

## My HealthVet Release 12.6 Notes for VA Blue Button and VA CCD Department of Veterans Affairs

Release Notes Version	Version 1
Release Notes Date	10/01/13

My HealthVet Release 12.6 includes several enhancements to the VA Blue Button:

- As shown in the sample files, the VA Blue Button output header has an updated version number: Produced by the VA Blue Button (v12.6)
- For VA data classes, when no data is available from Vista, the field now displays double dashes. A key has been added instructing the user. Key: Double dashes (--) mean there is no information to display.
- Improved wrapping function to resolve issue with display of VA Notes
- Minor formatting improvements for Blue Button output (see sample files)
  - Removal of the extra line above Wellness Reminders in .txt output
  - A fix of the My Goals margins and dotted lines in .txt output
  - Left justify My Goals section headers
  - Corrected sorting order of My Goals Completed tasks (descending order) in .txt and .pdf output
  - Removal of the My Goals Completed Tasks "Date Range Selected" from top of .txt and .pdf output
  - The text to display no data entered is now displaying correctly in My Goals
  - My Goals header now displays when no goals exist for a sub group

Sample VA Blue Button files are provided to illustrate the VA Blue Button and VA CCD output. Release notes and sample files will be updated as changes occur, and these updates are posted on the VA Blue Button website at [www.va.gov/bluebutton](http://www.va.gov/bluebutton).
