Indian Tribal Governments

This final rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies. This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have analyzed this final rule under Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (32)(e), of the Instruction, from further environmental documentation. It has been determined that this final rule does not significantly impact the environment.

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 21

RIN 2900–AL79

Veterans Education: Non-Payment of VA Educational Assistance to Fugitive Felons

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document amends Department of Veterans Affairs (VA) regulations to reflect a provision in the Veterans Education and Benefits Expansion Act of 2001 (Act). The Act contains a provision in section 505 that prohibits VA from awarding educational assistance allowance to individuals during any period that they are fugitive felons. Section 505 further prohibits payment of educational assistance allowance to a dependent of a veteran if the veteran is a fugitive felon. The prohibitions apply to the following VA educational assistance programs: Montgomery GI Bill-Active Duty, Post-Vietnam Era Veteran’s Educational Assistance Program, and Survivors’ and Dependents’ Educational Assistance.

DATES: Effective Date: This final rule is effective May 16, 2005.

Applicability Date: The substantive changes made by this final rule are applied retroactively to December 27, 2001, to conform to statutory requirements.

FOR FURTHER INFORMATION CONTACT: Lynn M. Nelson, Education Advisor (225C), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 273–7187.

SUPPLEMENTARY INFORMATION: Section 505 of the Veterans Education and Benefits Expansion Act of 2001, enacted December 27, 2001, prohibits the payment of educational assistance allowance to veterans who are fugitive felons. The Act further prohibits payment of educational assistance allowance to an otherwise eligible dependent of a veteran if the veteran or the dependent is a fugitive felon. The prohibitions apply to the following educational assistance programs:

• Montgomery GI Bill—Active Duty (MBIB), 38 U.S.C. chapter 30;
• Post-Vietnam Era Veteran’s Educational Assistance Program (VEAP), 38 U.S.C. chapter 32; and
• Survivors’ and Dependents’ Educational Assistance (DEA), 38 U.S.C. chapter 35.

The amendments to the regulations include definitions for “fugitive felon” and “felony” as defined in the Act. VA expanded the definition of “fugitive felon” to show that individuals are identified as such by Federal, State, or local law enforcement officials. It is the law enforcement officials, and not VA, who identify an individual as a “fugitive felon.”

The amendments include rules showing that educational assistance allowance will be discontinued effective the later of December 27, 2001, or the date of the warrant for the arrest of the felon. In the case of a dependent, when the veteran from whom the dependent derives eligibility is the fugitive felon, the date of discontinuance is the later of December 27, 2001, or the date of the warrant for the arrest of the felon. Payment of educational assistance allowance to an otherwise eligible
individual may begin effective the date
the warrant is cleared. The rules are the
same for each education program listed
above.

Administrative Procedure Act
Changes made by this final rule
merely reflect statutory requirements.
Accordingly, this rule is exempt from
the notice-and-comment and delayed-
effective-date requirements of 5 U.S.C.
553.

Paperwork Reduction Act

Unfunded Mandates
The Unfunded Mandates Reform Act
of 1995 requires, at 2 U.S.C. 1532, that

developing any rule that may result in
an expenditure by State, local, or tribal
governments, in the aggregate, or by the
private sector, of $100 million or more
(adjusted annually for inflation) in any
given year. This final rule would have
no such effect on State, local, or tribal
governments, or the private sector.

Regulatory Flexibility Act
The Secretary of Veterans Affairs
hereby certifies that this final rule will
not have a significant economic impact
on a substantial number of small entities
as they are defined in the Regulatory
Flexibility Act, 5 U.S.C. 601–612. This
final rule will directly affect only
individuals and will not directly affect
small entities. Pursuant to 5 U.S.C.
605(b), this final rule, therefore, is
exempt from the initial and final
regulatory flexibility analyses
requirements of sections 603 and 604.

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket No. FEMA–7877]

Suspension of Community Eligibility

ACTION: Final rule.

SUMMARY: This rule identifies communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the Federal Register on a subsequent date.

EFFECTIVE DATES: The effective date of each community’s scheduled suspension is the third date (“Susp.”) listed in the third column of the following tables.

ADDRESSES: If you wish to determine whether a particular community was suspended on the suspension date, contact the appropriate FEMA Regional Office or the NFIP servicing contractor.

FOR FURTHER INFORMATION CONTACT:

Michael M. Grimm, Mitigation Division, 500 C Street, SW., Room 412, Washington, DC 20472, (202) 646–2878.

SUPPLEMENTARY INFORMATION:

The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding.

Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage as authorized under the National Flood Insurance Program, 42 U.S.C. 4001 et seq.; unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59 et seq. Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the Federal Register.

In addition, the Federal Emergency Management Agency has identified the special flood hazard areas in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in the identified special flood hazard area of communities not participating in the NFIP and identified for more than a year, on the Federal Emergency Management Agency’s initial flood insurance map of the community as having flood-prone areas
