Caregiver Self-Assessment

- Visit <u>www.va.gov/Geriatrics</u> to learn more about short- and long-term services and supports in VA and the community.
- Talk with your Veteran about this Self-Assessment.
- Use this Self-Assessment in discussions with your Veterans social worker and care team about the home and community services and supports that are best for you and your Veteran.
- Your Veterans eligibility is based on clinical need and service or setting availability.

U.S. Department of Veterans Affairs Veterans Health Administration Geriatrics and Extended Care

Step 1. Review Role Check the best answer		
How long have you been a caregiver for the Veteran?	Less than 1 monthBetween 1 month and 1 year	
	 Between 1 year and 3 years More than 3 years 	
Does the Veteran currently live with you?	 Yes No Not now, but this may change Sometimes (please explain) 	
How often do you provide caregiver support?	 24 hours/day, 7 days a week About 40 hours a week Between 10 to 40 hours a week Less than 10 hours a week 	
How much support do you feel for your caregiver role?	 Very supported Somewhat supported Rarely supported Not supported at all 	

Step 2.	Review Responsibilities		
Physical care for	Check "Yes" if you give this care. If you need help providing care, check the second box, too.	Yes	I need help
Veteran	Activities of daily living (eating, bathing, walking)		
	Hands-on care (physical therapy, wound care)		
	Household work and chores (meals, laundry, shopping)		
	Transportation (to appointments or services)		
	Other tasks (describe):
