SSVF grantees provide case management and assist eligible Veterans who are at-risk of homelessness from losing their housing. In addition, SSVF was awarded $426 million for grants to non-profits in all 50 states, the District of Columbia, and the territories. Applications are due no later than January 31, 2020, at 4pm EST. Email us at SSVF@va.gov if you have questions.

On December 5, 2019, a new Notice of Funding Availability (NOFA) for the Supportive Services for Veteran Families (SSVF) was published in the Federal Register. This NOFA provides funding opportunities to renew existing SSVF grants. This NOFA is competitive, and applicants are urged to closely review it and the associated materials found on the VA Homeless Programs Office’s website for more information.

Communicate with Us

The principal goal of the NOFA is to provide support to those applicants who demonstrate a commitment to expanding their organization’s SSVF services with a focus on Veterans who are homeless or at imminent risk of becoming homeless. In FY2019, SSVF grantees assisted over 100,000 Veterans and their family members.

How to Help Homeless Veterans This Holiday Season

Below are three VA blog posts about organizations that have joined the fight to end Veteran homelessness:

• Veterans Matter Program and VA announce milestone of helping 1,500 homeless Veterans secure stable housing

• The End Veteran Homelessness Challenge draws to successful conclusion with support from thousands of employers, community members, and veterans

• 10迹象 that veterans are finding their way home

Hire Veterans.

Veterans who are or were previously homeless sometimes face difficulties with securing stable employment. VA’s community employment coordinators (CECs) are available to assist organizations in recruiting, interviewing and hiring job-ready Veterans. VA STAFF

Visit this webpage for information about the communities that have ended Veteran homelessness:
