CME Credits	14-17
Support & Contact Us	18

# How to Access our Platform

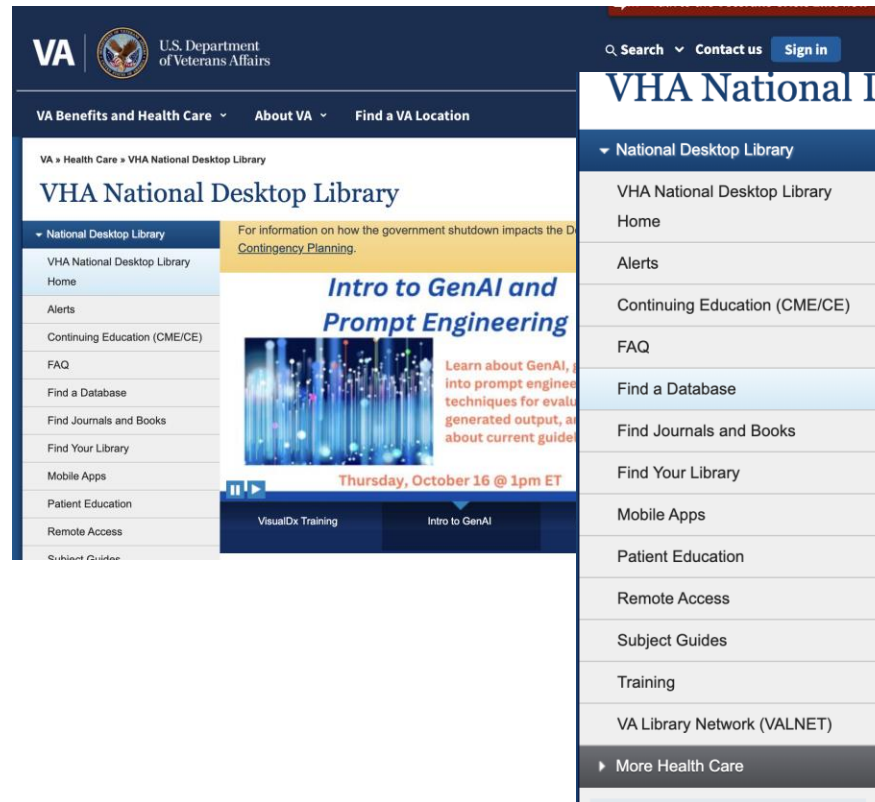

The VA and VHA National  
Desktop Library

# On Campus

A user is granted access when on-campus and connected to the network/WiFi (IP addresses) if applicable.

# Off Campus

## 1. [VHA National Desktop Library](#)

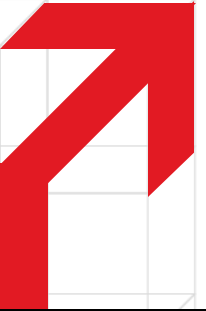

## VHA National Desktop Library

### Find a Database

- [5 Minute Consult\\*](#)  
5 Minute Consult is a point-of-care tool providing information to quickly guide clinicians in diagnosis, treatment, and management of 2,000+ clinical topics. It includes algorithms to decide on lab tests and/or procedures. Also included are videos to help PT staff demonstrate for patients, and customizable patient education handouts.
- [AccessAnesthesiology\\*](#)  
AccessAnesthesiology includes anesthesiology ebooks, videos, interactive self-assessments, case studies, practice guidelines, drug database, curriculum development tools and more.
- [AccessAPN\\*](#)  
AccessAPN includes textbooks, case studies, videos, and review questions, all designed to align with advanced practice nursing curricula and support clinical decision-making.
- [AccessEmergency Medicine\\*](#)  
AccessEmergency Medicine includes emergency medicine ebooks, videos, interactive self-assessments, images, drug database, curriculum development tools and more.
- [AccessMedicine\\*](#)  
AccessMedicine includes medical ebooks, videos, interactive self-assessments, diagnostic tests, practice guidelines, drug database, curriculum development tools and more.

You will be prompted to sign in using your VA credentials.

## 2. The Access Profile and App

# Profile and App Setup

# The Access Profile

- Free
- Personalized
- On-the-go

## By creating a free Access profile, you can:

- ▶ **View content anytime, anywhere** via the app or via the web.
- ▶ **Favorite content** to revisit later, such as videos, images, tables, chapters, podcasts, and more.
- ▶ **Create collections**, making it easier and quicker to find important and timely resources.
- ▶ **Browse recently viewed content.**
- ▶ **Access to exclusive content**, such as cases and Q&A, that you can manage from your profile.
- ▶ **Opt-in and manage communications** about new content and product updates.
- ▶ **Download multiple images to slides** with automatically populating citations.

Welcome, Jennifer!

# Signing in or Creating your Access Profile

## 5 Easy Steps!

First, go to any MH Access site ([mhmedical.com](http://mhmedical.com).) You must be on-site at your institution or connect through your institution's VPN or library website.

1. Click on **"Account"** in the upper right-hand corner of any page.
2. Once there, click the red **"Sign in."**
3. In the **"Let's Get Started"** pop-up window, input your email address.
4. If the system recognizes your, email you will have the choice of signing in with a **temp access link or your password.**
5. If the system does not recognize you will be **prompted through creating a profile.**

Congratulations! You are ready to enjoy the benefits of an Access profile. You will need to re-verify in 180 days.

## Let's Get Started

# The Access App

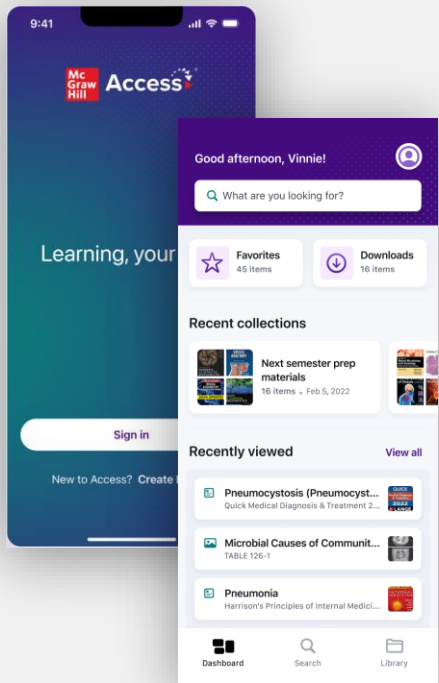

**DOWNLOAD THE FREE ACCESS APP AND CREATE A PROFILE.**

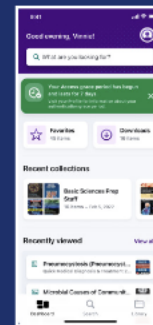

**With the Access app, you can:**

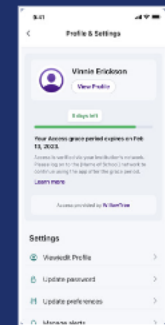

- ▶ **View content anytime, anywhere** via the app or the web.
- ▶ **Search within content** and refine by content type so you can personalize your learning experience.
- ▶ **Favorite content** to revisit later, such as videos, images, tables, chapters, podcasts, and more.
- ▶ **Create collections**, making it easier and quicker to find important and timely resources.
- ▶ **Browse recently viewed content** and curated recommendations on your personal dashboard.
- ▶ **Sync your favorites and collections** between the app and the web through your profile.
- ▶ **Explore content** across all Access sites your institution subscribes to in one place.

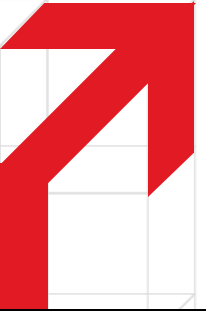

**If you create an account offsite, you will be granted a 7-day grace period. To authenticate your profile, you must sign in on-site at your institution or connect through your institution's VPN or library website.**

**To keep your Access profile authenticated, sign on via your institution's network every 90 days. A convenient colored tracker to view your authentication details can be found in your Profile & Settings.**

# Intro to Access

The VA

**Trusted medical education resources for learners, faculty, and clinicians.**

AccessMedicine is your go-to Access collection of medical learning resources featuring hundreds of **books, review questions, cases, videos, podcasts, infographics, interactive 3D modules** and more across the basic sciences and clinical specialties.

The screenshot shows the AccessMedicine website interface. At the top, there is a navigation bar with 'MCGRAW HILL ACCESS', 'SUPPORT', and 'SUBSCRIBE' menus, and a 'MY PROFILE' link. Below this is a secondary navigation bar with 'Review Questions', 'Cases', 'Video & Audio', 'Study Tools', 'Books', and 'More' options. The main header features the 'AccessMedicine' logo, a tagline 'Compiled by the best minds in medicine.', and a search bar with the text 'Search AccessMedicine' and a 'Keyword' dropdown. The main content area has a dark blue background with the text 'Trusted medical education resources for learners, faculty, and clinicians.' Below this, there is a section for 'Access' with a 'Sign In to My Profile' link. The text describes the platform as authoritative and continuously updated, offering unlimited access to expert content. It lists various resource types: books, review questions, cases, videos, podcasts, infographics, and interactive 3D modules. At the bottom of this section are 'Download on the App Store' and 'GET IT ON Google Play' buttons. To the right, there is a featured book cover for 'HARRISON'S PRINCIPLES OF INTERNAL MEDICINE, 21st Edition' by Loscalzo, Fauci, Kasper, Hauser, Longo, and Jameson. A video player interface is visible at the bottom of the featured book section.

## HIGHLIGHTS

### Review Questions:

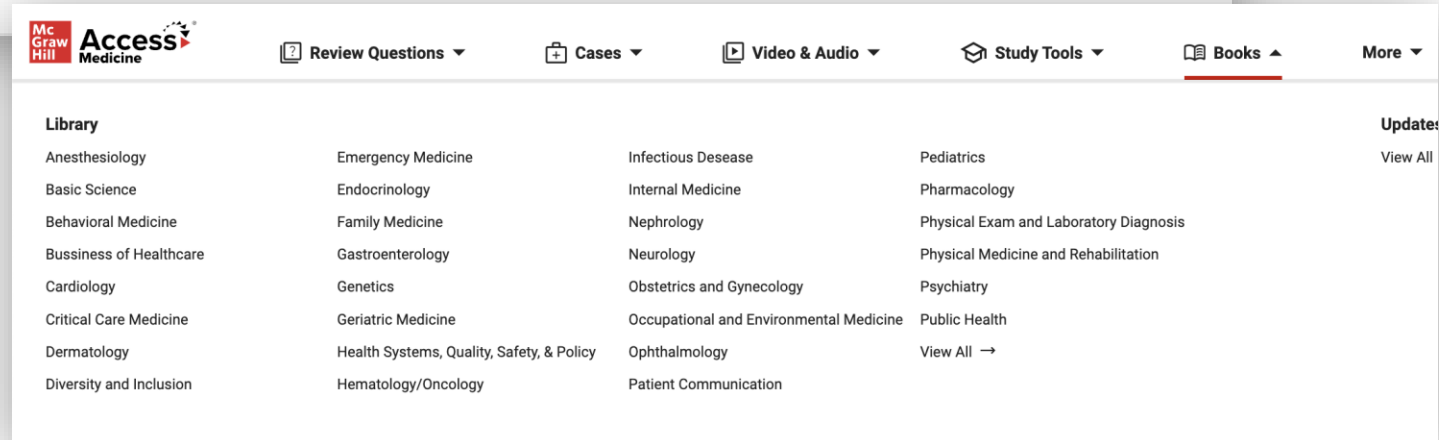

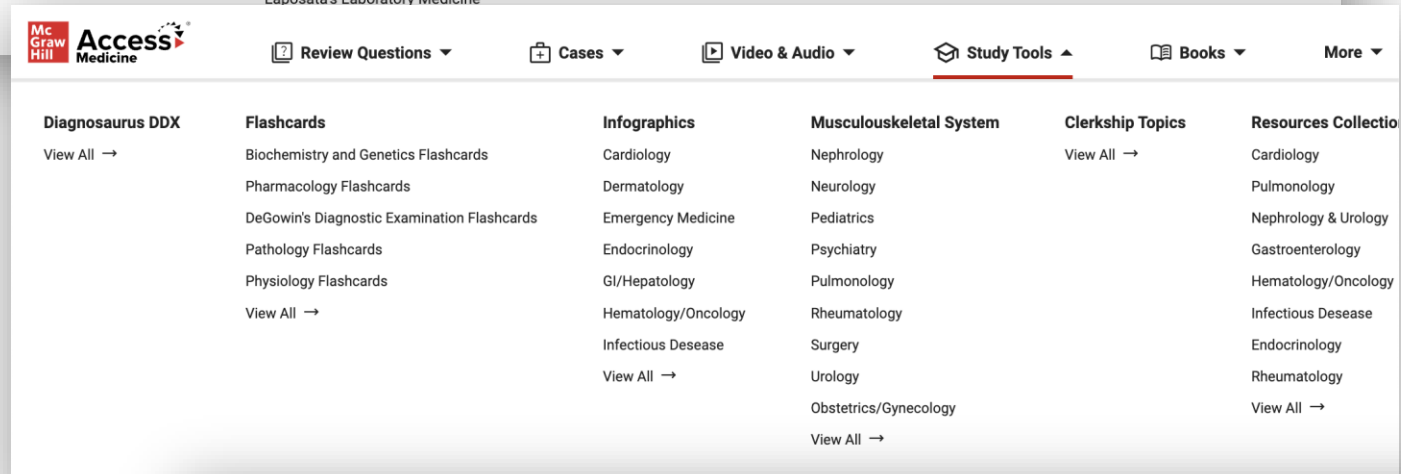

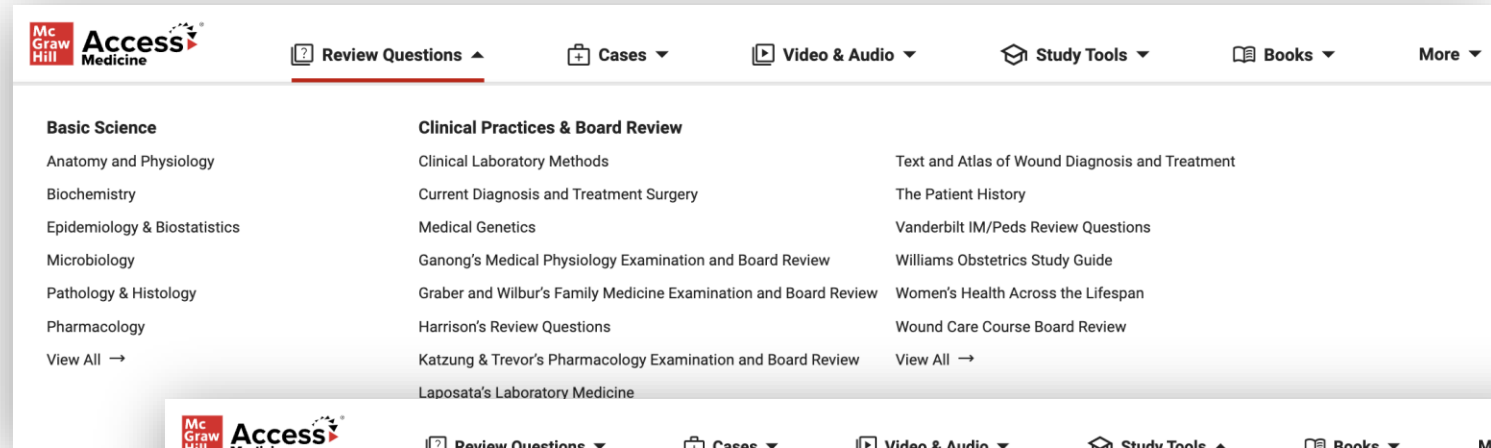

- Basic Science
- Clinical Practices & Board Review

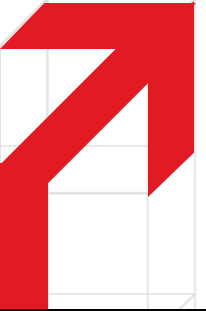

### Study Tools:

- Diagnosaurus DDx
- Flashcards
- Infographics
- Clerkship Topics
- Resource Collections

### Books:

- Full library menu by topic

# CME Credit

The VA

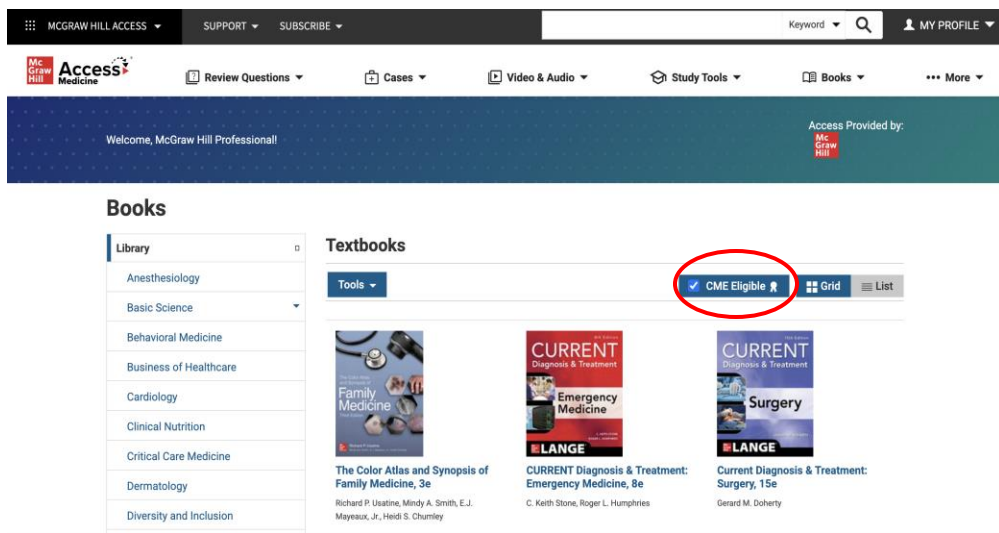

### 3 Ways to Earn CME:

1. Through a structured point-of-care search in select texts
2. Through select cases
3. Through select review questions.

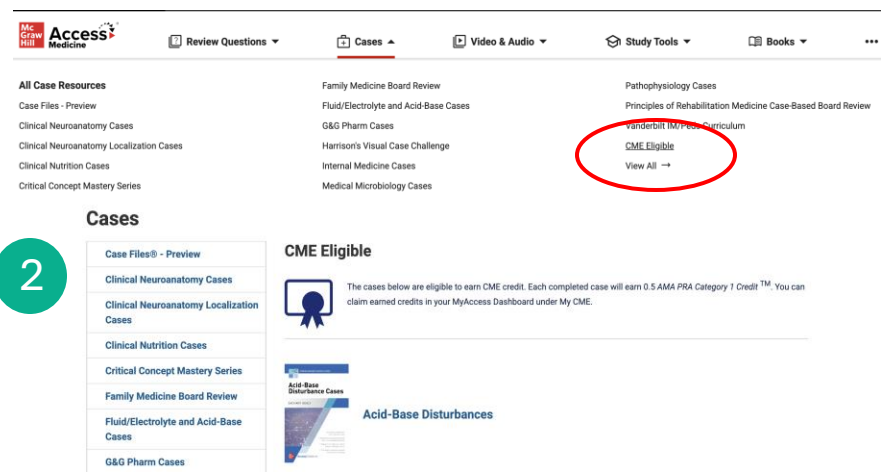

In the “Books” tab, select “CME Eligible” to display all titles that are eligible for CME.

Or find under “Cases” and “Review Questions”

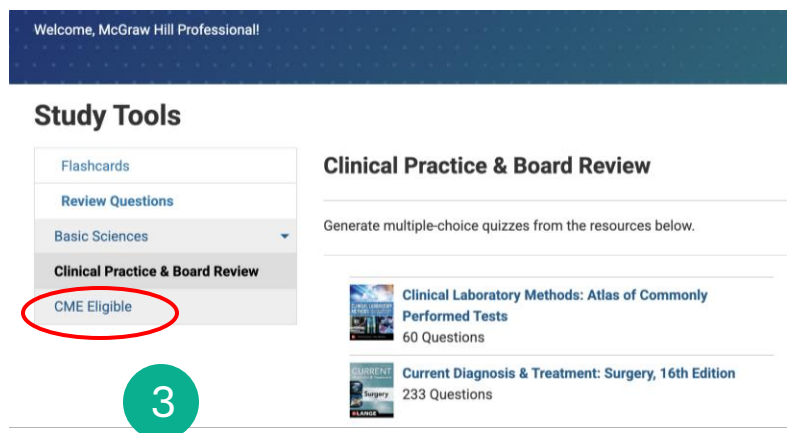

1

2

3

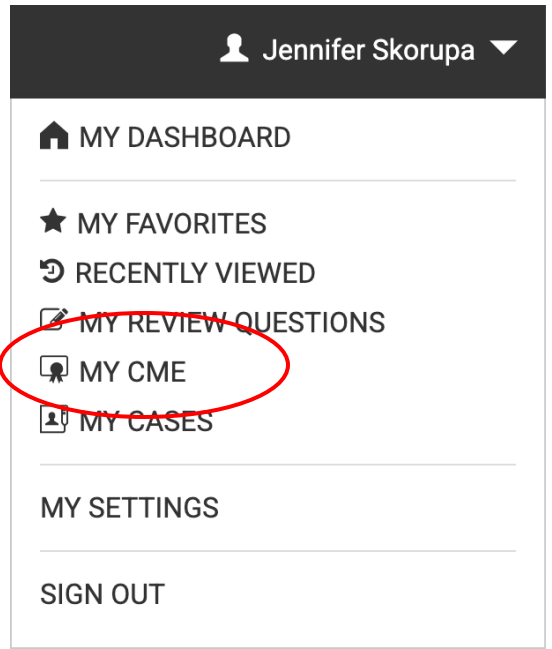

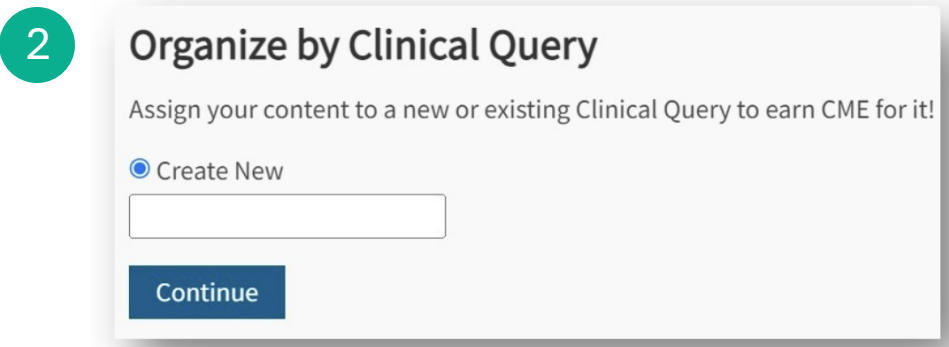

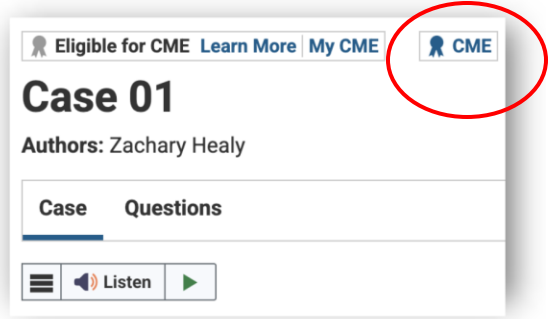

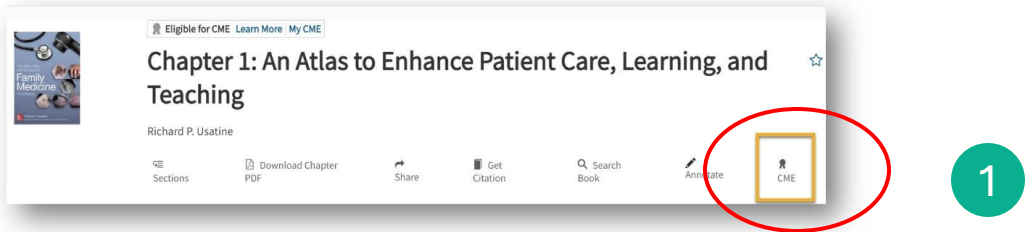

CME credits are offered in accordance with the Accreditation Council for Continuing Medical Education through the joint providership of Interstate Postgraduate Medical Association and McGraw Hill.

### How to Claim CME:

1. By clicking on the CME ribbon icon in the chapter task bar or at the top of a case or completed Q&A, users can begin the process of claiming their CME credits.

2. For Books and Cases, users assign the content to a clinical query. Completed Review Questions may automatically populate in “My CME.” Users can navigate to the “My CME” page in their Access profile to organize and view credits and finish the process of claiming the credits.

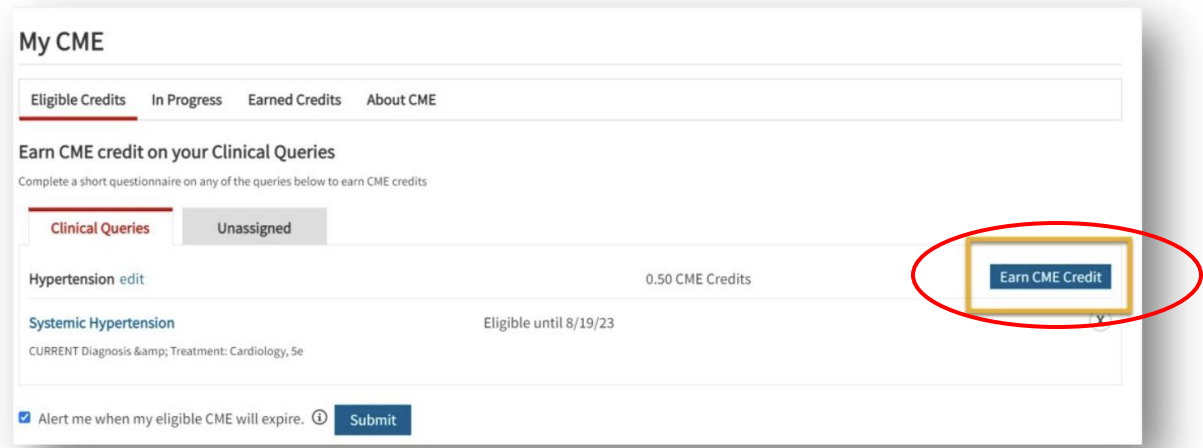

### How to Claim CME:

3. In “My CME” you will see Eligible Credits sitting in your queries, “In Progress”, “Earned Credits” and you can learn more in About CME.

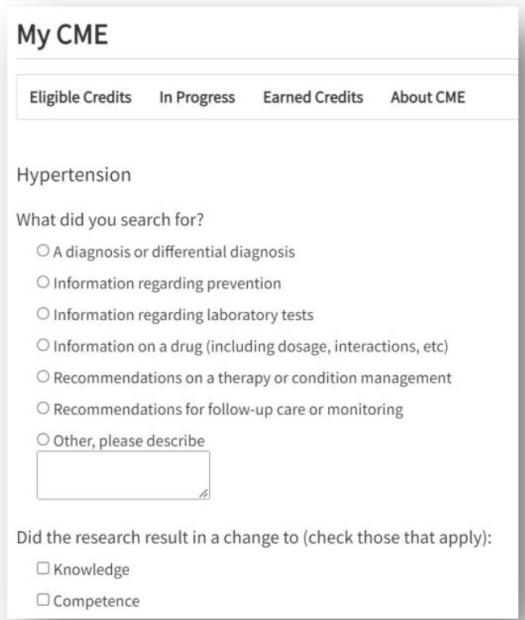

4. For CME Eligible Credits sitting in your query, simply select “Earn CME Credit.” This will take users to a brief questionnaire. This will ask general questions about the nature of the clinical query.

5. Once completed, the credits can be claimed immediately, or the credits can be saved for up to one year.
