

MEMORANDUM OF UNDERSTANDING

This Agreement is between the US Department of Veterans Affairs, VHA and the National Federation of Federal Employees (NFFE), VA Council of Consolidated Locals (NVAC). The agreement is regarding the implementation of Bar Code Expansion – Positive Patient Identification Transfusion Verification (BCE-PPI TV) as it pertains to impact on NFFE bargaining unit employees.

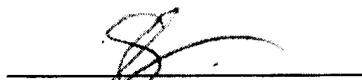

1. NFFE bargaining unit employees (BUE) will receive training in the use of the BCE-PPI TV software, hardware, and facility contingency plans. This training will be recorded by the local facility.
2. The NFFE Local President may designate a participant to attend Super User training for BCE-PPI TV on duty time. The Local NFFE President will communicate their selection to the appropriate Management Official in a timely manner.
3. An employee who has not received or requires additional training must promptly notify their Supervisor and training will be provided in accordance with Article 36, Training, Section 3.
4. In accordance with Article 21, Safety and Health, Section 13 an employee may decline to perform a BCE-PPI TV task because of a reasonable belief of imminent danger.
5. This Agreement will be distributed by appropriate local Management Official to NFFE Local Presidents within 10 days of signing.
