2. Structures. The licensee shall not place or construct upon, over, or under the property any installation or structure of any kind or character, except such as are specifically authorized herein.

3. Laws and Ordinances. Notwithstanding anything to the contrary, this license and any underlying privilege granted to the licensee, shall at all times be subject to applicable Federal, State, and local laws, codes, and ordinances.

4. Sanitary Conditions. If this license gives possession of United States property, the licensee must at all times keep the premises in a sanitary condition satisfactory to VA.

5. Damage. Except as may be otherwise provided by the Special Conditions, no United States property shall be destroyed, displaced, or damaged by the licensee in the exercise of the privilege granted by this license without the prior written consent of VA, and the express agreement of the licensee promptly to replace, return, repair, and restore any such property to a condition satisfactory to VA upon demand. Such obligation shall apply in proportion to and to the extent of the damage caused by the negligent or willful acts or omissions of licensee, its officers, agents, employees, students and invitees. 8. Operation. The licensee shall confine activities on the property strictly to those necessary for the enjoyment of the privilege hereby licensed, and shall refrain from marring or impairing the appearance of said property, obstructing access thereto, interfering with the transaction of Government business and the convenience of the public, or jeopardizing the safety of persons or property, or causing justifiable public criticism.
9. **Notice.** Any property of the licensee installed or located on the property affected by this license must be removed within 30 days of written notice from VA.
