you are trying to control your depression, and that it can be hard work without some help. It becomes easier with time and some professional/caring advice.

- ❑ Read this workbook frequently.
- ❑ Remember the negative effects of depression that you mentioned.
- ❑ Remember the benefits of controlling your depression that you mentioned.
- ❑ Remember the reasons for attending treatment that you mentioned.
- ❑ Some people have hard days where they may give up hope for improvement. If that happens to you, **DON'T GIVE UP**. Just start again the next day and remember that there is professional assistance available to you.
- ❑ You should always feel welcome to call your primary care provider for assistance or in case of an emergency.

THANKS FOR TRYING THIS PROGRAM.

Please keep your workbook handy so you can review them at the next telephone visit .
