Library Staff know how busy you are. To keep you abreast on the current literature, articles from 87 journals available through the Library Network Office have been scanned to create this list. Each month the citations with links to full text are sent out for your convenience. If you encounter any difficulties accessing the full text content, or you do not receive the list, please contact the librarians who create the monthly list: Monica Bamio, MLS (monica.bamio@va.gov) at Miami VA Medical Center, Medical Library, or Jennifer Blankenship, MLS (Jennifer.blankenship2@va.gov) at Salem VA Medical Center, Medical Library, for assistance. Keep in mind that your local library staff can perform specific literature searches for you on topics of your choice.

Please follow this link https://www.va.gov/LIBRARY/docs/surgerylibrarycurated.pdf to access the articles or open the attachment. Articles highlighted in red are VA-related or include VA Authors.
