The Department of Veterans Affairs provides comprehensive dental care to Veterans who meet eligibility standards; however, the benefit is not available to many Veterans. VA would like all Veterans and beneficiaries to have access to good oral health. Good oral health is more than just a nice smile or ability to chew favorite foods – it impacts a person’s overall health throughout his or her life.

VA’s Dental Insurance Program (VADIP) offers enrolled Veterans and beneficiaries of VA’s Civilian Health and Medical Program (CHAMPVA) the opportunity to purchase dental insurance at a reduced cost.

VA has selected Delta Dental of California and MetLife to offer private insurance coverage for VADIP. For more information, visit www.va.gov/healthbenefits/VADIP. Veterans also can call the providers directly: Delta at 1-855-370-3303 and Metlife at 1-888-310-1681.

Eligibility for VADIP
Veterans enrolled in the VA health care program and CHAMPVA beneficiaries are eligible to participate in VADIP. Participation in VADIP does not affect Veterans’ eligibility for VA dental services and treatment.
Dependents of Veterans, except those eligible under CHAMPVA, are not eligible for VADIP; however, the insurance carriers may offer dependents separate coverage options.

**Dental Plan Information**
Coverage will be provided throughout the United States and its territories.

Multiple plan options allow participants to select a plan that provides benefits and premiums that meet their dental needs and budget. Offered plans vary and may include diagnostic, preventative, surgical, emergency and endodontic/restorative treatment. Each participant will pay a fixed monthly premium for coverage, in addition to any copayments required by his or her plan.
