VHA Community Care Provider Webinar Series

This webinar series is one facet of a prioritized, proactive, provider outreach focused on building stronger and more sustainable working relationships with our community care providers. Provider-centric, this program concentrates on delivering webinars that impart VA health care policies and practices to assist our non-VA providers in serving our Veterans and their families.

3rd Thursday of each Month:
Department of Veterans Affairs—Office of Community Care Overview

♦ Receive an overview on the background of Community Care Programs and corresponding VA regulations.

♦ Learn about hot topics like referrals, authorizations, unauthorized/emergency care, other health care, and common claim denial and rejection reasons.

♦ Apply new knowledge and resources to daily work to help both providers and VHA.

*Dates may be changed during holiday weeks.
