AGENCY: Department of Veterans Affairs.

ACTION: Final rule; correction.

SUMMARY: The Department of Veterans Affairs (VA) published in the Federal Register on August 31, 2010, a document amending the adjudication regulations concerning the presumptive service connection for certain diseases based upon the most recent National Academy of Sciences Institute of Medicine committee report, Veterans and Agent Orange: Update 2008. Supplementary Information: On May 13, 1996, VA published a final rule in the Federal Register (61 FR 21964) amending its medical regulations in 38 CFR part 17 by making a number of nonsubstantive changes. In the document, we removed § 17.31(a), (b) introductory text and (b)(1) through (b)(4), (b)(6), (b)(7), and (c), leaving (b)(5) and (d). Inadvertently, we then redesignated § 17.31(b)(5) as § 17.31, creating a second § 17.31. The second § 17.31 is obsolete. This document corrects the error by removing the second § 17.31 from 38 CFR part 17.
