Introduction / Overview of Rapid Re-housing

LESSON OVERVIEW:

Overview of Rapid Re-housing

This course will provide a brief description of the genesis of Rapid Re-housing, the philosophy that underlies the program model, the core elements, and a small fraction of the research which supports the model's effectiveness. After more than twenty years of experience and data analysis, much is known about Rapid Re-housing. This first Webinar is a succinct summary of Rapid Re-housing as a national Best Practice in ending homelessness.

Once this course has been completed, the learner will be able to:

- Identify the three core components of Rapid Re-

Multi-part curriculum including recorded webinars and videos, reading material, learner activities, and more.

Learning assessments that include multiple choice, true or false, and open ended questions to gauge the learner's knowledge after course completion.

Introduction / Learning Assessment

Please select all three of the core components of Rapid Re-housing:

- A. Addressing substance use and mental health
- B. Housing identification
- C. Employment
- D. Financial assistance for rent and move-in
- E. Case management and services

More to come in the Spring and Summer of 2019!

The screenshot shows a web browser interface for a training webinar. At the top left, there is a home icon and the text "Stress and Homelessness". At the top right is the logo for the "HOUSING SKILLS PRACTICE CENTER" with the tagline "Empowering Veterans in Veterans Homelessness". Below the header is a "Menu" button. The main content area is titled "Stress and Homelessness / Training Webinar" and includes navigation arrows. A video player is embedded, showing a teal background with a play button and the text: "RAPID RE-HOUSING: A Training Series for Direct Service Providers | Training 2", "Stress and Homelessness", and "Implications for Practice with People in Crisis". The video player has a progress bar at 35:53 and control icons for play, volume, settings, and full screen. To the right of the video player is a text box that reads: "Once you have reviewed this training webinar, you will be asked a series of quiz questions to gauge your knowledge. Happy learning!"

Thank you!
