Supportive Services for Veteran Families (SSVF) Program

Program Guide

Partial Update March 2018
As of March 2018 the following SSVF Program Guide pages have been updated to reflect a change in the Veteran definition and clarify guidance on Homelessness Prevention Screening Procedure and Eligibility Determination. In addition to the text changes related forms impacted by the change were also updated and can be found on SSVF Website at https://www.va.gov/homeless/ssvf/index.asp?page=/official_guide/forms.

Below is a list of the changes contained in this packet.

- Section 1 Definitions p. 6
- Section V.B.1 Determining Veteran Household Status Eligibility p.20
- Section V.D Determining Household Eligibility p.30
- Section XII. Exhibit E: Homelessness Prevention Eligibility Screening Instructions p.139
- Section XIII. E SSVF Homelessness Prevention Screening Form p. 160
Supportive services grant: A grant awarded under the SSVF Program.

Supportive services grant agreement: The agreement executed between VA and a grantee as specified under 38 CFR 62.50.

Suspension: An action by VA that temporarily withdraws VA funding under a supportive services grant, pending corrective action by the grantee or pending a decision to terminate the supportive services grant by VA. Suspension of a supportive services grant is a separate action from suspension under VA regulations implementing Executive Orders 12549 and 12689, “Debarment and Suspension.”

VA: Department of Veterans Affairs

VBA: Veterans Benefits Administration

Very low-income Veteran family: A Veteran family whose annual income, as determined in accordance with 24 CFR 5.609, does not exceed 50 percent of the median income for an area or community (current income limits can be found at: http://www.huduser.org/portal/datasets/il.html).

Veteran: A person who served in the active military, naval, or air service, regardless of length of service, and who was discharged or released there from, excluding any one who received a dishonorable discharge or was discharged or dismissed by reason of a General court-martial (PL 114-315; 38 USC § 2002(b)).

Veteran family: A Veteran who is a single person or a family in which the head of household, or the spouse of the head of household, is a Veteran.

VHA: Veterans Health Administration

Withholding: Payment of a supportive services grant will not be paid until such time as VA determines that the grantee provides sufficiently adequate documentation and/or actions to correct a deficiency for the supportive services grant. Costs for supportive services provided by grantees under the supportive services grant from the date of the withholding letter would be reimbursed only if the grantee is able to submit the documentation or actions that the deficiency has been corrected to the satisfaction of VA.
B. Determining Veteran Household Status Eligibility

As discussed above, eligible participants will be part of a “Veteran family,” meaning that the person to be served is either (a) a Veteran; or (b) a member of a family in which the head of household, or the spouse of the head of household, is a Veteran.

1. Verifying Veteran Status

In order to be eligible for SSVF, a veteran is defined as “a person who served in the active military, naval, or air service, regardless of length of service, and who was discharged or released there from, excluding any one who received a dishonorable discharge or was discharged or dismissed by reason of a General court-martial (PL 114-315; 38 USC § 2002(b)).”

As per 38 U.S. Code § 101 – Definitions: active service includes:

- active duty;
- any period of active duty for training during which the individual concerned was disabled or died from a disease or injury incurred or aggravated in line of duty; and
- any period of inactive duty training during which the individual concerned was disabled or died—
  - o from an injury incurred or aggravated in line of duty; or
  - o from an acute myocardial infarction, a cardiac arrest, or a cerebrovascular accident occurring during such training.

As an example, a Veteran’s DD214 may indicate that the Veteran has not completed active duty training, however is receiving VA benefits. If a Veteran has already established VA eligibility for VA medical services or is enrolled VA health care, then this Veteran meets Veteran eligibility criteria for SSVF.

Active duty means full time duty in the active military service of US Title 10. Hence, the National Guard and Reserve Members must have been called into Federal Service, by the President, in order to be considered eligible for SSVF services. Note that bad conduct discharges (BCD) are not the same as dishonorable. A person with a bad conduct discharge from a general court-martial is not a Veteran when determining program eligibility, whereas a person with a bad conduct discharge from a special court-martial is a Veteran and eligible to participate. Furthermore, for Veterans with multiple discharges, the best discharge status may be used for SSVF eligibility.

To prove a participant’s Veteran status, grantees should obtain at least ONE of the following documents:

- Veteran’s Department of Defense (DD) Form 214 Certificate of Release Discharge from Active Duty
- VBA Statement of Service (SOS)
- VHA Veteran’s Identity card
- VISTA printout from VHA healthcare provider
- Hospital Inquiry System (HINQS)
D. Determining Housing Status Eligibility

As with income eligibility, all participants applying for SSVF assistance must undergo a housing status eligibility determination. The results must be documented in the case file. This section provides detailed information on housing status eligibility.

1. Category 1 Eligibility (Homelessness Prevention)

Homelessness prevention assistance is intended for eligible Veteran families who are imminently at-risk of becoming literally homeless (e.g., entering an emergency shelter or place not meant for human habitation) but for SSVF assistance. Note that this includes Veteran families who may be living in a doubled-up housing situation and who are also imminently at risk of becoming literally homeless. Targeting SSVF assistance in this manner helps ensure limited SSVF resources are directed to Veteran families most in need of assistance to avoid falling into or experiencing literal homelessness.

To qualify under Category 1, a Veteran family must be “residing in permanent housing.” This encompasses many different housing situations, including where a Veteran family is residing in (i) a leased unit, (ii) a house with a mortgage, (iii) a unit shared with others (i.e. doubled-up), or (iv) a hotel or motel not paid for by federal, state, or local government programs for low-income individuals or by charitable organizations.

Veteran families who are presently in such permanent housing and applying for SSVF assistance must be assessed for 1) program eligibility (Stage 1), and 2) program targeting (Stage 2) using the VA’s “SSVF Homelessness Prevention Screening Form” (version 3). Apart from meeting SSVF eligibility requirements for Veteran status and income, applicant families must minimally meet the following Stage 1 eligibility criteria to receive SSVF homelessness prevention assistance:

A. Be facing the imminent loss of their current primary nighttime residence (housing an individual or family owns, rents, or lives in with or without paying rent; housing shared with others; and rooms in hotels or motels paid for by the individual or family) within 30 days or less of applying for SSVF homelessness prevention assistance4.

B. Be at risk of becoming literally homeless but for SSVF assistance, meaning the Veteran family:
   - Has no other residence; AND
   - Has no resources or support networks, e.g., family, friends, faith-based or other social networks, immediately available to prevent them from becoming literally homeless.

A Veteran family applying for homelessness prevention assistance must also be assessed and prioritized using VA targeting criteria included in “Stage 2” of the VA’s “Homelessness Prevention Screening Form” to determine if the applicant scores at or above the grantee’s “targeting threshold score” for the program. Targeting threshold scores for each grantee’s program must be approved by the VA. For tracking and evaluation purposes, targeting threshold score changes require VA

---

4 Applicants who have only received a verbal notice from landlord and applicants who are only behind on utilities and have not received a formal written eviction notice are not eligible for SSVF HP assistance.
Exhibit E: Homelessness Prevention Eligibility Screening Instructions

Persons applying for SSVF homelessness prevention assistance (i.e., Category 1 of persons occupying permanent housing) must be screened for VA eligibility and targeting thresholds. Households who meet Stage 1 eligibility requirements but do not pass targeting threshold requirements may only receive service-directed housing interventions (SDHI) (formerly “light touch”) SSVF services (please see the SSVF Program Guide for more information).

Eligibility must be determined using the most recent version of the **SSVF Homelessness Prevention Screening Form**. The screening form is available on the SSVF website.

The **SSVF Homelessness Prevention Screening Form** is designed to help staff assess, document, and determine whether a Veteran applicant for homelessness prevention assistance is:

1) Eligible for SSVF homelessness prevention assistance (i.e., “Stage 1”), and;
2) A priority for SSVF homelessness prevention assistance in the event there are not sufficient resources to assist all eligible Veterans (i.e., “Stage 2”).

This form must be completed by SSVF grantee staff using information obtained from the Veteran head of household. All applicable questions on the form must be completed. Questions included on the form are intended to be a starting point: staff should use the form to guide an in-depth discussion with the Veteran applicant around eligibility and targeting criteria.

Information recorded in the Screening form must be supported by additional documentation as indicated in the SSVF Program Guide (e.g., proof of income). All screening forms must be signed and dated by the head of household, an authorized SSVF staff person completing the form, and an SSVF program supervisor. The completed form and additional documentation must be kept in the program participant’s case file.

**STAGE 1: VA ELIGIBILITY**

To be eligible for SSVF homelessness prevention assistance, each of the VA eligibility conditions described below must be met. SSVF grantees may have additional eligibility criteria apart from VA eligibility criteria listed below if those criteria have been approved by VA. Apart from being a qualified Veteran with very low income, applicants must also be imminently at-risk of literal homelessness. This means that every Veteran who meets Stage 1 eligibility will become literally homeless in 30 days or less “but for” SSVF assistance (i.e., an applicant has no other housing options or resources and there are no other community resources available to prevent literal homelessness). SSVF is not an eviction prevention program. It is intended to prevent Veterans and their families from losing all housing and ending up in emergency shelter or on the street. Some Veterans who apply for SSVF Homelessness Prevention assistance may be losing their housing, but they have another safe and appropriate housing option – including temporary options – where they can stay while they work to obtain their own housing. Or, an applicant may have
another resource they can use to maintain current housing or obtain new housing. Such Veterans are not eligible for SSVF Homelessness Prevention assistance.

SSVF grantee staff should fully assess each applicant household according to VA eligibility requirements listed below.

**Condition 1: Veteran Status:** Applicants must either be a Veteran or a member of a family in which the head of household, or the spouse of the head of household, is a Veteran. A Veteran is defined as a “person who served in the active military, naval, or air service, regardless of length of service, and who was discharged or released therefrom, excluding any one who received a dishonorable discharge or was discharged or dismissed by reason of a General court-martial (PL 114-315; 38 USC § 2002(b)).”

**Condition 2: Very Low-Income Status:** Applicant household gross annual income must be less than 50% of area median income based on the income limits most recently published at: http://www.huduser.org/portal/datasets/il.html.

**Condition 3: Imminently At-Risk of Literal Homelessness:** Applicant households must (1) be facing the imminent loss of their primary nighttime residence, (2) have no other residence, and (3) not have sufficient resources or support networks, e.g., family, friends, faith-based or other social networks, immediately available to prevent them from becoming literally homeless.

- Sections 3A through 3C include questions to determine whether a household is at imminent risk of literal homelessness within 30 days of application for assistance and therefore eligible for SSVF services. Staff should use these questions as a starting point and ask additional questions to better understand an applicant’s current circumstances and options. SSVF staff should seek to determine whether the household has safe, viable, immediate housing options and resources to keep them from becoming literally homeless. Note: Applicants who have only received a verbal notice from landlord and applicants who are only behind on utilities and have not received a formal written eviction notice are not eligible for SSVF HP assistance.

  - **3A: Imminent Housing Loss.** This section explores whether a Veteran household has a place to stay tonight and whether they must in fact leave their current housing arrangement within 30 days. Staff should explore whether the Veteran household could avoid literal homelessness by negotiating directly with their landlord. Staff should also seek to determine if the Veteran household is in immediate need of assistance to ensure they have a safe and appropriate place to stay in the near term. Note: applicants who are losing their housing because they are fleeing or attempting to flee domestic violence are eligible for SSVF Rapid Re-Housing assistance and should instead be screened for RRH assistance.

  - **3B: Other Housing Options and Resources.** This section explores whether the Veteran household has other friends, family or close support networks that could assist them in
avoiding literal homelessness. SSVF staff should engage in a conversation with the Veteran regarding potential support and use this information to determine whether the household has other housing options and resources available to them. Staff should be particularly mindful of any inappropriate, unsafe, or otherwise unhealthy relationships the Veteran household is reluctant or refuses to pursue and not assume such options are viable to prevent the household’s homelessness.

- **3C: Financial Resources.** This section explores whether the Veteran household has financial resources to pay for their immediate housing costs. This may include their own resources or community resources or financial assistance they are eligible for and that is available in time to prevent literal homelessness. This section should still be discussed for planning purposes even if the primary reason for the household losing their current housing is not related to financial need.

**Condition 4: Other Program Eligibility Conditions:** This is an optional section for additional Grantee Eligibility Requirements that have been approved by the VA SSVF Program Office.

**Stage 1 Eligibility Disposition**
A Veteran household must meet all of the VA eligibility conditions included in Stage 1 on the form to qualify for and receive SSVF services. These questions establish basic eligibility but do not confirm the Veteran household has passed the targeting threshold (see below) and therefore do not confirm eligibility for services beyond Service Directed Housing Interventions ([previously known as “Light Touch Services”]).

Veterans who do not meet Stage 1 eligibility requirements should be offered information and referral, including a “warm hand off” referral, to other assistance as needed and desired.

Veterans that meet Stage 1 but do not meet the grantees targeting threshold score (Stage 2) may be provided a Service Directed Housing Intervention (SDHI) ([previously known as “Light Touch Services”]),. SDHI offer any or all of the supportive services available under SSVF, including outreach, case management, assistance with housing referrals or landlord interventions, legal assistance, and/or referrals for VA, public and community benefits and resources. The only difference is that TFA is not provided by SSVF (other community resources may offer financial assistance when needed) as part of the initial housing stability plan for SDHI households. It may be that these SSVF services are not “Light” at all, but are both comprehensive and intensive.

Grantees may initially provide SDHI to eligible Veteran families as part of a progressive engagement approach, whether or not they are allowed to receive SSVF TFA. While it may be that the initial service plan does not include TFA, the housing plan can evolve to include TFA at a later time, once it is clear that SSVF financial assistance is necessary and the Veteran family meets SSVF criteria.

Veterans receiving SDHI should be enrolled in HMIS. No Veteran household is eligible to receive more than SDHI assistance unless they also score at or above the targeting threshold score, as
described below. Households who do not pass all of the eligibility criteria should not be enrolled in SSVF and should be tracked as “screened but not enrolled.”

STAGE 2: TARGETING

All applicants who meet Stage 1 eligibility must be screened using the targeting criteria and point system included in Stage 2. Stage 2 screening is necessary when an SSVF Program does not have sufficient resources or capacity to prevent literal homelessness for every Veteran who meets Stage 1 eligibility.

Stage 2 screening allows grantees to determine which eligible Veteran households are also a priority for SSVF Homelessness Prevention assistance based on: 1) urgency of the applicant’s current housing situation, and; 2) other barriers and vulnerabilities that may impact their ability to quickly secure housing and resolve literal homelessness independently if they are not assisted and become literally homeless. Points have been assigned to factors based on research and practical experience. SSVF grantees must establish a “targeting threshold” score and this score must be approved by the VA.

Veteran households must meet both the Stage 1 VA Eligibility and Stage 2 Targeting requirements in order to receive the full range of SSVF homeless prevention assistance services, including any Temporary Financial Assistance (TFA). The VA expects grantees to use a progressive approach to the delivery of services. This means that even if a household passes both the Stage 1 eligibility and Stage 2 targeting requirements of a given SSVF program, TFA should not automatically be offered. Grantees should aim to provide the least intensive and costly intervention possible and only use more intensive services or the provision of TFA when absolutely necessary to prevent a household from becoming literally homeless.

### 3B) Other Housing Options & Resources

We would like to know if you have any other safe and appropriate place to stay – either permanently OR while you look for other housing. We would also like to know if you have family, friends or others you know that may be able to help you financially.

[Staff Note: Discuss and record below a summary related to each of the following potential housing options and sources of assistance: 1) family members or relatives; 2) close or trusted friends; and 3) faith-based group or network applicant associates with. Where appropriate, ask if a potential housing option can be contacted by you to help secure housing. Attach additional notes as necessary.]

Do you have a safe, appropriate place where you could live if you lose your current home? Let’s talk about different types of options and whether any of these might be available to you as a safe, appropriate place to live either permanently or while you seek other housing on your own. Let’s start with family members and relatives...

Would you be willing to contact them OR may I contact them to find out if they can provide you with a place to stay, financial help or other assistance to keep you from becoming homeless?
