

My HealthVet VA Health Summary (CCDA)

Data and Business Rules: October 2017

CCDA Section	Business Rule
Patient Information	Name, Date of Birth (DOB), Gender, Address, Marital Status, Religious Affiliation, Race, Ethnicity, Language(s), Preferred Language
Information Source	Department of Veterans Affairs
Allergies	This section includes Allergies on record with VA for the patient. The data comes from all VA treatment facilities. It does not list allergies that were removed or entered in error. Some allergies may also be reported in the Immunization section.
Problems	This section includes a list of all active and inactive Problems/Conditions known to VA for the patient. New problems/conditions are available 3 calendar days after entry. The data comes from all VA treatment facilities.
Medications	<p>This section includes: 1) prescriptions processed by a VA pharmacy in the last 15 months, and 2) all medications recorded in the VA medical record as “non-VA medications.” Pharmacy terms refer to VA pharmacy’s work on prescriptions. VA patients are advised to take their medications as instructed by their health care team. Data comes from all VA treatment facilities.</p> <p><u>Glossary of Pharmacy Terms:</u> <u>Active</u>=A prescription that can be filled at the local VA pharmacy. <u>Active: On Hold</u>= An active prescription that will not be filled until pharmacy resolves the issue. <u>Active: Susp</u> = An active prescription that is not scheduled to be filled yet. <u>Clinic Order</u> = A medication received during a visit to a VA clinic or emergency department. <u>Discontinued</u>=A prescription stopped by a VA provider. It is no longer available to be filled. <u>Expired</u>=A prescription which is too old to fill. This does not refer to the expiration date of the medication in the container. <u>Non-VA</u> = A medication that came from someplace other than a VA pharmacy. This may be a prescription from either the VA or other providers that was filled outside the VA. Or, it may be an over the counter (OTC), herbal, dietary supplement or sample medication. <u>Pending</u>=This prescription order has been sent to the Pharmacy for review and is not ready yet.</p>
Vital Signs	The included list of inpatient and outpatient Vital Signs is from the last 12 months and includes a maximum of the 5 most recent sets of vital sign values. If more than one set of vitals were taken on the same date, only the most recent set is populated for that date. The data comes from all VA treatment facilities.
Results: This section contains Chemistry and Hematology Lab Results, Radiology Reports, and Pathology Reports on record with VA for the patient. The data comes from all VA treatment facilities.	
Lab Results	The included Chemistry/Hematology Results are from the last 24 months, are available 3 days after verification, and include a maximum of the 10 most recent sets of tests. The data comes from all VA treatment facilities.
