The Homeless Programs Office newsletter contains news and information about Veteran homelessness.

Veterans and their families have a right to a safe and secure environment to live in. To ensure that they have that right, the VHA Homeless Programs Office (HPO) continues to work closely with community partners to identify Veterans experiencing housing crises and connect them with appropriate VA and non-VA resources. VA’s goal remains ensuring that every Veteran of all U.S. counties and 90 percent of all renters. Covered renters are protected for up to two years, and Veteran family has a stable place to call home.

Veteran Affairs' National Call Center for Homeless Veterans

On August 3, the Centers for Disease Control and Prevention (CDC) announced a new, limited moratorium on evictions. The Centers for Disease Control and Prevention instituted a limited eviction moratorium.

The VHA Homeless Programs Office encourages everyone to use this time to help Veterans get connected to the resources they need to avoid eviction. The call center is a resource that can be contacted at 877-424-3838, 24 hours a day, 7 days a week. The agents who answer the calls assist Veterans in finding the resources they need to avoid eviction.
