OVERVIEW

The General Counsel provides legal advice and services to the Secretary (SECVA) and all organizational components of the Department. The General Counsel is, by statute, the Department’s Chief Legal Officer.
OGC’s Mission

• The Office of General Counsel (OGC) serves as VA’s in-house counsel and is committed to ensuring that every member of our organization has a Veteran focus and an understanding and commitment to the business priorities of our VA clients.
• OGC’s attorneys act as business partners, providing sound legal expertise, and as needed, critical problem-solving skills and risk-management advice.
• OGC strives to provide real-time legal advice. Our goal is to be involved with Department decision-makers (our clients) during the initial phases of decisions and actions, rather than focusing only on defending actions after the decisions have been made. This proactive, preventive approach promotes better outcomes and reduces risk.
