

WELCOME TO HEALTHSHARE REFERRAL MANAGER (HSRM), VA'S SECURE ONLINE PORTAL FOR MANAGING REFERRALS AND AUTHORIZATIONS

- ◆ **Facilitates Health Information Exchange (HIE)** between community providers and VA via one unified platform
- ◆ Gives the flexibility to **easily refer Veterans for other specialized care**
- ◆ Allows community providers to **submit Requests for Services (RFS)**
- ◆ **Generates reports** to inform decision-making and track workflow
- ◆ **Paperless information sharing** is more environmentally friendly and better protects patient data

HealthShare Referral Manager revolutionizes the way community providers partner with VA to serve Veterans

“HSRM has **drastically cut down phone calls and faxes** that I’m having to receive on a daily basis just because all the information I need is literally right there at my fingertips. I can’t wait for everyone else to start using HSRM because it’s going to be great!”

- Provider Testimonial, Sterling, IL

Over 4000 community provider facilities have begun using HSRM!

Access to HSRM and training resources are available at no cost to community providers!
