An eligible Veteran who is not currently incarcerated can access VA health care regardless of any criminal history, including incarceration. Only when an otherwise eligible Veteran is currently incarcerated, or in fugitive felon status, is he or she not able to access VA health care. VA has two programs serving Veterans across the criminal justice system. Their shared goal is to provide the earliest possible intervention to link Veterans to the full array of VA services that promote treatment while preventing homelessness and further contact with the criminal justice system.

**Health Care for Re-entry Veterans (HCRV) program:** outreach and re-entry planning assistance for Veterans incarcerated in state and federal prisons.

**Veterans Justice Outreach (VJO) program:** outreach and linkage to VA medical, mental health, and homeless services for justice-involved Veterans. Every VA medical center has at least one VJO Specialist, who serves as a liaison between the VA and the local criminal justice system.

Can a Veteran Receive VA Benefits While in Prison?

VA can pay certain benefits to veterans who are incarcerated in a Federal, state, or local penal institution. However, the amount we can pay depends on the type of benefit and reason for incarceration. This fact sheet provides information about the benefits most commonly affected by imprisonment.

How Will Your Imprisonment Effect the Payment of VA Disability Compensation?
Your monthly payment will be reduced beginning with the 61st day of your imprisonment for a felony. If your payment before you went to prison was greater than the 10% rate, your new payment amount will be at the 10% rate. If you were getting the 10% rate before you were imprisoned, your new payment will be half the 10% rate. Compensation benefits are not reduced if imprisoned for a misdemeanor.

VA Disability Pension?
If you are imprisoned in a Federal, state, or local penal institution as the result of conviction of a felony or misdemeanor, such pension payment will be discontinued effective on the 61st day of imprisonment following conviction.

How can you report incarceration status?
You can notify your local VA Regional Office by using VA Form 21-4138 (Statement in Support of Claim). If you do not have VA Form 21-4138, you can write a letter to VA Regional Office. Letters must include your name, social security number, and claim number. Letters need to be signed and dated. The address for the Kentucky VA Regional Office is: 321 W. Main St., Suite 390, Louisville, Kentucky 40202.

Are You Eligible for VA Medical Care While Imprisoned?
Incarcerated veterans do not forfeit their eligibility for medical care; however, current regulations restrict VA from providing hospital and outpatient care to an incarcerated veteran who is an inmate in an institution of another government agency when that agency has a duty to give the care or services. VA may provide care once the veteran has been unconditionally released from the penal institution. Veterans interested in applying for enrollment into the VA health care system should contact the nearest VA health care facility upon their release.

Can Your Dependent(s) Receive Any of the Money Not Paid While You Are Imprisoned?
VA can take all or part of the benefits you are not receiving and apportion it to your spouse, child or children, and dependent parents on the basis of individual need. They should contact the nearest VA regional office for details on how to apply. They will be asked to provide income information as part of the application process.

When Will Benefits Be Resumed?
Your award for compensation or pension benefits shall be resumed the date of release from incarceration if the Department of Veterans Affairs receives notice of release within 1 year following release. Depending on the type of disability, VA may schedule you for a medical examination to see if your disability has improved. You will need to visit or call your local VA regional office for assistance.

Note: You are considered to have been released from incarceration if you are paroled or participating in a work release or half-way house program.

How to get help from four legal aid programs in Kentucky

You will be asked a few questions for eligibility purposes. If you qualify you will talk to an attorney who will give you advise and may refer to your local office for extended services. The local office will then decide whether or not to accept your case depending on the facts of your case and availability of staff. Otherwise, you may be referred to a private contract attorney or an attorney who has agreed to provide services for free.

1. What types of VA checks are there?

A. Nonservice-connected disability pension
Veterans with low incomes who are permanently and totally disabled, or are age 65 or older, may be
eligible for monetary support if they have 90 days or more of active military service, at least one day of
which was during a period of war (Veterans who entered active duty on or after Sept. 8, 1980, or
officers who entered active duty on or after Oct. 16, 1981, may have to meet a longer minimum period
of active duty). The veteran’s discharge must have been under conditions other than dishonorable and
the disability must be for reasons other than the veteran’s own willful misconduct. Payments are made
to bring the veteran’s total income, including other retirement or social security income, to a level set
yearly by Congress. (see Chapter 3 in Federal Benefits booklet or internet website www.va.gov).

B. Service-connected disability compensation
Disability compensation is a monetary benefit paid to veterans who are disabled by an injury or illness
that occurred or was aggravated during active military service. Disability compensation varies with
the degree of disability and the number of dependents. Veterans with certain severe disabilities may
be eligible for additional special monthly compensation. These benefits are not subject to federal or
state income tax. (see Chapter 2 in Federal Benefits booklet or internet website www.va.gov).

2. How do I file a claim for a VA check?

A. Contact a Representative of a Veteran Service Organization to discuss your benefit options,
complete application forms, seek follow-up on your claim and get representation at hearings and
appeals OR

B. Call the VA Regional Office 1/800/827-1000 to request the application forms and try to complete
them on your own.

3. Where does my VA Claim go; who decides on my claim?

VA claims go to the VA REGIONAL OFFICE, which is the VA agency authorized to review and decide
on whether VA pension or compensation can be granted to Veterans. The address is: VA Regional
Office, 321 W. Main Street, Suite 390, Louisville, KY 40202. The phone number to call is 800-827-
1000 to check on your claim. Some claims are sent to other VA Regional Offices for processing,
depending upon the type of claim and the number of claims being processed at that time.

4. How do I get a Registry exam for exposure to Agent Orange, Gulf War Environmental Contaminents
or Ionizing Radiation?

Call the Compensation and Pension (called “C & P”) Office, 859-381-5912. You can also go to that
office, Room B129, first floor, Tower Building, Cooper Drive and ask for a Registry exam. There are
papers you need to complete to get the exam.

**VA Medical Centers:** Therapeutic and Supported Employment Services are provided at both the Lexington 859-233-4511 and Louisville 502-287-4000 VA medical centers. These services may include:

VA’s Compensated Work Therapy (CWT) is a vocational rehabilitation program that matches and supports work ready Veterans in competitive jobs, and consults with business and industry regarding their specific employment needs.

Through Compensated Work Therapy, Veterans have a chance to participate in varied job assignments in structured, therapeutic environments.

**Transitional Work Experience** focuses on providing Veterans with a temporary and safe therapeutic work environment in order to help them successfully transition back into the competitive work force.

**Supported Employment** is designed to expand vocational opportunities for Veterans coping with severe mental illness while emphasizing job accommodation, community-based-employment, support and long-term follow-up to Veterans.

**Peer Support** matches Veterans with a mentor who has experienced similar circumstances. This perspective helps Veterans effectively deal with a variety of issues related to employment barriers, confidence, anxiety, family, finances, stress, and more.

VAMC CWT professional staff provides:

* State-of-the-art rehabilitation services
* Job matching and employment supports
* Vocational case management
* Work site and job analysis
* Consultation regarding assistive technology
* Reasonable accommodation
* Guidance in addressing ADA regulations compliance

In order to be considered for these programs, you will need:

- Referral from your Primary Care (PC) provider or a Mental Health Clinic (MHC) provider
- You must complete the CWT application
- You must be active in your job search

Many Veterans and service members are eligible for multiple education benefit programs, including:

- Post-9/11 GI Bill (Chapter 33)
- Montgomery GI Bill-Active Duty (MGIB-AD, Chapter 30)
- Montgomery GI Bill-Selected Reserve (MGIB-SR, Chapter 1606)
- Reserve Education Assistance Program (REAP, Chapter 1607)
- Veterans Education Assistance Program (VEAP).

The Vocational Rehabilitation and Employment (VR&E) Program is authorized by Congress under Title 38, Code of Federal Regulations, Chapter 31. It is sometimes referred to as the Chapter 31 program. The VR&E program assists Veterans with service-connected disabilities to prepare for, find, and keep suitable jobs. For Veterans with service-connected disabilities so severe that they cannot immediately consider work, VR&E offers services to improve their ability to live as independently as possible.

WHO IS ELIGIBLE FOR VR&E SERVICE?

Active Duty Service Members are eligible if they:

- Expect to receive an honorable discharge upon separation from active duty
- Obtain a VA memorandum rating or Integrated Disability Evaluation System (IDES) rating of 20% or more
- Apply for VR&E services

Veterans are eligible if they:

- Have received, or will receive an honorable or other than dishonorable discharge
- Have a VA service-connected disability rating of 10% with a serious employment handicap or 20% or more with an employment handicap
- Apply for VR&E services

BASIC PERIOD OF ELIGIBILITY

The law generally provides for a 12-year basic period of eligibility in which services may be used. The 12-year period begins on the latter of these dates:

- Date of separation from active military duty
- Date the veteran was first notified of a service-connected disability rating

Housing Resources

Each VA Medical Center has a Health Care for Homeless Veterans (HCHV) Program. The HCHV program provides outreach, clinical assessments and referrals for medical and mental health care, long-term transitional residential assistance, case management and employment assistance with linkage to permanent housing.

If you are a Veteran who has lost your home, contact VA’s National Call Center for Homeless Veterans at 877-4AID-VET (877-424-3838) to speak to a trained VA responder.

The hotline and online chat are free and neither VA registration nor enrollment in VA healthcare is required to use either service.
When you call or join the online chat:

- You will be connected to a trained VA responder.
- The responder will ask a few questions to assess your needs.
- If you’re a Veteran, you may be connected with the Homeless Program point of contact at the nearest VA facility.
- Contact information will be requested so staff may follow up.

Safe Housing
The Homeless Providers Grant and Per Diem Program provides grants and per diem payments (as funding is available) to help public and nonprofit organizations establish and operate supportive housing and service centers for homeless Veterans.

HUD-VA Supportive Housing (VASH) Program is a joint effort between the Department of Housing and Urban Development and VA. As of September 30, 2013, HUD had allocated more than 58,000 Housing Choice Section 8 vouchers across the country. These vouchers allow Veterans and their families to live in market rate rental units while VA provides case management services. A housing subsidy is paid to the landlord on behalf of the participating Veteran. The Veteran then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program.

The Supportive Services for Veteran Families (SSVF) Program provides grants and technical assistance to community-based, nonprofit organizations to help Veterans and their families stay in their homes.

You can also visit http://www1.va.gov/homeless to learn more about homeless programs within VA.
