

How to Access the VA Virtual Medical Center

Browser Requirements

Microsoft Internet Explorer 10 +

Apple Safari 5.1.5 +

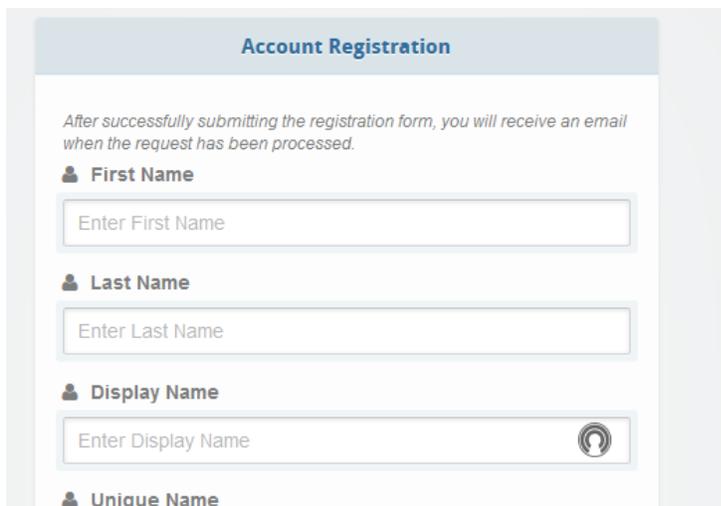

Microsoft Edge is not supported and will not run the unity client. For Windows 10 users, click the pearl (start button), type in "iexplore", then hit enter. Inter Explorer should open.

Go to <http://www.vavmc.com>

In the upper right-hand corner, click "Register"

On the next screen, complete the "Account Registration"

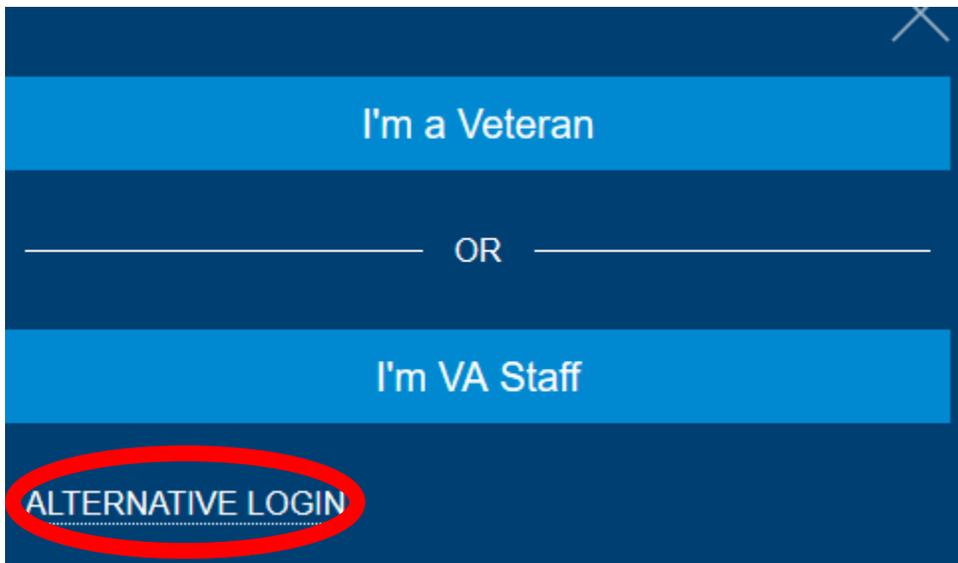

Once the account registration is complete, go back to <http://www.vavmc.com>

In the upper right-hand corner, click “Login”

On the next page, click “Alternative Login”

Login with the credentials (email address and password) you just created

OR

I'm VA Staff

EXPLORE ATTEND VMCC SOCIAL SUPPORT

**EVERYTHING YOU NEED,
WHEN YOU NEED IT**

The Virtual Medical Center is a collaborative learning environment for Patients, Providers, and Staff from around the world to connect and share information efficiently and effectively in a virtual environment, anytime ... anywhere.

[JOIN 3D WORLD](#) Search for... [SEARCH](#) [ASK A QUESTION](#)

Click on "Join 3D World"

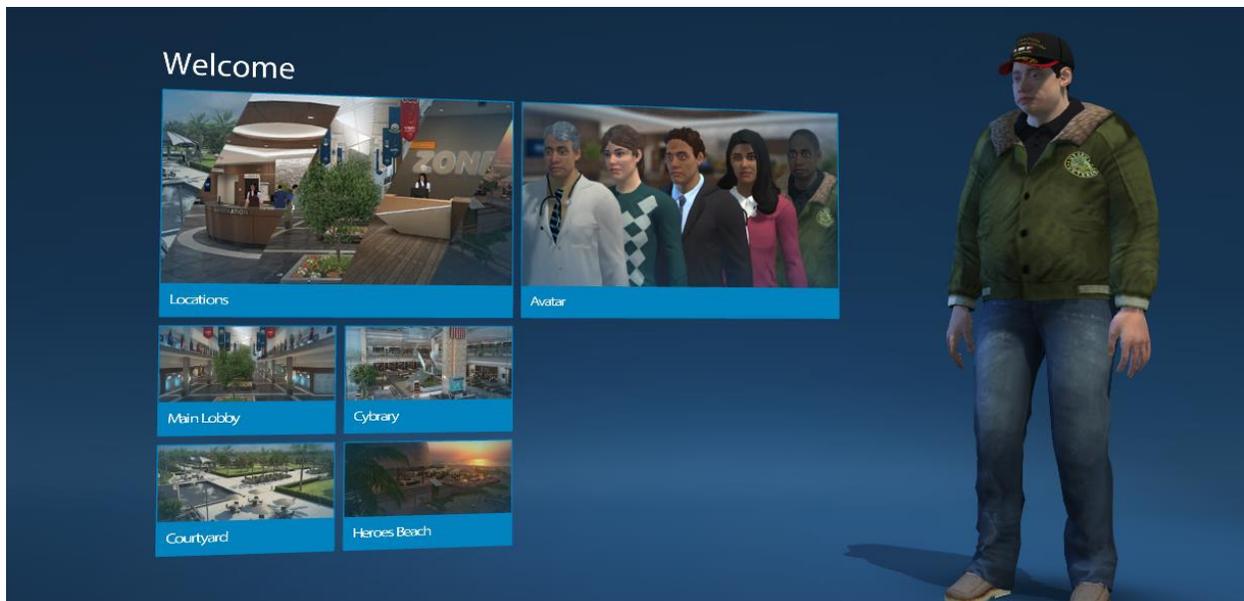

On the next screen, you may see the Unity Web Player Icon

Click to install the player if you have not already done so.

If you have already installed the player. Click on the red arrow to enable the Unity Web Player Security.

The "3D" world should open

From here, access the Main Lobby, Avatar Management and various locations
