ADVISORY COMMITTEE MANAGEMENT OFFICE
Procedures for Preparing
Advisory Committee Correspondence and Packages

1. GENERAL

This document describes the Advisory Committee Management Office’s (ACMO) streamlined procedures and standards for correspondence for the Department of Veterans Affairs (VA) Federal Advisory Committees (FACs) requiring the signature of the Secretary (SECVA), Deputy Secretary (DEPSECVA), or other officials in the SECVA Office. ACMO serves as the coordinating office for the Department’s FACs and is responsible for ensuring continuity in management practices and compliance with the provisions of the Federal Advisory Committee Act, 5 U.S.C. Ch. 10, (FACA) with respect to Advisory Committee establishment, operations, ethics and duration. Also, ACMO is VA’s principal point of contact on advisory committee matters with the General Services Administration (GSA) and the Library of Congress.

2. CONTROLLED CORRESPONDENCE

a. To ensure timely responses and follow-ups, all VA FAC correspondence requiring SECVA-level review and approval is electronically controlled and tracked in the VA Correspondence Tracking System (currently known as VIEWS).

b. ACMO tracks correspondence requiring review, approval or reply from the SECVA and DEPSECVA to the House and Senate Committees on Veterans’ Affairs, Library of Congress, and other Committees and agencies with high-level interest in Advisory Committees.

c. Correspondence includes Committee charters (establishment, renewal, reestablishment, amendment or termination), Committee membership (nominations, appointments, reappointments and terminations), Federal Register notices (meetings or membership solicitations), Committee minutes, reports and recommendations.

d. Under Secretaries, Assistant Secretaries, and Other Key Officials will designate a program office and individual within their respective organization, who will serve as a Designated Federal Officer (DFO), Alternate DFO, or Committee Manager, responsible for managing a FAC that aligns with the program responsibilities and other ACMO correspondence assigned to their organization.

e. The VA FAC staff support and program officials will use the VA Correspondence Tracking System to initiate, monitor and close Advisory Committee correspondence received or generated in their offices to ensure that it is processed in accordance with the quality and timeliness standards specified in this guidance.
f. General Formatting of Documents. The following format applies to ALL FACA-related documents (Note: All formatting of documents are in alignment with the EXECSEC Style Guide Release 3.5. See attachment):

- **Abbreviations and acronyms** – spell out all abbreviations and acronyms the first time they are used in your documents; if abbreviation is not used later in the document, do not introduce or create an acronym.

- **Addresses** – Always spell out Drive, Road, Avenue, Boulevard and Street and capitalize when part of a formal street name. Abbreviations are acceptable in charts, tables and graphs.

- **Capitalization** are not used on the following words unless used at the beginning of a sentence: internet, intranet, web or website.

- **Commas** – VA no longer uses the oxford comma; when using commas to separate elements of a series, do not put a comma before the conjunction.

- **Email** – The word email is written as one word, no hyphen (e-mail is incorrect).

- **Email references** – Do not say "by email at". List the email address (for example, at Jane.Doe@va.gov).

- **Fiscal year** - should be written as fiscal year (each word begins with a lowercase letter even when followed by full year) (for example, fiscal year 2020). Note FY is still the acronym for fiscal year.

- **Font size** – ALL VA DOCUMENTS should be written in 12 point, font Arial and 0-point kearning (the spacing between characters in a proportional font); except for the Federal Register notices. The Federal Register notices are 12 point, font Times Roman.

- **Headings** and **subheadings** should have consistent formatting. Each page of multiple page documents (reports, testimony, questions for the record, information and fact sheets) should have a heading.

- **Hyperlinks** – Hyperlinked email addresses and websites are acceptable (for example, at Jane.Doe@va.gov or www.va.gov/advisory).

- **Letters** – Include only one space between the state abbreviation and zip code, and instead of saying “cosigners,” we say, “other signatories” (to prevent using co-signed and cosigners in the same letter, which is not always used consistently).

- **Margins** – VA documents margins are 1 inch on th left, right, top and bottom of each page (all around).

- **Multiple page documents** – Multiple page documents such as reports, questions for the record, testimony, information or fact sheet enclosures (not letters) are numbered as Page 1 of 5; Page 2 of 10; and so on.

- **Outline levels** should be consistent throughout the document.

- **Paragraphs** indented (5 spaces or 1 tab); single spaced; single space between each.

- **Percent** – The percent symbol (%) will be used instead of spelling out the word “percent.”

- **Phone numbers** – phone numbers should will be written as 202-461-0000 (no parentheses should be used in phone numbers).
• **Salutation** – Dear Representative Smith (*not Congressman Smith*)

• **Spacing after Punctuation** – Use one space after sentences and major punctuation (e.g., periods, colons, and so on).

• **Suffixes** – Name suffixes such as Jr. or Sr. and III are *not preceded* by a comma.

• **Usage** – Before the first usage of any acronym or initialism spell it out, followed by the acronym or initialism in parentheses in all documents. All subsequent text references should just refer to the acronym/abbreviation.
  o *Do not use an acronym/initialism* if it is not used again in the document.
  o If an acronym is spelled out in a document title, or on the title page of a report, it does not have to be reintroduced again in the document.
  o *Do not introduce acronyms* in the table of contents of a report.

g. Addressing Congressional Correspondence. Use Correct Addresses and Salutations:

  • The Honorable ______
    U.S. House of Representatives
    Washington, DC 20515
    o Dear Representative ______:
    o Dear Mr. Chairman ______:

3. **ADVISORY COMMITTEE PACKAGES**

ACMO receives, reviews, concurs and tracks all FAC packages completed by the program offices for SECVA or DEPSECVA through the VA Correspondence Tracking System. For each committee package, the original and final documents are routed to ACMO for final review and ensure accuracy of package assembly.

a. Prior to electronically assigning the package to ACMO (00AC), the program offices must ensure all changes, edits or corrections have been made and all required offices have concurred such as Veterans Health Administration (VHA) (10), Veterans Benefits Administration (VBA) (20) or National Cemetery Administration (NCA) (40), etc.

b. For each Committee package, the original and final documents are routed to ACMO for final review and ensure accuracy of the package nomenclature (or naming convention as prescribed by EXECSEC). ACMO will review the package.
to determine whether all *required* concurrences are received, edits are completed and all essential Committee documents are uploaded to the VA Correspondence Tracking System.

c. After ACMOs review, if all requirements have been met, ACMO will make an electronic assignment to the Office of General Counsel (OGC) (02), the Office of Congressional and Legislative Affairs (OCLA) (009), the Office of Public and Intergovernmental Affairs (OPIA) (002) and the Secretary’s designated Senior Advisors for review and to obtain their formal concurrence, as appropriate.

d. Once they concur, ACMO will concur on the respective Committee package and make an electronic assignment in the VA Correspondence Tracking System to the Office of the Executive Secretariat (001B) (EXECSEC). ACMO will email the final electronic copy package to EXECSEC (at ExecSecIntake@va.gov) for final review and signature. EXECSEC is responsible for the getting the final package to SECVA for his approval and signature.

4. CONCURRENCES

A concurrence is an office’s acceptance of a product, as written. It is *not* a review or editing process. A Concurrence and Summary Sheet, (VA Form 4265) is used and required by the administration or program office to obtain concurrences on correspondence prepared for the signature of SECVA or DEPSECVA.
CORRESPONDENCE CONTROL AND TRACKING

Committee Charter (Establish, Renew, Reestablish or Terminate)
Process and Sample Documents

All proposed charters for the establishment, renewal or amendment should be submitted in draft form through the VA Correspondence Tracking System for consultation and review by ACMO prior to submitting a final charter package for formal concurrence or approval. Charter content requirements will vary for discretionary, statutory and Presidential Committees. For more information about these Committee types, please review the section on Charter Committee Package in the ACMO Guide (revised September 2023). The charter renewal process must start at least 90-120 days in advance of the charter’s termination date to give ample time for program and staff offices to review and concur.

Note: For discretionary FAC, if the charter is not renewed timely by its 2-year date, GSA requires the charter to be reestablished, potentially causing a longer wait time for the Committee to resume activities and meetings. If reestablishment does occur, the supporting documents and letters should include the “reestablished” language. See Federal Register Notices below for making public announcement of the establishment of a discretionary Committee. Also, during the chartering process, FACs are required to provide a description of their plan to attain a fairly balanced membership; and update its plan, as applicable.

Note: To submit a charter package, see the Concurrences section (page 9) of this document. Samples are shown in Appendix D – Sample Charter Documents

The action office (administration or program office) finalizes the charter package after all changes, edits or corrections have been made and concurrences received from the program office and/or other offices which are required to provide comment or concurrence. ACMO tracks the concurrence process in the VA Correspondence Tracking System and does not take any final action on the final package until the appropriate offices’ authorized signers concur or non-concur.

The action office makes an electronic assignment to ACMO in the VA Correspondence Tracking System. Upon receipt of the electronic assignment package, ACMO conducts its initial review of the content, ensures all concurrences are received, and determines if all required documents are included in the package. ACMO edits or provides feedback to the program office, if necessary. If no changes are required, ACMO initiates a consultation with GSA to ensure the charter meets all legal and regulatory requirements. Subsequently, ACMO makes an electronic assignment to OCLA, OGC, OPIA and SECVA Senior Advisor for review and formal concurrence.

After OCLA, OGC, OPIA and SECVA Senior Advisor provides their formal concurrences, ACMO uploads their formal concurrence and makes an assignment to EXECSEC.
When submitting the electronic package, all documents should be tabbed and labeled using EXECSEC’s new nomenclature “naming convention” as shown in the chart below (in ascending priority order – top page to bottom page):

The Department of Veterans Affairs (VA) Veterans’ Family, Caregiver and Survivor Advisory Committee (Committee) was established under the authority of the Department of Veterans Affairs. The Committee provides advice to the Secretary of Veterans Affairs (SECVA), through the Caregiver Support Program, Veterans Health Administration (VHA). The advice will be related to the administration of benefits by VA for services to Veterans’ families, caregivers and survivors. In carrying out its primary responsibility of providing advice to SECVA, the Committee will submit a report to SECVA not later than July 1 of each even-numbered year, which includes: (1) an assessment of the needs, supports and service for Veterans’ families, caregivers and survivors across all generations and service eras; (2) a review of the programs and activities of the Department designed to meet such needs; (3) find and provide opportunities to further integrate Veterans’ families, caregivers and survivors into VA’s systems of care, including recommendations on how VA can improve and/or expand delivery of VHA, Veterans Benefits Administration and National Cemetery Administration services and benefits; and (4) such recommendations (including recommendations for administrative and legislative action) as the Committee considers appropriate.

The Committee will be comprised of not more than 20 committee members, who will be appointed by SECVA. Members will be comprised of a cross-section of stakeholders that support Veterans’ families, caregivers and survivors. The estimated annual costs associated with supporting the Committee are at $535,000 to include costs for travel and meetings and 2.5 full-time equivalent staff.

Expected 2021 Committee Activities:
• Advice on how VA can assist and represent Veterans’ families, caregivers and survivors, including recommendations regarding expanding services and benefits to Veterans’ families, caregivers and survivors who are not currently served by VA, and related policy, administrative, legislative and/or regulatory actions;
• Advice on incorporating lessons learned from current, and previous, successful family research and outreach efforts that measure the impact of provided care and benefits services on Veterans’ families, caregivers and/or survivors;
• Advice on collaborating with family support programs within VA and engaging with other VA and non-VA Advisory Committees focused on specific demographics of Veterans and their families, caregivers and survivors;
• Advice on working with interagency, intergovernmental, private/non-profit, community and faith-based organizations to identify and address gaps in services;
• Advice on utilizing journey mapping or other means to depict the experience life cycle of families, caregivers and survivors of Veterans to create a more holistic understanding of important life cycle events and their impacts, and to ensure accountability;
• Advice on Veterans’ family, caregiver and survivor experiences, and VA policies, regulations, and administrative requirements related to the transition of Servicemembers from the Department of Defense to enrollment in VA that impact Veterans’ families, caregivers and survivors;
• Advice on integrating Veterans’ families, caregivers and survivors into key VA initiatives such as access to care, suicide prevention and homelessness; and
• Provide such reports as the Committee deems necessary, but not less than one report per year to the Secretary, through the Chief Veterans Experience Officer, Veterans Experience Office to describe the Committee’s activities, deliberations, and findings, which may include but are not limited to: 1) identification of current challenges and recommendations for remediation related to access to care and benefits services of Veterans’ families, caregivers and survivors; and 2) identification of current best practices in care and benefits delivery to Veterans’ families, caregivers and survivors, and the impact of such best practices.

Elements of the Plan:
• The Committee will have at least one meeting in 20XX.
• The Committee may authorize subcommittees to perform specific projects or assignments as necessary and consistent with its mission.

PURPOSE - DISCUSSION - IMPLICATIONS

PURPOSE: The Advisory Committee on Sample Benefits for Veterans (Committee) was established on October 15, 20XX. The current charter is set to expire on October 15, 20XX.

DISCUSSION: The Committee advises the Secretary on matters affecting the Veterans initiatives and benefits transformation, related to rebuilding trust with Veterans and stakeholders, improving service delivery with a focus on Veterans benefits outcomes, and setting the course for longer-term excellence and reform.

The Federal Advisory Committee Act requires that charters be renewed every two years and copies filed with the standing committees of the House and Senate having the relevant legislative jurisdiction of that Department. Changes in the renewed charter are primarily administrative.

IMPLICATIONS: The Secretary will sign the proposed charter, and the charter will get filed with the House and Senate on Veterans' Affairs and the Library of Congress.

**PURPOSE:** Obtain SECVA approval and signature.

**DISCUSSION:** The Veterans’ Family, Caregiver and Survivor Advisory Committee was established at the discretion of SECVA; and operates under the provisions of the Federal Advisory Committee Act, as amended, 5 U.S.C. § Ch. 10. The Committee is charged with providing advice to SECVA with respect to the administration of benefits by the Department of Veterans Affairs (VA) for services to Veterans’ Families, Caregivers and Survivors. The Committee cannot meet without an active charter. The Federal Advisory Committee Act requires the Committee renew the charter every 2 years. The Charter is set to expire on June 4, 2023. There are some changes to the charter. The Committee falls under the purview of the Veterans Health Administration.

**RECOMMENDATION:** SECVA signs the renewed charter and transmittal letters to Congressional members.

### A member solicitation in the Federal Register will be announced to the public as well asDear Tribal Leader Letters sent to the 574 Federally recognized tribes.

The DFO, a full-time VA employee, will approve the schedule of Committee meetings. The DFO or Alternate DFO will be present at all meetings, and each meeting will be conducted in accordance with an agenda approved by the DFO. The DFO is authorized to adjourn any meeting when they determine it is in the public interest to do so.

This is relevant to those agencies that require their subcommittees to follow all FAC requirements.

The Committee is authorized to establish subcommittees to perform specific projects or assignments consistent with this Charter.

**Subcommittee Establishment**

**Process and Sample Documents**

With the DFO’s approval, the Committee is authorized to establish subcommittees to perform specific projects or assignments as necessary and consistent with its mission. The Committee Chairperson shall notify the Secretary, through the DFO, of the establishment of any subcommittee including its function, membership and estimated duration. The objectives of the subcommittees are to make recommendations to the chartered Committee with respect to matters related to the responsibilities of the chartered Committee. Such subcommittees may have workgroups but may not work independently of the chartered Committee. Subcommittees have no authority to make decisions on behalf of the parent Committee nor can they report directly to VA. A DFO, or alternate DFO, must be present for all subcommittee activities and take notes. A responsible Federal Government employee must be present for all workgroup activities and take notes.

The subcommittee establishment package serves as information to SECVA that the Committee is executing this option. The action office finalizes the subcommittee establishment package after all changes, edits, or corrections have been made by the program office and/or any other office that is required to provide comment or concurrence (i.e., VHA Executive Correspondence (10BEX), VBA Executive Correspondence (20) and NCA Executive Correspondence (40), SECVA Senior Advisor, etc.). **The action office must obtain all required or applicable concurrences prior to forwarding the charter package to ACMO.** ACMO tracks the concurrence process in the VA Correspondence Tracking System. ACMO does not take any final action on the final package until the appropriate offices’ authorized signers concur or non-concur.

The action office makes an electronic assignment to ACMO in the VA Correspondence Tracking System. ACMO makes the appropriate assignment to OGC for review and authorized concurrence. After OGC concurs and provide feedback, if any, ACMO conducts final review and add its concurrence to the electronic package. ACMO submits the final subcommittee establishment package to EXECSEC’s mailbox at ExecSecIntake@va.gov. EXECSEC staff conducts a final review and makes any edits to content or document format, if required. Additionally, EXECSEC obtains SECVA’s approval or initials on VA Form 0907. After SECVA initials the VA Form 0907, EXECSEC notifies the POC from the action office.

When submitting the electronic package, all documents should be tabbed and labeled using EXECSEC’s *new nomenclature “naming convention* as shown in the chart below (in ascending priority order – top page to bottom page):

Membership Process and Sample Documents

Individuals are nominated, selected and appointed to a VA FAC based upon their qualifications, skills, experience and ability to contribute to the accomplishment of the Committee’s objectives. The statute or charter that establishes the Committee often includes specific requirements for Committee membership such as prior military experience or expertise in a particular subject area. FACA requires that Committee membership be “fairly balanced in terms of points of views represented and the functions to be performed.” As a result, Committee members generally have personal and professional experiences that match the program responsibilities of their sponsoring agencies and the specific scope of the Committee on which they serve. In balancing Committee membership, VA also ensures representation of diverse and sometimes opposing viewpoints, to provide a foundation for developing advice and recommendations that are fair and comprehensive that represents the demographics of the constituency it was formed to serve.

A nomination package includes a memo to SECVA, a brief biographical description of nominees and members; and a decision page. Reference to a nominee or member must include the member’s full name (first, middle and last), credentials (e.g., M.D., Ph.D., etc.), retired military rank (if applicable), term of service, and whether they serve as member or Chair of the Committee. Reference to a nominee and member must be consistent throughout the package.

Note: When capturing the nominee or members’ credentials or degrees, only periods are to be used for B.A., G.E., M.A., Ed.D., M.D. or Ph.D. degrees. All other credentials or degrees do not require a period, such as MPA, NAFAA, FASCE, NCARB.

The nomination package should be prepared and sent to SECVA 90 days in advance of the expiration of membership terms.

A certificate of appointment, along with an appointment letter, is included in when appointing a new Committee member. The DFO sends a request for a certificate of appointment to ACMO including the nominee’s full name, credentials, retired military rank, term of service and whether they serve as a member or Chair. ACMO makes the request for the certificate of appointment to the Media Services Division.

A certificate of appreciation is prepared, along with a termination or thank you letter, for Committee members when they complete their service on a VA FAC, resign or leave for other reasons. This certificate is generated by ACMO and included in the membership package requiring SECVA’s signature. Members who are reappointed, do not receive a certificate since their reappointment is a continuation of their original appointment.

Additionally, a National Agency Check with Inquiries or background investigation may be required for recommended new Committee members. The administration or program office is responsible for initiating this process.
**Note:** To submit a membership package, see the Concurrency section (page 9) of this document. Samples are shown in Appendix E – Sample Membership Documents

The action office (administration or program office) finalizes the nomination of the membership package after all changes, edits or corrections have been made by the action office and/or any other office that is required to provide comment or concurrence. The action office must obtain all concurrences prior to forwarding the nomination membership package to ACMO.

**Note:** OCLA, OGC or OPIA is not required to review and/or concur on a nomination membership package. However, a SECVA Senior Advisor is required to review and concur.

ACMO tracks the concurrence process in the VA Correspondence Tracking System. ACMO does not take any final action on the final package until the appropriate offices’ authorized signers concur or non-concur, including the SECVA Senior Advisor. Next, the action office makes an electronic assignment to ACMO in the VA Correspondence Tracking System. Upon receipt of the electronic assignment, ACMO conducts its final review of the content, ensures all concurrences are received and determines if all required documents are included in the package. ACMO edits or provides feedback to the program office, if needed. If no changes are required, ACMO uploads its formal concurrence and makes an assignment to EXECSEC and provides the final package to EXECSEC via email.

EXECSEC staff conducts a final review and makes any edits to the content or document format, if required, and obtains SECVA’s approval. When approved by SECVA, EXECSEC dispatches the signed letters of appointment, reappointment, and/or termination, along with the signed certificates of appointment and appreciation to the Committee member.

When submitting the electronic package, all documents should be tabbed and labeled using EXECSEC’s *new nomenclature* “naming convention” as shown in the chart below (in ascending priority order – top page to bottom page):

VA Advisory Committee Reports and Recommendations
Process and Sample Documents

Specific reports are required on FAC for SECVA, the House and Senate Committees on Veterans’ Affairs, or the GSA Committee Management Secretariat. The reports convey Committee information, which provides advice and recommendations to SECVA on a wide variety of programs that deliver benefits and services to our Nation’s Veterans. Other internal VA reports are required for management purposes on the assessment and projection of Committee activities.

Annual Comprehensive Review (ACR): As required by section 7(b) of FACA, GSA’s Committee Management Secretariat must conduct an ACR of all activities and responsibilities of each Federal Advisory Committee based on each fiscal year (October 1 through September 30). All information gathered on an Advisory Committee is entered on the GSA’s FACA database at https://www.facadatabase.gov/FACA/FACAPublicPage.

Throughout the year, the DFO begins preparing the individual Committee’s report by entering data on Committee meetings including actual costs for the fiscal year, estimated costs for the next fiscal year, meeting dates, updated Committee member information and the activities and accomplishments of the Committee.

Upon the DFO’s submission and verification of the ACR, ACMO staff performs a review of the report for completeness and accuracy. ACMO staff will provide feedback or comments, as needed. When ACMO completes its final review, the individual report will be verified as complete to GSA. Once VA has submitted all Advisory Committee reports, GSA will review the reports and may consult with ACMO to make final. Once GSA has finalized all Departments’ FAC reports, they will submit a report to Congress and the information will be available to the public.

VA Annual Assessment of Committee Activities (Performance Review): An Annual Assessment of Committee Activities is submitted on each VA FAC for the current calendar year (January through December) and is due to ACMO by December 1. A template is provided in the ACMO Guide (revised September 2023).

The assessment must be signed by the program office leadership and Committee Chair after consultation with the DFO. When all required signatures are received, the assessment is sent to ACMO electronically via email. The following items are included:

- Overall summary of the Committee;
- Committee’s effectiveness and contributions to achieving VA priorities;
- Usefulness of communications between the program office and the Committee;
- Description of the quality of Advisory Committee recommendations;
- Any Advisory Committee products, such as recommendations or a report;
- Actions taken to implement FAC recommendations; and
- Program office assessment of the FAC’s work.
**Annual Operations Plan:** An Annual Operations Plan is submitted annually for each Advisory Committee’s next year projected activities (January to December) to ACMO by December 1 each calendar year. A template is provided in the ACMO Guide (revised September 2023).

The Annual Operations Plan must be signed by the DFO and the FAC’s Chair after consultation with the respective program officials. Once all required signatures are received, the Plan is sent to ACMO electronically via email. The following items are included:

- Specific areas of Committee interest for the upcoming year;
- Committee objectives and expected Committee activities, such as briefings and site visits;
- Approximate date(s) of any expected recommendations, reports, official communications, or other deliverables; and

Information indicating which quarter of the year for any proposed engagement with SECVA, DEPSECVA or Chief of Staff

VA FACs must provide a report or recommendations to SECVA no later than the date identified in its statute or charter. The Committee report contains an assessment of the respective Committee’s review of specific VA programs, activities and policies designed to accomplish its purpose.

**Recommendations and VA Responses:** During Committee meetings, Committee members’ deliberation action is captured in either a Committee’s report and/or recommendations to SECVA. These recommendations can result in significant improvements in service or reductions in cost to the Veterans or provide an important addition perspective or viewpoint affecting VA operations and its service requirements to Veterans. See Appendix C – SMART Recommendations – Template. Using this template, the Committee can develop more impactful recommendations which can eliminate ambiguity and redundancy.

**Unvetted Reports or Recommendations:** Unvetted reports or recommendations are the original reports or recommendations submitted by the Committee to the VA administration or program office supporting the VA FAC. Unvetted reports or recommendations **excludes** VA responses. Unvetted reports are required to be routed to ACMO, and ACMO will upload to the GSA FACA Database, as part of the current year ACR Report. **Committees are no longer required to send the unvetted report or recommendations to SECVA as an FYI.** The steps routing the unvetted reports are as follows:

1. After the VA administration or program office (or DFO) receives the unvetted report, they should send it directly to ACMO via email at vaadvisorycmte@va.gov or interoffice mail at ACMO (00AC); and
2. ACMO reviews and uploads the unvetted report or recommendations to the GSA FACA Database.

**Vetted Report or Recommendations:** Vetted reports or recommendations are the original reports or recommendations submitted by the Committee to SECVA. Vetted reports or recommendations includes VA responses to the Committee’s recommendations.

The supporting administration or program office is responsible for disseminating the FACs reports or recommendations to the appropriate VA administration or program office via assignment in the VA Correspondence Tracking System, coordinating input from those offices, and synthesizing input into SECVA’s official response within 120 days of a Committee meeting. Any administration or program office that is asked by the supporting office to respond to a FAC recommendation is responsible for providing the supporting office with timely responses to the report recommendations and, when appropriate, with action plans in the required format for implementation of the recommendation(s). ACMO is responsible for tracking all responses to Advisory Committee reports and recommendations for EXECSEC. The appropriate administration or program office responds to reports and recommendations using the following responses:

- **Concur:** VA agrees with the recommendation and will implement.
- **Concur-in-principle:** VA agrees with the recommendation in concept but is unable to implement.
- **Non-concur:** VA does not agree with the recommendation and will not implement.

All responses will include a brief explanation of the reason for the response. A concurrence will include a detailed action plan for implementation. A sample action plan is shown in Appendix A. Additionally, any response that is a non-concur or concur-in-principle will include a detailed explanation of the inability to implement.

**Note:** Work processes must be efficient so that time is built in for each level of review and to facilitate prompt concurrences. Deadlines are established with sufficient time to meet expectations for delivery to external parties and to allow the Committee to receive and deliberate VA responses at its next Committee meeting.

When submitting the electronic package, all documents should be tabbed and labeled using EXECSEC’s new nomenclature “naming convention” as shown in the chart below (in ascending priority order – top page to bottom page):

Recommendation 1: The Committee recommends that VA standardize volunteer identification badges as flash badges at all VA medical centers (unless the volunteer requires the badge for computer access or access to a restricted area).

**VA Response: Concur.** There are only three types of Personal Identification Verification (PIV) credentials: PIV Badge; Non-PIV Badge; and Flash Badge. Volunteers are considered Without Compensation (WOC) Employees. WOC employees are a critical component of VA’s supplemental services in the delivery of health care. Volunteers are required to undergo on-boarding processes to obtain a PIV credential in accordance with Homeland Security Presidential Directive 12, VA Directive 0710 and VA Directive 0735.

Recommendation 2: The Council notes that the Nation’s academic health centers and health professional schools have been an integral and indispensable component of VA’s health care system for 70 years, providing a significant fraction of VA’s clinical workforce as well as ready access to expertise that would be unavailable in the absence of this innovative public-private partnership. Therefore, it is entirely logical that academic affiliates retain this role in VA’s new health care system. Accordingly, the Council strongly endorses the inclusion of academic affiliates as members of VA’s Core Network under the new Veterans Choice Program.

**VA Response: Concur.** VA recognizes the important role that academic health centers and health professional schools have played in VA’s health care system. VA has extensively emphasized the importance of this unique partnership. Therefore, the New Veterans Choice Program (VCP) described in the Plan to Consolidate Programs of Department of Veterans Affairs to Improve Access to Care includes academic affiliates as members of the VA Core Network. The effective date to launch the VCP is December 20XX.

*Note: Generally, responses are annotated as VA Response: Concur/Concur-in-Principle/Non-Concur*

EXAMPLE SMART RECOMMENDATIONS

Using the SMART Recommendations template may help improve results. The template clarifies exactly what is expected and the measures used to determine if the recommendation is successfully implemented and end-state achieved.

The template uses the acronym S.M.A.R.T. meaning:

Specific (and strategic): Linked to the Department’s mission, position summary, strategic plan or Committee charter. Answers the question: Who? and What?

Measurable: Can the success toward accomplishing the recommendation be measured? Answers the question: How?

Actionable: Can the recommendation be achieved through reasonable action and investment of resources?

Realistic (results oriented): Is the recommendation within scope or can it be aligned with current mission tasks, projects or initiatives; does it focus on a defined area; and does the recommendation include an desirable result or end state.

Time framed: Does the recommendation have a clearly defined time-frame; a target or deadline?

Examples:

A poorly written SMART recommendation:
VA should improve employee communicating skills.

(The recommendation written above does not identify a specific measurement, time frame, nor identify why the improvement is needed or how it will be used.)

A better written SMART recommendation:
The Department of Veterans Affairs should work to rapidly deploy outreach multipliers/enablers like expanding the number of fully trained public affairs officers and deploying them more frequently, allotting more individual employee public engagement skills training hours to maximize one on one Veteran knowledge provider opportunities, dedicating more VA senior leader to conduct public outreach / issues interviews (TV, Radio, Print); and VA should expand the functionality of enterprise web pages to better reach and inform stakeholder audiences. VA should complete this recommendation by January 2018 and annually publish the results by March of each year between 20XX-20XX.
EXAMPLE SMART RECOMMENDATIONS – TEMPLATE

Specific – WHO? WHAT?

Measurement/Assessment – HOW?

Actionable – REASONABLE?

Realistic – DESIRED RESULT?

FEDERAL REGISTER NOTICES

A Federal Register notice is the official daily publication for rules, proposed rules and notice of Federal agencies and organization, as well as executive orders and other presidential documents. The Federal Register notices are published by the Office of the Federal Register, National Archives and Records Administration.

Although there are several types of Federal Register notices, ACMO focuses primarily on the following Federal Register notices: Notice of Intent or Charter Renewal, Notice of Meeting (NOM) and Notice of Solicitation for Appointment. **Note: The Federal Register notices follows the Federal Register guidance and not EXECSEC. For instance, all notices should be prepared in Times Roman font.**

**Notice of Intent or Charter Renewal:** A notice of intent or charter renewal is an announcement to make the public aware of VA establishing, reestablishing or renewing its Committees’ charter. The notices provide specific details, such as the name of the FAC, summary of the Committee, the establishment, reestablishment or charter renewal date, and the VA CMO’s contact data. ACMO prepares and submits the notice of intent or charter renewal to the Federal Register electronically. **Note: This FACA action does not require tracking in the VA Correspondence Tracking System.**

If/when a notice of intent is required, ACMO will automatically draft and submit the notice to the Federal Register for publication.

**Notice of Meeting:** A NOM is an announcement to make the public aware of an upcoming Federal Advisory Committee meeting. The NOM is required to provide specific details, such as FAC name, time, date, place and purpose of the meeting. Also included is the summary of the agenda and/or topics to be discussed, date and time for public comment period, and a statement of whether the meeting is open to the public or closed; and if closed, the reasons why, citing the specific exemptions (see ACMO Guide revised September 2023) and the contact information of the Committee’s DFO or other official to obtain additional information about the meeting.

The FACA regulation (41 CFR § 102-3.105(a)) requires that a NOM is published in the Federal Register at least 15 calendar days prior to a FAC meeting. However, VA’s OGC recommends VA FAC staff prepare Committee meeting notices at least 30 days (or more) in advance to ensure that the notice requirement can be met. ACMO should receive the approved NOM (through program office concurrence) at least 30 days prior to the Committee meeting via the VA Correspondence Tracking System. After ACMO electronically submits the NOM to the Federal Register, it may take the Federal Register up to 4 days to publish or due to extenuating circumstances sometimes longer.

Under exceptional circumstances, less than a 15-day notice may be given. However, failure to sufficiently plan far in advance, does not constitute an exceptional circumstance.
Open Meeting Requirements: FAC meetings are required to be open and accessible to the public, except in limited, specified circumstances. If your FAC is open to the public, the administration or program office makes an assignment in the VA Correspondence Tracking System through normal concurrence signature level. The editable NOM is uploaded to the VA Correspondence Tracking System in a Word format. An assignment to OGC (024) is not required.

Closed Meeting Requirements: FACA regulations recognize that at times it is necessary to close (or partially close) a meeting to public participation. A FAC may be closed in accordance with the exemptions for closure contained in the Government Sunshine Act 5 USC 552b(c). Common exemptions cited to legally close Federal Advisory Committee meetings include:

- Discussions of classified information;
- Reviews of proprietary data submitted in support of Federal grant applications; and
- Deliberations involving considerations of personal privacy.

Partially Closed Meeting: For example, if the FAC meeting is scheduled to tour a VA Medical Center, the Advisory Committee meeting is closed to the public during this time to protect patient privacy.

If the FAC meeting is closed or partially closed, the action office must obtain all concurrences (within their program office) prior to forwarding the closed or partially closed NOM package to ACMO. When all required signatures are captured, the action office makes an electronic assignment to ACMO in the VA Correspondence Tracking System. ACMO conducts its initial review of the content, ensures all concurrences are received, and determines if all required documents (such as the NOM, draft agenda, and VA Form 4265) are included in the package. ACMO edits or provides feedback to the program office, if necessary. If no changes are required, ACMO prepares and signs the Agency Determination memorandum from the VA CMO to OGC (024) and captures its concurrence on the VA Form 4265. After uploading the signed documents in the VA Correspondence Tracking System, ACMO makes an electronic assignment to OGC.

Once OGC concurs, ACMO submits the final NOM to the Federal Register electronically. Once the Federal Register publishes the NOM, ACMO provides a courtesy copy to the respective Committee’s DFO.

Notice of Solicitation for Appointment: A notice of solicitation for appointment (solicitation) is an announcement to make the public aware of an upcoming or vacancy on a specific VA FAC meeting. The solicitation provides specific details, such as the name of the FAC, summary of the Committee, due date to submit resume, DFO contact data, supplementary information and the nomination requirements.

Note: This FACA action does not require tracking in the VA Correspondence Tracking System.
To submit a notice of solicitation for appointment, the DFO or action office prepares the solicitation. You are not required to upload the solicitation to the VA Correspondence Tracking System. After the solicitation is finalized, email the document directly to the Committee’s assigned ACMO Program Specialist for action. ACMO reviews and submits the final solicitation to the Federal Register electronically. Once the Federal Register publishes the solicitation, ACMO provides a courtesy copy to the respective Committee’s DFO.

VIEWS #: XXXXXXXX, RR&D 20XX June Notice of Meeting

I reviewed VIEWS XXXXXXXX, Rehabilitation Research and Development (RR&D) Service Scientific Merit Review Board 20XX June Notice of Meeting and determined that the meeting is appropriately closed.

Given the Delegation of Authority for Agency Determination Closed Meeting (VIEWS 195868), I find the disclosure of research information could significantly obstruct implementation of proposed agency action regarding the research proposals. This is cited by subsection 10(d) of P.L. 92-463, as amended by P.L. 94-409, closing the Federal advisory committee meeting is in accordance with 5 U.S.C. § 552b(c)(6).

APPENDIX A VA FEDERAL ADVISORY COMMITTEE MEMBERSHIP BALANCE PLAN MEMORANDUM

Department of Veterans Affairs

Memorandum

Date: Month D, YYYY
From: Chief of Staff (00A)
Subj: Department of Veterans Affairs (VA) Advisory Committee Membership Balance Plan
To: Under Secretaries, Assistant Secretaries, and Other Key Officials

1. The purpose of this memorandum is to standardized policies regarding the membership balance requirements for the Department of Veterans Affairs (VA) advisory committees established under the Federal Advisory Committee Act (FACA) and for developing a membership balance plan for each VA advisory committee’s future membership appointments. The policy and process changes described herein do not apply to the following VA Advisory Committees which engage in scientific peer review of VA research:
   a. Clinical Science Research and Development Service Cooperative Studies Scientific Evaluation Committee;
   b. Health Services Research and Development Service Scientific Merit Review Board;
   c. Joint Biomedical Laboratory Research and Development and Clinical Science Research and Development Services Scientific Merit Review Board;
   d. Rehabilitation Research and Development Service Scientific Merit Review Board; and
   e. Genomic Medicine Program Advisory Committee.

   The policy also does not apply to the VA Voluntary Service National Advisory Committee, which is composed entirely of representative members appointed by VSOs.

2. VA currently has 27 advisory committees that are governed by FACA. Fifteen have been established by statute and eight have been established by the Secretary pursuant to the discretionary authority provided by the FACA. The primary purpose of committees is to provide advice and guidance to the Secretary on a wide variety of programs that deliver benefits and services to our Nation’s Veterans.

   One of VA’s principal objectives in managing its advisory committees is to ensure that committee members appropriately reflect the diversity of American society and the Veteran population. In the selection of members for discretionary committees, VA is required to consider a cross-section of those directly affected, interested and
Subject: Department of Veterans Affairs (VA) Advisory Committee Membership Balance Plan

Qualified, as appropriate to the nature of the advisory committee. Committees requiring technical expertise must include persons with demonstrated professional or personal qualifications and experience relevant to the functions and tasks to be performed.

3. Committee membership requirements are as such:
   a. Committee size is limited to 12 members unless otherwise specified or required by the committee's authorizing statute. Membership above 12 for any existing or future advisory committee will require specific justification by the Designated Federal Officer (DFO), in consultation with the Committee Management Officer (CMO) and the affected VA program office. Any future committee charted will be limited to 12 members. Ex officio members will not be counted when considering the 12 members limit.

   b. The membership of existing advisory committees will be reduced, by attrition, to not more than 12 members, unless the committee's authorizing legislation mandates a larger membership or unless an exception is approved by the Chief of Staff after review of written justification.

   c. A committee member may serve no longer than two terms on a committee unless the committee's authorizing legislation states otherwise or unless the DFO of the committee, in consultation with the CMO, provides specific justification in a membership approval package for additional terms of service. All other committee members whose service exceeds two terms will complete their service at the end of the current term.

   d. The Secretary of Veterans Affairs will appoint committee members and designate them as Special Government Employees unless representative members are required by the committee's authorizing statute or other compelling justification is provided to the Secretary of Veterans Affairs.

   e. Each committee shall represent, to the extent possible, members with diverse professional and personal qualifications, such as experience in military service, military deployments, working with Veterans, committee subject matter expertise and working in large and complex organizations.

   f. Each committee shall represent, to the extent possible, Veterans of diverse eras and branches of military service.

   g. Each committee shall represent, to the extent possible, diversity in race/ethnicity, gender, religion, disability and geographical background.
4. In developing the Membership Balance Plan:
   a. DFOS will draft a membership balance plan for each committee consistent with the general membership requirements given herein.
   b. The purpose of the balance plan is to explain how the composition of the membership will benefit the overall goals of the committee and the Department.
   c. Each membership balance plan will be limited to no more than two pages and, in accordance with draft General Services Administration guidelines, will include consideration of:
      i. the committee's name;
      ii. the authority;
      iii. the mission and function;
      iv. technical experts needed and the process used to achieve diversity, equity and inclusion for committee balance;
      v. other balance factors that may attribute to the geographic, ethnic, social, economic, or scientific impact of the committee's recommendations;
      vi. candidates process used to identify the types of specific perspectives required, such as those of consumers, technical experts, the public at large, academia, business, or other sectors;
      vii. subcommittee balance; and
      viii. other supporting information supporting FAC.
5. A template to serve as an illustrative model is attached.
6. Point of contact for this action is Jeffrey A. Moragne, VA CMO at 202-266-4660 or Jeffrey.Moragne@va.gov.
