

Association for the Advancement of Medical Instrumentation Standards (AAMI) Database Access for VA Employees

1. Submit the form that is hyperlinked on the National Desktop Library [Find a Database page](#).

When you click the Submit button on this form, watch for a quick pop-up to appear in upper left hand side of page to know that your form was successfully submitted.

2. Within about 24 hours after submitting the form, look for an email from Microsoft@powerapps.com titled "VA AAMI Membership Approved Request ID #XXXX"
3. Over the next few days, you should:
 - a) Receive a **Membership email** that allows you to create an AAMI username and password
 - b) Then you can access AAMI <https://www.aami.org/> and login in with your username/password.
 - c) Once logged in, do not click on **STANDARDS** but instead click on **VISIT ARRAY**

Tip:

You can search and filter by topic from the left-hand side of page for publications.

Note:

You may need to revalidate on a yearly basis.
