Dear Grant Applicant:

Thank you for your interest in the Homeless Providers Grant and Per Diem Program. We are pleased that you have responded to the Notice of Funding Availability (NOFA). This offering is intended to provide partial funds for the renovation, acquisition, or construction to create new transitional housing beds for homeless veterans. Additionally, this funding can be used to purchase vans for outreach to or transportation of homeless veterans.

Please read the NOFA and all instructions carefully. The application and other materials you may find helpful are enclosed with this letter. You may duplicate and distribute these materials as needed. Additional applications may be obtained by downloading the application from the Internet at <http://www.va.gov/homeless/> or by contacting program staff (toll-free) at 1-877-332-0334.

The deadline for applications is announced in the NOFA. Most questions about the application or the application process are explained in the material. If you have specific questions, please call the above number. You will be referred to a program specialist that can assist you.

Please be advised, if your application is conditionally selected for funding your agency will be requested to submit the Section C -Second Submission component of the application. If asked, please be prepared to submit this component.

Assisting our homeless veterans continues to be a top priority of the Department of Veterans Affairs. My staff and I look forward to working with your organization toward this effort.

Sincerely,

Roger Casey, PhD, LCSW  
Director, Grant/Per Diem Program
