How to get new article email alerts using BrowZine

Step 1
Go to https://browzine.com and the name of your VA hospital should appear in the top left above the Subject areas.

Step 2
Navigate the left side of the screen to either search for your favorite journal by name, or navigate the BrowZine subject headings to find titles of interest.

Step 3
Click on a journal of interest, then in the Table of Contents view, click Add to My Bookshelf. Once the journal has been added to your My Bookshelf, you will receive email alerts when new articles are published.

Step 4
Click My Bookshelf in the navigation bar to see your saved titles, organize them across bookshelves, and remove them.
If you are new to BrowZine

Step 1
Go to https://browzine.com and click the Choose My Library button

Step 2
Find and select your VA site

Step 3
Create BrowZine account
Click the gear icon in the upper right of the BrowZine page to access the Settings page, then select Login to BrowZine

Step 4
At the BrowZine login page, click the Sign up link and use any valid email address to create your BrowZine account.
Be sure to select the button indicating you would like to receive email notifications.

Step 5
After you have created your BrowZine account, navigate the left side of the screen to either search for your favorite journal by name, or navigate the BrowZine subject headings to find titles of interest.

Step 6
Click on a journal of interest, then in the Table of Contents view, click Add to My Bookshelf.
Once the journal has been added to your My Bookshelf, you will receive email alerts when new articles are published.

Step 7
Click My Bookshelf in the navigation bar to see your saved titles, organize them across bookshelves, and remove them.
