TRACEY, DIAGNOSED IN 2009

Join us for a conversation with Dr. Mitchell Wallin and Dr. Joel Culpepper who have been studying the connection between military exposures and MS for over two decades. Learn about who gets MS, risk factors, military service connection, resources available for Veterans living with MS, and the new VA Promise to Address Comprehensive Toxics (PACT) Act.

- **Mitchell Wallin, MD, MPH** - Director, VA MS Center of Excellence-East and Associate Professor of Neurology, University of Maryland School of Medicine
- **William J. Culpepper II, PhD, MA** - Deputy Director, VA Epidemiology Program, Health Outcomes of Military Exposures, Associate Director of Epidemiology and Informatics, VA MS Center of Excellence-East and Adjunct Professor of Neurology, University of Maryland School of Medicine

## About Ask an MS Expert: Veterans Program

The Ask an MS Expert: Veterans Program is a place to connect with others four times a year and learn more about topics impacting Veterans affected by MS. Experts answer questions and MS Navigators provide live resource support throughout each program. Emily Reilly, CPT, a military spouse living with MS, moderates the program.

This program is presented in partnership with:

U.S. Department of Veterans Affairs  
Veterans Health Administration  
Multiple Sclerosis Centers of Excellence
