The following statements describe different reasons people might have for deciding whether or not to use illicit drugs (such as heroin, cocaine, marijuana, etc.). Listen as I read each reason to you, then rate how important the reason is to you at the present time in deciding whether or not to use drugs. Please rate your level of importance on the following 5-point scale: 1 = Not important at all, 2 = Slightly important, 3 = Moderately important, 4 = Very important, and 5 = Extremely important. Your rating should reflect how important the statement is in your decision about whether to use drugs at the present time.

How important is this to you in making a decision about using drugs?	Importance in making a decision about using drugs:
